

## **CONFIRMED MINUTES**

## **ORDINARY COUNCIL MEETING**

### **8 AUGUST 2023**

I certify that the minutes of the meeting of the Ordinary Council held on Tuesday, 8 August 2023 were confirmed on Tuesday, 12 September 2023.

**Presiding Member** 

# CONFIRMED MINUTES ORDINARY COUNCIL MEETING 8 AUGUST 2023

#### ATTENTION/DISCLAIMER

The purpose of this Council Meeting is to discuss and, where possible, make resolutions about items appearing on the agenda. Whilst Council has the power to resolve such items and may in fact appear to have done so at the meeting, no person should rely on or act on the basis of such decision or on any advice or information provided by a Council Member or employee, or on the content of any discussion occurring during the course of the Meeting. Persons should be aware that regulation 10 of the *Local Government (Administration) Regulations 1996* establishes procedures to revoke or change a Council decision. No person should rely on the decisions made by Council until formal written advice of the Council decision is received by that person.

The Shire of Mundaring expressly disclaims liability for any loss or damage suffered by any person as a result of relying on or acting on the basis of any resolution of Council, or any advice or information provided by a Council Member or employee, or the content of any discussion occurring during the course of the Council Meeting.

## ORDINARY COUNCIL MEETING COUNCIL CHAMBER

#### 1.0 OPENING PROCEDURES

The Presiding Person declared the meeting open at 6.30pm.

#### Acknowledgement of Country

Shire of Mundaring respectfully acknowledges the Whadjuk people of the Noongar Nation, who are the traditional custodians of this land. We acknowledge Elders past, present and emerging and respect their continuing culture and the contribution they make to the region.

#### Recording of Meeting

Members of Council and members of the gallery are advised that this meeting will be livestreamed and audio-recorded.

#### 2.0 ANNOUNCEMENTS BY PRESIDING MEMBER WITHOUT DISCUSSION

#### 2.1 Certificate of Appreciation – Mundaring Community Bank Bendigo Bank

Mundaring Community Bank is a franchise of the Bendigo & Adelaide Bank and is owned by around 650 local people who are shareholders. Since the bank opened in 2002, it has contributed an impressive \$2,946,786.44 to our community through grants, donations and in-kind support.

80% of the profits made in the Mundaring Community Bank are returned to the community via sponsorships and grants like the ones presented to the community on 15 June this year, where the bank presented \$295,722.49 in community grants to many volunteer run community groups who support and contribute to the fabric of our community.

The recipients ranged from environmental groups to our bushfire brigades, sporting clubs, playgroups, resident and ratepayer groups, community gardens, as well as funding community events that support our community's physical and mental wellbeing. The grants met community need with the criteria being that they had to provide a benefit to our community, building community connection and supporting volunteer efforts.

On behalf of the Shire, we thank the Mundaring Community Bank for this outstanding contribution to our community. Mundaring Community Bank representatives Rochelle Werrett, Director and Andrea Southam, Executive Officer were welcomed to receive this award on behalf of the Bank.

#### 2.2 Rates Notices

The Shire is currently working towards finalising the new budget for 2023/2024. As a result, the budget is anticipated to be adopted in late August/September. Ratepayers can expect to receive their Rate Notices after this date.

#### 2.3 Waste Guide

The 2023 - 2024 Waste Guide is now available on the Shire's website. A hard copy will be sent out with the Rates Notices in the coming months.

#### 2.4 Verge Collections

Verge collections will begin from Monday 14 August in Swan View and Midvale. Verge collections will run through to the week starting Monday 2 October.

Collection dates for each suburb are available on the Shire's website on the latest news or search the Waste Guide.

#### 2.5 Community Recycling Centre Passes

A friendly reminder, that as per the text on the Community Recycling Centre Entry Pass, that your three landfill entries for general waste disposal to landfill renewed on 1 July 2023 and will be valid to 30 June 2024.

Additional entries may be purchased at the Community Recycling Centres (CRCs).

There are unlimited entries for recycling and green waste. Remember to keep hold of your physical or digital pass (via My Mundaring Online), as these do not expire – but landfill entries will renew on them each financial year.

#### 2.6 Community Grants Program - 2023-24 Round One Grant

Eighteen eligible applications were received in the first round of 2023-24 Community Event and Matching Grants. The Chief Executive Officer approved three Matching Grants to the value of \$2386.96. The Grants Selection Committee met on 1 August 2023 approving 10 Community Event and five Matching Grants to the total value of \$41,476.13.

Grants were awarded to the following:

- Chidlow Progress Association for the Chidlow Community Christmas Carols event.
- Darlington History Group to celebrate the centenary of the Darlington Village Hall.
- First Friends Playgroup to host a Messy Play and Family Fun Day.
- Glen Forrest Christmas Gathering (auspiced by Glen Forrest Volunteer Bush Fire Brigade) to hold the annual Glen Forrest Christmas Gathering.
- Glen Forrest Primary School Parents & Citizens Association to hold a school and community bush dance.
- Glen Forrest Residents & Ratepayers Association to hold the ninth Day in the Forrest music festival.
- Mundaring Chamber of Commerce to host the Mundaring's Biggest Long Table event, encouraging people to 'buy local'.
- Parkerville Junior Cricket Club to hold a Community Cricket Festival.
- Swan View Community Association to hold the Swan View Carols by Candlelight.
- Glen Forrest Community Garden to celebrate the garden's 10th anniversary.
- First Friends Playgroup to upgrade its kitchen facilities including purchase of a new fridge and benchtop oven.
- Glen Forrest Cricket Club to purchase shade tents for spectator sun protection.
- HorsePower Hills to purchase a new hippotherapy horse for use in its programs.
- Mundaring Junior Football Club to purchase tablets to run GameDay software.
- Mundaring Primary School Parents & Citizens Association to resurface the basketball courts at the school.
- Mundaring Toy Library for board games and signage.

- Parkerville Playgroup for garden development.
- Eastern Hills Netball Association for a promotional banner.

#### 2.7 CEO Departure

The Presiding Person acknowledged that this would be the last Ordinary Council meeting that CEO, Jonathan Throssell, will attend and on behalf of everyone at this meeting would like to wish Jonathan the very best for the future.

#### 3.0 DECLARATION OF INTEREST

#### 3.1 Declaration of Financial Interest and Proximity Interests

Council Members must disclose the nature of their interest in matters to be discussed at the meeting (Part 5 Division 6 of the Local Government Act 1995).

Employees must disclose the nature of their interest in reports or advice when giving the report or advice to the meeting (Sections 5.70 and 5.71 of the Local Government Act 1995).

Nil

#### 3.2 Declaration of Interest Affecting Impartiality

A Council Member or an employee who has an interest in a matter to be discussed at the meeting must disclose that interest (Shire of Mundaring Code of Conduct, Local Government (Admin) Reg. 34C).

Cr Jo Cicchini disclosed an interest affecting impartiality in Item 10.4 (Review of Lobbying and Advocacy Priorities 2023-2025) as she is a member of the Bellevue Resident & Ratepayers Association.

Cr Claire Hurst disclosed an interest affecting impartiality in Item 10.3 (Economic Development and Tourism Strategy 2023 – 2028 – Recommended Actions) as her husband was on the Strategic Reference Group.

Cr Luke Ellery disclosed an interest affecting impartiality in Item 10.4 (Review of Lobbying and Advocacy Priorities 2023-2025) as his wife is a committee member of the Bellevue Resident & Ratepayer Association.

CEO disclosed an interest affecting impartiality in Item 13.1.1 (CEO Performance Evaluation Framework Final Report 2022 – 23) as the item refers to the CEO's employment.

Director Corporate Services disclosed an interest affecting impartiality in Item 13.1.1 (CEO Performance Evaluation Framework Final Report 2022 – 23) as the CEO is his employer.

#### 4.0 RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

## 4.1 Response to Questions Taken on Notice Ordinary Council meeting 11 July 2023 - Mr John Bell

At the Ordinary Council meeting held 11 July 2023, Mr John Bell of Mt Helena asked a number of questions which were taken on notice in regards to LED event signage installed in three parks within the Shire. A response was provided to Mr Bell by the Chief Executive Officer referring him to previous correspondence, in particular correspondence dated 31 May 2023 and 29 June 2023, about this matter.

#### 5.0 PUBLIC QUESTION TIME

15 minutes (with a possible extension of two extra 15 minute periods) are set aside at the beginning of each Council meeting to allow members of the public to ask questions of Council.

Public Question Time is to be conducted in accordance with *Shire of Mundaring Meeting Procedures Local Law 2015.* 

#### **Summary of Question Summary of Response** John Bell - Mt Helena Regarding my question which was asked The Presiding Person advised that she is at the July meeting, I would now like to not the Shire President, she is the make sure that the answer is given by the Deputy Shire President. Her capacity at Shire President or Acting Shire President. the meeting tonight is as the Presiding My question was directed at the President Member and she does not have the not the CEO but the answer has come authority to speak on behalf of Council. If the original question is repeated it can from the CEO. Would you please direct be referred to the CEO. the CEO or staff to answer the question that was asked? My question is - will the Shire President please answer the question that was given at the July meeting of Council? The questions to the Shire President were The Presiding Member referred the regarding a statement from Mr Shane questions to the CEO for a response. Purdy in August 2019 and the questions were this: The CEO referred to his previous responses and the responses provided • When and how did Council authorise to Mr Bell in correspondence on this this change of strategic intent in 2019 matter, including on 11 July, 29 June regarding the LED signs? and 31 May 2023. He noted that all of • Who were the electors that he the questions asked by Mr Bell have mentioned in that comment to the CAG? received responses. He also noted that • Why did the officer avoid consulting with Mr Bell has been advised that if he the ratepayer groups at any time? wished to pursue his concerns he can do • Why were the ratepayer groups only so by lodging a Freedom of Information consulted regarding the position of the application, or if he suspects misconduct parks immediately prior to installation? he can report it to the CCC or to the Public Sector Commissioner.

- 3. I directed the question directly to the Shire President. He asked the CEO for comment but my question remains on the table of the Shire President, what are the answers to these questions?
- The Presiding Member advised that as the Shire President is not at this meeting tonight she is not able to answer the questions. Mr Bell has been given those other avenues to pursue, otherwise Mr Bell may choose to seek more clarity from the Shire President himself.
- 4. This is regarding governance. Will Council consider engaging an independent specialist consultant to help them develop a suite of policies rather than utilising a member of staff?

The Presiding Member advised that Mr Bell is correct in stating that Council is responsible for policy, per Section 2.7 of the *Local Government Act;* however, Council delegates the operations and administration to the CEO. The Presiding Member asked the CEO to comment further.

The CEO confirmed that the response provided by the Presiding Member was correct. He noted that in regard to a number of comments made by Mr Bell about governance, it appeared there is a misunderstanding by Mr Bell about how local government operates. Firstly, it is open to the President and the Presiding Member at any time to call upon the CEO to provide a response to a question asked at a council meeting. It is not just the domain of the Shire President to have to respond on his/her own. Secondly, the way Local Government is structured is that the administration is there to undertake the actions needed to enable Council to develop policy prior to adopting that policy. It is not something that must be separated from the administration. The CEO urged Mr Bell to familiarise himself with how local government operates (in the development of policy) because this is the way all local governments operate.

#### 6.0 APPLICATIONS FOR LEAVE OF ABSENCE

#### 6.1 Application for Leave of Absence - Cr Neridah Zlatnik

Cr Zlatnik has advised of her request for leave of absence from 1 November 2023 to 15 November 2023 (inclusive).

COUNCIL DECISION
MOTION

C1.08.23

Moved by Cr Daw Seconded by Cr Cook

#### SUMMARY

An updated draft "Community Leases Policy" (**Attachment 1**) is presented to the Governance Committee (the Committee) for its consideration and recommendation to Council. Appendix 1: Classification of Tenants (**Attachment 2**); and Appendix 2: Community Leases Guidelines (**Attachment 3**) have been drafted to provide further clarification on the provisions of the updated "Community Leases Policy".

There are currently 48 community leases encompassing a range of community groups and organisations across the Shire. As such, a communication plan (**Attachment 4**) is attached to inform current lessees of how the proposed draft "Community Leases Policy" will affect new leases, and the renewal of leases with the Shire.

The Committee is asked to review and endorse the updated draft "Community Leases Policy" for the purpose of consultation.

#### **BACKGROUND**

The current Community Leases Policy (OR-24) adopted in April 2019 has been provided as **Attachment 5**. A review of community leases as of March 2023 identified a lack of consistency across the Shire's 48 community leases and evidence of community organisations operating without a lease agreement for an extended period of time.

On 20 March 2023, the Governance Committee workshop meeting identified issues to be considered in the policy review including:

- lease categories;
- rent calculation to factor condition of building and the actual space used;

- inclusion of timelines for signing of lease; and
- inclusion of a table of responsibilities.

Members of the Committee advised that they had received anecdotal feedback that there is a level of ambiguity in the Shire's Standard Lease and the Terms and Conditions initially prepared by McLeods solicitors in 2012.

A letter from Playgroup WA advocating for Playgroups in the Shire was sent to council members appointed to the Committee on 4 April 2023 and was also forwarded to staff.

At the Governance Committee workshop held 15 May 2023, a discussion paper was presented with a revised draft policy, which was further amended after discussion by committee members.

The reviewed "Community Leases Policy" was presented to a Governance Committee meeting held 19 June 2023 where the following recommendation to Council was made by the Committee:

"That Council endorses the draft "Community Leases Policy" (Attachment 1) for the purpose of consultation."

At the Ordinary Council Meeting held 11 July 2023, Council subsequently resolved as follows:

- A. That the item be referred back to the Governance Committee for further consideration.
- B. Reason for the change to the officer recommendation:

The Community Leases Policy is a complex document that has significant implications for community organisations and the Shire of Mundaring. While the policy is largely complete, discussions and questions from council members since the Governance Committee meeting to recommend the policy for community consultation purposes, would indicate that the policy needs further clarity especially in regards to maintenance obligations of the Shire and lessees.

Further to this resolution of Council, the policy was referred to the Governance Committee workshop held 17 July 2023.

#### STATUTORY / LEGAL IMPLICATIONS

Section 2.7 of the *Local Government Act 1995* provides the role of council in relation to the determination of policies:

- (1) The council
  - (a) governs the local government's affairs; and
  - (b) is responsible for the performance of the local government's functions.
- (2) Without limiting subsection (1), the council is to
  - (a) oversee the allocation of the local government's finances and resources; and
  - (b) determine the local government's policies.

#### **POLICY IMPLICATIONS**

The "Policy Development and Review Policy" relates.

Feedback received from the Governance Committee members has been used to inform the review of the "Community Leases Policy" and the communication plan provides

information on how the current lessees will be advised of the proposed draft "Community Leases Policy".

It is proposed that the existing policy will be replaced by the new draft policy.

#### FINANCIAL IMPLICATIONS

The most significant financial implication of the updated draft, is the reduction in the rental fee for community groups / organisations (24) currently in Category B and eligible to become Category One. This change is expected to occur within a relatively short period after adoption of the draft policy, on the request of current Category B Lessees. Estimated loss of revenue \$15.416.

It is expected that some existing Lessees will request an early renegotiation of their current lease if they are eligible for reduced rental costs. This would result in a significant increase of officer time following the initial implementation of the policy. After this, it is anticipated that officer time to manage the leases will remain comparable to the current requirement.

Officer time will also be impacted should the number of insurance claims increase due to the updated policy.

There will be a requirement for a new standard community lease document to be prepared by Shire's solicitors if the draft policy is adopted by Council.

As this loss of revenue has not been considered or provided for in the 2023/24 Integrated Planning and Reporting (IPR) process, how this is to be funded should be considered further when the results of the community consultation are presented to Council.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.4 – High standard of governance and accountability

Strategy 4.4.3 – Risks are well managed

#### SUSTAINABILITY IMPLICATIONS

#### Governance

Deliver outcomes that are consistent with the strategic goals and objectives of the Shire.

#### **RISK IMPLICATIONS**

Risk: Financial, compliance: The current Community Leases Policy is not consistently applied or adhered to by all community groups resulting in differences in compliance with essential terms and rental fees and the frustration of some community groups.

| Likelihood        | Consequence | Rating |
|-------------------|-------------|--------|
| Likely            | Moderate    | High   |
| Action / Strategy |             |        |

Making decisions based on principles set out in an updated Community Leases Policy, which addresses some of the concerns raised, will ensure that all community groups are treated in a consistent, fair and transparent way.

**Risk**: Reputation: Ratepayers may be aggrieved at why ratepayers pay for parts of maintenance and insurance costs for community groups whom have exclusive usage on buildings with peppercorn rent.

| Likelihood        | Consequence | Rating   |
|-------------------|-------------|----------|
| Possible          | Minor       | Moderate |
| Action / Ctrotomy | 1           |          |

#### Action / Strategy

The lease conditions applicable to community groups with exclusive usage of Shire buildings to be consistent and fair to all community groups whom use the buildings and the ratepayers of the Shire whom must pay for the remaining balance of costs not paid by the community groups.

**Risk**: Financial: A number of leases have expired and renewal has been delayed pending adoption of an updated Community Leases policy.

| Likelihood | Consequence | Rating |
|------------|-------------|--------|
| Possible   | Moderate    | Low    |
|            |             |        |

#### Action / Strategy

Making decisions based on principles set out in an updated Community Leases Policy will ensure that all community groups are treated in a consistent, fair and transparent way.

#### **EXTERNAL CONSULTATION**

A letter from Playgroup WA advocating for Playgroups in the Shire was sent to council members appointed to the Governance Committee on 4 April 2023. This letter was also forwarded to staff. The letter has been considered in the process of drafting the policy. Staff are aware that there has been further correspondence between council members and external parties (i.e. Playgroups WA).

All current Lessees will be contacted, through Engage Mundaring, inviting them to comment on the updated "Community Leases Policy" for their groups/organisations. Ratepayers will also have an opportunity to provide comment on the draft "Community Leases Policy" and associated documents. A question will be included to determine respondents who are current Lessees or Ratepayers. Further information is outlined in the attached communication plan.

#### COMMENT

The current Community Leases Policy (OR-24) has been reviewed to include suggestions from the Governance Committee where appropriate. Other local government policies dealing with Community Leases were utilised to inform changes including <u>City of Vincent</u>, <u>City of Nedlands</u>, <u>City of Bayswater</u> and <u>City of Kalamunda</u>.

The following is a summary of current issues noted with Community Leases Policy (OR-24) since its adoption in 2019:

- Rent amount varied from policy fee by Council (6)
- Insurance excess waived (1)
- Two playgroups have no current lease

Leases established prior to 2019 carry over a range of terms inconsistent with the existing "Community Leases Policy" (OR-24).

- Rent amount set to a dollar value (9 leases)
- Maintenance caps reduced or lessees responsible for all maintenance

- Insurance excess reduced or no excess charged
- Historical GRV value applied to Category C

To provide a consistent, transparent and equitable approach to Council entering into formal lease agreements a number of subheadings have been amended, these include:

- Item 4.1 Occupancy Agreements
- Item 4.2 Classification of Tenants
- Item 4.3 Fee Structure
- Item 4.4 Standard Community Lease
  - 4.4.2 Variation
  - 4.4.3 Timing.
  - 4.4.4 Maintenance Responsibilities
- Item 4.5 Lease Renewal For Existing Lessees

For clarity, further information on why each of these subheadings have been included are detailed below.

#### Type of occupancy agreements

Inclusion of 'management agreement' to cover community leases with no associated building (i.e. community gardens) and current Memorandum of Understanding (7) between the Shire and community groups for storage of equipment.

This clause provides greater options to classify occupancy agreements executed by the Shire.

#### Classification of tenants

The initial classification of tenants proposed in the draft "Community Leases Policy" (Category One, Category Two and Category Three) is outlined in the below table and was presented to the 19 June 2023 Governance Committee meeting.

There have been no further changes to the classification of tenants following the 11 July 2023 Ordinary Council Meeting.

Eligibility criteria for the three categories have been included in the updated "Community Leases Policy" and Appendix 1: Classification of Tenants and is summarised in the table below. Changes as presented to the 19 June Governance Committee meeting and subsequent changes following the 11 July 2023 Ordinary Council Meeting are also listed.

| Category name   | Specific eligibility criteria in relation to group / organisation structure and revenue  |
|---|--|
| Category One:<br>incorporates leases<br>previously categorised<br>as A and B in<br>Community Leases<br>Policy (OR-24) | Category One leases are locally based, not-for-profit groups/organisations with a voluntary management committee and comprised mainly of local representatives. The group/organisation has limited capacity to generate additional revenue from on-site activities consistent with the group's purpose and the income of the group is generally restricted to low membership fees. |
|   | Following the 11 July 2023 Ordinary Council Meeting, the word "incorporated" has been added to the eligibility criteria for Category One in the updated policy and in Appendix 1: Classification of Tenants.   |

| Category Two:<br>incorporates leases<br>previously categorised<br>as Category C in<br>Community Leases<br>Policy (OR-24) | Category Two leases are incorporated associations, groups and not-for-profit organisations run by paid staff, or paid staff and volunteers; and, with significant administration resources. The Lessee has access to ongoing operating grants and/or substantial grants (federal, states or local) or generates additional revenue through membership fees, events, venue hire, or the sale of services or products consistent with the group's purpose. |
|--|--|
| Category Three (new lease category not previously catered for in the current Community Leases Policy (OR-24)             | Category Three is proposed to be added and covers existing leases with three (3) Child Health Community Centre which are a shared service arrangement with state or federal agencies.  |

Feedback previously received from some community groups / organisations has been considered when redefining the categories. It is expected that combining the current community groups / organisations who are in Category A and Category B under one category; Category One, will result in less requests for rental fees to be submitted to Council for variation.

#### Fee structure

The Fee models in the current Community Leases Policy (OR-24) are as follows:

- Peppercorn rent (Category A)
- Community Rent with a fee per square metre (Category B)
- percentage of Market value (Category C)

The initial fee structure as proposed in the reviewed "Community Leases Policy" presented to the 19 June 2023 Governance Committee meeting and the proposed amendments to the updated "Community Leases Policy" following the 11 July 2023 Ordinary Council Meeting are outlined in the below table:

| Categories   | Current fee model   | Proposed fee model  |
|--------------|---|---|
| Category One | Peppercorn rent (Cat A) or fee per metres (Cat B), outgoings, capped minor maintenance (except structural). | Initial amended fee structure as included in the reviewed "Community Leases Policy" and associated documents presented to the 19 June 2023 Governance Committee Meeting:  • Peppercorn rent, lessee is responsible for outgoings, "once-off' maximum maintenance amount and yearly maintenance expenditure cap. Initial term is 5 years with option of 2 x 5 years unless otherwise negotiated by both parties. Low fee, simple to administer, expanded eligibility criteria. Amendments as included in the updated "Community Leases Policy" and associated documents presented attached to this report following the – 11 July 2023 Ordinary Council Meeting: |

|                |  | <ul> <li>Include yearly capped minor maintenance.</li> <li>Removal of "once-off" maximum amount for maintenance item.</li> <li>Lessee contribution to 50% of insurance excess has been removed.</li> </ul>   |  |  |  |  |
|----------------|--|--|--|--|--|--|
| Category Two   | 50% of market rent value (Cat C), discounted if applicable. Capped minor maintenance (except | Initial amended fee structure as included in the reviewed "Community Leases Policy" and associated documents presented to the 19 June 2023 Governance Committee Meeting:   |  |  |  |  |
|                | structural).   | <ul> <li>Market rent, discounted as per 4.3.1,<br/>lessee is responsible for outgoings, all<br/>minor maintenance and repairs costs,<br/>and capital upgrades. Initial term is 10<br/>years with option of 1 x 10 years. Fee is<br/>objective and has direct relationship to<br/>the value of the community facility.</li> </ul> |  |  |  |  |
|                |  | There have been no further changes to the proposed fee structure for Category Two following the 11 July 2023 Ordinary Council Meeting.   |  |  |  |  |
| Category Three | N/A  | Initial fee structure as included in the reviewed "Community Leases Policy" and associated documents presented to the 19 June 2023 Governance Committee Meeting:   |  |  |  |  |
|                |  | <ul> <li>Peppercorn rent, lessee is responsible<br/>for outgoings, all minor maintenance<br/>and repairs costs, and capital<br/>upgrades. Initial. Term is 10 years with<br/>option of 1 x 10 years. Low fee, simple<br/>to administer.</li> </ul>   |  |  |  |  |
|                |  | There have been no further changes to the proposed fee structure for Category Three following the 11 July 2023 Ordinary Council Meeting.   |  |  |  |  |

The following items were included in the reviewed "Community Leases Policy" presented to the 19 June 2023 Governance Committee Meeting with no further changes proposed the updated "Community Leases Policy" following the 11 July 2023 Ordinary Council Meeting.

 Period of tenure was not clearly stipulated and has been informed by a review of other local governments' community leases. It is generally thought that groups/ organisations on a longer lease tenure are more likely to invest in building development. Additionally, longer lease tenures are better suited for community group/organisations seeking grants.

- A note was provided to reflect (3) historical leases where lessees negotiated a peppercorn lease with full responsibility for the leased property building maintenance, including structural maintenance.
- The financial implications of recommended fee structure considered the group's /
  organisation's ability to pay and their benefit derived from sole use in relation to
  Shire's capacity to reinvest funds in new building/ refurbishment and the staffing
  requirements to ensure suitable asset management.
- Given the financial viability of groups generally allocated to Category Two and Category Three there is an expectation that the lessees will provide a 50% contribution to the insurance excess.

#### Standard community lease

Initial changes to the standard community lease as included in the reviewed "Community Leases Policy" presented to 19 June 2023 Governance Committee Meeting:

- Variation clause was inserted to capture request for variation of existing leases as a result of lessee change of circumstances.
- A timing incentive was inserted to ensure timeliness of community groups signing a lease agreement.
- Maintenance responsibilities from the standard community lease has been summarised in Appendix 2: Community Leases Guideline.
- Additionally, Appendix 2: Community Leases Guidelines (Attachment 3) provides
  potential and existing lessee(s) an explanation of terminology used in lease
  agreements, a schedule of maintenance obligations and responsibilities, and a range
  frequently asked questions. The guidelines will be available on the Shire website for
  greater access and transparency.

Further changes included in the updated "Community Leases Policy" following the 11 July 2023 Ordinary Council Meeting:

- Detailed requirement for Category One Lessees to record their maintenance expenditure towards maximum yearly cap.
- Further detail has been added to Appendix 2: Community Leases Guidelines
  pertaining to structural maintenance, casual hire, the process to request capital
  works, building insurance claims and requirements in terms of malicious damage,
  break-ins and vandalism.

#### Lease renewal for existing lessees

The following was included in the reviewed "Community Leases Policy" presented to the 19 June 2023 Governance Committee Meeting with no further changes proposed to the updated "Community Leases Policy" following the 11 July 2023 Ordinary Council Meeting.

• Feedback from Governance Committee workshop has been incorporated to include (d) "existing lessee will be given first right of renewal [..]" and (e) "application for Shire owned premises have been considered on their merit" to ensure a balance between providing existing lessees with an opportunity to continue with their lease and providing opportunity for new community groups/organisation to access leases on Shire properties.

Changes from the reviewed "Community Leases Policy" presented to the 19 June 2023 Governance Committee Meeting have been updated following the 11 July 2023 Ordinary Council Meeting. These changes are tracked in **Attachment 6** updated "Community"

Leases Policy", **Attachment 7** Appendix 1: Classification of Tenants and **Attachment 8** Appendix 2: Community Leases Guideline.

#### 1. PURPOSE

The Shire has a number of properties which are used by a range of community groups and organisations, through a lease, licence or management agreement. This policy sets the overarching principles for the management of the Shire owned, managed or controlled property, including Crown land.

The purpose of this policy is to ensure:

- Shire leased assets are managed appropriately to optimise the benefit to and meet the expectations of the community in accordance with the Shire's Strategic Community Plan, Corporate Business Plan and Community Health and Wellbeing Strategy;
- a consistent, transparent and equitable approach for the process of Council
  entering into a formal lease agreement with community groups and
  government agencies to occupy Shire owned or managed land and buildings;
  and
- sound financial management, sustainable asset management and effective administration of the Shire's properties.

#### 2. SCOPE

This policy applies to all community leases for community groups and organisations, including renewal of leases on expiration of current leases.

It does not cover commercial leases with business entities, as these are negotiated on a case by case basis.

Shire of Mundaring Bush Fire Brigades are excluded from this policy: as they are established under the *Bush Fires Act 1954* and the *Bush Fire Brigades Local Law 2013* and do not require a lease.

