# Child Care Subsidy (CCS) information

Please apply for Child Care Subsidy (CCS), through MyGov or Centrelink, as soon as possible (if you haven't already done so) as it can take a few weeks to process. A CRN does not mean that your child is eligible for CCS

In order for CCS to be paid all the following steps need to be completed:

- 1. Individual makes a claim for Child Care Subsidy (CCS) with Centrelink (through your MyGov account or by Tel: 136 150)
- 2. Child Enrolment form stating care arrangement with your Educator is received by Eastern Region Family Day Care (ERFDC)
- 3. ERFDC submits the above requested enrolment type and your child's care requirements to CCSS
- 4. Importantly, to complete the enrolment process, you must confirm your child's enrolment with ERFDC through your MyGov account.

CCS Statements and Invoices

Once every CCS payment period, legislation requires ERFDC to issue a Statement of Entitlement to parents of children eligible for Child Care Subsidy. This statement will include details of the sessions of care provided and the resulting fee reduction amounts. It will be emailed to the enrolling parent's email address.

In addition to the weekly Statement of Entitlement from ERFDC, parents will have access to information through your Centrelink online account, you can view your entitlements at any time. Parents will receive a notice of all determinations of entitlement during each quarter from Centrelink.

Your Educator will issue invoices and receipts for child care fees incurred.

### **MEDICAL / MEDICATION**

The Eastern Region Family Day Care medical condition policy is outlined in the ERFDC Family Handbook and Authorisation to Administer Medication forms are available from educators if medication is to be given whilst in family day care.

Should your child be injured or become unwell during the day you will be contacted. If you or your emergency contacts cannot be reached, it may become necessary to contact a doctor or ambulance. A continued effort will be made to contact you and your emergency contacts.

Parents will be responsible for the full payment of any costs incurred for transportation or treatment of any illness or injury relating to their child whilst in family day care.

I hereby consent to the Eastern Region Family Day Care staff / educator, engaging the services of a Doctor, Dentist or Ambulance in any emergency for my child.

I am aware that my child will be excluded from care if he/she is infectious. I understand that my child will be accepted back upon provision of a medical clearance certificate stating fit to return to child care.

Please note that all medication (including over the counter medications) must be in their original packaging and be labelled with medical instructions from a medical practitioner/pharmacist in order to be administered by your child's educator. The products must have previously been administered to your child without incident. You will be asked to complete an Authorisation to Administer Medication form.

The family day care educator may provide treatments for minor wounds and abrasions.

### **SUN SAFETY HATS & CLOTHING**

Eastern Region Family Day Care require children to be provided with sun safe hats and clothing when attending care. (ie. Tops that cover the shoulders, arms and chest are best; Hats to be bucket, broad-rimmed or legionnaire not caps)

### **EXCURSIONS / REGULAR OUTINGS**

Each excursion and regular outing requires parental authorisation forms to be signed prior to the excursion and a risk assessment sighted. I understand that my child's family day care educator will notify me prior to these excursions taking place. (Parent Authorisation - Regular Outing & Transportation form is to be included with this Child enrolment form for parental authorisation)

### **FEES**

- My child's Educator has given me a service approved copy of their Statement of fees and the ERFDC Statement of Fees
  Guide (attached to the end of this enrolment form for me to save or print) and I agree to pay fees and levies in
  accordance with these statements to the educator on behalf of the service.
- I agree to pay a weekly fee for my child's attendance, 1 week in advance.
- I understand that I must still pay fees when my child is absent from the service, this includes days off for sickness, holidays and public holidays.
- I understand that I will not be charged fees for any time the FDC educator is not available to provide care for my child
- I agree to give one week's notice before my child leaves the service and am aware that the FDC educator is also required to give one week's notice if care can no longer be provided (NB. Please refer to your Educator's Statement of Fees if there is any additional notice timeframe).
- I understand that if my child is absent before he/she attends the first day of care or is absent on the last days of care, I
  will not be eligible for CCS and may therefore be charged full fees for those absence days.
- I am aware that the FDC service requires the presentation of a medical certificate in the event of my child developing a
  medical condition or signs of illness once my 42 absence days (including public holidays) per financial year is used.
   CCS will not be paid for public holidays once my child has used 42 absence days.
- I authorise the Eastern Region Family Day Care to pay the educator the assessed CCS payments on my behalf, and to recoup the Parent Levy from the educator through the CCSS payment process.

### **GENERAL**

- I have viewed the Family Day Care educator's service as listed on this enrolment form and consent to the enrolment of my child with Eastern Region Family Day Care.
- I acknowledge that I will be emailed the Eastern Region Family Day Care Family Handbook, once the ERFDC service
  receives this enrolment or can view this on their website. I understand that any changes will be communicated in service
  newsletters or correspondence.
- I agree to comply with all requirements in relation to the Eastern Region Family Day Care service.
- I am aware that it is a legal requirement that I record my child's arrival and departure times at the time of arrival and departure on each day of care. I am also required to sign absence days.
