

Volunteer Expression of Interest

Tech Help Sessions

Mundaring Library

Are you confident in using technology and great with people?

Tech Help volunteers:

- Help people get online, get the most out of being online using email, searching the internet, using apps and social media, and more.
- Help people register with, access, and use the BeConnected Program of online tutorials and information (volunteers will be given training in the BeConnected Program). BeConnected is an Australian Government initiative aimed at improving the confidence, skills, and online safety of older Australians in using digital technology.
- Help people access and use the libraries' eResources, such as eBooks and eAudiobooks.

The sessions are for two hours once a week, and operate at both libraries. You will be providing support to people in small group and individual settings.

If you have two hours available on a regular weekly basis and would like to help at Mundaring Library please complete the form overleaf.

For more information contact Mundaring Library on 9290 6780.

Volunteer Expression of Interest

Tech Help Sessions - Mundaring Library

The Tech Help service at the libraries is a service which involves:

- Helping people get online, and helping them get the most out of being online when searching the internet, using email, social media and more.
- Helping people use, access and register with the BeConnected Program of online tutorials and information.
- Helping people access and use the libraries' eResources, such as eBooks and eAudiobooks.

Please complete the following details if you are interested in helping with these services.