Facility hire (regular or occasional) to deliver community based programs, events and activities on an hourly or daily rate is not covered by this policy.

#### 3. DEFINITIONS

capital upgrade refers to enhancement to the existing facility and

extends the asset to cater for growth or additional

service level.

capital renewal relates to expenses incurred to restore the original

function of the facility by replacing elements that have a life cycle shorter than planned for the entire

facility (for example carpets).

**community group** characteristics include but not limited to:

 a. incorporated not for profit group or association of persons with the primary aim of conducting activities and providing services for community benefit; and

 relies predominantly on volunteer labour, community fundraising, membership fees and donations; and

 may receive state or federal government operational grants and may rely on a fee for service business model.

**community lease** a legally binding agreement granted to community

group/organisation that provide services with direct

benefit to the community.

CPI consumer price index (CPI) is a quarterly measure

of inflation published by the Australian Bureau of

Statistics.

**Incorporated** a group of people who are recognised as a legal

entity, separate from individual members as defined under the *Associations Incorporation Act* 

2015.

lease exclusive occupancy agreement. Throughout this

policy, the word "lease" includes "licence".

**Lessee** a person, group/association who holds the lease of

a property. Lessee can be referred to as tenant.

**Lessor** the owner of an asset that is leased to another

party. Lessor can be referred to as landlord.

lease or licence variation the addition, removal or change of one or more of

the Lease or Licence provisions.

licence non-exclusive occupancy agreement (shared use).

management agreement contractual arrangement outlining the terms and

conditions associated with usage.

market rent the annual rent amount the Shire might reasonably

expect to receive, and a lessee might reasonably expect to pay, for a tenancy. Market rent value is

determined by a licensed valuer.

#### 4. POLICY

The Shire is committed to providing a fair, consistent and transparent approach to the leasing, licencing and management of Shire properties. The Shire acknowledges that there are a range of tenants and uses, many of which provide valued community benefits.

#### 4.1. Occupancy Arrangements

The Shire will enter into one of the following agreements for the use of Shire owned and managed or controlled property including crown land.

The main types of occupancy agreements include:

**Lease:** proprietary right to exclusive occupation and use of part or all of a Shire-owned property, for an agreed period, in return for rent. The tenant has exclusive use and occupation of the property, although the Shire may require the tenant to encourage other use and subletting can occur if mutually agreeable.

**Licence:** Contractual right to non-exclusive occupation and /or use of part of a Shire-owned property. It does not confer a right to exclusive possession or occupation of the property. The Shire may see to grant a licence to enable access to the property by the broader community outside of the licensee's usage times.

**Management agreement:** Contractual arrangement outlining the terms and conditions associated with usage, as negotiated. The terms and conditions are not standard and are negotiated between the two parties.

#### 4.2. Classification of Tenants

#### 4.2.1. Eligibility

In order for community groups and organisations to be assessed for a community lease, the prospective tenants must provide the required documentation. When assessing applications, the following criteria is to be considered:

- a. organisational structure
   i.e. incorporated under the Associations Incorporation Act 2015; has an Australian Business Number (ABN) (if applicable):
- b. demonstrated financial viability and applicable regulatory compliance
  - i.e. evidence of revenue; annual financial statements; compliance with relevant legislation governing the activities

of the group; holds all relevant licences and approvals to operate; capacity to meet the cost outlined in the lease contractual agreement.

#### c. community benefit

i.e. lease will increase social engagement and/or promote the health and well-being of the community; meets a high level of need in the community or responds to a community demand for the service or activity; without this service provision the Shire may be required to provide an additional service or the service would not be available to the community at all;

#### d. membership

i.e. group's Rules of Association enable non-discriminatory membership, (open to all residents who wish to participate in that service or activity); group's fees are reasonable and accessible:

- e. suitability of the site for the specific purpose;
- f. alignment of the proposal with Council's objectives as articulated in the Shire's Strategic Community Plan; and

Meeting the eligibility criteria listed above does not confer a right to the lease. The Shire reserves the right to decide whether a facility is offered on the basis of a lease; and if so, to whom the lease is offered.

#### 4.2.2. Categories

In the first instance applications for community leases will be considered against the eligibility criteria (refer to item 4.2.1). Where the criteria are met the application will be allocated to one of three categories based on the group/organisation structure and revenue (refer to Appendix 1: Classification of Tenants).

Category One: Incorporated, locally based, not-for-profit groups or organisations with a voluntary management committee and comprised mainly of local representatives. The group/organisation has limited capacity to generate revenue from on-site activities consistent with the group's purpose and the income of the group is generally restricted to low membership fees.

Category Two: Incorporated associations, groups and not-forprofit organisations run by paid staff; or, paid staff and volunteers, and with significant administration resources. The tenant has access to ongoing operation grants and/or substantial grants (federal, states or local) or generates additional revenue through membership fees, events, venue hire, or the sale of services or products consistent with the group's purpose.

**Category Three:** Government Community Child Health Clinic. The tenant receives significant funding from the State or Federal Government or organisations other than the Shire and offer free

community services that specialise in the health of mothers and their babies.

#### 4.3. Fee Structure

The Shire is committed to providing access to Shire owned properties and facilities for the benefit of the local community and to strengthen communities through empowerment of incorporated associations.

The Shire does not seek to derive profit from community leases and it is acknowledged that the cost of providing affordable leases and licences to not-for-profit community and sporting groups is subsidised by the ratepayers of the Shire of Mundaring. To ensure fair and transparent treatment, community groups or organisations will be assessed (as per item 4.2) and according to their capacity to raise revenue and assign them a rent subsidy categories and term as included in the below table.

| Category and Fee Structure          | Terms                                   |
|-------------------------------------|---|
| Category One: Peppercorn rent       | Initial term is 5 years with option of  |
| Fee \$1 per annum, yearly           | 2 x 5 years unless otherwise            |
| maintenance expenditure cap         | negotiated by both parties.             |
| applies (refer to item 4.4.4 and    |   |
| Appendix 2).                        |   |
| Category Two: Market rent,          | Initial term is 10 years with option of |
| discounted (as per item 4.3.1),     | 1 x 10 years.                           |
| indexed annually for CPI, plus GST. |   |
| Lessee responsible for all minor    |   |
| maintenance (refer to Appendix 2)   |   |
| expenditure.                        |   |
| Category Three: Child health        | Initial term is 10 years with option of |
| Clinics                             | 1 x 10 years.                           |
| Fee: \$1 per annum. Lessee          |   |
| responsible for all minor           |   |

| expenditure.                        |   |

#### Note:

Chidlow Progress Association (CPA), Mahogany Creek Progress Association (MCPA) and Katharine Susannah Prichard Foundation (KSPF) have been specified as Category One leases.

The CPA, MCPA and KSPF historical lease agreements provide for a Peppercorn rent with the Lessee having full responsibility for the premises including major structural repairs.

#### 4.3.1. Market Rent (Category Two)

Full market rent will be applied where Category Two community group's annual rent is less than 5% of its ongoing operating revenue (or estimated operating revenue where the group is newly established). For the avoidance of any doubts, operating revenue excludes any capital grants.

Where full market rent would account for more than 5% of the group's annual operating revenue or estimated revenue, Council will provide a 50% discount subsidy.

Market rent review will occur prior to commencement of new term; or, unless otherwise agreed by both parties at a shared 50% cost of valuation.

The level of financial support provided will be recognised by charging Lessees full market rent and in the same transaction deducting the annual rent subsidy, where Council has approved such subsidy. This will result in full transparency as to the level of support each group receives from the Shire.

#### 4.3.2. Review of Financial Support

For newly established community groups and organisations whose subsidy is based on estimated revenue, the Shire will review its financial support upon receipt of two consecutive annual financial statements from the group. Adjustments resulting from such a review will not be retrospective.

If, during the course of a lease, a community group or organisation experiences significant changes to its operation, they may request the Shire to review their assessment by providing substantiated proof of their changed conditions. Adjustments resulting from such a review will not be retrospective.

#### 4.4. Standard Community Lease

The standard community lease, developed by the Shire's solicitors, provides clauses for standard terms and conditions, roles and responsibilities of the Lessor and Lessee, insurance requirements etc. The standard community lease may be amended from time to time upon negotiation and agreement prior to the lease being executed between the Shire (Lessor) and each community group (Lessee) wishing to occupy Shire premises.

The term of the lease is negotiable taking into account the particular circumstances of the property and of the proposed Lessee.

#### 4.4.1. Insurance

All Lessees are required to obtain Public Liability Insurance for a minimum cover of \$20,000,000. A Certificate of Currency must be produced by the community group before the signing of the lease and thereafter every twelve months

#### 4.4.2. Variation

If a Lessee requests a variation to the standard community lease, the Shire may grant a variation on the condition that the variation is achieved by surrender of the existing lease and the grant of a new lease with additional conditions the Shire considers appropriate, at the Lessee's cost.

#### 4.4.3. Timing

A formal agreement or permit must be in place for all community leases within six (6) months of occupation. A community group or organisation without a formal signed lease contract will be required to hire or vacate premises if terms and conditions of lease are not accepted within 12 months of occupation.

#### 4.4.4. Maintenance Responsibilities

Each Lessee is required to maintain the facility in accordance with the maintenance clauses attached to their lease and using the services of registered and qualified trades people if applicable. The maintenance clauses outline the responsibilities of the Shire and the Lessee.

Category One Lessees are to ensure that any maintenance expenditure is recorded (i.e. receipts kept) to determine if the maintenance cap has been expended. Where expenditure does not meet the defined maintenance responsibilities, the expenditure will not be included.

Refer to Appendix 2: Community Leases Guidelines for schedule of maintenance obligations and responsibilities and frequently asked questions.

#### 4.5. Lease Renewal for Existing Lessees

The Lessee may request a renewal of their lease agreement within the lease tenure period. At the expiry of lease tenure period, a lease request will be considered as a new lease and may be submitted to Council for approval.

The following criteria will be considered before a new lease tenure is granted:

- There remains a strong demand in the community for the continuation of the Lessee's activities or services;
- b. The facility is not required by the Shire for other purposes:
- c. Renewal of the agreement will continue to maximise benefits to the community and the Shire;
- d. Application(s) to lease Shire owned community facilities have been considered on their merit.

The existing Lessee will be given first right of renewal providing the lessee has not been in substantial breach of their obligations under the existing agreement.

#### **Council Policy**

| CATEGORY ON              | IE .   |
|--------------------------|--|
| Eligibility criteri      | ia (for full details refer to Policy item 4.2)   |
| Organisational structure | Incorporated organisation, locally based service and not -for-profit. It has a voluntary management committee comprised mainly of local representatives. The organisation, community group or club may be part of a larger not-for-profit organisation (if not subsidised by parent body) and is run solely by volunteers. |
| Revenue                  | The tenant has limited capacity to generate revenue from on-site activities consistent with the group's purpose and the income of the group is generally restricted to low membership fees.  |
| Community<br>Benefit     | The service is unique, specific and meets a high level of need, or the service meets identified social/ community needs. This type of service would not be provided unless supported by the Shire's lease.   |
| Membership               | Group demonstrates low or affordable membership regime and good governance, and facilitates programs and activities that are specifically targeted at local residents and add value to the social and community fabric of the Shire. The service is non-discriminatory.  |
|                          |  |

**Examples** include but not limited to; small sport clubs, community playgroups, toy libraries, men's' shed, youth and day centres and community groups/organisations targeting social isolation. Management agreements with community gardens or with sporting and/or community groups over storage facilities.

| Tenant responsibilities (for full details refer to community lease contract) |           |                         |                    |                                     |                         |                    |                         |                                |                     |                        |            |

Policy – Appendix

## APPENDIX 2 COMMUNITY LEASES Guidelines

This guide aims to provide simple guidelines and act as a point of reference to community leases for Lessees and prospective Lessees within the Shire of Mundaring (the Shire).

These guidelines do not replace your lease or licence agreement which should be referred to for further details. These guidelines should be read in conjunction with the "Community Leases Policy".

#### **Terminology**

Throughout this document the community group or organisation holding a community lease (you) may be referred to as the Lessee or Tenant. The Shire, as the owner of the premises/land or the entity responsible for land/property under 'management orders' on behalf of WA State government, may be referred to as the Lessor or Landlord.

Glossary of terms used in this guide:

#### Capital upgrade

Refers to enhancement to the existing facility and extends the asset to cater for growth or additional service level.

Capital upgrades are approved at the Shire's discretion and must demonstrate an alignment with the Shire's Strategic Objectives.

The Lessee may apply to Council for financial assistance to upgrade a leased facility with requests being considered as part of the budget process in the year in which the request is received. The Shire will also work to assist groups when applying for funding.

#### Capital renewal

Relates to expenses incurred to restore the original function of the facility by replacing elements that have a life cycle shorter than planned for the entire facility (for example carpets).

The Shire is responsible for capital renewal and repairs, which relate to major structural elements of the building such as the roof or load bearing walls. The Shire is also responsible for expenses incurred to restore the original function of the facility by replacing elements that have a life cycle shorter than planned for the entire facility due to fair wear and tear...

#### **Contractual right**

A right arising out of a contractual arrangement, for example the right to non-exclusive use of a property under a Licence or Management Agreement.

## Emergency Service Levy (ESL)

The Emergency Services Levy (ESL) is a Department of Fire and Emergency Services compulsory levy for all buildings. ESL funds Western Australia's fire and emergency services, including career fire stations, volunteer fire brigades, State Emergency Service units, the Volunteer Marine Rescue Service and the multipurpose Volunteer Emergency Service units.

#### Fixtures and fittings

Fixtures are items that are permanently attached – or fixed – to the property, like a fitted kitchen, hot water system, baths, sinks and toilets. Such items would almost always be included in the sale of a house.

Fittings can also be attached to the property, but are generally more temporary in nature, and can include things like mirrors, curtains or blinds, and some shelving or cabinets hung on a wall.

# Gross rental value (GRV)

The GRV is an annual rental value for a property determined by the Valuer General once every three years. This means properties are valued on their potential rental income rather than their capital value.

# Maintenance responsibilities

Facility maintenance includes minor day-to-day maintenance that can be performed by a handy-person and more significant asset renewal/ maintenance requiring the services of a qualified tradesperson. Licenced trades persons must be used when undertaking significant electrical, plumbing, gas and air-conditioning works.

All maintenance obligations and maintenance standards are clearly articulated in specific schedules to lease and licence documents and are summarised in this guide. Each Lessee is required to maintain the facility in accordance with the maintenance schedule attached to their lease or licence agreement.

The maintenance schedule outlines the responsibilities of the Lessor (the Shire) and the Lessee (you).

#### **Outgoings**

Outgoings are fees or charges incurred for the use of a property. These may include utilities such as water, electricity and gas usage, rubbish and recycling charges, sewage rates (in applicable). Outgoings are charged in addition to rent, licence fees and rates and taxes.

#### Structural

Structural maintenance applies to any major load bearing or large building component, such as wall framing, roof framing, or roof cladding where the majority of the component is affected. This also applies to building fixtures or equipment installed by the lessor where major failure has occurred.

#### Understanding the Terms and Conditions in your Lease or Licence Agreement

Your association/organisation committee and/or anyone responsible for managing and maintaining your premises should:

- be aware your organisation has a lease or licence arrangement with the Shire
- have a good understanding of the terms and conditions of your lease or licence agreement.

The terms and conditions of your lease or licence agreement outline:

- permitted times and use/s of the premises
- fees and charges
- required insurances
- a survey plan of your lease or licence boundary.

You should keep a copy of your current lease or licence agreement in an accessible location, where it can be readily referred to.

Your lease or licence agreement should be used to develop your organisation's policies and procedures and should be the basis of any hire/user group arrangements.

To request a copy of your current lease or licence agreement, contact the Shire's Property Management Officer.

## Keeping the Shire Informed

You must contact the Shire when:

- there are changes to your management committee and/or contact information
- there are changes to your Rules of Association (Constitution)
- · you are planning improvements or works to your leased premises
- unexpected changes occur to the condition of your premises (e.g. significant storm damage, vandalism, illegal dumping etc.)
- your organisation is experiencing difficulty meeting the terms and conditions of the lease or licence agreement
- the financial position of your organisation is declining and/or a threat to your operations
- you need assistance managing your organisation (e.g. lack of committee members, issues with other user groups).

You will be asked to provide the following as required:

- · audited annual statement of accounts
- information regarding your membership (i.e. membership numbers, fees).

Prior to undertaking any improvements or development works to a community lease site, you need to apply for Shire permission (as the landlord). Further information is provided in the Frequently Asked Questions (FAQ) in this document.

#### **Invoices**

There are a range of invoices associated with a community lease:

| Rent  | Issued annually by the Shire.  |
|---|--|
| Utilities (e.g. water, electricity)         | If utility accounts are sent to the Shire, an invoice will be raised and forwarded to Lessee for payment. A copy of the account from the service provider will be provided with the invoice. Water and electricity accounts are issued bi-monthly. |
| Insurance and Emergency Services Levy (ESL) | Issued annually, around November or December.  |
| Bins  | If you have requested a bin service, it may be invoiced as a Rates Notice. This is for a waste service only; no land rates will apply.  Tip Passes are available for a fee.  |

#### Insurances, Indemnity and Exclusion of Liability

All Lessees must have adequate public liability insurance and other coverage as appropriate for their operations such as building and professional indemnity insurance. The Lessee is required to:

- Provide a copy of Certificate of Currency for Public Liability Insurance to the value of \$20,000,000 upon signing or renewal of policy;
- Arrange relevant insurance for own equipment and possessions if desired;
- Pay excess on own insurance policies in the event of a claim:
- Reimburse the Lessor the portion of the premium for building insurance as per individual lease conditions.
- Pay excess of \$1500 in the event of a claim on the building insurance (50% of applicable excess). Category Two and Category Three leases ONLY.

#### Use

Your lease or licence agreement will detail the permitted uses for your leased area. You should note that there are certain provisions in regards to the following:

| Casual Hire     | You must obtain written consent prior to entering into any hire arrangements.  All hire arrangement must be consistent with your permitted use (I.e. toddler birthday parties or mothers' group meeting in Playgroup premises) and where permission is granted, you will remains responsible for the Premises at all times. |
|-----------------|---|
| Alcohol         | Consumption and sale of alcohol is not permitted within the   |
|                 | leased area without permission or relevant licencing  |
|                 | requirements.   |
| Sub-letting     | Not permitted.  |
| Option to renew | Prior to the expiry of lease term the Lessee will be contacted  |
| (if applicable) | to confirm acceptance of an additional lease term.  |
| Lease Expiry    | Prior to the expiry of lease, Lessee's will be contacted to   |
|                 | determine requirements for a new lease.   |

#### **Frequently Asked Questions**

# What alterations, additions, improvements or changes can we make to our leased property?

Alterations, additions, improvements or changes to a leased property can include, but are not restricted to, requests to remove a tree, replace a fence, painting, building a patio, or installing air conditioning. Works undertaken within a leased area require permission from the Shire and you need to check with the Property Management Officer prior to commencing any work.

You are required to contact the Shire in writing and provide as much information as possible regarding any work. At a minimum, you need to provide:

- The scope of works
- How are the works to be funded
- Who will be completing the works
- Map/ plan showing location of works.

Depending on the extent of the works an outcome will usually be provided between 1-10 working days and you will be advised if delays are expected.

Permission is required is to ensure works are compliant with relevant local planning or building laws and appropriate building and/or planning permits have been obtained by the lessee. At this time advice or suggestions may be provided to ensure the best outcome of the works to benefit the Lessee (alternative options, better long term outcome, less maintenance costs).

Approved works will be the responsibility of the Lessee for all future repairs, maintenance and replacement.

#### What type of inspections are likely to take place?

A range of inspections may be conducted on the leased area:

| Fire Safety Inspections     | Conducted annually by Fire Hazard Inspection Officers to assess firebreaks, access and fuel loads.   |
|-----------------------------|--|
| Property Inspections        | Scheduled annually by the Property Management Officer to assess state of repair of the building.   |
| Public Building Inspections | Generally conducted bi-annually by Health Officers to assess for various health risks. The frequency of these inspections may be determined by the risk of the premises.  The main items assessed include patron numbers and egress, fire safety and public amenities (e.g. exit signs, emergency lighting, portable fire extinguishers, toilet facilities etc.) |

#### Do we need to be on site when the Shire appoints a contractor?

When maintenance or servicing works are to be carried out by Shire arranged contractors, an email will be sent advising of scheduled works. While we cannot always provide an exact time and date you will have the option to advise of times/dates that may not be suitable or your preferred time/day for the contractor to attend. The contractor will be provided keys (and if applicable, alarm codes) by the Shire. It is not necessary for you to be in attendance.

Should there be any special requests for the timing of appointment, your contact details will be forwarded to the contractor to make arrangements directly. If the contractor cannot gain access and has not been advised of any changes by you to the arranged time, a fee may apply to reschedule.

#### How do we check if our chosen contractor is licensed?

Licenced trades persons must be used when undertaking electrical, plumbing, gas and air-conditioning works. All other maintenance and repairs must be completed in a tradesperson like manner.

To check if your chosen contractor is licensed, refer to the Department of Mines, Industry Regulation and Safety - Occupational licence search.

#### What are our responsibilities for our roof, gutters, downpipes and eaves?

The Shire is responsible for the structural components of the roof.

You are responsible for preventative maintenance. In many cases, this will prevent the need for further general repairs.

It is recommended that you check your roof at the beginning of winter and the beginning of summer, with checks as necessary depending on likely leaf load, and pay particular attention to the following.

#### Internally:

- Check for signs of water damage (i.e. mould, mildew, drips, leaks, water strains and peeling paint).
- Check for signs of pests occupying roof space (i.e. rats, mice and possums).
   Long term infestation of pests may cause damage to wiring, insulation and ceilings.

#### Externally:

- Check for roof rust to avoid corrosion to sheeting or screws, and loose or damaged sheets.
- Check roof tiles to ensure there are no loose, cracked or missing pieces.
- Rot may affect wooden members and if there are signs of rot, they will need to be replaced. Any sign of rot to wooden roof structure needs to be reported to the Shire.
- Impact of additional installations which involve roof penetrations such as air conditioning, pipes, satellite dishes or other fixtures should be checked.
- Flashing should not be pulling away from roof or leaving gaps.
- Valleys must be kept clear of leaves and debris.

Rectify any issues identified during checks and advise the Shire immediately if you notice or suspect structural issues.

Problems caused by lack of maintenance or failure to clean gutters and downpipes can include:

- Damage caused by water overflowing, running over eaves, back into roof and onto the ceiling.
- Buckled, rusting or broken gutters due to debris build up.
- Gutters full of leaves in summer increase risk of ignition from ember attack should there be a nearby bushfire which can start fires and spread quickly to the rest of the premises.

Broken or bent fastenings should be repaired to ensure even flow. Drains should also be cleared to make sure the water can get away once it exits from the downpipes.

Gutters and downpipes not adequately cleaned or maintained will not be considered fair wear and tear should rust develop or be eligible for use of the maintenance cap (if applicable) towards to cost of repairs or replacement.

#### Our water consumption bill seems very high? What do we do?

Water leaks may not always be obvious, sometimes it not until a larger than usual water account arrives that the problem is noticed.

The Water Corporation provides a useful tool to detect leaks and expert advice on steps to follow. See <u>Leaks/Watercorporation.com.au</u>.

In first instance it is recommended you check the following:

| Toilets      | Check seals, float valve and tap for leaks                |
|--------------|---|
| Taps         | May need new washer, reseating or replacing. Don't forget |
|              | to check all taps including washing machine taps (if      |
|              | applicable) and outside taps                              |
| Reticulation | Check for missing or damaged sprinklers, split/damaged    |
|              | pipes and joins.  |

Also consider checking evaporative air-conditioning units, hot water systems and water pipes in ceilings if this is applicable to your leased premises.

When engaging a plumber for minor repairs it is often worthwhile getting all taps and toilets checked and if needed, serviced at the same time.

#### What are our responsibilities regarding fire prevention?

In the Shire firebreaks are required to be in place before 1 November each year and maintained up to 31 March the following year. You are responsible for ensuring firebreaks are installed as per Firebreak and Fuel Load Notices. Firebreaks are to be no less than 3 metres wide and have no less than 4 metres height clearance.

Fire Appliance Access is required and you are required to maintain a safe and easy entry and exit from the property with adequate turnaround near buildings.

Other works required to maintain a low fuel load include:

- Raking and removing accumulated leaf litter, twigs and bark and removing of any piles of combustible material.
- Maintaining long grass no higher than 50mm.
- Ensuring a minimum of 2 metre distance between shrubs and structures by trimming vegetation back from buildings.
- Keeping gutters free from leaves and combustible material.
- · Cleaning roofs of sheds.
- Advising Shire of any branches overhanging buildings.

A guide to the Shire's <u>Bush Fires and Fire Management</u> is available on the website.

If you have question or require advice, contact the Fire Hazard Inspection Officers who can provide advice on keeping your leased area compliant with the Shire's Firebreak and Fuel Load Notice. To arrange a site visit at a time convenient to you please phone 9290 6696 or email <a href="mailto:firesafety@mundaring.wa.gov.au">firesafety@mundaring.wa.gov.au</a>.

#### Additional information

#### **Funding Options**

There are a wide range of funding options available for community groups such as:

- Grants funding
- Sponsorship
- Donations
- Fund raising
- Cash and in-kind contributions from other community organisations/ individuals.

The Shire has developed a community grants program to provide funds to local community groups for activities that not only benefit the members of the group, but the broader community. Grants must meet identified community need, promote active participation of local residents and build community strength.

The grants program is organised on a financial year basis and is a competitive process. For more information about available grants refer to the <a href="Community Grant Program">Community Grant Program</a> page on the website. or contact the Community Capacity Building Officer on 9290 6678 or via <a href="ccbo@mundaring.wa.gov.au">ccbo@mundaring.wa.gov.au</a>

#### **Request for Capital Works**

The Shire's annual budget is determined by its long term Financial Plan and Corporate Business Plan in line with the Shire's Strategic Community Plan.

Requests for assistance with capital works need to be assessed and set according to priority before being considered for subsequent years' funding. Any request for capital work should be sent to <a href="mailto:shire@mundaring.wa.gov.au">shire@mundaring.wa.gov.au</a>.

#### **Disability Access and Inclusion**

The Shire is committed to continually improving access and inclusion for both residents and visitors. The Access and Inclusion Informing Strategy 2022/2026 provides a framework for the Shire to create an accessible and inclusive community for all people regardless of their ability, age, culture, sex, gender, or sexual orientation. The Action Plan sets out what actions will be implemented over the next five years, and the responsible service areas within the Shire that will deliver on the Plan.

For more information refer to the <u>Access and Inclusion Informing Strategy</u> page on the website.

For more information about access and inclusion, please contact the Shire's Coordinator Community Engagement team on 9290 6715 or email cce@mundaring.wa.gov.au.

# **Lease and License Categories**

The below information is provided as a guide only and does not replace your lease or licence agreement.

To determine the category relevant to you, refer to the "Community Leases Policy" item 4.2 and Appendix 1: Classification of Tenants.

| Category One (exce                                  | erpt of essential terms)  |
|---|---|
| Initial term  | 5 years   |
| Option  | Up to two (2x) 5 year options (at the Shire's discretion)   |
| Your<br>Responsibilities<br>(as Lessee /<br>Tenant) | Payments  Peppercorn rent, licence or management fee  All outgoings and consumption charges, including but not limited to utilities, rubbish and recycling bin charges, water rates and taxes (if applicable)  Pest control (excluding termite) as required  ESL (not applicable to a licence or management agreement)  |
|   | 50% of building insurance premium     Full replacement value content insurance including lessee's fixtures, fittings, equipment and stock if desired     \$20 million public liability insurance  Repair / Maintenance  |
|   | <ul> <li>Maintain property clean and in good repair</li> <li>No property modifications or installations to be undertaken without Shire approval (and statutory approvals if applicable)</li> <li>General minor maintenance of premises up to \$1500 per annum.</li> <li>All costs relating to replacement of fittings and fixtures including light globes and tap washers</li> <li>Internal and external cleaning (including annual carpet cleaning if applicable)</li> <li>Minor remedial painting to repair general wear and tear (patch painting)</li> </ul> |
|   | Acknowledgement of the Shire  The Lessee will acknowledge the Shire's support through signage or other means as agreed by the Shire.  |

# The Shire's Responsibilities (as the Lessor)

#### **Payments**

- Termite inspections and treatment
- Cost of statutory compliance (RCD, smoke alarm, emergency exit and fire extinguisher servicing)
- 50% of building insurance premium
- · building insurance excess

#### Repair / Maintenance (unless damage caused by Lessee)

- Scheduled major painting of interior/exterior, or both, as a preventative maintenance process
- Structural maintenance, replacement and repair (roofing, main structure)
- Pumping out and cleaning of septic tanks (if applicable)
- Repairs or replacements necessary due to fair and reasonable wear and tear
- Major pruning of trees (if applicable)

#### **Capital Upgrades**

Capital renewal of existing assets to be undertaken at the Shire's discretion. Capital upgrades and capital expansion of all assets within the leased area at the Shire's discretion.

