Youth Services Directory 2017

For Young People

The Seen and Heard program is funded by the Shire of Mundaring and delivered by Parkerville Children and Youth Care (Inc)
The sixteenth edition of this directory was updated and compiled by The Seen and Heard program.

Fourth Edition—Fifteenth Edition
2003—2016
Updated by the Seen and Heard Program

The Youth Services Directory was originally researched and compiled in 2000 and continues to be supported by the Shire of Mundaring.

The Seen and Heard program works to promote community participation and health and wellbeing in young people in the Shire of Mundaring. We hope this directory will be of use to other professionals working with young people and will be an important resource to young people who need access to services.

We hope that this directory is of assistance and welcome any feedback or suggestions that would lead to an improvement in the Shire’s Youth Services Directory.
