Candidate name

Luke ELLERY

District

Shire of Mundaring

Nominating for

Councillor for South Ward

Election type

Ordinary

Enrolment status

ELLERY Luke is eligible to stand for election as a resident of the Shire of Mundaring.

Thank you for the opportunity to serve on Council. My wife and I are raising the fourth generation of our family, the Ellerys and Strutts, who have called our Shire home.

As Council's Deputy President and a sustainability engineer, I have the experience to build a financially, socially, and environmentally responsible future. My priorities include:

Protecting our lifestyle: Updating our Planning Strategy to preserve our bush character while providing diverse housing for downsizers and new families.

Smart financial management: Reducing rates reliance and strategically managing assets.

Sustainable services: Delivering cost-effective, circular economy, and flexible waste management and conserving our natural environment.

Infrastructure improvements: Addressing traffic safety at key intersections, improving footpaths and connectivity, and master-planning Helena Valley's parklands and improving our Heritage Trail.

I humbly ask for your support to continue being your voice on Council.
