Onesti, Anthony is eligible to stand for election as a resident of the Shire of Mundaring.

My name is Anthony (Tony) Onesti and I have lived in Stoneville since 1998. I served in the Royal Australian Navy for 22 years, Protective Service Officer at Perth airport for 10 years and a Federal Police Officer for 11 years. I am a conservative who believes in the Australian traditions that made this country i.e. Anzac Day, Christmas, Easter etc. I believe in Australia and Australians no matter what their backgrounds and they should be supported to the fullest extent to have the best outcome for their future and their children's future. I believe that the Council of the Shire of Mundaring goal is to support that outcome and I feel I can assist those goals with my experience.
