

**\*\*\*Important Information – Demolition Notice\*\*\***  
**BUILDING & WASTE SERVICE REQUIREMENTS**

Following the demolition of your property, it is your responsibility as the property owner to obtain the **BA7 Notice of Completion** form from your demolition contractor as soon as the property has been **DEMOLISHED** and forward this form to [shire@mundaring.wa.gov.au](mailto:shire@mundaring.wa.gov.au)

Upon demolition, you may no longer require a waste service. Should this be the case, please email the following details to the address above:-

- ❖ Property owner(s) name
- ❖ Address requiring bin removal
- ❖ Contact address should it be different from above
- ❖ Type of service to be removed, eg. 1 General Waste Bin, 1 Recycle Bin and the Annual CRC Entry pass, plus any additional waste services currently charged to the property.
- ❖ Contact numbers and
- ❖ Date of demolition

**Please note:**

1. If no waste cancellation request is received, the rubbish service charges will remain.
2. Bins will only be removed if the house has been demolished.  
(All other residential properties are required to have a service for health reasons).
3. Should you wish to reinstate the rubbish service, set bin establishment fees will apply.