#### Inspections

The Shire will inspect the premises annually (or as required) and will give the Lessee appropriate notice in accordance with the lease terms.

#### **Tenancy Fee**

Peppercorn rent, capped maintenance

| Category Two (exc                                   | erpt of essential terms)  |
|---|---|
| Initial term  | 10 years  |
| Option  | Up to one (1x) 10 years options (at the Shire's discretion)   |
| Your<br>Responsibilities<br>(as Lessee /<br>Tenant) | Payments  Rent or licence fee  All outgoings and consumption charges, including but not limited to utilities, rubbish and recycling bin charges, water rates and taxes (if applicable)  Pest control (excluding termite) as required  ESL (not applicable to a licence)   |
|   | <ul> <li>Insurance</li> <li>50% of building insurance premium</li> <li>50% of the excess of building insurance claims (not applicable to a licence) with a minimum claim value of \$3000</li> <li>Full replacement value content insurance including fixtures, fittings, equipment and stock</li> <li>\$20 million public liability insurance</li> </ul>  |
|   | Repair / Maintenance  |
|   | <ul> <li>Maintain property clean and in good repair</li> <li>No property modifications or installations to be undertaken without Shire approval (and statutory approvals if applicable)</li> <li>General minor maintenance of premises (no annual maximum expenditure cap)</li> <li>All costs relating to replacement of fittings and fixtures including light globes and tap washers</li> <li>Internal and external cleaning (including annual carpet cleaning if applicable)</li> <li>Minor remedial painting to repair general wear and tear (patch painting)</li> </ul> |
|   | Capital Upgrade Capital upgrades and capital expansion of all assets within the leased area and maintenance of fit-out.   |

#### **Obligations of Lessee and Default Provisions**

The Lessee is responsible for paying any license fees and/or rent and any other monies owed under the agreements within 30 days of the due date.

Continued failure to pay monies due and owing under the agreement may result in the Shire terminating the agreement.

#### **Acknowledgement of the Shire**

If less than the market rent is being paid by the Lessee, the Lessee will acknowledge the Shire's support through signage or other means as agreed by the Shire.

#### The Shire's Responsibilities (as the Lessor)

#### **Payments**

- Termite inspections and treatment
- Cost of statutory compliance (RCD, smoke alarm, emergency exit and fire extinguisher servicing)
- 50% of building insurance premium
- 50% of building insurance excess

# Repair / Maintenance (unless damage caused by Lessee)

- Scheduled major painting of interior/exterior, or both, as a preventative maintenance process
- Structural maintenance, replacement and repair (roofing, main structure)
- Pumping out and cleaning of septic tanks (if applicable)
- Repairs or replacements necessary due to fair and reasonable wear and tear
- Major pruning of trees (if applicable)

#### **Capital Renewal**

Capital renewal and capital expansion of all assets within the leased area to be undertaken at the Shire's discretion.

#### Inspections

The Shire will inspect the premises annually (or as required) and will give the Lessee appropriate notice in accordance with the lease terms.

#### **Tenancy Fee**

Market rent, discounted where applicable (Community Leases #insert policy number - Item 4.3.1)

| Category Three (ex                                  | ccerpt of essential terms)  |
|---|---|
| Initial term  | 10 years  |
| Option  | Up to one (1x 10 years options (at the Shire's discretion)  |

|                                  | The Shire will inspect the premises annually (or as required) and will give the Lessee appropriate notice in accordance with the lease terms.  |
| Tenancy Fee                      | Peppercorn rent  |

# A to Z of Maintenance Obligations

The below table provides an A-Z list of obligations relevant to you as the Lessee and the Shire as the Lessor.

The below information is provided as a guide only and does not replace the obligations as listed in your lease or licence agreement.

## **General Terms**

| Alterations   | Lessee must seek written consent from Lessor prior to make or allow, any alteration, addition, improvement, or demolishment of any part of the premises  After obtaining written consent, Lessee must apply for and obtain all statutory approvals, authorities, permits or policies as are required by law before undertaking any alterations, additions, improvements or demolitions.         |
|---|---|
|   | <b>Lessor</b> will evaluate any request for alteration submitted by Lessee and communicate determination in relation to submission.   |
| Building<br>Insurance<br>claims                               | Building insurance covers property in the event of, but not limited to, fire, storm damage, vandalism, break-ins.  Insurance claim minimum value is \$3000.   |
|   | Category One: Lessor responsible for insurance excess   |
| Maintenance<br>expenditure<br>cap<br>(Category<br>One leases) | Lessee must promptly repair or replace any damaged item.  Category One lease: Amounts expended by the Lessee on maintenance or repair are capped at an Annual Maximum amount of \$1500; per year. If the total amounts expended exceed the annual maximum amount, Lessee is required to provide the Lessor with detailed evidence of previous expenditure in the form of itemised tax invoices. |
|   | Category One lease: Where maintenance works are required beyond the maintenance cap the Lessor reserves the right to seek alternative quotations and will pay the additional amount in excess of the Annual Maximum amount.   |

# Maintenance (General)

**Lessee** is responsible for the cost of repair or replacement if it is necessary because of any action or omission of or on the part of the Lessee or the Lessor's insurances are invalidated by any act, neglect or default by the Lessee.

**Lessee** will be responsible for the cost of structural maintenance, replacement or repair when such maintenance, repair or replacement is necessary because of any action or omission of or on the part of the Lessee or by the Lessee's particular use or occupancy of the Premises

**Lessor** will carry out agreed repairs or replacement that are necessary as a result of fair and reasonable wear and tear and so long as the Lessee has completed regular and ongoing preventative maintenance and repairs as needed, and to maintain the property to a standard appropriate for the age of the premises.

Lessor is responsible for the cost of structural maintenance

#### **General Statutory / Minimum Level of Service Obligations**

| Asbestos                    | Lessee will be provided with an excerpt of the Asbestos Containing Material (ACM) register in their meter box (if applicable) and any works involving asbestos containing materials must be carried out by a suitably licensed contractor. |
|-----------------------------|--|
| Emergency<br>exit lighting  | <b>Lessee</b> is responsible for notifying the Lessor if any Fire Evacuation Exit Signs are not in good working order.   |
| systems and emergency doors | <b>Lessor</b> will arrange for annually test and service by a qualified technician and replacement of non-compliant, faulty or damaged equipment as required at time of service call.  |
| Firefighting equipment      | <b>Lessee</b> to ensure firefighting equipment is not tampered with or removed from designated area.   |
| and exit signs              | <b>Lessee</b> is responsible for costs incurred for replacement if misuse, tampered or lost Fire Fighting Equipment.   |
|                             | <b>Lessor</b> will arrange annual inspection of the premises to ensure compliance with statutory requirements.   |
|                             | Serviced at least every 6 months by a qualified technician and replacement of non-compliant, faulty or damaged equipment as required at time of service call.  |

#### Pest control

**Lessee** will keep leased premises free of pests. Lessee is responsible for cost of extermination of pests with the exception of white ant treatment. This includes but not limited to:

- Ants
- Cockroaches
- Birds
- · Rats and Mice
- Spiders
- Wasps
- Possums

**Lessee** to keep building in such a manner as not to encourage white ants i.e. not stacking newspapers timber etc. against walls and to report any sign of white ants activity to the lessor and in a manner which discourages all pest intrusions.

**Lessor** will arrange annual white ant pest inspection, and treatment if required, by a licenced and insured Pest Control technician. Testing and bait stations installation will be conducted on advice from pest control technician.

# RCD protections, tagging electrical equipment

**Lessee** to ensure that all portable plug-in electrical equipment is regularly inspected in accordance with relevant legislation.

**Lessor** to ensure that all RCDs are inspected, tested, repaired and maintained in accordance with the relevant legislation.

#### **Interior of Premises**

## Bathrooms and change rooms (including: drains sewerage, showers, toilets etc.)

**Lessee** must keep clean at all times and ensure all are operable and free from any blockages.

**Lessee** shall not permit foreign objects or matter to be placed into drains, toilets or grease traps and is responsible for clearing blockages

**Lessor** will replace irreparable items and undertake capital renewal as and when determined by the lessor.

**Lessor** is responsible for clearing blockage caused by tree roots entering drain pipes if due to fair and reasonable wear and tear.

Where the lessor undertakes works or repairs to clear blockages which have occurred as a result of the neglect, misuse or default of the lessee, the lessee may be required

|   | to pay part or all of the lessor's costs of undertaking those works  |
|---|--|
| Carpet  | <b>Lessee</b> to keep carpets clean at all times. Carpets are to be vacuumed often and steam clean at least once annually with spot cleaned to occur as needed.                                  |
|   | <b>Lessor</b> will replace as and when determined and scheduled by Lessor.   |
| Ceiling   | <b>Lessee</b> to keep ceiling clean, free of cobwebs and cleaned of any temporary decoration.  |
|   | Air conditioning vents and the like shall be kept clean and in good working order.   |
|   | Note: Any water damage or sagging to be reported to the Lessor.  |
|   | Lessor to repair any structural damage to ceiling.   |
|   | If damage is caused or contributed to by the lessee or lessee's employees and visitors, the lessor may require the lessee to reimburse it for part or all of the cost of repairing the damage    |
| Cleaning and cobweb removal                                 | <b>Lessee</b> to ensure premises is kept tidy and free of litter, dirt, rubbish, cobwebs and broken glass at all times.  |
| Cupboards,<br>benches,<br>cabinets<br>(built in<br>joinery) | <b>Lessee</b> to regularly clean all doors, latches, drawers and shelves and to keep free from any damage, marks or food residue.  |
|   | <b>Lessor</b> to replace built in joinery as and when determined by the lessor.  |
| Doors   | Lessee to keep doors clean, free from any marks, damage and cobwebs. Doors are to be lockable and operable. Any door closers or other devices fitted should be maintained in good working order. |
|   | Note: Locks are not to be changed without the prior approval of the Lessor. Locks must be keyed to the Lessor's Key System.  |
| Floors  | Lessee to keep floors clean and regularly maintained in accordance with the requirements of the type of surface, i.e. hard floors to be swept and mopped.  |
|   | In kitchen areas, relevant Health requirements should be strictly complied with.   |
|   |  |

|   | Lessor will replace floor coverings as determined by the Lessor. This is generally when the coverings have reached the end of their life as a result of fair and reasonable wear and tear. Lessor is not responsible for replacement when it is due to lack of care and maintenance or due to abuse or damage by the Lessee. |
|---|--|
| Keys / locks /<br>hardware                    | Unless otherwise approved by the Lessor in writing, the <b>Lessee</b> must not have additional sets of keys copied or cut and must immediately notify the Lessor of any loss of keys;  |
|   | Locks are not to be changed without the prior approval of the Lessor. If the locks are changed, the Lessee must provide the Lessor with keys to access all areas of the Premises.  |
|   | The <b>Lessee</b> is responsible for the maintenance and repairs of window and door hardware including the cylinder.   |
|   | Lessor is to provide the Lessee with one (1) set of keys for access to the Premises and all rooms therein.   |
|   | Bi-lock System: Works to repair or change locks will be undertaken by the Shire and costs forwarded to the Lessee.   |
| Painting                                      | <b>Lessee</b> is responsible for patch painting required for repair purposes.  |
|   | Lessor will schedule and carry out preventative maintenance  |
| Sink, basin,<br>pedestal pans<br>and cisterns | <b>Lessee</b> to maintain in clean and operable condition and clear of all blockages caused by foreign objects or matter. Lessee to repair fittings such as taps.  |
| Toilets                                       | Lessee to keep in a clean and operable condition at all times and check seals, float valve and tap for water leaks as well as clear all blockages caused by foreign objects or matter placed in toilets.   |
|   | All consumables, i.e. Toilet paper, paper towels, are to be supplied by the Lessee.  |
|   | Replacement of fittings such as roll dispensers and coat hangers rest with the Lessee.   |
| Walls<br>(interior)                           | Lessee to keep all wall surfaces throughout the premises clean, free from any marks, damage and cobwebs  |
|   | Lessor to repair structural damage to load bearing walls.  |
|   | If damage is caused or contributed to by the lessee or lessee's employees and visitors, the lessor may require the lessee to reimburse it for part or all of the cost of repairing the   |

| Windows | <b>Lessee</b> to ensure that all dirt, sand and rubbish is kept clear from windows tracks.  |
|---------|---|
|         | <ul> <li>Clear any debris from weepholes in the windowsills.</li> <li>Lubricate moving parts such as rollers, locks and hinges.</li> </ul>              |
|         | Check seals and replace as require.   |
|         | Internal/ External painting will be part of the <b>Shire's</b> maintenance schedule and will include doors and windows frames where previously painted. |

# Fixtures, Fittings, Appliances and Electrical

| Air-<br>conditioning               | Before installing any new air conditioners, <b>Lessee</b> must seek permission from the Shire to undertake works. The Shire will give consideration to insulation, ventilation, and capacity of electrical supply.  The <b>Lessee</b> is required to operate, clean and service any installed air-conditioning unit in accordance with the manufacturer's standards.  If installed by Lessee, installation, repairs, maintenance, servicing and replacement of air conditioners is the responsibility of the lessee. |  |  |
|------------------------------------|--|--|--|
|                                    | If installed by <b>Lessor</b> , air-conditioning will be replaced at the end of its serviceable life.  |  |  |
| Electrical fittings                | Lessee to keep all electrical fittings such as power points, light switches and light fittings in clean and in good working order. Lessee to replace light globes and fluorescent light tubes which may fail.  |  |  |
| Gas<br>appliances                  | Lessee to operate and regularly clean appliances to maintain in good working order with all gas supplier requirements being complied with.   |  |  |
|                                    | Lessor does not support gas appliances and would replace with comparable electric appliance  |  |  |
| Hot water system                   | <b>Lessee</b> is responsible for the maintenance and servicing of the hot water system.  |  |  |
|                                    | <b>Lessor</b> will replace hot water system at the end of its serviceable life.  |  |  |
| White Goods including stove, fans, | Lessee to keep white goods clean, operable, regularly maintained and repaired as required and operated in accordance with the manufacturer's requirements.   |  |  |

| refrigerators,<br>heaters &<br>Other | <b>Lessor</b> will replace white goods at the end of its serviceable life if it is an identified Shire asset. |
|--------------------------------------|---|
|--------------------------------------|---|

## **Exterior and Surrounds**

| Carpark                            | <b>Lessee</b> is responsible for ensuring car park is clean and clear of rubbish, trip hazards or obstructions.  |
|------------------------------------|--|
|                                    | <b>Lessor</b> responsible for bitumen repairs, pot-hole maintenance and line marking.  |
| Eaves,<br>gutters and<br>downpipes | Cleaning and maintaining gutters and downpipes should be a regular part of <b>Lessee</b> maintenance schedule. This may vary from twice to several times a year, dependant on your location and time of the year.  |
|                                    | <b>Lessor</b> will replace eaves, gutters and downpipes at the end of their serviceable life, subject to adequate care and maintenance by the Lessee.  |
| Fencing                            | <b>Lessee</b> to keep fencing clean and free of any graffiti and repair any minor damage.  |
|                                    | <b>Lessor</b> will replace fencing at the end of its serviceable life – like for like.   |
| Fire<br>Prevention                 | Lessee to maintain fire prevention requirements as per Shire of Mundaring Firebreak Notice and conduct any other fire management matters as instructed by Shire of Mundaring Chief Fire Control Officer.   |
|                                    | Refer to FAQs provided in these guidelines.  |
| Garden and surrounds               | To be kept in tidy and free from litter and rubbish. <b>Lessee</b> must regularly inspect and maintain in good condition any part of the Premises which surrounds any buildings including but not limited to any flora, gardens lawns, shrubs, hedges and trees. |
|                                    | <b>Lessee</b> is responsible for any minor pruning. If any flora, trees or lawn dies to be replaced at its own expenses.   |
|                                    | The <b>Lessee</b> must plant and care for such trees on the Premises as the Lessor may from time to time reasonably require.   |
|                                    | The <b>Lessee</b> may not remove any trees, shrubs or hedges without first consulting with and obtaining the approval of the Lessor, except where necessary for urgent safety reasons.   |

| Pathways     | <b>Lessee</b> to keep pathways clear of rubbish and swept regularly with care not to damage vegetation surrounding the building.   |
|--------------|--|
|              | <b>Lessor</b> is responsible for Shire verge footpaths.  |
| Roof         | <b>Lessee</b> is responsible for internal and exterior preventative maintenance and minor maintenance.   |
|              | <b>Lessor</b> is responsible for the structural components of the roof.  |
| Rubbish Bins | <b>Lessee</b> to ensure all rubbish is placed in the outside rubbish bins in the designated bin areas/enclosures. Bin enclosure is to be kept clear of all rubbish.        |
| Tree pruning | <b>Lessor</b> is responsible for any major tree pruning and tree removal (unless noted otherwise in lease) as determined by the Lessor.                                    |
| Signs        | Signs located on the building, are to be regularly maintained by <b>Lessee</b> and kept in a safe condition. Signs that may become damaged are to be replaced immediately. |
|              | Any approvals or licences for signs are to be kept current.  |
|              | Installation of any sign requires approval from the Lessor.  |
| Veranda      | Lessee to keep clean and free from cobwebs.  |
| Walls        | Lessee to keep exterior walls free from any marks, damage and cobwebs.   |

# Security

| Graffiti                             | Graffiti removal is the responsibility of the <b>Lessee</b> and any graffiti should be removed as quickly as possible.  Report Graffiti to Shire and via Report Graffiti Form. For further information on removing/preventing graffiti Goodbye Graffiti.                                     |
|--------------------------------------|--|
|                                      | Gramu.   |
| Malicious<br>damage and<br>break ins | <b>Lessee</b> is responsible for notifying the lessor of any incidents of malicious damage or break-ins and submitting a police report for insurance purpose.  |
|                                      | Lessor will submit building insurance claim if applicable.   |
| Security<br>system                   | <b>Lessee</b> to ensure the premise is maintained in a secure condition at all times.  |
|                                      | The Lessee may, with prior approval from the Lessor, install a security system to the premises and pay all costs associated with the installation and ongoing monitoring of a security system. Such system is to be maintained by the Lessee in accordance with the supplier's instructions. |
|                                      | All security telecommunications and other fees are to be met by the Lessee.  |
|                                      | If security system is installed the Lessee is required to provide access keys and alarm codes to the Lessor.   |
| Security screens                     | Lessee to keep security screens clean and firmly fixed. Any cobwebs to be regularly removed  |
| Vandalism                            | Lessee to notify Lessor of any act of vandalism to the premises or any incident which occur on or near the premises.   |
|                                      | <b>Lessor</b> will submit a building insurance claim on presentation of a police report (if applicable).   |
|                                      |  |

#### **Further Questions?**

Should you require further information regarding community leases, please refer to the "Community Leasing Policy".

If assistance is required to determine the category relevant to your organisation, or any other enquiry, please contact:

Dee Roberts

# Part 3: Community Engagement Toolkit

Supporting Document 1: Stakeholder Analysis and Mapping Template

Project Title: Policy Review - Community Leases

#### Step 1: Identify stakeholders

Reflect on why the identified stakeholder is critical for meeting defined outcomes.

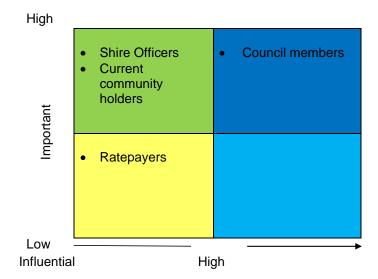

It is important to focus primarily on the person and their role, not just an organisational group or a position title. This is because individuals will most likely have different levels of power or importance within an organisation, and will likely have different relationships (or none at all) with various people. Importantly, people make up networks, not organisations.

Inventory of potential stakeholders:

| Stakeholders within<br>the team / work unit<br>/ group /<br>department: | <ul> <li>Directors Infrastructure Services, Community Services,<br/>Corporate Services</li> <li>Manager building assets</li> <li>Property management officer</li> <li>Governance Officers</li> </ul> |
|---|--|
| Stakeholders within the organisation:                                   | Shire Officers who provide administrative support to community groups/ associations (Community services)     Council members   |
| Stakeholders external to the organisation:                              | <ul> <li>Community groups / associations with community leases with Mundaring Shire</li> <li>Ratepayers</li> </ul>   |

#### Step 2: Prioritise stakeholders

Prioritise the list of stakeholders in terms of how critical they are in helping deliver on outcomes of the team / work group / department. This will help prioritise communication and engagement activities with the people most likely to affect success. Use the Power / Interest Grid below to assist with prioritisation.

**Influential** refers to those who have power (either direct or indirect) over the success of the achievement of the objectives, including financial, positional authority or persuasive power over key decision makers.

**Important** refers to those who have power over the delivery of outcomes. These people may include opinion leaders, critical knowledge resources (e.g. scientific or technical experts), and provides of enabling resources (e.g. equipment and facilities) or those crucial in the delivery of outcomes.

#### Step 3: Understanding and managing your stakeholders

Involves considering such items as the likely attitudes of the various stakeholders, their attitude to the project / department / work group and any risks associated with their involvement. It then asks you to consider what changes may be required in how you engage with them to minimise any risks and/or to increase their appreciation of, and commitment to, the initiative.

#### Step 4: Setting goals and identifying costs of stakeholder analysis

Designate responsibilities for undertaking each communication task and to set appropriate timelines.

#### Step 5: Evaluation and revision

Evaluation and revision of stakeholders is to be undertaken regularly. It is most beneficial when a stakeholder analysis is regularly updated to identify whether there are potential new stakeholders, changes in current stakeholder importance or influence, or if perceptions have changed.

# Throughout these steps, you are encouraged to complete a stakeholder analysis table:

| Name               | Role                | Why they are important?                           | Position in matrix                       | Attitude | What would you like the stakeholder to do?            | Key messages  | How (tactics)                                    | When | Who |
|--------------------|---------------------|---|--|----------|---|---|--|------|-----|
| Council<br>members | Decision<br>makers  | Required<br>to<br>endorse/<br>adopt new<br>policy | High important / high influential        | Mixed    | Support the adoption and implementation of the policy | Reports   | Adherence to<br>Policy<br>Council<br>resolutions | TBD  |     |
| Community groups   | Lease<br>holders    |   | High important / low influential         | mixed    | Support the adoption of the policy                    | Advise how<br>policy may<br>impact new (or<br>renewal of)<br>leases | Engage<br>Mundaring                              | TBD  |     |
| Shire officer      | Property management | Manage<br>community<br>leases                     | High important / low influential         |          | Support the adoption of the policy                    | Advise how<br>policy may<br>impact new (or<br>renewal of)<br>leases | Engage<br>Mundaring                              | TBD  |     |
| Ratepayers         | Ratepayer           | Pay rates   | Low<br>important /<br>low<br>influential | mixed    | Support the adoption of the policy                    | Advise how<br>policy may<br>impact new (or<br>renewal of)<br>leases | Engage<br>Mundaring                              | TBD  |     |

#### **Level of Impact Interpretation Guide**

#### All 'low' or some 'low' and some 'medium' ticked

→ If you ticked all 'low' or some 'low' and some 'medium' impacts in the Level of Impact Matrix, it is suggested that your project will fall under 'low impact' on the 'Level of Engagement Flow Chart'. This will lead to either 'inform' or 'consult' as you aim for engagement.

#### Mostly/all 'medium' or one or more 'high' ticked

→ If you ticked mostly 'medium' impacts or if you ticked 'high impact' for any of the measures in the Level of Impact Matrix, it is suggested that your project will fall under 'high impact' on the 'Level of Engagement Flow Chart'. This will lead to either 'involve' or 'collaborate' as your aim for engagement.

# Supporting Document 3: Consultation Plan

| Project Title                                   | Community Leases Policy review  |
|---|---|
| Project Description                             | Review of Community Leases Policy   |

| Project<br>Commencement and<br>Completion Dates | Commence Mid-August 2023 Complete September 2023  |

What are the reasons for consulting? (e.g. Development of infrastructure, legislative requirement)

To inform current community Lessees of proposed changes to Community Leases Policy.

Have you completed a stakeholder identification? (tick when completed): ☑

## **Objectives**

What are you asking the stakeholders? Key objectives of this strategy are to:

Inform the community by providing balanced and objective information to assist the community's understanding.

Review draft community leases policy and its appendix and provide comments.

**How will you consider specific population groups?** This may include ATSI people, CaLD communities, people with disability, older adults and young people.

Information can be provided in alternative format (phone call, face to face meetings) on request. Website and Engage Mundaring style set to be accessible. Survey to be PDF editable.

#### Level of Engagement chosen and why (use flow chart in Appendix 2): Inform

#### Issue is:

- low impact
- · direct impact on current members

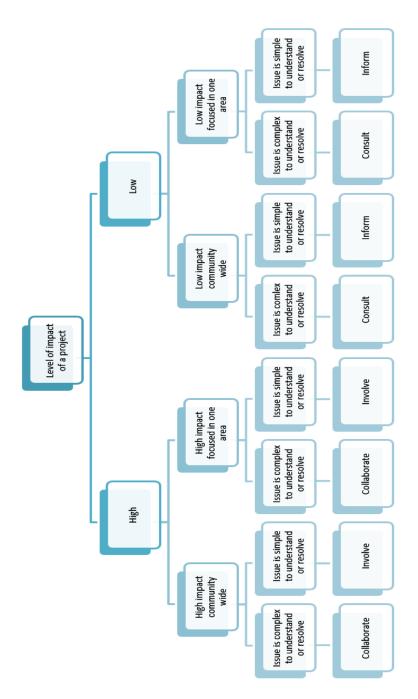

**Note:** As key stakeholders, Councillors must be informed of, and invited to attend, community engagement activities that fall within the 'consult' realm of the IAP2 public participation spectrum and above.

**Chosen methods of engagement** (see the IAP2 table on page 7): Engage Mundaring online engagement platform

**Note:** Due consideration must be given to timing of *public comment periods* with an exclusion period extending from 20 December to 5 January in any calendar year.

#### Appendix 2: Level of Engagement Flow Chart

This flow chart guides employees in determining the level of engagement for their activity or project.

\* © International Association for Public Participation www.iap2.org

# IAP2 Spectrum of Public Participation

The Shire's approach to community engagement is underpinned by the IAP2 Spectrum of Public Participation. IAP2 outlines the possible types of engagement and how community participation and impact increases with the levels of engagement, as well as examples of engagement methods for each level.

Table 1: The Five Levels of Community Engagement

|           | Inform               | Consult             | Involve             | Collaborate        | Empower    |
|-----------|----------------------|---------------------|---------------------|--------------------|------------|

|           |                      |                     | input<br>influenced |                    |            |
|           |                      |                     |                     |                    |            |
|           |                      |                     | the decision.       |                    |            |

Note: all preceding levels are usually required for the successful delivery of the next level. For example, community engagement that aims to 'involve' requires use of the preceding two categories of 'inform' and 'consult'.

Table 2: Examples of Engagement Methods for each Level of Engagement

|          | Inform                            | Consult                         | Involve                          | Collaborate                   | Empower                       |

## Supporting Document 4: Communications Plan

Have you completed a Consultation Plan? (tick when complete) ☑

Consider the following questions regarding Communications (make notes if desired):

- What communication methods will you use? Online
- What tasks need to be completed? Invite comment on draft Community Leases Policy
- Who is your target audience? Lessees and ratepayers
- What physical, human, or technological resources will be required in order to communicate? Engage Mundaring, Social media post, emailing all current lessees.

