

HERITAGE LIST

The purpose of this Heritage List is to identify places that are of significant cultural heritage value and worthy of conservation. Modification or additions to a place on the Heritage List will usually require planning approval and may require referral to the State Heritage Office. Place records are available from the State Heritage Office 'inHerit' database at www.stateheritage.wa.gov.au

There are many places of varying heritage value identified in the Shire's Municipal Heritage Inventory (MHI). Only places of high significance are included on the Heritage List (e.g. high degree of integrity/authenticity, rare or outstanding example, very important to the history of the locality). The level of significance is one of the matters that the Shire will consider in making a decision on an application for planning approval, or in undertaking work on Shire owned/managed places of heritage value.

Refer to the Shire's Local Planning Scheme No. 4 and Heritage Planning Policy for more information, or contact the Shire's Planning Service on 9290 6740.
