STRUTT, Toni is eligible to stand for election as a resident of the Shire of Mundaring.

I've called Glen Forrest home for 10 years, having returned to the hills that hold our family history

As a working mum with two young boys, I'm a strong advocate for our community having improved recreational facilities for community connection and wellbeing

My partners small business supports our family. I value the importance of supporting local businesses and the sense of community they enable

As the secretary of the Glen Forrest Volunteer Bushfire Brigade for 8 years, I know the benefit of strong support for our volunteers, ensuring that bushfire risk informs future develop decisions. I'm opposed to the urban North Stoneville development

I'll work alongside our community to:

- Future proof our sport and recreational facilities
- Modernise our volunteer organisations for sustainability & inclusivity
- Protect our natural environment and hills way of life

VOTE 1 Toni Strutt, a proudly independent candidate, to grow our family-friendly community & a hills way of life for our kids in the future