#### **Accessibility**

Consider how your communication methods can overcome accessibility barriers for relevant specific population groups:

|                      |     | Details  |
|----------------------|-----|--|
| Written Materials    | Yes | e.g. format, font, contrast Website and Engage Mundaring style set to be accessible. |
| Audio formats        | Yes | Website and Engage Mundaring to be e-reader compatible.                              |
| Translation services | Yes | On request   |
| Online methods       | Yes | Website and Engage Mundaring<br>Survey to be pdf editable                            |

| Traditional marketing methods | No  | e.g. newspaper, radio advert |
|-------------------------------|-----|------------------------------|
| Social media                  | Yes | Facebook and Linked In       |
| Face-to-face communication    | Yes | As required/ on request      |

# **POLICY**

# **COMMUNITY LEASES**

Policy Ref: OR-24

**Adopted:** C8.04.19 **Date:** 9 April 2019

Amended: Date: Reviewed: Date:

Procedure Ref: Delegation Ref: CE-117

Statute Ref: Local Government Act 1995 – section 3.58 (Disposing of property)

Local Government (Functions and General) Regulations 1996 -

regulation 30 (Exempt dispositions)

Land Administration Act 1997 – Part 4 (Reserves)

Occupiers' Liability Act 1995

Local Law Ref: N/A

#### **PURPOSE**

#### To ensure:

- a consistent, transparent and equitable approach for the process of Council entering into a formal lease agreement with community groups to occupy Shire owned or managed land and buildings; and
- Shire leased assets are managed appropriately to optimise the benefit to and meet the expectations of the community.

# **POLICY**

#### 1. **DEFINITIONS**

| Lease           | Exclusive occupancy agreement   |  |
|-----------------|---|--|
| Licence         | Non-exclusive occupancy agreement (shared use)  |  |
| Community group | <ol> <li>incorporated not for profit group or association of persons with the primary aim of conducting activities and providing services for community benefit; and</li> <li>relies predominantly on volunteer labour, community fundraising, membership fees and donations; and</li> <li>may receive state or federal government operational grants and may rely on a fee for service business model</li> </ol> |  |
| Community lease | A lease between the Shire and a community group   |  |
| СРІ             | Consumer Price Index. For the purpose of this policy CPI means the Perth All Groups CPI rise for the March quarter of   |  |

|             | the year, as determined by the Australian Bureau of Statistics   |
|-------------|--|
| Market rent | The annual rent amount the Shire might reasonably expect to receive, and a lessee might reasonably expect to pay, for a tenancy. Market rent value is determined by a licensed valuer. |

Throughout this policy, the word "lease" includes "licence".

# 2. SCOPE

This policy applies to all new community leases for community groups, including renewal of leases on expiration of current leases. It does not cover commercial leases with business entities, as these will be negotiated on a case by case basis.

Shire of Mundaring Bush Fire Brigades are excluded from this policy: while these are community groups, they are an integral part of the Shire under the *Bush Fires Act 1954* and the Bush Fire Brigades Local Law 2013 and do not require a lease.

# 3. ELIGIBILITY FOR A COMMUNITY LEASE

Groups meeting the definition of a community group and who request exclusive or nonexclusive use to operate community activities from a leased facility, are eligible to apply for a community lease in accordance with this policy.

When assessing applications, Council will consider factors including the following criteria:

- the organisational structure of the group:
  - ✓ group is incorporated under the Associations Incorporation Act 2015;
  - ✓ group has an Australian Business Number (ABN);
- financial viability of the group:
  - ✓ proven financial viability, backed up by annual financial statements;
  - ✓ compliance with relevant legislation governing the activities of the group;
  - √ holds all relevant licences and approvals to operate;
- the community benefit of the proposal:
  - ✓ lease will increase social engagement and/or promote the health and well-being of the community;
  - meets a high level of need in the community or responds to a community demand for the service or activity;
  - ✓ without this service provision the Shire may be required to provide an additional service or the service would not be available to the community at all;
  - ✓ group's Rules of Association enable non-discriminatory membership, i.e. open to all residents who wish to participate in that service or activity;
  - ✓ group's fees are reasonable and accessible;
- the suitability of the site for the specific purpose;

- the alignment of the proposal with Council's objectives as articulated in the Shire's Strategic Community Plan; and
- for Shire-owned freehold premises: the alignment of the proposal with Council's Property Strategy, in which freehold property is distinguished in three categories:
  - 1. social, community and civic purposes;
  - 2. economic purposes; and
  - 3. investment purposes.

# 4. STANDARD COMMUNITY LEASE

- 4.1 The community lease, developed by the Shire's solicitors, with standard terms and conditions, roles and responsibilities, as amended from time to time, will be executed between the Shire (lessor) and each community group (lessee) wishing to occupy Shire premises.
- 4.2 The term of the lease is negotiable taking into account the particular circumstances of the property and of the proposed lessee.

# 4.3 Insurance

All community groups are required to obtain Public Liability Insurance for a minimum cover of \$20,000,000. A Certificate of Currency must be produced by the community group before the signing of the lease and thereafter every twelve months.

# 5. RENT SUBSIDIES

Subsidising rent is an indirect form of financial support from ratepayers to community groups and should only be considered by Council if the community group can demonstrate benefits to the entire community (inclusive benefit) or to a particular section of the Shire community (exclusive benefit).

To ensure fair and transparent treatment, Council will assess community groups according to their capacity to raise revenue and assign them to one of three rent subsidy categories:

|              | Category A  | Category B  | Category C   |
|--------------|---|---|--|
|              | Peppercorn rent   | Community rent  | Market rent,<br>discounted where<br>appropriate  |
| Rent setting | annual rent is \$1 per<br>annum plus GST,<br>payable in advance<br>for the duration of the<br>term of the lease | Determined by the size of the leased area:  B1: areas up to 999sqm - \$500 per annum plus GST  B2: areas 1,000sqm up to 4,999sqm - \$1,100 per annum plus GST | full market rent with<br>any discount based<br>on Council's<br>assessment of the<br>group's community<br>benefit |

|  |   | B3: areas 5,000sqm<br>and over - \$1,700 per<br>annum plus GST   |   |
|--|---|--|---|
| Indicators of eligibility for rent subsidy | no revenue raising capacity from activities consistent with the group's purpose                         | limited capacity to generate revenue from activities consistent with the group's purpose   | ability to raise<br>revenue and charge<br>fees from activities<br>consistent with the<br>group's purpose  |
|  | no access to other funding sources  | service or activity is<br>non-discriminatory,<br>i.e. open to all<br>residents who wish to<br>participate in that<br>service or activity | access to substantial<br>government grants<br>(federal, state or<br>local)  |
|  | without this service<br>provision the Shire<br>would be required to<br>provide an additional<br>service | service or activity is<br>extensively used by<br>specific sections of<br>the community<br>(youth, seniors, etc.)                         | commercial activities<br>may include, but are<br>not limited to regular<br>bar and food<br>activities, retail shop<br>sales, fee for service<br>at commercial rates |
|  | meets a high level of<br>need in the<br>community   | limited access to<br>other sources of<br>funding (no more<br>than 10% of total<br>revenue)   | significant administration resources, such as paid staff, office equipment etc.   |
|  | run exclusively by volunteers   | run exclusively by volunteers  | run by paid staff or paid staff and volunteers  |

All community lease rents, other than peppercorn rents, will be indexed annually for CPI.

# Full market rent discounts (Category C):

Full market rent will be applied where the community group's annual rent is less than 5% of its ongoing operating revenue (or estimated operating revenue where the group is newly established). Operating revenue excludes any capital grants.

Where full market rent would account for more than 5% of the group's annual operating revenue or estimated revenue, Council may provide a subsidy on the following basis:

- 50% discount if the group demonstrates an inclusive benefit;
- 25% discount if the group demonstrates an exclusive benefit.

The level of financial support provided will be recognised by charging lessees full market rent and in the same transaction deducting the annual rent subsidy, where Council has approved such subsidy. This will result in full transparency as to the level of support each group receives from the Shire.

# **Review of financial support:**

For newly established groups, whose subsidy is based on estimated revenue, the Shire will review its financial support upon receipt of two consecutive annual financial statements from the group. Adjustments resulting from such a review will not be retrospective.

If during the course of a lease a community group experiences significant changes to its operation, the group may request the Shire to review their assessment by providing substantiated proof of their changed conditions. Adjustments resulting from such a review will not be retrospective.

# 6. LEASE RENEWAL FOR EXISTING LESSEES

The CEO has delegated authority (CE-117) to renew lease agreements with existing lessees or negotiate new lease agreements with existing lessees whose lease has expired. During this process, the following criteria will be considered:

- There remains a strong demand in the community for the continuation of the lessee's activities or services;
- The facility is not required by the Shire for other purposes;
- Renewal of the agreement will continue to maximise benefits to the community and the Shire; and
- The lessee has not been consistently in breach of their obligations under the existing agreement.

# 1. PURPOSE

The Shire has a number of properties which are used by a range of community groups and organisations, through a lease, licence or management agreement. This policy sets the overarching principles for the management of the Shire owned, managed or controlled property, including Crown land.

The purpose of this policy is to ensure:

- Shire leased assets are managed appropriately to optimise the benefit to and meet the expectations of the community in accordance with the Shire's Strategic Community Plan, Corporate Business Plan and Community Health and Wellbeing Strategy;
- a consistent, transparent and equitable approach for the process of Council
  entering into a formal lease agreement with community groups and
  government agencies to occupy Shire owned or managed land and buildings;
  and
- sound financial management, sustainable asset management and effective administration of the Shire's properties.

# 2. SCOPE

This policy applies to all community leases for community groups and organisations, including renewal of leases on expiration of current leases.

It does not cover commercial leases with business entities, as these are negotiated on a case by case basis.

Shire of Mundaring Bush Fire Brigades are excluded from this policy: as they are established under the *Bush Fires Act 1954* and the *Bush Fire Brigades Local Law 2013* and do not require a lease.

Facility hire (regular or occasional) to deliver community based programs, events and activities on an hourly or daily rate is not covered by this policy.

# 3. DEFINITIONS

capital upgrade refers to enhancement to the existing facility and

extends the asset to cater for growth or additional

service level.

capital renewal relates to expenses incurred to restore the original

function of the facility by replacing elements that have a life cycle shorter than planned for the entire

facility (for example carpets).

**community group** characteristics include but not limited to:

 incorporated not for profit group or association of persons with the primary aim of conducting activities and providing services for community benefit; and

 relies predominantly on volunteer labour, community fundraising, membership fees and donations; and

 may receive state or federal government operational grants and may rely on a fee for service business model.

**community lease** a legally binding agreement granted to community

group/organisation that provide services with direct

benefit to the community.

**CPI** consumer price index (CPI) is a quarterly measure

of inflation published by the Australian Bureau of

Statistics.

**Incorporated** a group of people who are recognised as a legal

entity, separate from individual members as defined under the *Associations Incorporation Act* 

2015.

lease exclusive occupancy agreement. Throughout this

policy, the word "lease" includes "licence".

lessee a person, group/association who holds the lease of

a property. Lessee can be referred to as tenant.

**lessor** the owner of an asset that is leased to another

party. Lessor can be referred to as landlord.

lease or licence variation the addition, removal or change of one or more of

the Lease or Licence provisions.

licence non-exclusive occupancy agreement (shared use).

management agreement contractual arrangement outlining the terms and

conditions associated with usage.

market rent the annual rent amount the Shire might reasonably

expect to receive, and a lessee might reasonably expect to pay, for a tenancy. Market rent value is

determined by a licensed valuer.

# 4. POLICY

The Shire is committed to providing a fair, consistent and transparent approach to the leasing, licencing and management of Shire properties. The Shire acknowledge that there are a range of tenants and uses, many of which provide valued community benefits.

# 4.1. Occupancy Arrangements

The Shire will enter into one of the following agreements for the use of Shire owned and managed or controlled property including crown land.

# 4.1.1. Type of occupancy agreements

The main types of occupancy agreements include:

- a. Lease proprietary right to exclusive occupation and use of part or all of a Shire-owned property, for an agreed period, in return for rent. The tenant has exclusive use and occupation of the property, although the Shire may require the tenant to encourage other use and subletting can occur if mutually agreeable.
- b. Licence Contractual right to non-exclusive occupation and /or use of part of a Shire-owned property. It does not confer a right to exclusive possession or occupation of the property. The Shire may see to grant a licence to enable access to the property by the broader community outside of the licensee's usage times.
- c. Management agreement Contractual arrangement outlining the terms and conditions associated with usage, as negotiated. The terms and conditions are not standard and are negotiated between the two parties.

# 4.2. Classification of Tenants

# 4.2.1. Eligibility

In order for community groups and organisations to be assessed for a community lease, the prospective tenants must provide the required documentation. When assessing applications, the following criteria is to be considered:

 a. organisational structure
 i.e. incorporated under the Associations Incorporation Act 2015; has an Australian Business Number (ABN) (if applicable);

- demonstrated financial viability and applicable regulatory compliance
  - i.e. evidence of revenue; annual financial statements; compliance with relevant legislation governing the activities of the group; holds all relevant licences and approvals to operate; capacity to meet the cost outlined in the lease contractual agreement.
- c. community benefit i.e. lease will increase social engagement and/or promote the health and well-being of the community; meets a high level of need in the community or responds to a community demand for the service or activity; without this service provision the Shire may be required to provide an additional service or the service would not be available to the
- d. Membership

   i.e. group's Rules of Association enable non-discriminatory membership, i.e. open to all residents who wish to participate in that service or activity; group's fees are reasonable and accessible;
- e. suitability of the site for the specific purpose;

community at all;

f. alignment of the proposal with Council's objectives as articulated in the Shire's Strategic Community Plan; and

Meeting the eligibility criteria listed above does not confer a right to the lease. The Shire reserves the right to decide whether a facility is offered on the basis of a lease; and if so, to whom the lease is offered.

# 4.2.2. Categories

In the first instance applications for community leases will be considered against the eligibility criteria (Refer to item 4.2.1). Where the criteria are met the application will be allocated to one of three categories based on the group/organisation structure and revenue\_(Refer to appendix 1):

Category One: <a href="Incorporated">Incorporated</a>, <a href="Leocally">Leocally</a> based, not-for-profit groups or organisations with a voluntary management committee and comprised mainly of local representatives. The group/organisation has limited capacity to generate revenue from on-site activities consistent with the group's purpose and the income of the group is generally restricted to low membership fees.

Category Two: Incorporated associations, groups and not-for-profit organisations run by paid staff; or, paid staff and volunteers, and with significant administration resources. The tenant has access to ongoing operation grants and/or substantial grants (federal, states or local) or generates additional revenue through membership fees, events, venue hire, or the sale of services or products consistent with the group's purpose.

Category three: Government Community Child Health Clinic. The tenant receives significant funding from the State or Federal Government or organisations other than the Shire and offer free community services that specialise in the health of mothers and their babies.

# 4.3. Fee Structure

The Shire is committed to providing access to Shire owned properties and facilities for the benefit of the local community and to strengthen communities through empowerment of incorporated associations.

The Shire and does not seek to derive profit from community leases and itIt-is acknowledged that the cost of providing affordable leases and licences
to not-for-profit community and sporting groups is subsidised by the
ratepayers of the Shire of Mundaring. To ensure fair and transparent
treatment, community groups will be assessed (as per item 4.2) and
according to their capacity to raise revenue and assign them to one of three
rent subsidy categories and term as included in the below table.

| rent subsidy categories and term as in | icidded in the below table.             |
|--|---|
| Category and Fee Structure             | Terms                                   |
| Category One: Peppercorn rent          | Initial term is 5 years with option of  |
| Fee \$1\$ per annum, yearly            | 2 x 5 years unless otherwise            |
| maintenance expenditure cap            | negotiated by both parties.             |
| applies (refer to item 4.4.4 and       |   |
| Appendix 2).                           |   |
| Category Two: Market rent,             | Initial term is 10 years with option of |
| discounted (as per item 4.3.1),        | 1 x 10 years.                           |
| indexed annually for CPI, plus GST.    |   |
| Lessee responsible for all minor       |   |
| maintenance (refer to Appendix 2)      |   |
| <u>expenditure.</u>                    |   |
| Category Three: Child health           | Initial term is 10 years with option of |
| Clinics                                | 1 x 10 years.                           |
| Fee: \$1\$ per annum. Lesee            |   |
| responsible for all minor              |   |
| maintenance (refer to Appendix 2)      |   |
| expenditure. with no capped            |   |
| maintenance                            |   |

# Note:

Chidlow Progress Association (CPA), Mahogany Creek Progress Association (MCPA) and Katharine Susannah Prichard Foundation (KSPF) have been specified as Category One leases.

The CPA, MCPA and KSPF historical lease agreements provide for a Pepercorn rent with Lessee having full responsibility for the premises including major structural repairs.

# 4.3.1. Market rent (Category Two)

Full market rent will be applied where Category Two community group's annual rent is less than 5% of its ongoing operating revenue (or estimated operating revenue where the group is

newly established). For the avoidance of any doubts, operating revenue excludes any capital grants.

Where full market rent would account for more than 5% of the group's annual operating revenue or estimated revenue, Council will provide a 50% discount subsidy.

Market rent review will occur prior to commencement of new term; or, unless otherwise agreed by both parties at a shared 50% cost of valuation.

The level of financial support provided will be recognised by charging lessees full market rent and in the same transaction deducting the annual rent subsidy, where Council has approved such subsidy. This will result in full transparency as to the level of support each group receives from the Shire.

# 4.3.2. Review of financial support:

For newly established groups and organisations, whose subsidy is based on estimated revenue, the Shire will review its financial support upon receipt of two consecutive annual financial statements from the group. Adjustments resulting from such a review will not be retrospective.

If, during the course of a lease, a community group experiences significant changes to its operation, the group may request the Shire to review their assessment by providing substantiated proof of their changed conditions. Adjustments resulting from such a review will not be retrospective.

# 4.4. Standard Community Lease

The standard community lease, developed by the Shire's solicitors, provides clauses for standard terms and conditions, roles and responsibilities of the lessor and lessee, insurance requirements etc. The standard community lease may be amended from time to time upon negotiation and agreement prior to the lease being executed between the Shire (lessor) and each community group (lessee) wishing to occupy Shire premises.

The term of the lease is negotiable taking into account the particular circumstances of the property and of the proposed lessee.

# 4.4.1. Insurance

All community groups are required to obtain Public Liability Insurance for a minimum cover of \$20,000,000. A Certificate of Currency must be produced by the community group before the signing of the lease and thereafter every twelve months

# 4.4.2. Variation

If a lessee requests a variation to a Lease, the Shire may grant a variation on the condition that the variation is achieved by surrender of the existing Lease and the grant of a new Lease

with additional conditions the Shire considers appropriate, at the Lessee's cost.

# 4.4.3. Timing

A formal agreement or permit must be in place for all community leases within six (6) months of occupation. A community group without a formal lease contract will be required to hire or vacate premises if terms and conditions of lease are not accepted within 12 months of occupation.

# 4.4.4. Maintenance responsibilities

Each lessee is required to maintain the facility in accordance with the maintenance clauses attached to their lease and using the services of registered and qualified trades people <u>if applicable</u>. The maintenance clauses outline the responsibilities of the Shire and the <u>lessee</u>.

Category 1 lessees are to ensure that any maintenance expenditure is recorded (i.e. receipts kept) to determine if the maintenance cap has been expended. Where expenditure does not meet the defined maintenance responsibilities, the expenditure will not be included.

Refer to <u>aAppendix 2</u> 'Community Leases Guidelines' for schedule of maintenance obligations and responsibilities and frequently asked questions.

# 4.5. Lease renewal for existing lessees

The lessee may request a renewal of lease agreement within the lease tenure period. At the expiry of lease tenure period, a lease request will be considered as a new lease and <a href="mailto:shouldmay">shouldmay</a> be submitted to Council for approval.

The following criteria will be considered before a new lease tenure is granted:

- a. There remains a strong demand in the community for the continuation of the lessee's activities or services;
- b. The facility is not required by the Shire for other purposes;
- c. Renewal of the agreement will continue to maximise benefits to the community and the Shire;
- d. Existing lessee will be given first right of renewal providing the lessee has not been consistently in substantial breach of their obligations under the existing agreement; and,
- e. Application(s) for Shire owned community facilities have been considered on their merit.

# APPENDIX 2 COMMUNITY LEASES Guidelines

This guide aims to provide simple guidelines and act as a point of reference to community leases for Lessees and prospective Lessees within the Shire of Mundaring (the Shire).

These guidelines do not replace your lease or licence agreement which should be referred to for further details. These guidelines should be read in conjunction with the "Community Leases Policy".

| Understanding the Terms ar     | d Conditions in your Lease or Licence    | Agreement5                            |
|--------------------------------|--|---------------------------------------|

#### Terminology

Throughout this document the community group or organisation holding a community lease (you) may be referred to as the Lessee or Tenant. The Shire, as the owner of the premises/land or the entity responsible for land/property under 'management orders' on behalf of WA State government, may be referred to as the Lessor or Landlord.

Glossary of terms used in this guide:

#### Capital upgrade

Refers to enhancement to the existing facility and extends the asset to cater for growth or additional service

Capital upgrades are approved at the Shire's discretion and must demonstrate an alignment with the Shire's Strategic Objectives.

The Lessee may apply to Council for financial assistance to upgrade a leased facility with requests being considered as part of the budget process in the year in which the request is received. The Shire will also work to assist groups when applying for funding.

# Capital renewal

Relates to expenses incurred to restore the original function of the facility by replacing elements that have a life cycle shorter than planned for the entire facility (for example carpets).

The Shire is responsible for capital renewal and repairs, which relate to major structural elements of the building such as the roof or load bearing walls. The Shire is also responsible for expenses incurred to restore the original function of the facility by replacing elements that have a life cycle shorter than planned for the entire facility, due to fair wear and tear.

# Contractual right

A right arising out of a contractual arrangement, for example the right to non-exclusive use of a property under a Licence or Management Agreement.

# Emergency Service Levy (ESL)

The Emergency Services Levy (ESL) is a Department of Fire and Emergency Services compulsory levy for all buildings. ESL funds Western Australia's fire and emergency services, including career fire stations, volunteer fire brigades, State Emergency Service units, the Volunteer Marine Rescue Service and the multipurpose Volunteer Emergency Service units.

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 3 of 28 version: June 2023

Formatted: Font color: Red

Formatted: Font color: Red

# Fixtures and fittings

Fixtures are items that are permanently attached – or fixed – to the property, like a fitted kitchen, hot water system, baths, sinks and toilets. Such items would almost always be included in the sale of a house.

Fittings can also be attached to the property, but are generally more temporary in nature, and can include things like mirrors, curtains or blinds, and some shelving or cabinets hung on a wall.

# Gross rental value (GRV)

The GRV is an annual rental value for a property determined by the Valuer General once every three years. This means properties are valued on their potential rental income rather than their capital value.

# Maintenance responsibilities

Facility maintenance includes minor day-to-day maintenance that can be performed by a <a href="handy-person">handy-person</a> and more significant asset renewal/ maintenance requiring the services of a qualified tradesperson. Licenced trades persons must be used when undertaking <a href="significant">significant</a> electrical, plumbing, gas and air-conditioning works.

All maintenance obligations and maintenance standards are clearly articulated in specific schedules to lease and licence documents and are summarised in this guide. Each Lessee is required to maintain the facility in accordance with the maintenance schedule attached to their lease or licence agreement.

The maintenance schedule outlines the responsibilities of the Lessor (the Shire) and the Lessee (you).

# Outgoings

Outgoings are fees or charges incurred for the use of a property. These may include utilities such as water, electricity and gas usage, rubbish and recycling charges, sewage rates (in applicable). Outgoings are charged in addition to rent, licence fees and rates and taxes.

# **Structural**

Structural maintenance applies to any major load bearing or large building component, such as wall framing, roof framing, or roof cladding where the majority of the component is affected. This also applies to building fixtures or equipment installed by the lessor where major failure has occurred.

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 4 of 28

# Understanding the Terms and Conditions in your Lease or Licence Agreement

Your association/organisation committee and/or anyone responsible for managing and maintaining your premises should:

- be aware your organisation has a lease or licence arrangement with the Shire
- have a good understanding of the terms and conditions of your lease or licence agreement.

The terms and conditions of your lease or licence agreement outline:

- permitted times and use/s of the premises
- fees and charges
- · required insurances
- a survey plan of your lease or licence boundary.

You should keep a copy of your current lease or licence agreement in an accessible location, where it can be readily referred to.

Your lease or licence agreement should be used to develop your organisation's policies and procedures and should be the basis of any sub-leasehire/user group arrangements.

To request a copy of your current lease or licence agreement, contact the Shire's Property Management Officer.

#### Keeping the Shire Informed

You must contact the Shire when:

- there are changes to your management committee and/or contact information
- there are changes to your Rules of Association (Constitution)
- · you are planning improvements or works to your leased premises
- unexpected changes occur to the condition of your premises (e.g. significant storm damage, vandalism, illegal dumping etc.)
- your organisation is experiencing difficulty meeting the terms and conditions of the lease or licence agreement
- the financial position of your organisation is declining and/or a threat to your operations
- you need assistance managing your organisation (e.g. lack of committee members, issues with other user groups).

You will be asked to provide the following as required:

- audited annual statement of accounts
- information regarding your membership (i.e. membership numbers, fees).

Prior to undertaking any improvements or development works to a community lease site, you need to apply for Shire <a href="mapproval-permission">approval-permission</a> (as the landlord). Further information is provided in the Frequently Asked Questions (FAQ) in this document.

# Invoices

There are a range of invoices associated with a community lease:

| Rent  | Issued annually by the Shire.  |
|---|--|
| Utilities (e.g. water, electricity)         | If utility accounts are sent to the Shire, an invoice will be raised and forwarded to Lessee for payment. A copy of the account from the service provider will be provided with the invoice. Water and electricity accounts are issued bi-monthly. |
| Insurance and Emergency Services Levy (ESL) | Issued annually, around November or December.  |
| Bins  | If you have requested a bin service, it may be invoiced as a Rates Notice. This is for a waste service only, no land rates will apply.  Tip Passes are available for a fee.  |

# Insurances, Indemnity and Exclusion of Liability

All Lessees must have adequate public liability insurance and other coverage as appropriate for their operations such as building and professional indemnity insurance.

The Lessee is required to:

- Provide a copy of Certificate of Currency for Public Liability Insurance to the value of \$20,000,000 upon signing or renewal of policy;
- Arrange relevant insurance for own equipment and possessions <u>if desired</u>; Pay excess on own insurance <u>policies</u> in the event of a claim;
- Reimburse the Lessor the portion of the premium for building insurance as per
- pay excess of \$1500 in the event of a claim on the building insurance (50% of applicable excess). Category 2 and Category 3 lessees ONLY.

Your lease or licence agreement will detail the permitted uses for your leased area. Furthermore, you should note that there are certain provisions in regards to the following:

| The Lessee You must obtain prior written consent prior to for  |
|--|
| any hireentering into any hire arrangements                    |
| All hire arrangement must be consistent with your permitted    |
| use (I.e. toddler birthday parties or mothers' group meeting   |
| in Playgroup premises) and where permission is granted,        |
| you will remains responsible for the Premises at all times.    |
| Consumption and sale of alcohol is not permitted within the    |
| leased area without permission or relevant licencing           |
| requirements.  |
| Not permitted.   |
| Prior to the expiry of lease term the Lessee will be contacted |
| to confirm acceptance of an additional lease term.             |
| Prior to the expiry of lease, Lessee's will be contacted to    |
| determine requirements for a new lease.                        |
|  |

# **Frequently Asked Questions**

# What alterations, additions, improvements or changes can we make to our leased property?

Alterations, additions, improvements or changes to a leased property can include, but are not restricted to, requests to remove a tree, replace a fence, painting, building a patio, or installing air conditioning. Works undertaken within a leased area require permission from the Shire and you need to check with the Property Management Officer prior to commencing any work.

You are required to contact the Shire in writing and provide as much information as possible regarding any work. At a minimum, you need to provide:

- The scope of works
- How are the works to be funded
- Who will be completing the works
- Map/ plan showing location of works.

Depending on the extent of the works an outcome will usually be provided between 1-10 working days and you will be advised if delays are expected.

Permission is required is to ensure works are compliant with relevant local planning or building laws and appropriate <u>building and/or planning</u> permits have been obtained <u>by the lessee</u>. At this time advice or suggestions may be provided to ensure the best outcome of the works to benefit the Lessee (alternative options, better long term outcome, less maintenance costs).

Approved works will be the responsibility of the Lessee for all future repairs, maintenance and replacement.

