CONDITIONS:

1. The offer is open to Shire of Mundaring residents, ratepayers, local schools, organisations and community groups only.
2. The seedlings must be used within the Shire of Mundaring.
3. Priority will be given to applications that improve the environment of the Shire and combat environmental problems.
4. **Road verges:** Permission to plant a verge **must** be obtained from the Shire and a planting plan is required. Issues such as visibility, pedestrian access, safety, above and below ground power lines and services, need to be considered. Any work proposed on a highway verge requires written approval from Main Roads W.A. A copy of the Shire's Local Laws are available from the Shire Office.
5. Projects involving land owned by the Crown, Shire or government organisations need to be authorised by the relevant body before work commences.

PLEASE SIGN IN ORDER TO BE ELIGIBLE TO RECEIVE FREE SHIRE OF MUNDARING PLANTS:

I declare that any seedlings provided from the Tree Canopy and Understorey Program will be used for the purposes specified on this form. I have read the conditions and I agree to participate in a follow up survey if required.
