

## Candidate Details

Ballot paper name	<b>CUCCARO, Tony</b>
Candidate name	<b>Anthony CUCCARO</b>
District	<b>Shire of Mundaring</b>
Nominating for	<b>Councillor for West Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>CUCCARO, Tony is eligible to stand for election as a resident of the Shire of Mundaring.</b>

As a resident of the Swan View area for most of my life, I know and understand what the residents need and expect.

Previously as a Shire Councillor (from 2000 to 2017), I represented the residents of Midvale, Greenmount, Bellevue and Swan View at a high level. During that time, I dedicated myself to projects such as providing additional footpaths, roundabouts and full support to the Swan View Youth Centre and community in general. I believe all age groups need to be catered for to ensure they enjoy their community in safety.

There are many issues outstanding such as our fair share of footpaths and road upgrades, youth services, the upgrading of facilities and to address and attempt to keep our rates to a level where our services are not affected.

I have been involved in community and sporting groups and know what families and community need and expect from their local government.

I will serve and be fully accountable to the West Ward community.