# What type of inspections are likely to take place?

A range of inspections may be conducted on the leased area:

| Fire Safety Inspections        | Conducted annually by Fire Hazard Inspection<br>Officers to assess firebreaks, access and fuel<br>loads.   |
|--------------------------------|--|
| Property Inspections           | Scheduled annually by the Property Management Officer to assess state of repair of the building.   |
| Public Building<br>Inspections | Generally conducted bi-annually by Health Officers to assess for various health risks. The frequency of these inspections may be determined by the risk of the premises.  The main items assessed include patron numbers and egress, fire safety and public amenities (e.g. exit signs, emergency lighting, portable fire extinguishers, toilet facilities etc.) |

# Do we need to be on site when the Shire appoints a contractor?

When maintenance or servicing works are to be carried out by Shire arranged contractors, an email will be sent advising of scheduled works. While we cannot always provide an exact time and date will not be provided. You will have the option to advise of times/dates that may not be suitable or your preferred time/day for the contractor to attend. The contractor will be provided keys (and if applicable, alarm codes) by the Shire. It is not necessary for you to be in attendance

Should there be any special requests for the timing of appointment, your contact details will be forwarded to the contractor to make arrangements directly. If the contractor cannot gain access and has not been advised of any changes by you to the arranged time, a fee may apply to reschedule.

#### How do we check if our chosen contractor is licensed?

Licenced trades persons must be used when undertaking electrical, plumbing, gas and air-conditioning works. All other maintenance and repairs must be completed in a tradesperson like manner.

To check if your chosen contractor is licensed, refer to the Department of Mines, Industry Regulation and Safety - Occupational licence search.

# What are our responsibilities for our roof, gutters, downpipes and eaves?

The Shire is responsible for the structural components of the roof.

You are responsible for preventative maintenance. In many cases, this will prevent the need for further general repairs.

It is recommended that you check your roof before and after severe weather seasons at the beginning of winter and the beginning of summer, with checks as necessary depending on likely leaf load, and pay particular attention to the following.

# Internally:

- Check for signs of water damage (i.e. mould, mildew, drips, leaks, water strains and peeling paint).
- Check for signs of pests occupying roof space (i.e. rats, mice and possums).
   Long term infestation of pests may cause damage to wiring, insulation and ceilings.

# Externally:

- Check for roof rust to avoid corrosion to sheeting or screws, and loose or damaged sheets.
- Check roof tiles to ensure there are no loose, cracked or missing pieces.
- Rot may affect wooden fixtures members and if there are signs of rot, they will need to be replaced. Any sign of rot to wooden roof structure needs to be reported to the Shire.
- Impact of additional installations which involve roof penetrations such as air conditioning, pipes, satellite dishes or other fixtures should be checked.
- Flashing should not be pulling away from roof or leaving gaps.
- Vallevs must be kept clear of leaves and debris.

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 8 of 28 version: June 2023

Field Code Changed

Rectify any issues identified during checks and advise the Shire immediately if you notice or suspect structural issues.

Problems caused by lack of maintenance or failure to clean gutters and downpipes can include:

- Damage caused by water overflowing, running over eaves, back into roof and onto the ceiling.
- Buckled, rusting or broken gutters due to excessive weight of debris build up.
- Gutters full of leaves in summer increase risk of <u>ignition from</u> ember attack should there be a nearby bushfire which can start fires and spread quickly to the rest of the premises.

Broken or bent fastenings should be repaired to ensure even flow. Drains should also be cleared to make sure the water can get away once it exits from the downpipes.

Gutters and downpipes not adequately cleaned or maintained will not be considered fair wear and tear <a href="maintenance">should rust develop</a> or be eligible for use of the maintenance cap <a href="maintenance">(if applicable)</a> towards to cost of repairs or replacement.

# Our water consumption bill seems very high? What do we do?

Water leaks may not always be obvious, sometimes it not until a larger than usual water account arrives that the problem is noticed.

The Water Corporation provides a useful tool to detect leaks and expert advice on steps to follow. See Leaks/Watercorporation.com.au.

In first instance it is recommended you check the following:

| Toilets      | Check seals, float valve and tap for leaks  |
|--------------|---|
| Taps         | May need new washer, reseating or replacing. Don't forget                         |
|              | to check all taps including washing machine taps (if applicable) and outside taps |
| Reticulation | Check for missing or damaged sprinklers, split/damaged                            |
|              | pipes and joins.  |

Also consider checking evaporative air-conditioning units, hot water systems and water pipes in ceilings if this is applicable to your leased premises.

When engaging a plumber for minor repairs it is often worthwhile getting all taps and toilets checked and if needed, serviced at the same time.

# What are our responsibilities regarding fire prevention?

In the Shire firebreaks are required to be in place before 1 November each year and maintained up to 31 March the following year. You are responsible for ensuring firebreaks are installed as per Firebreak and Fuel Load Notices. Firebreaks are to be no less than 3 metres wide and have no less than 4 metres height clearance.

Fire Appliance Access is required and you are required to maintain a safe and easy entry and exit from the property with adequate turnaround near buildings.

Other works required to maintain a low fuel load include: Raking and removing accumulated leaf litter, twigs and bark and removing of any piles of combustible material. Maintaining long grass no higher than 50mm. Ensuring a minimum of 2 metre distance between shrubs and structures by trimming vegetation back from buildings. Keeping gutters free from leaves and combustible material. Cleaning roofs of sheds. Advising Shire of any branches overhanging buildings. A guide to the Shire's Bush Fires and Fire Management is available on the Field Code Changed If you have question or require advice, contact the Fire Hazard Inspection Officers who can provide advice on keeping your leased area compliant with the Shire's Firebreak and Fuel Load Notice. To arrange a site visit at a time convenient to you please phone 9290 6696 or email Field Code Changed 7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au Page 10 of 28 version: June 2023

Page 11 of 28

# Additional information **Funding Options** There are a wide range of funding options available for community groups such Grants funding Sponsorship **Donations** Fund raising Cash and in-kind contributions from other community organisations/ The Shire has developed a community grants program to provide funds to local community groups for activities that not only benefit the members of the group, but the broader community. Grants must meet identified community need, promote active participation of local residents and build community strength. The grants program is organised on a financial year basis and is a competitive process. For more information about available grants refer to the Community Field Code Changed Grant Program page on the website. or contact the Community Capacity Building Officer on 9290 6678 or via ccbo@mundaring.wa.gov.au Field Code Changed **Request for Capital Works** The Shire's annual budget is determined by its long term Financial Plan and Corporate Business Plan in line with the Shire's Strategic Community Plan. Requests for assistance with capital works need to be assessed and set according to priority-before being considered for subsequent years' funding. Any request for capital work should be sent to <a href="mailto:shire@mundaring.wa.gov.au">shire@mundaring.wa.gov.au</a>. Field Code Changed **Disability Access and Inclusion** The Shire is committed to continually improving access and inclusion for both residents and visitors. The Access and Inclusion Informing Strategy 2022/2026 provides a framework for the Shire to create an accessible and inclusive community for all people regardless of their ability, age, culture, sex, gender, or sexual orientation. The Action Plan sets out what actions will be implemented over the next five years, and the responsible service areas within the Shire that will deliver on the Plan. For more information refer to the <u>Access and Inclusion Informing Strategy</u> page Field Code Changed on the website. For more information about access and inclusion, please contact the Shire's Coordinator Community Engagement team on 9290 6715 or email cce@mundaring.wa.gov.au Field Code Changed 7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

# **Lease and License Categories**

Page 12 of 28

The below information is provided as a guide only and does not replace your lease or licence agreement.

To determine the category relevant to you, refer to the "Community Leases Policy" item 4.2 and Appendix 1 Classification of tenants.

| Your Responsibilities (as Lessee / Tenant)  Payments  Peppercorn rent, licence or management fee All outgoings and consumption charges, including but limited to utilities, rubbish and recycling bin charges, water rates and taxes (if applicable) Pest control (excluding termite) as required ESL (not applicable to a licence or management agreement)  Insurance  50% of building insurance eestpremium 50% of the excess of building insurance claims (not applicable to a licence or management agreement) with minimum claim value of \$3000 Full replacement value content insurance including lessee's fixtures, fittings, equipment and stock if desire \$20 million public liability insurance  Repair / Maintenance  Maintain property clean and in good repair No property modifications or installations to be undertaken without Shire approval (and statutory approvals if applicable) General minor maintenance of premises (capped amount) up to \$1500 per annum. # A to Z of Maintenance Obligations

The below table provides an A-Z list of obligations relevant to you as the Lessee and the Shire as the Lessor.

The below information is provided as a guide only and does not replace the obligations as listed in your lease or licence agreement.

# **General Terms**

| Alterations                     | Lessee must seek written consent from Lessor prior to make or allow, any alteration, addition, improvement, or demolishment of any part of the premises  |
|---------------------------------|--|
|                                 | After obtaining written consent, Lessee must apply for and obtain all such-consentstatutory approvals, authorities, permits or policies as are required by law before undertaking any alterations, additions, improvements or demolitions. |
|                                 | <b>Lessor</b> will evaluate any request for alteration submitted by Lessee and communicate determination in relation to submission.  |
| Building<br>Insurance<br>claims | Lessee is responsible for 50% of any insurance excess with a claimBuilding insurance covers property in the event of, but not limited to, fire, storm damage, vandalism, break-ins.  Insurance claim minimum value of is \$3000.           |
|                                 | If estimated cost to repair damaged property is below the value of insurance excess, the repair will be considered a minor maintenance item and applicable expenditure cap will apply.   |
|                                 | Category 1 lease: Lessor responsible for 50% of insurance excess (with a claim minimum value of \$3000).   |

Page 18 of 28 version: June 2023

# Maintenance expenditure cap

Lessee must promptly repair or replace any damaged item. when the repair or replacement cost is less than the Once-off Maximum amount (\$500) and, the a

# (Category 1 leases)

Category 1 lease: Amounts expended by the Lessee on maintenance or repair is less than the are capped at an Annual Maximum amount of \$1500; per year-.(\$1500); once-off and annual maximum amounts are including any insurance excess for such repair or replacement:

If the total amounts expended exceed once-off orthe annual maximum amount, Lessee is required to provide the Lessor with two (2) written quotes (although one quote may be accepted dependant on the scope of work and the quality of quote received detailed evidence of previous expenditure in the form of itemised tax invoices). Where maintenance works are required beyond the maintenance cap the Lessor reserves the right to seek alternative quotations and will pay the additional amount in excess of the Annual Maximum

# <u>Category 1 leases:</u> <u>Lessor pays any amounts over Once off maximum amount \$500.</u>

and/or over Annual Maximum Amount: \$1500,

Expenditure caps increased annually by the Local Government Cost Index (LGCI).

Where maintenance works are required beyond the maintenance cap the **Lessor** reserves the right to seek alternative quotations and will pay the additional amount in excess of Once-off Maximum Amount or the Annual Maximum amount.

# Maintenance (General)

**Lessee** is responsible for the cost of repair or replacement if it is necessary because of any action or omission of or on the part of the Lessee or the Lessor's insurances are invalidated by any act, neglect or default by the Lessee.

Lessee will be responsible for the cost of structural maintenance, replacement or repair when such maintenance, repair or replacement is necessary because of any action or omission of or on the part of the Lessee or by the Lessee's particular use or occupancy of the Premises

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 19 of 28 version: June 2023

**Lessor** will carry out <u>agreed</u> repairs or replacement that are necessary as a result of fair and reasonable wear and tear and so long as the Lessee has completed regular and ongoing preventative maintenance and repairs as needed, and to maintain the property to a standard appropriate for the age of the premises.

Lessor is responsible for the cost of structural maintenance

# General Statutory / Minimum Level of Service Obligations

| Asbestos                              | Lessee will be provided with an excerpt of the Asbestos Containing Material (ACM) register in their meter box (if applicable) and any works involving asbestos containing materials must be carried out by a suitably licensed contractor. |
|---------------------------------------|--|
| Emergency<br>exit lighting            | <b>Lessee</b> is responsible for notifying the Lessor if any Fire Evacuation Exit Signs are not in good working order.   |
| systems and<br>emergency<br>doors     | <b>Lessor</b> will arrange for annually test and service by a qualified technician and replacement of non-compliant, faulty or damaged equipment as required at time of service call.  |
| Firefighting equipment and exit signs | <b>Lessee</b> to ensure firefighting equipment is not tampered with or removed from designated area.   |
|                                       | <b>Lessee</b> is responsible for costs incurred for replacement if misuse, tampered or lost Fire Fighting Equipment.   |
|                                       | <b>Lessor</b> will arrange annual inspection of the premises to ensure compliance with DFES-statutory requirements.  |
|                                       | Serviced at least every 6 months by a qualified technician and replacement of non-compliant, faulty or damaged equipment as required at time of service call.  |

Page 20 of 28 version: June 2023

#### Pest control

**Lessee** will keep leased premises free of pests. Lessee is responsible for cost of extermination of pests with the excemption of white ant treatment. This includes but not limited to:

- Ants
- Cockroaches
- Birds
- Rats and Mice
- Spiders
- Wasps
- Possums

Lessee to keep building in such a matter as not to encourage white ants i.e. not stacking newspapers timber etc. against walls and to report any sign of white ants activity to the lessor and in a manner which discourages all pest intrusions.

**Lessor** will arrange annual white ant pest inspection, and treatment if required, by a licenced and insured Pest Control technician. Testing and bait stations installation will be conducted on advice from pest control technician.

#### RCD protections, tagging electrical equipment

**Lessee** to ensure that all portable plug-in electrical equipment is regularly inspected in accordance with relevant legislation.

**Lessor** to ensure that all RCDs are inspected, tested, repaired and maintained in accordance with the relevant legislation.

# Interior of Premises

#### Bathrooms and change rooms (including: drains sewerage, showers,

toilets etc.)

**Lessee** must keep clean at all times and ensure all are operable and free from any blockages.

**Lessee** shall not permit foreign objects or matter to be placed into drains, toilets or grease traps and is responsible for clearing blockages.

**Lessor** will replace irreparable items and undertake capital renewal as and when determined by the lessor.

**Lessor** is responsible for clearing blockage caused by tree roots entering drain pipes if due to fair and reasonable wear and tear.

Where the lessor undertakes works or repairs to clear blockages which have occurred as a result of the neglect, misuse or default of the lessee, the lessee may be required

|                                    | to pay part or all of the lessor's costs of undertaking those works  |
|------------------------------------|--|
| Carpet                             | Lessee to keep carpets clean at all times. Carpets are to be vacuumed often and steam clean at least once annually with spot cleaned to occur as needed.   |
|                                    | Lessor will replace as and when determined and scheduled by Lessor.  |
| Ceiling                            | Lessee to keep ceiling clean, free of cobwebs and cleaned any temporary decoration.  |
|                                    | Penetrations for appliances such as a <u>A</u> ir conditioning vents and the like shall be kept clean and in good working order.   |
|                                    | Note: Any water damage or sagging to be reported to the Lessor.  |
|                                    | Lessor to repair any structural damage to ceiling.   |
|                                    | If damage is caused or contributed to by the lessee or lessee's employees and visitors, the lessor may require the lessee to reimburse it for part or all of the cost of repairing the damage  |
| Cleaning and cobweb removal        | Lessee to ensure premises is kept tidy and free of litter, dirt rubbish, cobwebs and broken glass at all times.  |
| Cupboards,<br>benches,<br>cabinets | <b>Lessee</b> to regularly clean all doors, latches, drawers and shelves and to keep free from any damage, marks or food residue.  |
| (built in<br>joinery)              | <b>Lessor</b> to replace built in joinery as and when determined be the lessor.  |
| Doors                              | Leans to keep deers clean from from any marks, demand  |
| Doors                              |  |
| Doors                              | and cobwebs. Doors are to be lockable and operable. Any door closers or other devices fitted should be maintained in good working order.   |
| Ploors                             | and cobwebs. Doors are to be lockable and operable. Any door closers or other devices fitted should be maintained in good working order.  Note: Locks are not to be changed without the prior approve of the Lessor. Locks must be keyed to the Lessor's Key |

8.08.2023 COUNCIL MEETING CONFIRMED MINUTES

|   | Lessor will replace floor coverings as determined by the Lessor. This is generally when the coverings have reached the end of their life as a result of fair and reasonable wear and tear. Lessor is not responsible for replacement when it is due to lack of care and maintenance or due to abuse or damage by the Lessee. |  |
|---|--|--|
| Keys / locks /<br>hardware                    | Unless otherwise approved by the Lessor in writing, the Lessee must not have additional sets of keys copied or cut and must immediately notify the Lessor of any loss of keys;   |  |
|   | Locks are not to be changed without the prior approval of the Lessor. If the locks are changed, the Lessee must provide the Lessor with keys to access all areas of the Premises.  |  |
|   | The <b>Lessee</b> is responsible for the maintenance and repairs of window and door hardware including the cylinder.   |  |
|   | <b>Lessor</b> is to provide the Lessee with one (1) set of keys for access to the Premises and all rooms therein.  |  |
|   | Bi-lock System: Works to repair or change locks will be undertaken by the Shire and costs forwarded to the Lessee.   |  |
| Painting                                      | <b>Lessee</b> is responsible for patch painting required for repare purposes.  |  |
|   | Lessor will schedule and carry out preventative maintenance  |  |
| Sink, basin,<br>pedestal pans<br>and cisterns | Lessee to maintain in clean and operable condition and clear of all blockages caused by foreign objects or matter. Lessee to repair fittings such as taps.   |  |
| Toilets                                       | Lessee to keep in a clean and operable condition at all time and check seals, float valve and tap for water leaks as well as clear all blockages caused by foreign objects or matter placed in toilets.  |  |
|   | All consumables, i.e. Toilet paper, paper towels, are to be supplied by the Lessee.  |  |
|   | Replacement of fittings such as roll dispensers and coat hangers rest with the Lessee.   |  |
| Walls<br>(interior)                           | Lessee to keep all wall surfaces throughout the premises clean, free from any marks, damage and cobwebs  |  |
|   | Lessor to repair structural damage to load bearing walls.  |  |
|   | If damage is caused or contributed to by the lessee or lessee's employees and visitors, the lessor may require the lessee to reimburse it for part or all of the cost of repairing the damage.   |  |
|   | damage.  |  |
| Cook Forton Will                              | Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov   |  |

#### Windows

**Lessee** to ensure that all dirt, sand and rubbish is kept clear from windows tracks.

- Clear any debris from weepholes in the windowsills.
- Lubricate moving parts such as rollers, locks and hinges.

Check seals and replace as require.

Internal/ External painting will be part of the **Shire's** maintenance schedule and will include doors and windows frames where previously painted.

#### Fixtures, Fittings, Appliances and Electrical

#### Airconditioning

Before installing any new air conditioners, **Lessee** must seek permission from the Shire to undertake works. The Shire will give consideration to insulation, ventilation, and capacity of electrical supply.

The **Lessee** is required to <u>operate, clean and service any</u> installed air-conditioning unit in accordance with the manufacturer's standards.

If installed by Lessee, installation, repairs, maintenance, servicing and replacement of air conditioners is the responsibility of the lessee.

If installed by **Lessor**, air-conditioning will be replaced at the end of its serviceable life.

### Electrical fittings

Lessee to keep all electrical fittings such as power points, light switches and light fittings in clean and in good working order. Lessee to replace light globes and fluorescent light tubes which may fail.

#### Gas appliances

**Lessee** to operate and regularly clean appliances to maintain in good working order with all gas supplier requirements being complied with.

**Lessor** does not support gas appliances and would replace with comparable electric appliance

#### Hot water system

**Lessee** is responsible for the maintenance and servicing of the hot water system.

**Lessor** will replace hot water system at the end of its serviceable life.

# White Goods including stove, fans,

**Lessee** to keep white goods clean, operable, regularly maintained and repaired as required and operated in accordance with the manufacturer's requirements.

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

| Carpark                            | rrounds  Lessee is responsible for ensuring car park is clean and   |
|------------------------------------|---|
| Carpark                            | clear of rubbish, trip hazards or obstructions.   |
|                                    | <b>Lessor</b> responsible for bitumen repairs, pot-hole maintenance and line marking.   |
| Eaves,<br>gutters and<br>downpipes | Cleaning and maintaining gutters and downpipes should be a regular part of <b>Lessee</b> maintenance schedule. This may vary from twice to several times a year, dependant on your location and time of the year.   |
|                                    | <b>Lessor</b> will replace eaves, gutters and downpipes at the end of their serviceable life, subject to adequate care and maintenance by the Lessee.   |
| Fencing                            | Lessee to keep fencing clean and free of any graffiti and repair any minor damage.  |
|                                    | Lessor will replace fencing at the end of its serviceable life – like for like.   |
| Fire<br>Prevention                 | Lessee to maintain fire prevention requirements as per Shire of Mundaring Firebreak Notice and conduct any other fire management matters as instructed by Shire of Mundaring Chief Fire Control Officer.  |
|                                    | Refer to FAQs provided in these guidelines.   |
| Garden and surrounds               | To be kept in tidy and free from litter and rubbish. Lessee must regularly inspect and maintain in good condition any part of the Premises which surrounds any buildings including but not limited to any flora, gardens lawns, shrubs, hedges and trees. |
|                                    | Lessee is responsible for any minor pruning. If any flora, trees or lawn dies to be replaced at its own expenses.   |
|                                    | The <b>Lessee</b> must plant and care for such trees on the Premises as the Lessor may from time to time reasonably require.  |
|                                    | The <b>Lessee</b> may not remove any trees, shrubs or hedges without first consulting with and obtaining the approval of the Lessor, except where necessary for urgent safety reasons.  |

| Pathways     | <b>Lessee</b> to keep pathways clear of rubbish and swept regularly with care not to damage vegetation surrounding the building.  |
|--------------|---|
|              | <b>Lessor</b> is responsible for Shire verge footpaths.   |
| Roof         | <b>Lessee</b> is responsible for internal and exterior preventative maintenance and minor maintenance.  |
|              | <b>Lessor</b> is responsible for the structural components of the roof.   |
| Rubbish Bins | <b>Lessee</b> to ensure all rubbish is placed in the outside rubbish bins in the designated bin areas/enclosures. Bin enclosure is to be kept clear of all rubbish.   |
| Tree pruning | <b>Lessor</b> is responsible for any major tree pruning and tree removal (unless noted otherwise in lease) as determined by the Lessor.   |
| Signs        | Signs located on the building, are to be regularly maintained by <b>Lessee</b> and kept in a safe condition. Signs that may become damaged are to be replaced immediately.  Any approvals or licences for signs are to be kept current. |
|              |   |
|              | Installation of any sign requires approval from the Lessor.   |
| Veranda      | Lessee to keep clean and free from cobwebs.   |
| Walls        | Lessee to keep exterior walls free from any marks, damage and cobwebs.  |

| Graffiti                             | Graffiti removal is the responsibility of the <b>Lessee</b> and any graffiti should be removed as quickly as possible.  |                                       |
|--------------------------------------|---|---------------------------------------|
|                                      | Report Graffiti to Shire and via Report Graffiti Form. For further information on removing/preventing graffiti Goodbye Graffiti.  | Field Code Changed Field Code Changed |
| Malicious<br>damage and<br>break ins | Lessee is responsible for notifying the lessor of any incidents of malicious damage or break-ins and submitting a police report for insurance purpose, repairing and replacing any stolen goods or broken fixtures and fittings, minor repairs and cleaning of broken glass, windows and doors after an act/incident of malicious damage. Report any incidents of malicious damage or break-ins to the Lessor and pay insurance excess if applicable. |                                       |
|                                      | Where claim is estimated to be above excess threshold, Lessor will submit building insurance claim on behalf of Lesseeif applicable.  |                                       |
| Security<br>system                   | Lessee to ensure the premise is maintained in a secure condition at all times.  |                                       |
|                                      | The Lessee may, with prior approval from the Lessor, install a security system to the premises and pay all costs associated with the installation and ongoing monitoring of a security system. Such system is to be maintained by the Lessee in accordance with the supplier's instructions.  |                                       |
|                                      | All security telecommunications and other fees are to be met by the Lessee.   |                                       |
|                                      | If security system is installed the Lessee is required to provide access keys and alarm codes to the Lessor.  |                                       |
| Security screens                     | <b>Lessee</b> to keep security screens clean and firmly fixed. Any cobwebs to be regularly removed  |                                       |
| Vandalism                            | Lessee to notify Lessor of any act of vandalism to the premises or any incident which occur on or near the premises and remove/repair internal and external signs of vandalism.   |                                       |
|                                      | At request of Lessee, Lessor will submit <u>a</u> building insurance claim on <u>presentation of a police report if applicable</u> <u>behalf of lessee where claim is estimated to be above insurance excess threshold.</u>   |                                       |
|                                      |   |                                       |

Policy - Appendix

# APPENDIX 2 COMMUNITY LEASES Guidelines

This guide aims to provide simple guidelines and act as a point of reference to community leases for Lessees and prospective Lessees within the Shire of Mundaring (the Shire).

These guidelines do not replace your lease or licence agreement which should be referred to for further details. These guidelines should be read in conjunction with the "Community Leases Policy".

Page 2 of 27 version: July 2023

#### **Terminology**

Throughout this document the community group or organisation holding a community lease (you) may be referred to as the Lessee or Tenant. The Shire, as the owner of the premises/land or the entity responsible for land/property under 'management orders' on behalf of WA State government, may be referred to as the Lessor or Landlord.

Glossary of terms used in this guide:

#### Capital upgrade

Refers to enhancement to the existing facility and extends the asset to cater for growth or additional service level.

Capital upgrades are approved at the Shire's discretion and must demonstrate an alignment with the Shire's Strategic Objectives.

The Lessee may apply to Council for financial assistance to upgrade a leased facility with requests being considered as part of the budget process in the year in which the request is received. The Shire will also work to assist groups when applying for funding.

#### Capital renewal

Relates to expenses incurred to restore the original function of the facility by replacing elements that have a life cycle shorter than planned for the entire facility (for example carpets).

The Shire is responsible for capital renewal and repairs, which relate to major structural elements of the building such as the roof or load bearing walls. The Shire is also responsible for expenses incurred to restore the original function of the facility by replacing elements that have a life cycle shorter than planned for the entire facility due to fair wear and tear..

#### Contractual right

A right arising out of a contractual arrangement, for example the right to non-exclusive use of a property under a Licence or Management Agreement.

#### Emergency Service Levy (ESL)

The Emergency Services Levy (ESL) is a Department of Fire and Emergency Services compulsory levy for all buildings. ESL funds Western Australia's fire and emergency services, including career fire stations, volunteer fire brigades, State Emergency Service units, the Volunteer Marine Rescue Service and the multipurpose Volunteer Emergency Service units.

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 3 of 27 version: July 2023

#### **Fixtures and fittings**

Fixtures are items that are permanently attached – or fixed – to the property, like a fitted kitchen, hot water system, baths, sinks and toilets. Such items would almost always be included in the sale of a house.

Fittings can also be attached to the property, but are generally more temporary in nature, and can include things like mirrors, curtains or blinds, and some shelving or cabinets hung on a wall.

## Gross rental value (GRV)

The GRV is an annual rental value for a property determined by the Valuer General once every three years. This means properties are valued on their potential rental income rather than their capital value.

# Maintenance responsibilities

Facility maintenance includes minor day-to-day maintenance that can be performed by a handy-person and more significant asset renewal/ maintenance requiring the services of a qualified tradesperson. Licenced tradespersons must be used when undertaking significant electrical, plumbing, gas and air-conditioning works.

All maintenance obligations and maintenance standards are clearly articulated in specific schedules to lease and licence documents and are summarised in this guide. Each Lessee is required to maintain the facility in accordance with the maintenance schedule attached to their lease or licence agreement.

The maintenance schedule outlines the responsibilities of the Lessor (the Shire) and the Lessee (you).

#### **Outgoings**

Outgoings are fees or charges incurred for the use of a property. These may include utilities such as water, electricity and gas usage, rubbish and recycling charges, sewage rates (in applicable). Outgoings are charged in addition to rent, licence fees and rates and taxes.

#### Structural

Structural maintenance applies to any major load bearing or large building component, such as wall framing, roof framing, or roof cladding where the majority of the component is affected. This also applies to building fixtures or equipment installed by the lessor where major failure has occurred.

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 4 of 27 version: July 2023

#### Understanding the Terms and Conditions in your Lease or Licence Agreement

Your association/organisation committee and/or anyone responsible for managing and maintaining your premises should:

- be aware your organisation has a lease or licence arrangement with the Shire
- have a good understanding of the terms and conditions of your lease or licence agreement.

The terms and conditions of your lease or licence agreement outline:

- permitted times and use/s of the premises
- · fees and charges
- · required insurances
- a survey plan of your lease or licence boundary.

You should keep a copy of your current lease or licence agreement in an accessible location, where it can be readily referred to.

Your lease or licence agreement should be used to develop your organisation's policies and procedures and should be the basis of any hire/user group arrangements.

To request a copy of your current lease or licence agreement, contact the Shire's Property Management Officer.

#### Keeping the Shire Informed

You must contact the Shire when:

- there are changes to your management committee and/or contact information
- there are changes to your Rules of Association (Constitution)
- you are planning improvements or works to your leased premises
- unexpected changes occur to the condition of your premises (e.g. significant storm damage, vandalism, illegal dumping etc.)
- your organisation is experiencing difficulty meeting the terms and conditions of the lease or licence agreement
- the financial position of your organisation is declining and/or a threat to your operations
- you need assistance managing your organisation (e.g. lack of committee members, issues with other user groups).

You will be asked to provide the following as required:

- · audited annual statement of accounts
- information regarding your membership (i.e. membership numbers, fees).

Prior to undertaking any improvements or development works to a community lease site, you need to apply for Shire permission (as the landlord). Further information is provided in the Frequently Asked Questions (FAQ) in this document.

Page 5 of 27 version: July 2023

#### **Invoices**

There are a range of invoices associated with a community lease:

| Rent  | Issued annually by the Shire.  |
|---|--|
| Utilities (e.g. water, electricity)         | If utility accounts are sent to the Shire, an invoice will be raised and forwarded to Lessee for payment. A copy of the account from the service provider will be provided with the invoice. Water and electricity accounts are issued bi-monthly. |
| Insurance and Emergency Services Levy (ESL) | Issued annually, around November or December.  |
| Bins  | If you have requested a bin service, it may be invoiced as a Rates Notice. This is for a waste service only; no land rates will apply.  Tip Passes are available for a fee.  |

#### Insurances, Indemnity and Exclusion of Liability

All Lessees must have adequate public liability insurance and other coverage as appropriate for their operations such as building and professional indemnity insurance. The Lessee is required to:

- Provide a copy of Certificate of Currency for Public Liability Insurance to the value of \$20,000,000 upon signing or renewal of policy;
- Arrange relevant insurance for own equipment and possessions if desired;
- Pay excess on own insurance policies in the event of a claim;
- Reimburse the Lessor the portion of the premium for building insurance as per individual lease conditions.
- Pay excess of \$1500 in the event of a claim on the building insurance (50% of applicable excess). Category Two and Category Three leases ONLY.

#### Use

Your lease or licence agreement will detail the permitted uses for your leased area. You should note that there are certain provisions in regards to the following:

| Casual Hire                     | You must obtain written consent prior to entering into any hire arrangements.  All hire arrangement must be consistent with your permitted use (I.e. toddler birthday parties or mothers' group meeting in Playgroup premises) and where permission is granted, you will remains responsible for the Premises at all times. |
|---------------------------------|---|
| Alcohol                         | Sale of alcohol is not permitted within the leased area without permission or relevant licencing requirements.  |
| Sub-letting                     | Must be mutually agreeable and is conditional on Shire approval.  |
| Option to renew (if applicable) | Prior to the expiry of lease term the Lessee will be contacted to confirm acceptance of an additional lease term.   |
| Lease Expiry                    | Prior to the expiry of lease, Lessee's will be contacted to determine requirements for a new lease.   |

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 6 of 27 version: July 2023

#### **Frequently Asked Questions**

# What alterations, additions, improvements or changes can we make to our leased property?

Alterations, additions, improvements or changes to a leased property can include, but are not restricted to, requests to remove a tree, replace a fence, painting, building a patio, or installing air conditioning. Works undertaken within a leased area require permission from the Shire and you need to check with the Property Management Officer prior to commencing any work.

You are required to contact the Shire in writing and provide as much information as possible regarding any work. At a minimum, you need to provide:

- The scope of works
- How are the works to be funded
- Who will be completing the works
- Map/ plan showing location of works.

Depending on the extent of the works an outcome will usually be provided between 1-10 working days and you will be advised if delays are expected.

Permission is required is to ensure works are compliant with relevant local planning or building laws and appropriate building and/or planning permits have been obtained by the lessee. At this time advice or suggestions may be provided to ensure the best outcome of the works to benefit the Lessee (alternative options, better long term outcome, less maintenance costs).

Approved works will be the responsibility of the Lessee for all future repairs, maintenance and replacement.

#### What type of inspections are likely to take place?

A range of inspections may be conducted on the leased area:

| Fire Safety Inspections        | Conducted annually by Fire Hazard Inspection Officers to assess firebreaks, access and fuel loads.   |
|--------------------------------|--|
| Property Inspections           | Scheduled annually by the Property Management Officer to assess state of repair of the building.   |
| Public Building<br>Inspections | Generally conducted bi-annually by Health Officers to assess for various health risks. The frequency of these inspections may be determined by the risk of the premises.  The main items assessed include patron numbers and egress, fire safety and public amenities (e.g. exit signs, emergency lighting, portable fire extinguishers, toilet facilities etc.) |

Page 7 of 27 version: July 2023

#### Do we need to be on site when the Shire appoints a contractor?

When maintenance or servicing works are to be carried out by Shire arranged contractors, an email will be sent advising of scheduled works. While we cannot always provide an exact time and date you will have the option to advise of times/dates that may not be suitable or your preferred time/day for the contractor to attend. The contractor will be provided keys (and if applicable, alarm codes) by the Shire. It is not necessary for you to be in attendance.

Should there be any special requests for the timing of appointment, your contact details will be forwarded to the contractor to make arrangements directly. If the contractor cannot gain access and has not been advised of any changes by you to the arranged time, a fee may apply to reschedule.

#### How do we check if our chosen contractor is licensed?

Licenced tradespersons must be used when undertaking electrical, plumbing, gas and air-conditioning works. All other maintenance and repairs must be completed in a tradesperson like manner.

To check if your chosen contractor is licensed, refer to the Department of Mines, Industry Regulation and Safety - Occupational licence search.

#### What are our responsibilities for our roof, gutters, downpipes and eaves?

The Shire is responsible for the structural components of the roof.

You are responsible for preventative maintenance. In many cases, this will prevent the need for further general repairs.

It is recommended that you check your roof at the beginning of winter and the beginning of summer, with checks as necessary depending on likely leaf load, and pay particular attention to the following.

#### Internally:

- Check for signs of water damage (i.e. mould, mildew, drips, leaks, water strains and peeling paint).
- Check for signs of pests occupying roof space (i.e. rats, mice and possums).
   Long term infestation of pests may cause damage to wiring, insulation and ceilings.

#### Externally:

- Check for roof rust to avoid corrosion to sheeting or screws, and loose or damaged sheets.
- Check roof tiles to ensure there are no loose, cracked or missing pieces.
- Rot may affect wooden members and if there are signs of rot, they will need to be replaced. Any sign of rot to wooden roof structure needs to be reported to the Shire.
- Impact of additional installations which involve roof penetrations such as air conditioning, pipes, satellite dishes or other fixtures should be checked.
- Flashing should not be pulling away from roof or leaving gaps.
- · Valleys must be kept clear of leaves and debris.

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au Page 8 of 27 version: July 2023

Rectify any issues identified during checks and advise the Shire immediately if you notice or suspect structural issues.

Problems caused by lack of maintenance or failure to clean gutters and downpipes can include:

- Damage caused by water overflowing, running over eaves, back into roof and onto the ceiling.
- Buckled, rusting or broken gutters due to debris build up.
- Gutters full of leaves in summer increase risk of ignition from ember attack should there be a nearby bushfire which can start fires and spread quickly to the rest of the premises.

Broken or bent fastenings should be repaired to ensure even flow. Drains should also be cleared to make sure the water can get away once it exits from the downpipes.

Gutters and downpipes not adequately cleaned or maintained will not be considered fair wear and tear should rust develop or be eligible for use of the maintenance cap (if applicable) towards to cost of repairs or replacement.

#### Our water consumption bill seems very high? What do we do?

Water leaks may not always be obvious, sometimes it is not until a larger than usual water account arrives that the problem is noticed.

The Water Corporation provides a useful tool to detect leaks and expert advice on steps to follow. See <u>Leaks/Watercorporation.com.au</u>.

In first instance it is recommended you check the following:

| Toilets      | Check seals, float valve and tap for leaks  |
|--------------|---|
| Taps         | May need new washer, reseating or replacing. Don't forget to check all taps including washing machine taps (if applicable) and outside taps |
| Reticulation | Check for missing or damaged sprinklers, split/damaged pipes and joins.   |

Also consider checking evaporative air-conditioning units, hot water systems and water pipes in ceilings if this is applicable to your leased premises.

When engaging a plumber for minor repairs it is often worthwhile getting all taps and toilets checked and if needed, serviced at the same time.

#### What are our responsibilities regarding fire prevention?

In the Shire firebreaks are required to be in place before 1 November each year and maintained up to 31 March the following year. You are responsible for ensuring firebreaks are installed as per Firebreak and Fuel Load Notices. Firebreaks are to be no less than 3 metres wide and have no less than 4 metres height clearance.

Fire Appliance Access is required and you are required to maintain a safe and easy entry and exit from the property with adequate turnaround near buildings.

Page 9 of 27 version: July 2023

Other works required to maintain a low fuel load include:

- Raking and removing accumulated leaf litter, twigs and bark and removing of any piles of combustible material.
- Maintaining long grass no higher than 50mm.
- Ensuring a minimum of 2 metre distance between shrubs and structures by trimming vegetation back from buildings.
- · Keeping gutters free from leaves and combustible material.
- · Cleaning roofs of sheds.
- · Advising Shire of any branches overhanging buildings.

A guide to the Shire's <u>Bush Fires and Fire Management</u> is available on the website.

If you have questions or require advice, contact the Fire Hazard Inspection Officers who can provide advice on keeping your leased area compliant with the Shire's Firebreak and Fuel Load Notice. To arrange a site visit at a time convenient to you please phone 9290 6696 or email <a href="mailto:firesafety@mundaring.wa.gov.au">firesafety@mundaring.wa.gov.au</a>.

Page 10 of 27 version: July 2023

#### Additional information

#### **Funding Options**

There are a wide range of funding options available for community groups such as:

- · Grants funding
- Sponsorship
- Donations
- Fund raising
- Cash and in-kind contributions from other community organisations/ individuals

The Shire has developed a community grants program to provide funds to local community groups for activities that not only benefit the members of the group, but the broader community. Grants must meet identified community need, promote active participation of local residents and build community strength.

The grants program is organised on a financial year basis and is a competitive process. For more information about available grants refer to the <a href="mailto:CommunityGrant Program">Community Grant Program</a> page on the website. or contact the Community Capacity Building Officer on 9290 6678 or via <a href="mailto:ccbo@mundaring.wa.gov.au">ccbo@mundaring.wa.gov.au</a>

#### **Request for Capital Works**

The Shire's annual budget is determined by its long term Financial Plan and Corporate Business Plan in line with the Shire's Strategic Community Plan.

Requests for assistance with capital works need to be assessed and set according to priority before being considered for subsequent years' funding. Any request for capital work should be sent to shire@mundaring.wa.gov.au.

#### **Disability Access and Inclusion**

The Shire is committed to continually improving access and inclusion for both residents and visitors. The Access and Inclusion Informing Strategy 2022/2026 provides a framework for the Shire to create an accessible and inclusive community for all people regardless of their ability, age, culture, sex, gender, or sexual orientation. The Action Plan sets out what actions will be implemented over the next five years, and the responsible service areas within the Shire that will deliver on the Plan.

For more information refer to the <u>Access and Inclusion Informing Strategy</u> page on the website.

For more information about access and inclusion, please contact the Shire's Coordinator Community Engagement team on 9290 6715 or email cce@mundaring.wa.gov.au.

Page 11 of 27 version: July 2023

#### **Lease and License Categories**

The below information is provided as a guide only and does not replace your lease or licence agreement.

To determine the category relevant to you, refer to the "Community Leases Policy" item 4.2 and Appendix 1: Classification of Tenants.

| Category One (exc                                   | erpt of essential terms)  |  |
|---|---|--|
| Initial term  | 5 years   |  |
| Option  | Up to two (2x) 5 year options (at the Shire's discretion)   |  |
| Your<br>Responsibilities<br>(as Lessee /<br>Tenant) | Payments  Peppercorn rent, licence or management fee  All outgoings and consumption charges, including but not limited to utilities, rubbish and recycling bin charges, water rates and taxes (if applicable)  Pest control (excluding termite) as required  ESL (not applicable to a licence or management agreement)  |  |
|   | Insurance     50% of building insurance premium     Full replacement value content insurance including lessee's fixtures, fittings, equipment and stock if desired     \$20 million public liability insurance  |  |
| O. Con  | <ul> <li>Repair / Maintenance</li> <li>Maintain property clean and in good repair</li> <li>No property modifications or installations to be undertaken without Shire approval (and statutory approvals if applicable)</li> <li>General minor maintenance of premises up to \$1500 per annum.</li> <li>All costs relating to replacement of fittings and fixtures including light globes and tap washers</li> <li>Internal and external cleaning (including annual carpet cleaning if applicable)</li> <li>Minor remedial painting to repair general wear and tear (patch painting)</li> </ul> |  |
|   | Acknowledgement of the Shire  The Lessee will acknowledge the Shire's support through signage or other means as agreed by the Shire.  |  |

Page 12 of 27 version: July 2023

#### The Shire's **Payments** Responsibilities Termite inspections and treatment (as the Lessor) Cost of statutory compliance (RCD, smoke alarm, emergency exit and fire extinguisher servicing) 50% of building insurance premium building insurance excess Repair / Maintenance (unless damage caused by Lessee) Scheduled major painting of interior/exterior, or both, as a preventative maintenance process Structural maintenance, replacement and repair (roofing, main structure) Pumping out and cleaning of septic tanks (if applicable) Repairs or replacements necessary due to fair and reasonable wear and tear Major pruning of trees (if applicable) **Capital Upgrades** Capital renewal of existing assets to be undertaken at the Shire's discretion. Capital upgrades and capital expansion of all assets within the leased area at the Shire's discretion. Inspections The Shire will inspect the premises annually (or as required) and will give the Lessee appropriate notice in accordance with the lease terms. **Tenancy Fee** Peppercorn rent, capped maintenance

Page 13 of 27 version: July 2023

| Category Two (excerpt of essential terms)           |   |  |
|---|---|--|
| Initial term  | 10 years  |  |
| Option  | Up to one (1x) 10 years options (at the Shire's discretion)   |  |
| Your<br>Responsibilities<br>(as Lessee /<br>Tenant) | <ul> <li>Payments</li> <li>Rent or licence fee</li> <li>All outgoings and consumption charges, including but not limited to utilities, rubbish and recycling bin charges, water rates and taxes (if applicable)</li> <li>Pest control (excluding termite) as required</li> <li>ESL (not applicable to a licence)</li> </ul>   |  |
|   | <ul> <li>Insurance</li> <li>50% of building insurance premium</li> <li>50% of the excess of building insurance claims (not applicable to a licence) with a minimum claim value of \$3000</li> <li>Full replacement value content insurance including fixtures, fittings, equipment and stock</li> <li>\$20 million public liability insurance</li> </ul>  |  |
|   | Repair / Maintenance  Maintain property clean and in good repair  No property modifications or installations to be undertaken without Shire approval (and statutory approvals if applicable)  General minor maintenance of premises (no annual maximum expenditure cap)  All costs relating to replacement of fittings and fixtures including light globes and tap washers  Internal and external cleaning (including annual carpet cleaning if applicable)  Minor remedial painting to repair general wear and tear (patch painting) |  |
|   | Capital Upgrade Capital upgrades and capital expansion of all assets within the leased area and maintenance of fit-out.   |  |

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 14 of 27 version: July 2023

#### **Obligations of Lessee and Default Provisions** The Lessee is responsible for paying any license fees and/or rent and any other monies owed under the agreements within 30 days of the due date. Continued failure to pay monies due and owing under the agreement may result in the Shire terminating the agreement.

#### Acknowledgement of the Shire

If less than the market rent is being paid by the Lessee, the Lessee will acknowledge the Shire's support through signage or other means as agreed by the Shire.

#### The Shire's Responsibilities (as the Lessor)

#### **Payments**

- Termite inspections and treatment
- Cost of statutory compliance (RCD, smoke alarm, emergency exit and fire extinguisher servicing)
- 50% of building insurance premium
- 50% of building insurance excess

#### Repair / Maintenance (unless damage caused by Lessee)

- Scheduled major painting of interior/exterior, or both, as a preventative maintenance process
- Structural maintenance, replacement and repair (roofing, main structure)
- Pumping out and cleaning of septic tanks (if applicable)
- Repairs or replacements necessary due to fair and reasonable wear and tear
- Major pruning of trees (if applicable)

#### Capital Renewal

Capital renewal and capital expansion of all assets within the leased area to be undertaken at the Shire's discretion.

#### Inspections

The Shire will inspect the premises annually (or as required) and will give the Lessee appropriate notice in accordance with the lease terms.

#### **Tenancy Fee**

Market rent, discounted where applicable (Community Leases #insert policy number - Item 4.3.1)

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

#### A to Z of Maintenance Obligations

The below table provides an A-Z list of obligations relevant to you as the Lessee and the Shire as the Lessor.

The below information is provided as a guide only and does not replace the obligations as listed in your lease or licence agreement.

#### **General Terms**

| Alterations   | Lessee must seek written consent from Lessor prior to make or allow, any alteration, addition, improvement, or demolishment of any part of the premises  After obtaining written consent, Lessee must apply for and obtain all statutory approvals, authorities, permits or policies as are required by law before undertaking any alterations, additions, improvements or demolitions.         |
|---|---|
|   | Lessor will evaluate any request for alteration submitted by Lessee and communicate determination in relation to submission.  |
| Building<br>Insurance<br>claims                               | Building insurance covers property in the event of, but not limited to, fire, storm damage, vandalism, break-ins.  Insurance claim minimum value is \$3000.   |
|   | Category One: Lessor responsible for insurance excess   |
| Maintenance<br>expenditure<br>cap<br>(Category<br>One leases) | Lessee must promptly repair or replace any damaged item.  Category One lease: Amounts expended by the Lessee on maintenance or repair are capped at an Annual Maximum amount of \$1500; per year. If the total amounts expended exceed the annual maximum amount, Lessee is required to provide the Lessor with detailed evidence of previous expenditure in the form of itemised tax invoices. |
|   | Category One lease: Where maintenance works are required beyond the maintenance cap the <b>Lessor</b> reserves the right to seek alternative quotations and will pay the additional amount in excess of the Annual Maximum amount.  |

Page 18 of 27 version: July 2023

# Maintenance (General)

**Lessee** is responsible for the cost of repair or replacement if it is necessary because of any action or omission of or on the part of the Lessee or the Lessor's insurances are invalidated by any act, neglect or default by the Lessee.

Lessee will be responsible for the cost of structural maintenance, replacement or repair when such maintenance, repair or replacement is necessary because of any action or omission of or on the part of the Lessee or by the Lessee's particular use or occupancy of the Premises

Lessor will carry out agreed repairs or replacement that are necessary as a result of fair and reasonable wear and tear and so long as the Lessee has completed regular and ongoing preventative maintenance and repairs as needed, and to maintain the property to a standard appropriate for the age of the premises.

Lessor is responsible for the cost of structural maintenance

#### General Statutory / Minimum Level of Service Obligations

| Asbestos  | Lessee will be provided with an excerpt of the Asbestos Containing Material (ACM) register in their meter box (if applicable) and any works involving asbestos containing materials must be carried out by a suitably licensed contractor. |
|---|--|
| Emergency<br>exit lighting<br>systems and<br>emergency<br>doors | <b>Lessee</b> is responsible for notifying the Lessor if any Fire Evacuation Exit Signs are not in good working order.   |
|   | <b>Lessor</b> will arrange for annually test and service by a qualified technician and replacement of non-compliant, faulty or damaged equipment as required at time of service call.  |
| Firefighting equipment and exit signs                           | Lessee to ensure firefighting equipment is not tampered with or removed from designated area.  Lessee is responsible for costs incurred for replacement if misuse, tampered or lost Fire Fighting Equipment.                               |
|   | Lessor will arrange annual inspection of the premises to ensure compliance with statutory requirements.  |
|   | Serviced at least every 6 months by a qualified technician and replacement of non-compliant, faulty or damaged equipment as required at time of service call.  |

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 19 of 27 version: July 2023

#### Pest control

**Lessee** will keep leased premises free of pests. Lessee is responsible for cost of extermination of pests with the exception of white ant treatment. This includes but not limited to:

- Ants
- Cockroaches
- Birds
- Rats and Mice
- Spiders
- Wasps
- Possums

Lessee to keep building in such a manner as not to encourage white ants i.e. not stacking newspapers timber etc. against walls and to report any sign of white ants activity to the lessor and in a manner which discourages all pest intrusions.

**Lessor** will arrange annual white ant pest inspection, and treatment if required, by a licenced and insured Pest Control technician. Testing and bait stations installation will be conducted on advice from pest control technician.

#### RCD protections, tagging electrical equipment

**Lessee** to ensure that all portable plug-in electrical equipment is regularly inspected in accordance with relevant legislation.

**Lessor** to ensure that all RCDs are inspected, tested, repaired and maintained in accordance with the relevant legislation.

#### **Interior of Premises**

#### Bathrooms and change rooms (including: drains sewerage, showers, toilets etc.)

**Lessee** must keep clean at all times and ensure all are operable and free from any blockages.

**Lessee** shall not permit foreign objects or matter to be placed into drains, toilets or grease traps and is responsible for clearing blockages

**Lessor** will replace irreparable items and undertake capital renewal as and when determined by the lessor.

**Lessor** is responsible for clearing blockage caused by tree roots entering drain pipes if due to fair and reasonable wear and tear.

Where the lessor undertakes works or repairs to clear blockages which have occurred as a result of the neglect, misuse or default of the lessee, the lessee may be required

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 20 of 27 version: July 2023

|   | to pay part or all of the lessor's costs of undertaking those works  |
|---|--|
| Carpet  | Lessee to keep carpets clean at all times. Carpets are to be vacuumed often and steam cleaned at least once annually with spot cleaning to occur as needed.                                      |
|   | <b>Lessor</b> will replace as and when determined and scheduled by Lessor.   |
| Ceiling   | <b>Lessee</b> to keep ceiling clean, free of cobwebs and cleaned of any temporary decoration.  |
|   | Air conditioning vents and the like shall be kept clean and in good working order.   |
|   | Note: Any water damage or sagging to be reported to the Lessor.  |
|   | Lessor to repair any structural damage to ceiling.   |
|   | If damage is caused or contributed to by the lessee or lessee's employees and visitors, the lessor may require the lessee to reimburse it for part or all of the cost of repairing the damage    |
| Cleaning and cobweb removal                                 | <b>Lessee</b> to ensure premises is kept tidy and free of litter, dirt, rubbish, cobwebs and broken glass at all times.  |
| Cupboards,<br>benches,<br>cabinets<br>(built in<br>joinery) | <b>Lessee</b> to regularly clean all doors, latches, drawers and shelves and to keep free from any damage, marks or food residue.  |
|   | <b>Lessor</b> to replace built in joinery as and when determined by the lessor.  |
| Doors   | Lessee to keep doors clean, free from any marks, damage and cobwebs. Doors are to be lockable and operable. Any door closers or other devices fitted should be maintained in good working order. |
|   | Note: Locks are not to be changed without the prior approval of the Lessor. Locks must be keyed to the Lessor's Key System.  |
| Floors  | Lessee to keep floors clean and regularly maintained in accordance with the requirements of the type of surface, i.e. hard floors to be swept and mopped.  |
|   | In kitchen areas, relevant Health requirements should be strictly complied with.   |

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 21 of 27 version: July 2023

|   | Lessor will replace floor coverings as determined by the Lessor. This is generally when the coverings have reached the end of their life as a result of fair and reasonable wear and tear. Lessor is not responsible for replacement when it is due to lack of care and maintenance or due to abuse or damage by the Lessee. |
|---|--|
| Keys / locks /<br>hardware                    | Unless otherwise approved by the Lessor in writing, the <b>Lessee</b> must not have additional sets of keys copied or cut and must immediately notify the Lessor of any loss of keys;  |
|   | Locks are not to be changed without the prior approval of the Lessor. If the locks are changed, the Lessee must provide the Lessor with keys to access all areas of the Premises.  |
|   | The <b>Lessee</b> is responsible for the maintenance and repairs of window and door hardware including the cylinder.   |
|   | <b>Lessor</b> is to provide the Lessee with one (1) set of keys for access to the Premises and all rooms therein.  |
|   | Bi-lock System: Works to repair or change locks will be undertaken by the Shire and costs forwarded to the Lessee.   |
| Painting                                      | <b>Lessee</b> is responsible for patch painting required for repair purposes.  |
|   | Lessor will schedule and carry out preventative maintenance  |
| Sink, basin,<br>pedestal pans<br>and cisterns | <b>Lessee</b> to maintain in clean and operable condition and clear of all blockages caused by foreign objects or matter. Lessee to repair fittings such as taps.  |
| Toilets                                       | Lessee to keep in a clean and operable condition at all times and check seals, float valve and tap for water leaks as well as clear all blockages caused by foreign objects or matter placed in toilets.   |
| 1,0   | All consumables, i.e. Toilet paper, paper towels, are to be supplied by the Lessee.  |
| Q.  | Replacement of fittings such as roll dispensers and coat hangers rest with the Lessee.   |
| Walls<br>(interior)                           | Lessee to keep all wall surfaces throughout the premises clean, free from any marks, damage and cobwebs  |
|   | Lessor to repair structural damage to load bearing walls.  |
|   | If damage is caused or contributed to by the lessee or lessee's employees and visitors, the lessor may require the lessee to reimburse it for part or all of the cost of repairing the damage.   |

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 22 of 27 version: July 2023

# Windows Lessee to ensure that all dirt, sand and rubbish is kept clear from windows tracks. Clear any debris from weepholes in the windowsills. Lubricate moving parts such as rollers, locks and hinges. Check seals and replace as required. Internal/ External painting will be part of the Shire's maintenance schedule and will include doors and windows frames where previously painted.

#### Fixtures, Fittings, Appliances and Electrical

| Air-<br>conditioning               | Before installing any new air conditioners, <b>Lessee</b> must seek permission from the Shire to undertake works. The Shire will give consideration to insulation, ventilation, and capacity of electrical supply. |
|------------------------------------|--|
|                                    | The <b>Lessee</b> is required to operate, clean and service any installed air-conditioning unit in accordance with the manufacturer's standards.   |
|                                    | If installed by Lessee, installation, repairs, maintenance, servicing and replacement of air conditioners is the responsibility of the lessee.   |
|                                    | If installed by <b>Lessor</b> , air-conditioning will be replaced at the end of its serviceable life.  |
| Electrical fittings                | Lessee to keep all electrical fittings such as power points, light switches and light fittings in clean and in good working order. Lessee to replace light globes and fluorescent light tubes which may fail.      |
| Gas appliances                     | Lessee to operate and regularly clean appliances to maintain in good working order with all gas supplier requirements being complied with.   |
| $\bigcirc$ ,                       | Lessor does not support gas appliances and would replace with comparable electric appliance  |
| Hot water system                   | <b>Lessee</b> is responsible for the maintenance and servicing of the hot water system.  |
|                                    | Lessor will replace hot water system at the end of its serviceable life.   |
| White Goods including stove, fans, | Lessee to keep white goods clean, operable, regularly maintained and repaired as required and operated in accordance with the manufacturer's requirements.   |

7000 Great Eastern Highway Mundaring WA 6073 Ph: 9290 6666 shire@mundaring.wa.gov.au www.mundaring.wa.gov.au

Page 23 of 27 version: July 2023

| refrigerators,<br>heaters &<br>Other | <b>Lessor</b> will replace white goods at the end of its serviceable life if it is an identified Shire asset. |
|--------------------------------------|---|
|--------------------------------------|---|

#### **Exterior and Surrounds**

| Carpark                            | <b>Lessee</b> is responsible for ensuring car park is clean and clear of rubbish, trip hazards or obstructions.  |  |
|------------------------------------|--|--|
|                                    | <b>Lessor</b> responsible for bitumen repairs, pot-hole maintenance and line marking.  |  |
| Eaves,<br>gutters and<br>downpipes | Cleaning and maintaining gutters and downpipes should be a regular part of <b>Lessee</b> maintenance schedule. This may vary from twice to several times a year, dependant on your location and time of the year.  |  |
|                                    | <b>Lessor</b> will replace eaves, gutters and downpipes at the end of their serviceable life, subject to adequate care and maintenance by the Lessee.  |  |
| Fencing                            | Lessee to keep fencing clean and free of any graffiti and repair any minor damage.   |  |
|                                    | <b>Lessor</b> will replace fencing at the end of its serviceable life – like for like.   |  |
| Fire<br>Prevention                 | Lessee to maintain fire prevention requirements as per Shire of Mundaring Firebreak Notice and conduct any other fire management matters as instructed by Shire of Mundaring Chief Fire Control Officer.   |  |
| c×.                                | Refer to FAQs provided in these guidelines.  |  |
| Garden and surrounds               | To be kept in tidy and free from litter and rubbish. <b>Lessee</b> must regularly inspect and maintain in good condition any part of the Premises which surrounds any buildings including but not limited to any flora, gardens lawns, shrubs, hedges and trees. |  |
|                                    | <b>Lessee</b> is responsible for any minor pruning. If any flora, trees or lawn dies to be replaced at its own expenses.   |  |
|                                    | The <b>Lessee</b> must plant and care for such trees on the Premises as the Lessor may from time to time reasonably require.   |  |
|                                    | The <b>Lessee</b> may not remove any trees, shrubs or hedges without first consulting with and obtaining the approval of the Lessor, except where necessary for urgent safety reasons.   |  |

Page 24 of 27 version: July 2023

| Pathways     | <b>Lessee</b> to keep pathways clear of rubbish and swept regularly with care not to damage vegetation surrounding the building.   |
|--------------|--|
|              | Lessor is responsible for Shire verge footpaths.   |
| Roof         | <b>Lessee</b> is responsible for internal and exterior preventative maintenance and minor maintenance.   |
|              | <b>Lessor</b> is responsible for the structural components of the roof.  |
| Rubbish Bins | <b>Lessee</b> to ensure all rubbish is placed in the outside rubbish bins in the designated bin areas/enclosures. Bin enclosure is to be kept clear of all rubbish.        |
| Tree pruning | <b>Lessor</b> is responsible for any major tree pruning and tree removal (unless noted otherwise in lease) as determined by the Lessor.                                    |
| Signs        | Signs located on the building, are to be regularly maintained by <b>Lessee</b> and kept in a safe condition. Signs that may become damaged are to be replaced immediately. |
|              | Any approvals or licences for signs are to be kept current.  |
|              | Installation of any sign requires approval from the Lessor.  |
| Veranda      | Lessee to keep clean and free from cobwebs.  |
| Walls        | Lessee to keep exterior walls free from any marks, damage and cobwebs.   |

Page 25 of 27 version: July 2023

#### Security

|                                      | <u> </u>   |
|--------------------------------------|--|
| Graffiti                             | Graffiti removal is the responsibility of the <b>Lessee</b> and any graffiti should be removed as quickly as possible.  Report Graffiti to Shire and via Report Graffiti Form. For further information on removing/preventing graffiti Goodbye   |
|                                      | Graffiti.  |
| Malicious<br>damage and<br>break ins | <b>Lessee</b> is responsible for notifying the lessor of any incidents of malicious damage or break-ins and submitting a police report for insurance purpose.  |
|                                      | Lessor will submit building insurance claim if applicable.   |
| Security system                      | Lessee to ensure the premises are maintained in a secure condition at all times.   |
|                                      | The Lessee may, with prior approval from the Lessor, install a security system to the premises and pay all costs associated with the installation and ongoing monitoring of a security system. Such system is to be maintained by the Lessee in accordance with the supplier's instructions. |
|                                      | All security telecommunications and other fees are to be met by the Lessee.  |
|                                      | If security system is installed the Lessee is required to provide access keys and alarm codes to the Lessor.   |
| Security screens                     | Lessee to keep security screens clean and firmly fixed. Any cobwebs to be regularly removed  |
| Vandalism                            | Lessee to notify Lessor of any act of vandalism to the premises or any incident which occur on or near the premises.   |
|                                      | <b>Lessor</b> will submit a building insurance claim on presentation of a police report (if applicable).   |

**Landowner** Darryl Carter and Julie Carter

**Applicant** Darryl Carter

Zoning Rural Residential

Area 2.02ha

**Use Classes**Beekeeping and Transportable Structure

#### SUMMARY

The development proposed for this property is beekeeping, and a transportable structure (sea container) to be used for beeswax and honey processing in conjunction with the beekeeping.

The 30 bee hives proposed requires Council to exercise discretion under the Shire's *Health Local Laws 2003*.

The proposal's nature, scale and location on the property means that it is unlikely to have a significant impact on the local amenity and the area's character. Therefore, it is recommended that Council exercises discretion and approves the application subject to conditions.

#### **BACKGROUND**

#### **Site Context**

The subject property and those properties nearby are located within a Rural Residential zoned area. Their topography is relatively flat, and they contain single dwellings, outbuildings, and areas of vegetation (refer to the locality plan which follows).

#### Locality Plan

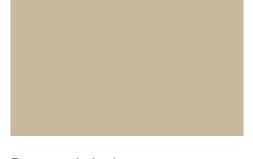

#### **Description of proposal**

The following are details regarding the proposal (also refer to **Attachment 1**):

- Bee hives and a sea container are proposed to be located towards the rear of the subject property.
- Up to 30 hives are proposed depending on the season and demand, which will be contained within a 70sqm bee hive compound area.
- A 14.4sqm, 2.9m high, sea container is proposed which will be used for storage and packaging products associated with the beekeeping use.
- The proposed use will be operated by the occupants of the property. There will be no additional staff on site.
- Customers and clients associated with the proposed use will not visit the subject property.
- Primary products will be honey and wax, which will be delivered off site to customers and clients by the occupants of the subject property.
- No trees will need to be removed as a result of the proposal.
- The sea container will be painted in Colorbond 'Paperbark' (below is an image showing the colour). The sea container will be provided with a pitched roof and external cladding if in place for more than 12 months so as to more closely resemble an outbuilding. The relevance of the 12 month period is discussed later in this report.

#### Proposed external colour of the sea container (Colorbond 'Paperbark')

#### Proposed site layout

#### STATUTORY / LEGAL IMPLICATIONS

#### Legislation

- Planning and Development Act 2005 (the Act);
- Planning and Development (Local Planning Schemes) Regulations 2015 (the Regulations);
- Metropolitan Region Scheme;
- Local Planning Scheme No.4 (LPS4); and
- Shire of Mundaring Health Local Laws 2003 (Local Laws).

#### **Statutory Implications**

#### Local Planning Scheme No.4 (LPS4)

Under Schedule 1 (Land Use Definitions) of LPS4, the uses Beekeeping and Transportable Structure are defined to be the following:

"Beekeeping" means the keeping of bees in more than two hives on a lot."

"Transportable structure" means a structure that is brought to a property and is held in place primarily by its own mass and includes sea containers, decommissioned railway carriages and transport conveyances and transportable buildings."

Beekeeping is an "A" use in the Rural Residential zone under the LPS4 Zoning Table, which means the use is not permitted unless the Shire has exercised its discretion by granting planning approval after the proposal has been publically advertised.

In addition to the above, Clause 5.7.29.1 (Transportable Structures) of LPS4 states:

"Notwithstanding any other provision of the Scheme, all transportable structures, including relocated Single Houses, shall require planning approval."

In accordance with clause 5.7.29 of LPS4, the following applies to the proposed sea container (transportable structure) in this circumstance:

- "5.7.29.2 In considering an application for a transportable structure, the Shire shall take into account whether the appearance of the structure would be compatible with the character and visual amenity of the locality to which it is proposed to be relocated. The Shire may refuse an application for a transportable structure if, in its opinion, the appearance of the structure would be incompatible with the character and visual amenity of the locality to which it is proposed to be relocated, notwithstanding any other provision of the Scheme."
- "5.7.29.4 Any approval granted for the placement of a sea container on a lot zoned Rural Residential shall be limited to a specific period of time, such time not exceeding 12 months."

Clause 5.9.11.1 of LPS4 requires all development (other than outbuildings and carports) to be setback at least 10m from all lot boundaries on a Rural Residential zoned property.

Planning and Development (Local Planning Schemes) Regulations 2015 (the Regulations)

In accordance with Schedule 2 Part 9 Clause 67(2) of the Regulations, Council is to have regard to the following matters, amongst others, when determining the development application:

- "(m) The compatibility of the development with its setting, including
  - (i) the compatibility of the development with the desired future character of its setting; and
  - (ii) the relationship of the development to development on adjoining land or on other land in the locality including, but not limited to, the likely effect of the height, bulk, scale, orientation and appearance of the development;"
- "(n) The amenity of the locality including the following
  - (i) environmental impacts of the development;
  - (ii) the character of the locality;
  - (iii) social impacts of the development:"

- "(y) any submissions received on the application."
- "(zb) any other planning consideration the local government considers appropriate."

#### Shire of Mundaring Health Local Laws 2003 (Local Laws)

Under Division 5 of the Local Laws a hive is defined to be the following:

"Hive" means a moveable or fixed structure, container or object in which a colony of bees is kept."

In accordance with the Local Laws, the following provisions apply to the proposal (with emphasis added):

"Limitation on Numbers of Hives

- 6.5.2 (2) Subject to subsections (3) and (4), a person shall not keep or permit the keeping of bees in more than 2 hives on a lot, other than on lots zoned General Rural or within 100 metres of land zoned other than General Rural under the Scheme.
  - (3) The Local Government may, upon written application, consent, with or without conditions, to a person keeping bees in more than 2 hives on a lot which is zoned or classified other than General Rural under the Scheme.
  - (4) A person shall comply with any conditions imposed by the Council under subsection (3)."

"Restrictions on Keeping of Bees in Hives

- 6.5.3 A person shall not keep or permit the keeping of bees in a hive on a lot unless, at all times
  - (a) an adequate and permanent supply of water is provided on the lot within 10 metres of the hives;
  - (b) the hive is kept -
    - (i) outside, and at least 10 metres from, any building other than a fence:
    - (ii) at least 10 metres from any footpath, street, private street or public place; and
    - (iii) at least 5 metres from the boundary of the lot; and
  - (c) the hive is enclosed on all sides by a fence, wall or other enclosure."

It should be noted that when the Local Laws were introduced in 2003 the General Rural zoning existed under the Shire's Town Planning Scheme No.3 (TPS3). This zoning was later replaced by the General Agriculture and Rural Small Holdings zonings when LPS4 was Gazetted in February 2014.

The provisions relating to properties zoned General Rural under the Local Laws now apply to properties zoned General Agriculture and Rural Small Holdings. Amendments will need to be made to the Local Laws to reflect these changes when they are reviewed.

#### **POLICY IMPLICATIONS**

Nil

#### **FINANCIAL IMPLICATIONS**

Should Council refuse the application or the applicant is aggrieved by conditions of approval, the matter could proceed to a State Administrative Tribunal appeal, which would incur legal costs and staff time.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 3 - Built environment

Objective 3.3 – Regulated land use and building control to meet the current and future needs of the community

Strategy 3.3.1 – Incorporate appropriate planning controls for land use that meet current and future needs without compromising the highly valued character of the natural and built environment

#### **Economic Development and Tourism Strategy 2023-2028**

Shire challenges and constraints identified by the Economic Development and Tourism Strategy, amongst others, are:

- Limited opportunities for employment locally, requiring many working residents to commute to Perth.
- Balancing environmental values with economic opportunity.

The Economic Development and Tourism Strategy states that "supporting more people to work from home will drive new opportunities and demand for services throughout the Shire".

A role of the Shire identified by the Economic Development and Tourism Strategy in terms of economic development, is that it "maintains a regulatory and land use planning framework that supports businesses and community wellbeing with a focus on protecting and enhancing the natural environment".

#### SUSTAINABILITY IMPLICATIONS

Nil

#### **RISK IMPLICATIONS**

**Risk**: Reputation – If Council decides to make an alternative recommendation it may appear to the community that staff and Council differ on the interpretation/application of planning matters associated with the proposal.

| Likelihood        | Consequence   | Rating |
|-------------------|---------------|--------|
| Possible          | Insignificant | Low    |
| Action / Strategy |               |        |

If Council decides to make an alternative recommendation, this should be accompanied by a rationale to ensure the community and the applicant understand why a different position was taken.

#### **EXTERNAL CONSULTATION**

The proposal was advertised to surrounding affected landowners in accordance with Local Planning Policy PS-01 *Advertising Planning Applications*.

No submissions were received by the Shire during the advertising period.

#### COMMENT

In accordance with the Regulations, regard is to be given to the potential impact the proposal may have in terms of the area's amenity and character, and its relationship to development on adjoining land or on other land in the locality.

These matters are discussed in the following sub-sections.

#### The Nature of the Proposed Land Use

The keeping of bees is becoming increasingly popular in rural and urban areas throughout Western Australia, and hives here have been kept largely free of diseases affecting bees and honey production in other locations.

The proposal will provide the landowners with an additional source of income. Supporting appropriate home based businesses provides for greater self-sufficiency within the hills.

LPS4 and the Local Laws do not restrict beekeeping to being for non-commercial (hobby) purposes only, therefore a beekeeping business on a Rural Residential zoned property is able to be considered.

Beekeeping is listed as an 'A' land use in the Rural Residential zoning under LPS4. This reflects the Shire's current position that these land uses may not always be appropriate in a rural residential area.

Under LPS4, the objectives of the Rural Residential zone are:

#### "4.2. Rural Residential

- (a) To provide for residential use in a rural setting, in suitable and appropriate locations in reasonable proximity to services.
- (b) To conserve the natural environment as far as possible for the enjoyment of residents as well as the maintenance of ecological and landscape values, particularly by the protection of native vegetation (trees and understorey) and by water-sensitive development
- (c) To provide for other uses compatible with and complementary to rural living, subject to appropriate land capability and suitability and protection of residential amenity.
- (d) To ensure conservation of soil, watercourses and other water resources and the protection of ecological and landscape values."

By way of comparison, the following were the TPS3 General Rural zone objectives which existed when the Local Laws were Gazetted (which allow more than two hives on lots zoned General Rural):

- "(a) To maintain and enhance the environmental qualities of the landscape, vegetation, soils and water resources, and to protect sensitive areas especially the natural valley and watercourse systems from damage;
- (b) To limit subdivision of land to ensure that any single lot will support rural pursuits where potential for subdivision in this zone is identified;
- (c) To encourage sensitive placement, design and landscaping of buildings so that the visual environment of the area is not detrimentally affected;
- (d) To manage land use changes so that the broadacre rural character of the zone is maintained or enhanced:

- (e) To encourage broad scale agricultural activities such as grazing as a primary use with other rural pursuits and rural industries as secondary uses in circumstances where they demonstrate compatibility with the primary use;
- (f) To ensure that subdivision when supported and development comply with a Local Subdivision and Infrastructure Plan, the Local Rural Strategy and the principles of any Precinct Plan or any other Code adopted by the Council; and
- (g) To minimum bushfire hazard."

The objectives for both of these zonings essentially require land uses to not have any significant impacts on the natural environment, and which are complimentary to rural style living. The nature and scale of the development these separate zonings potentially allow(ed) is not too dissimilar.

Supporting the location of a beekeeping use within a rural residential area is not inconsistent with the above objectives. However, whether the land use is compatible within its setting requires some deeper exploration that will be discussed below.

#### The Compatibility of the Proposal

#### The Area's Character

The subject property and nearby properties are located within a predominately Rural Residential zoned area, consisting of single dwellings and associated outbuildings.

Properties within the locality contain differing amounts of vegetation. No trees are proposed to be removed as a result of the proposal.

There is no record of any other beekeeping being approved by the Shire within the immediate surrounding area.

#### The Scale of the Proposal

Up to 30 hives (the amount being dependent on the season and demand), and a sea container, are proposed to be located towards the rear of the subject property.

The number of hives proposed does not represent a variation to LPS4 as its definition for beekeeping states (with emphasis added) "the keeping of bees in **more than two hives** on a lot".

LPS4 does not specify the maximum number of hives permitted, therefore the number proposed is considered on a case by case basis having regard to the matters listed under *Schedule 2 Part 9 Clause 67(2)* of the Regulations (refer to the Statutory Implications section of this report).

The Local Laws allow Council the discretion to approve more than two hives on a lot zoned Rural Residential, upon written application.

The hives will be setback a significant distance from the nearest lot boundaries, being 40m from the southern lot boundary and 27m from the west lot boundary.

The primary products proposed will be honey and wax, which will be delivered off site to customers and clients by the occupants of the subject property. No customers and clients will be visiting the subject property, and no signage is proposed to be placed on site advertising the use.

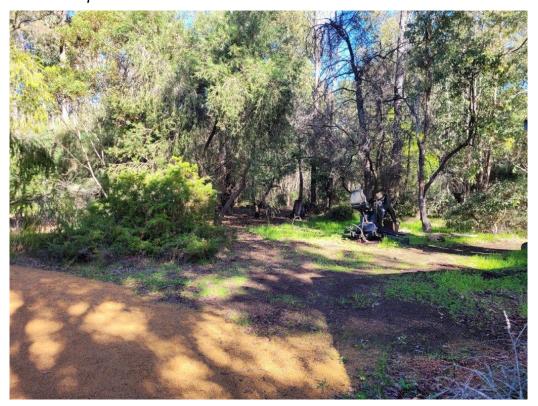

The sea container is proposed to be 14.4sqm in area, be setback 34m from the nearest lot boundary (being the boundary to the south), and used to store and package items associated with the beekeeping use.

The photographs which follow show the proposed location of the hives and of the sea container. The Shire's Environment Service has been consulted and noted no concerns regarding the proposed location of the hives and the sea container.

Below: Proposed location of the hives. The area marked out in the photograph is to explain the nature of the proposal within this location.

Below: Proposed location of the sea container

Considering all of the above, the scale of the proposal will not have a significant impact on the area's amenity and character.

#### Transportable Structure

LPS4 defines sea containers as transportable structures which are discouraged in Rural Residential areas. When proposed, Council approval is required and any approval of a transportable structure would be limited to a maximum of 12 months.

The applicant has advised that the sea container can be provided with a pitched roof and external cladding if in place for more than 12 months.

The structure will be 14.4sqm in area, have a wall height of 2.9m and be setback 34m from the nearest lot boundary.

By way of comparison, on a Rural Residential zoned property of this size (more than 2 hectares) LPS4 permits the total area of all outbuildings on the lot to be up to 260sqm, have a wall height of up to 4m, a roof height of up to 5m, and be setback 7.5m from side and rear lot boundaries.

An existing outbuilding with a floor area of 235sqm will remain. The combined area of this outbuilding and the proposed outbuilding (converted sea container) will be 249.4sqm.

If approved it is recommended that a condition be included requiring the structure to be levelled and fixed to the ground with footings or alike, be modified to have a pitched roof, and its external walls be cladded, within 12 months of Council's decision.

#### Conclusion

The *Health Local Laws (2003)* provide Council with the discretion to consider and approve more than two hives on a lot zoned Rural Residential.

Beekeeping is generally considered to be a rural type land use, with low environmental impacts if hives are located within existing clearings and managed correctly.

Overall, the proposal is in keeping with on the local amenity and character of the area. If planning approval is issued, powers still exist under the Shire's Health Local Law for the Shire's Health officers to intervene and direct landowners to remove bees or beehives which are causing a nuisance.

In relation to the works, the proposed temporary transportable structure / outbuilding is unlikely to have a significant visual impact on the adjoining properties, given it will be adequately screened by existing buildings and/or vegetation and conditions are recommended to ensure its appearance is in keeping with the rural setting.

No concerns regarding the nature and scale of the proposal were received from neighbours.

Considering all of the above, it is recommended that Council approves the application.

#### **VOTING REQUIREMENT**

Simple Majority

7.22pm, Cr Cook left the meeting

7.26pm, Cr Cook returned to the meeting

7.28pm, Cr Cicchini left the meeting

7.30pm, Cr Cicchini returned to the meeting

That Council **approves** the proposed beekeeping and sea container at Lot 307 (No.190) Wilkins Road, Mount Helena, subject to the following conditions:

- 1. The development shall comply with the approved plans (including any amendments marked in red) unless approval is granted by the Planning Service for any minor variation made necessary by detailed design. (P)
- 2. All stormwater must be managed onsite to prevent erosion and transportation of water borne pollutants, to the satisfaction of the Shire. Stormwater drainage plans must be submitted with the application for a building permit. (B)
- 3. A maximum of 30 bee hives being permitted on site at any one time. (P, H)
- 4. On site retail sale and display to the public is not permitted. (P)
- 5. All collection or delivery of goods or materials relating to the approved use is to be carried out by the occupant(s) of the subject property, with no customers, clients or delivery vehicles visiting the premises. (P)
- 6. The beekeeping use shall not employ any person who is not a member of the occupier's household. (P)
- 7. The transportable structure shall be removed within 12 months from the date of this decision. Alternatively, within 12 months from the date of this decision the transportable structure shall be modified to include a pitched roof structure, affixed to the ground, and cladding on the external walls, and be maintained thereafter by the landowner(s), to the Shire's satisfaction. (B, P)
- 8. The transportable structure's roof and external cladding materials and colours shall be of low reflectivity and blend in with the surrounding buildings or landscape, to the Shire's satisfaction. (B, P)
- 9. The approved outbuilding is not to be used for habitation, or other commercial purposes, without the approval of the Shire. (P)
- 10. All native vegetation on the lot shall be retained unless clearing is specifically exempt under the Local Planning Scheme No 4 or required under an approved Bushfire Management Plan or Statement. (E)
- 11. The bee hive compound fencing shall be visually permeable to the Shire's satisfaction. (P)
- 12. An application to install an on-site effluent disposal system must be submitted with the building permit application for the sea container. The sea container shall be connected to the approved on-site effluent disposal system installed to the satisfaction of the Shire's Health Service, prior to the beekeeping use commencing. (H)

#### **SUMMARY**

As part of the Integrated Planning and Reporting Framework (IPRF) suite of documents, the Corporate Business Plan (CBP) 2023/24 – 2026/27 has been developed in consultation with Council Members.

The CBP undertakes a process of "activating" the Strategic Community Plan by identifying the priorities and services the Shire will deliver over a four-year period. The CBP ensures these priorities and services are resourced and fully integrated into the long-term financial, workforce and asset management planning and annual budget.

This report recommends that Council adopts the Corporate Business Plan 2023/24 - 2026/27.

#### **BACKGROUND**

Local governments in Western Australia are required to develop and adopt a Strategic Community Plan (SCP) and CBP, supported and informed by resourcing and delivery strategies. These plans drive the development of each local government's annual budget and through a process of continuous improvement, local governments should be better able to plan for and meet the needs of their communities.

The IPRF delivers local government's strategic intentions, and provides a process to:

- Ensure community input is explicitly and reliably generated
- Provide the capacity for location specific planning where appropriate
- Inform the long term objectives of the local government with these inputs
- Identify the resourcing required to deliver against the long term objectives; and
- Clearly articulate long-term financial implications and strategies.

Council adopted the SCP 2020-2030 at its meeting on 10 March 2020 (C21.03.20). Due to the impact of COVID this was further reviewed by Council during the development of the 2021/22-2024/25 CBP. The next SCP major review is scheduled to commence in 2023 for final adoption early 2024.

The CBP is an internal business-planning tool that activates the SCP and translates Council priorities into operations within the local government's available resources. The plan details the services, operations and projects that Shire of Mundaring will deliver over the period 1 July 2023 – 30 June 2027, the processes for delivering these and the associated costs.

Other aspects of the IPRF include a Workforce Plan (WFP), the Long Term Financial Plan (LTFP) and Asset Management Plans (AMPs). The CBP informs and is informed by these plans. Summaries of the WFP and AMP are included in the CBP. Following consideration of the CBP, Council will consider adoption of the Annual Budget for 2023/24, which details the financial implications of the first year of the CBP and LTFP.

Council Members participated in service immersions, five IPR workshops and a briefing session from November 2022 to July 2023. During these workshops, Councillors reviewed and assessed a number of strategies, business cases, projects and service levels in conjunction with the level of rate increases required to fund these operations including new projects and service level changes.

#### STATUTORY / LEGAL IMPLICATIONS

Section 5.56 of the *Local Government Act 1995* requires a local government to plan for the future of its district in accordance with any regulations made.

Regulation 19DA of the Local Government (Administration) Regulations 1996 requires that "A local government is to ensure that a corporate business plan is made for its district in accordance with this regulation in respect of each financial year after the financial year ending 30 June 2013."

#### **POLICY IMPLICATIONS**

Nil

#### FINANCIAL IMPLICATIONS

Together with the LTFP, formal adoption of the CBP will outline the detail of how the financial, human, and physical resources of the Shire apply to the delivery of the services and facilities for the community.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.4 – High standard of governance and accountability

Strategy 4.4.1 – Robust decision-making by culturally aware, well-informed and supported Councillors

#### SUSTAINABILITY IMPLICATIONS

Nil

#### **RISK IMPLICATIONS**

Risk: Compliance

Failure to adopt a CBP that meets the intermediate standard for compliance with the Integrated Planning and Reporting Framework process.

| Likelihood  | Consequence | Rating   |  |
|---|-------------|----------|--|
| Possible  | Moderate    | Moderate |  |
| Action / Strategy   |             |          |  |
| Council to adopt the Corporate Business Plan by an absolute majority. |             |          |  |

#### **EXTERNAL CONSULTATION**

Nil

#### **COMMENT**

Council is committed to balancing the community's affordability concerns with the community's expectations for continued levels of service and infrastructure.

The CBP reflects delivery of the following to ensure the four-year priorities are achieved, as work towards the ten-year priorities outlined in the SCP is progressed. Council is committed to balancing the community's affordability concerns with the community's expectations for continued levels of service and infrastructure.

The CBP reflects the Shires objectives and services grouped into the four goals of the Strategic Community Plan.

Most services will continue with no substantial change. However, in some cases, there will be new projects, actions, or service enhancements. Such changes are usually aligned to the Strategic Community Plan, but may be prompted by legislative change or other factors.

These significant changes are shown. The key is:

- (P) new projects
- (SI) service increases
- (IS) new or reviewed informing strategies (prioritisation and/or guidance in key areas)

# Goal 1 Community: Healthy, safe, sustainable and resilient community, where businesses flourish and everyone belongs

#### **Objectives**

- 1.1 Healthy, safe, sustainable and resilient community
- 1.2 Flourishing local business
- 1.3 Everyone belongs

#### **MESSAGE FROM THE CEO**

It is my pleasure to present the Corporate Business Plan 2023/24 - 2026/27, the last one I will present as CEO of the Shire of Mundaring, and the last one under the Strategic Community Plan 2020 - 2030.

This Corporate Business Plan represents continuity and consolidation. There are some adjustments but, in the main, the plan follows the course set in the Strategic Plan and implemented through successive Corporate Business Plans.

The Shire has worked hard to continue to deliver the community's vision, while keeping rates as low as possible. This has been particularly challenging when the Shire, along with all other local governments, has faced major difficulties in obtaining contractors, recruiting staff, and meeting escalating costs. The plan recognises that the community is also experiencing many of the same difficulties, including significant cost of living pressures.

To the staff who deliver the Shire's projects, services and actions day in and day out, I acknowledge and thank you. No CEO could ask for a more dedicated and professional team.

As I prepare to hand over to the next CEO, I know the organisation is ready for its next era in delivering for this exceptional community.

Jonathan Throssell

Chief Executive Officer

#### INTRODUCTION

#### **Purpose of the Corporate Business Plan**

The Corporate Business Plan is central to how Council implements its strategic direction. It links medium term projects, services, and actions to the Strategic Community Plan. Spanning four financial years, reviewed annually, this plan drives Council's budgets and other key decisions over that time.

#### **Integrated Planning and Reporting Framework**

The diagram below sets out the Integrated Planning and Reporting process Council follows, which sets the strategic direction of the Shire, and guides implementation.

The framework starts with the vision. The Strategic Community Plan is a ten-year, high-level plan, that shows the goals and priorities to deliver the vision.

As explained above, the Corporate Business Plan activates a four-year delivery period. The Long Term Financial Plan, Asset Management Plans and Workforce Plan (collectively known as informing strategies), ensure the plan is resourced and achievable.

From there, the annual budget is developed, implemented and reported on. The Corporate Business Plan is updated every year to stay current and on track.

The framework is underpinned by operational plans, guiding each Directorate within the organisation.

A review of the Shire's Strategic Community Plan is undertaken every two years, alternating between a minor and major review. That means a major review is undertaken every four years.

The next major review will be in 2023/24, with a program of in-depth community and stakeholder engagement to identify the community's current aspirations and priorities, as the basis for the new plans and informing strategies.

#### HIGHLIGHTS OF THE PLAN

This plan represents continuity and consolidation. There are some adjustments, but the plan essentially follows the course set in the Strategic Community Plan (SCP) and implemented through successive Corporate Business Plans (CBP). Highlights of the plan include the following, grouped into the ten-year priorities identified in the SCP.

## Leadership and collaboration for sustainable living – Shire, community, business

- Initial implementation of the Local Biodiversity Strategy within current resources, which will see an increase in private land conservation initiatives and advice to residents, and preparation of Business Case for additional resources to be considered for the next CBP.
- Further reducing energy emissions (and operating costs) by continuing to convert street lights to LED (Light-Emitting Diode) across the Shire and other actions.
- Initial implementation of the Economic Development and Tourism Strategy within current resources, which will focus on developing the 'Market Town' concept, caravan rest stop facility, and training for home-based eco-tourism businesses, and preparation of Business Case for additional resources to be considered for the next CBP.
- Investigating an on-demand bulk waste verge collection service and implementing FOGO (food organics and garden organics) collection.
- Signage and Heritage Strategies to be developed in 2023/24.

#### A place for young and old

- Preparation for the revitalisation of the Mundaring Town Centre, including the Mundaring Multi-Purpose Community Facility, with continued in-depth planning, design and community engagement.
- Extension of the Mt Helena Aquatic Centre public season from December to the end of March, with 6pm closing time.
- Increased support for Mundaring Arts Centre.
- Portable patient transfer hoist at Lake Leschenaultia.
- Support for Hills Billy Cart Festival.
- A range of capital investments in facilities (see page 10).
- Recreation Facilities Informing Strategy Review.
- Concept and masterplanning to bring forward change room upgrades.
- Prioritisation of accessibility upgrades to treat Shire-run and leased facilities on an equal basis.
- Annual masterplan program to improve grant readiness (from 2024/25).
- Consideration of possible consolidation/rationalisation of building facilities.
- Consideration of outsourcing options for the Reflections Kiosk at Lake Leschenaultia.

#### Recognise and celebrate Noongar language and culture

Implementation of the Reconciliation Action Plan.

#### STRATEGIC DIRECTION

Vision

# The Place for Sustainable Living

What we value most as a community

Protection of the natural environment Peaceful lifestyle Safe and inclusive community

#### Goals

Community

Healthy, safe, sustainable and resilient community, where businesses flourish and everyone belongs

Natural environment

A natural environment that is protected, sustainable and enjoyed

Built environment

Transport, infrastructure and planning for liveable, connected communities

Governance

Trusted, leading and listening local government

#### 10-year and four-year priorities

| Ten-year priorities  | Four-year priorities  |
|--|---|
| Leadership and collaboration for sustainable living – Shire, community, business | <ul> <li>Shire-led conservation, protection and retention of natural areas</li> <li>Community-led initiatives and innovation</li> <li>Business-led economic and tourism development</li> <li>Building resilience to future disasters</li> </ul>                               |
| A place for young and old  | <ul> <li>Youth-led Shire and community partnerships for skill development, youth connections, peer support</li> <li>Transport and downsizing options for older people</li> <li>Connect the generations</li> <li>Fit for purpose facilities to meet community needs</li> </ul> |
| Recognise and celebrate Noongar language and culture                             | <ul> <li>Aboriginal community-led Shire and community<br/>partnerships for reconciliation and enhanced cultural<br/>awareness</li> </ul>  |

Shire of Mundaring Corporate Business Plan 2023/24 – 2026/27

#### **MAJOR CHALLENGES**

The following major challenges facing the community and the Shire over the period of this plan have been identified. Note that in many cases, these challenges also represent opportunities. For example, the rapid increase in digital technologies is a challenge but also offers new and better ways for engagement and service delivery.

| Area  | Description   |  |  |  |  |
|---|---|--|--|--|--|
| Population growth                           | <ul> <li>Population of 39,166 (ABS 2021) - estimated population of<br/>40,184 by 2026 and growing</li> </ul>  |  |  |  |  |
| Economy                                     | <ul> <li>Whilst healthy business growth is evident in the Shire of Mundaring, businesses are facing economic uncertainty, high input costs, ongoing supply chain challenges, workforce challenges and decreasing discretionary consumer spending</li> <li>Households are facing ongoing cost of living increases (although inflationary pressure is now easing) and high interest rates. Nominal wages are growing but real wages have declined due to inflation</li> </ul> |  |  |  |  |
| Increasing requirements on local government | Local Government reform program   |  |  |  |  |
| Increasing costs                            | <ul> <li>Continuing increases in State costs (water, electricity, etc)</li> <li>Fuel and construction costs remain high</li> </ul>  |  |  |  |  |
| Environmental sustainability                | <ul> <li>Climate change – bushfires, heat, fuel load, rainwater<br/>and water security</li> </ul>   |  |  |  |  |
| Financial sustainability                    | Ensuring adequate expenditure on asset renewals   |  |  |  |  |
| Community expectations                      | High and increasing expectations from the community, combined with low tolerance towards rates increases  |  |  |  |  |
| Workforce                                   | <ul> <li>Skills shortages (eg difficulty in recruiting specialised positions such as contract management)</li> <li>Expectations of salaries and wages in a tight labour market</li> <li>Legislative and government policy changes</li> <li>Impending retirements of older workers</li> </ul>  |  |  |  |  |
| Digital                                     | High community expectation of online service delivery and communication, while recognising that not all community members operate in the digital world  |  |  |  |  |

Shire of Mundaring Corporate Business Plan 2023/24 – 2026/27

#### **GOALS, OBJECTIVES AND SERVICES**

The following sections list the Shire's objectives and services grouped into the four goals of the Strategic Community Plan.

Most services will continue with no substantial change. However, in some cases, there will be new projects, actions, or service enhancements. Such changes are usually aligned to the Strategic Community Plan, but may be prompted by legislation change or other factors.

These significant changes are shown. The key is:

- (P) new projects
- (SI) service increases
- (IS) new or reviewed informing strategies (prioritisation and/or guidance in key areas)

# Goal 1 Community: Healthy, safe, sustainable and resilient community, where businesses flourish and everyone belongs

#### **Objectives**

- 1.1 Healthy, safe, sustainable and resilient community
- 1.2 Flourishing local business
- 1.3 Everyone belongs

#### **Shire Services**

- Community Capacity Services -Volunteer Support, Seniors, Youth Services, Grants
- Events and Celebrations
- Disability Access/Inclusion
- Libraries
- Community Engagement
- Family and Children Services (Day Care, support, education)
- Economic Development

- Environmental Health
- Rangers and Community Safety
- Emergency and Fire Management
- Recreation Services and Facility
   Management (Aquatic Centres, Sports
   Grounds and Community Facilities,
   Skateparks, Pump Tracks, Dirt Jumps,
   Trails)
- Property Management (Leased Community Facilities)
- Visitor Services and Tourism Marketing

# Goal 3 Built Environment: Transport, infrastructure and planning for liveable, connected communities

#### **Objectives**

- 3.1 Shire assets and facilities that support services and meet community needs
- 3.2 Advocate for infrastructure improvements by others
- 3.3 Regulated land use and building control to meet current and future community needs
- 3.4 Preservation of local heritage buildings and places of interest

#### **Shire Services**

- Transport services
- Facility Management
- Statutory Land Use Planning
- Statutory Building Services
- Asset Management

- Infrastructure Design
- Plant and Fleet Maintenance
- Construction Services
- Building Maintenance
- Graffiti removal

Costings above are indicative and subject to detailed feasibility, design and cost analysis prior to separate individual Council decisions.

Shire of Mundaring Corporate Business Plan 2023/24 – 2026/27

**11** | Page

#### RESOURCING THE CORPORATE BUSINESS PLAN

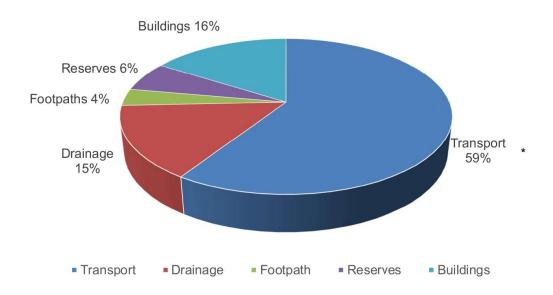

#### **Asset Management Plans**

The Shire has a large asset base valued at over \$475 million. Property and Infrastructure assets comprise the largest portion of these, with a combined value of approximately \$400 million. Infrastructure assets include roads, bridges, footpaths, drainage, buildings, and reserves. Planning is essential for the effective and sustainable management of these assets to meet current and future community needs.

The Shire's Asset Management Plans (AMPs) define the current levels of service and operational requirements for the various types of assets. The AMPs also highlight the processes used to manage the associated assets that services rely on, and consider how current and future services to the community will be sustainably provided at the most appropriate standard, time, place and cost. The AMPs inform the 10-year long-term Capital Works Program, with funds included in the Long Term Financial Plan (LTFP).

A more detailed description of the Shire's infrastructure assets is shown in the infographic overleaf. A breakdown of replacement cost by major asset type is shown in the pie chart below.

#### **Major Asset Replacement Cost**

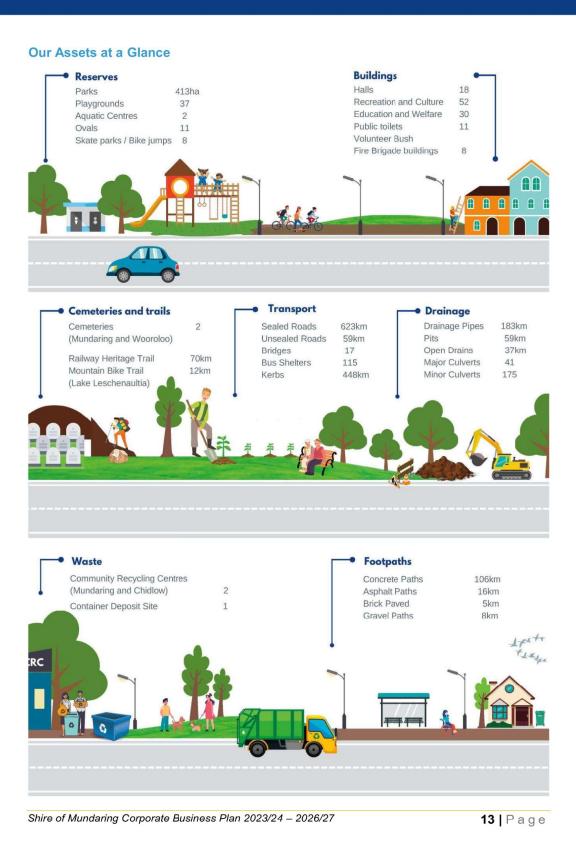

<sup>\*</sup> Includes roads, bridges and related infrastructure.

For more details on the above categories, please refer to the following infographic.

Shire of Mundaring Corporate Business Plan 2023/24 - 2026/27

**12** | Page

## Long Term Financial Plan

Each Corporate Business Plan and Annual Budget exists within the Long Term Financial Plan (LTFP). The LTFP ensures that Council always has long-term financial sustainability in mind when making decisions that require the use of ratepayers' funds.

The first four years of the LTFP constitute the four-year financial projections that accompany the Corporate Business Plan. Of course, these are adapted and revised as circumstances change but always with regard to maintaining the Shire's secure financial position.

The rates profile (shown in the table below) is the indicative increase in total rates yield. It is determined each year as part of the Annual Budget. However, it represents best available information within the Shire's commitment to providing assets and services that meet the community's needs, at a level that the community can afford.

The following assumptions are critical in determining the Shire's financial forecasts. The detailed financial forecasts can be seen in the LTFP.

### **Assumptions**

|                                 | 2023/24 | 2024/25 | 2025/26 | 2026/27 |
|---------------------------------|---------|---------|---------|---------|
| Materials and Contracts – CPI   | 3.50%   | 2.50%   | 2.50%   | 2.50%   |
| Employee Costs                  | 4.95%   | 4.95%   | 4.95%   | 3.00%   |
| Rates – Annual Increase (yield) | 3.50%   | 2.75%   | 2.50%   | 2.50%   |
| Fees and Charges                | 3.50%   | 2.50%   | 2.50%   | 2.50%   |
| Interest Earnings               | 5.00%   | 4.50%   | 3.50%   | 3.00%   |

## Information Communication Technology (ICT) Strategy

The Shire's ICT Strategy sets out the key components that need to be considered in managing the organisation's information resources. Adequate and appropriate ICT underpins all aspects of the Shire's work. It is integral to the delivery of the Shire's services: from the provision of information and advice, to providing better analysis of environmental, demographic, and social change for better land use planning. ICT also supports the Shire in administration, providing data storage, information management, email and mobile communications. The rapid adoption of mobile, on-demand, and social media technologies requires the Shire to keep abreast of new developments in this area to ensure we can provide the best quality services to the community.

### **Workforce Plan**

Workforce planning is undertaken each year as part of the Shire's Integrated Planning and Reporting process to ensure key workforce issues and risks are identified. The detailed Workforce Plan provides an overview of our workforce-related objectives, strategies, activities, and expected outcomes over the four-year period of the Corporate Business Plan.

## **Workforce Changes and Challenges**

Total employee costs from 2023/24 are expected to increase by 4.95% per annum to deliver the Corporate Business Plan and respond to factors such as government legislation and policy.

The ageing workforce and relatively high staff turnover remain challenging issues to manage. Approximately 15% of the workforce is aged 60+ and a further 26% is aged 50 to 59. Turnover is reducing but is still very high (approximately 20% in 2022/23), as can be seen in the table below.

| 2018/19 | 2019/20 | 2020/21 | 2021/22 | 2022/23 |
|---------|---------|---------|---------|---------|
| 11.8%   | 10.59%  | 11.11%  | 36.7%   | 20.0%   |

Loss of institutional knowledge associated with increased retirements and turnover is a key risk. Capturing and sharing this knowledge before staff departures remains under-resourced and is not satisfactorily implemented across the organisation.

Labour market competition remains high and is reflected in increased salaries and wages being paid across all sectors, including local government. Salary and wages expectations also reflect high inflation in recent times. These pressures have contributed to a high turnover rate and an increase in reclassification requests and internal transfers.

### **Diversity and Inclusion Plan Amendments**

In recognising the benefits of a diverse and inclusive workforce, the Workforce Plan now reinforces and defines the focus of this strategic objective, as follows:

Vision: The Shire is an inclusive workforce that represents the diversity in our local community.

Associated actions that we will implement to achieve this vision are as follows:

- 1. The Shire will provide opportunities for women to aspire to leadership roles both within the organisation and the local government sector.
- 2. Remove bias from the recruitment process as much as possible.
- 3. Provide training opportunities for staff that promote diversity and an inclusive workplace.
- 4. The establishment of diversity targets and report on progress towards achieving these targets to Council.

Targets to achieve this objective are:

- 1. Increase Leadership Team roles held by women to 50% (currently 25%)
- 2. Increase employment of people with disability to 5% of the workforce (currently 2.6%)

## **Our Organisational Values**

These values drive our behaviours in the delivery of our services.

# Our Values Maintain our positive culture of: Team Continuous Improvement Customer Service Customer Service

## **Organisational Structure**

The CEO is the only employee appointed by Council. Four directors report to the CEO, as shown in the organisation structure chart below. The current number of FTEs (full-time equivalent) is around 230. This figure includes approximately 42 FTE delivering family and children services that are fully funded through grants and service fees.

## **MEASURING PERFORMANCE**

The Shire is committed to monitoring progress towards achieving the community's vision 'a place for sustainable living'.

High-level success measures are in the Strategic Community Plan. These cover big picture outcomes such as the state of natural areas, CO<sub>2</sub> emissions, household resource efficiency, strength of community, business confidence, sense of belonging and Aboriginal cultural awareness. Many of these are aspirational and influenced by factors beyond the Shire's control.

Monitoring and reporting on the Corporate Business Plan on the other hand, is more focused on the performance of the Shire. Did we do what we said we would do? Are we well managed financially? Is our organisation in good health? Does our community think we are doing a good job?

The Administration reports on a quarterly basis to Council on performance against all major projects and capital works listed in the Corporate Business Plan. The report provides information on achievements and performance against milestones set at the beginning of the year and indicates whether the project or program is on time and on budget.

The CEO reports to Council on specific Key Performance Indicators (KPIs). These KPIs are set annually and typically include:

- Adherence to acceptable financial ratios (eg operating surplus ratio, current ratio, debt service coverage ratio, own source revenue coverage ratio). Note that these ratios are currently under review as part of Local Government Reform.
- Unqualified Financial Audit
- Compliance Audit Return (at least 95% compliance)
- Delivery of CAPEX program on time and on budget (with variances reported/ explained)
- Organisational health indicators (such as diversity targets, turnover, loss time injury)
- Stakeholder relationship mangement activities
- Lobbying and advocacy activities

As legislated, the Shire's Annual Report documents the number of projects and programs completed within the Corporate Business Plan.

Performance is also monitored through the biennial Community and Business Perception Survey and other customer satisfaction surveys on a range of Shire services and programs.

## **RISK AND AUDIT**

Strategic risks are risks that affect or are created by the Shire's strategic objectives and strategies. Operational risks are major risks that affect the Shire's ability to execute its plans.

Managing uncertainty and risk in a structured and formalised manner contributes to good corporate governance by:

- Reducing the impact of adverse outcomes
- Ensuring accountability
- Demonstrating diligence

## Roles in the Risk Management process

| Council | <ul> <li>Review and approve the Shire's Risk Management Policy, including the Risk Assessment and Acceptance Criteria</li> <li>Establish and maintain an Audit and Risk Committee in accordance with the Local Government Act 1995</li> <li>Regularly review the Strategic Risks</li> </ul> |
|---------|---|
| CEO     | <ul> <li>Implement the Shire's Risk Management Policy, including the Risk Assessment and Acceptance Criteria</li> <li>Regularly review the Strategic and Operating Risks and report these to the Audit and Risk Committee</li> </ul>  |

The Shire's strategic risks are identified below, along with the key controls that manage the risks, and the rating given to those controls. As shown in the table, all the controls have been assessed as effective or adequate.

## **Strategic Risk Management**

| Risk description   | Key controls  | Control rating |
|--|---|----------------|
| Risk Category: Economic  | c/Health  |                |
| Core changes to local<br>government e.g. rating<br>powers, boundary<br>changes, Local<br>Government Act and<br>other State Legislation                 | <ul> <li>Long Term Financial Plan (LTFP)</li> <li>Sector wide Lobbying and Advocacy<br/>Strategy e.g. WALGA (Western Australian<br/>Local Government Association)</li> <li>Input into Local Government Act review</li> <li>Actively monitor legislative changes</li> <li>Stakeholder relationship management plan</li> </ul>  | Effective      |
| Lack of planning for,<br>responding to a pandemic<br>or conflict/war with global<br>impacts  | <ul> <li>Federal/State Public Health directives implemented with focus on relief and recovery requirements and critical service provision</li> <li>Relief and Recovery Strategy</li> <li>Sector-wide Lobbying and Advocacy</li> <li>OP-30 Pandemic Leave, OP-22 COVID-19 in the Workplace</li> <li>Business continuity planning</li> </ul>  | Effective      |
| Changing global and local economic conditions resulting in increasing costs, supply chain disruptions, decreased availability of contractors/workforce | <ul> <li>Annual Integrated Planning and Reporting<br/>(IPR) process</li> <li>Budget setting</li> </ul>  | Adequate       |
| Lack of planning for<br>responding to and<br>recovery from major<br>natural disasters e.g.<br>bushfire/flooding  | <ul> <li>State and Local Emergency Management Arrangements</li> <li>Business Continuity Plan</li> <li>Workforce Plan (emergency management skills)</li> <li>Local Planning Scheme (LPS) 4 and relevant policies</li> <li>Bushfire mitigation service</li> <li>Volunteer bushfire brigades memorandum of understanding with DFES (Department of Fire and Emergency Services)</li> <li>Bushfire Area Access Strategy</li> </ul> | Effective      |
| Risk Category: Political   |   |                |
| Inability to manage<br>community expectations<br>for increased service<br>levels based on capacity<br>to deliver                                       | <ul> <li>LTFP/IPR process</li> <li>Community Engagement Framework</li> <li>Community/Business Perception Survey</li> <li>Resident &amp; Ratepayer forums</li> <li>Ongoing communication around existing capacity and services</li> </ul>  | Adequate       |

## **APPENDIX 1: UNFUNDED ITEMS**

During the development of the CBP 2023/24 – 2026/27, Council considered a number of potential projects and/or initiatives, driven by the community, community groups and Councillors. Listed below are the unfunded items, with the rationale for not including them.

| Unfunded items  | Reason  |
|---|---|
| Provide dog fence areas \$525K/\$125K pa plus 25K pa maintenance  | Not justified by cost/benefit   |
| Extend Bilgoman Aquatic Centre season by four weeks – \$85K pa  | Not justified by cost/benefit   |
| Mundaring Toy Library – Business case for Toy Library Officer – \$6K pa   | Request withdrawn   |
| Mt Helena Amateur Swimming Club – increase club's access to Aquatic Centre from 6 mths/yr to 12 mths/yr – \$110Kpa +\$250K capital for lighting and heating | Not justified by cost/benefit   |
| Mundaring Chamber, \$16.5K pa – Business<br>Case for part funding Executive Officer and<br>provision of 2 Major Events pa                                   | Not identified as a priority in Economic Development and Tourism Strategy     |
| Defer gravel road sealing program for four years  | Saving offset by impact on grants and higher cost of maintaining gravel roads |
| Volunteer Bushfire Brigade (VBFB) building upgrades   | The Shire will vigorously pursue State Government funding                     |
| Improving and increasing size of playing facilities   | Not justified by cost/benefit   |
| Prioritising all upgrades of Shire-run and leased facilities on equal basis   | Will apply to accessibility upgrades only                                     |

## 10.3 Economic Development and Tourism Strategy 2023 - 2028 - Recommended Actions

## **SUMMARY**

Council resolved to adopt the Shire of Mundaring Economic Development and Tourism Strategy 2023 – 2028. As part of that decision, Council requested a final review of the proposed action plan for 2023/24 to be undertaken. To complete this task, Shire staff reconvened the Strategy Reference Group (SRG) to determine a consensus decision of the SRG with regard to provision of new prioritised recommendations to Council on the use of existing budgeted resources available for the 2023/24 financial year.

### BACKGROUND

An Economic Development and Tourism Strategy (Strategy) was prepared in close consultation with local business, tourism and enterprise representatives who generously shared their time over 18 months as part of the formal SRG convened to assist in development of the Strategy.

Further input was received from the wider community and involved stakeholders through direct contact, social media, advertising and two surveys via Engage Mundaring. This feedback, wherever practicable, was incorporated into the Strategy.

To assist the process, the Shire engaged the services of an Economic Development and Tourism Professional Consultant, SC Lennon and Associates, to prepare the Strategy based on identified strategic requirements of the Shire and input from all involved community members, stakeholders and the SRG.

The requirement for preparation of the Strategy is detailed within both the Strategic Community Plan and Corporate Business Plan.

The Strategy provides a clear vision for economic and tourism development within the Shire of Mundaring and prescribes a delivery framework across three identified themes and a series of recommended actions.

It was recommended that Council gives particular consideration to the recommended actions, noting that the Strategy has a predicted delivery horizon of five years, subject to further resourcing decisions.

At the 13 June 2023 OCM, Council resolved the following (C10.06.23):

## A. That Council:

- Adopts the Economic Development and Tourism Strategy 2023 2028 as detailed in Attachment 1;
- 2. Requests a final review of the action plan be undertaken by the Strategy Reference Group to provide a recommendation to Council on the use of the

- budgeted resources for the implementation of action items in 2023/24 financial year for consideration at the August Ordinary Council meeting;
- 3. Notes the recommended actions across three themes within the Economic Development and Tourism Strategy 2023 2028 will be required to be listed for consideration at future Integrated Planning and Reporting Workshops to enable implementation as detailed in **Attachment 2**; and
- B. Reason for the Change to the officer recommendation:

To request the Strategy Reference Group reconvene for one more meeting during July to provide their recommendation on the use of the existing budget and the priorities of the action items for consideration at the August Ordinary Council meeting. This will also give the group the opportunity to provide their reasoning for the resources required to be considered in the next Integrated Planning and Reporting process for 2024/25. This alternate motion more closely aligns with the goals established by the Strategy Reference Group for a business led and Shireenabled strategy and demonstrates to the business community the Shire's commitment to this process.

## STATUTORY / LEGAL IMPLICATIONS

Some recommended actions within the Strategy will need to comply with relevant legislation, including but not limited to:

- Local Government Act 1995
- Planning and Development Act 2005
- Environmental Protection Act 1986
- Bush Fires Act 1954
- Telecommunications Act 1996

## **POLICY IMPLICATIONS**

Some recommended actions within the Strategy will need to comply with relevant policies, including but not limited to:

- Community Engagement Policy (CD-04)
- Environmental Sustainability Policy (OR-23)
- Purchasing Policy (AS-04)
- Committees, Advisory Groups, Representatives Meetings and Working Groups Policy (2.8)

## FINANCIAL IMPLICATIONS

There is \$20,000 per annum listed in the long-term financial plan to implement the Strategy. Additional resourcing is subject to the annual Integrated Planning process. There is \$40,000 listed in the draft 2023/24 annual budget for this year only, (noting this included the carry forward of unspent funds of \$20,000 from 2022/2023).

## STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 1 - Community

Objective 1.2 – Flourishing local businesses

Strategy 1.2.4 - Encourage economic development opportunities in the Shire

## SUSTAINABILITY IMPLICATIONS

The Strategy and the manner in which it is implemented will have significant long-term implications across a range of sustainability outcomes in the Shire, in particular economic development outcomes

## **RISK IMPLICATIONS**

**Risk**: Reputational - Council Members do not adopt the recommendation to commence implementation of the Strategy actions selected by the Strategy Reference Group.

| Likelihood        | Consequence | Rating |  |
|-------------------|-------------|--------|--|
| Unlikely          | Minor       | Low    |  |
| Action / Ctrotomy |             |        |  |

## **Action / Strategy**

The level of risk associated with Council adopting the actions that have been recommended by the Strategy Reference Group that are already detailed within the adopted Strategy is considered low.

## **EXTERNAL CONSULTATION**

Strategy Reference Group, which was comprised of:

- Mundaring Chamber of Commerce representative
- Swan Chamber of Commerce representative
- Local business, tourism and enterprise representatives
- Two Shire of Mundaring Council Members

## COMMENT

Prioritisation of Strategy actions provided by the Strategy Reference Group

Consistent with Council decision **C10.06.23**, a final meeting of the Strategy Reference Group (SRG) was convened to ascertain consensus on recommended priority actions for 2023/24 to Council.

The SRG was encouraged to focus on those actions within the Strategy that were:

- Ranked as 'High Priority'
- Capable of being implemented within existing adopted budget (this constraint was explained by Shire staff)
- Existing service level and other resource constraints

The SRG were of the view that actions that had a high likelihood of being completed within a one-year time frame would be a focus for prioritisation.

The SRG was requested to list their top-three priorities, which were recorded and ranked through an open prioritisation session. The numbered recommendations below are as detailed within the Strategy (**Attachment 1**, pages 31 - 33) and the results were as follows:

1. **Recommendation 3.4** - Creation of a caravan rest-stop facility (including a dumppoint) at a Shire of Mundaring village location, to both provide this service and to enable further activation of that location (e.g. Chidlow Village Green), also noting that it is the industry norm to request a nominal fee for this service to contribute to the maintenance cost.

- 2. **Recommendation 2.8** Development and ongoing promotion of Shire of Mundaring as 'Market-Town' concept to encourage a greater level of retail spending by existing residents and visitors to the Shire.
- 3. **Recommendation 1.2** Continue to support the development of low-impact home-based business (e.g. ecotourism/homestay etc.) and provide advice on how to navigate the necessary approvals process (e.g. specific and targeted group training programs to be made available).

Although Shire staff requested the top-three recommended actions from the SRG, a notable fourth ranking was Recommendation 2.3 – Revisit the Draft Lake Leschenaultia Masterplan with a view to enhancing this signature nature-based recreational asset for the community and for sustainable visitation.

As such, the top three priorities now form the basis for the recommendation to Council.

Acknowledgement of the Strategy Reference Group

In accordance with the Terms of Reference for this group, completion of the draft Strategy for the consideration and adoption by Council means that the group has completed its role and function.

The group has functioned well over the 18 months and it is recommended that a letter acknowledging the effort and valued input be drafted and sent to each participant.

Future role for an economic and tourism development advisory group

If Council determine that an advisory group is required, it would be established by a council resolution in accordance with the "Committees, Advisory Groups, Representatives Meeting and Working Groups Policy". Additionally, this policy provides characteristics of advisory groups including membership, appointment, conduct, reporting etc.

## **VOTING REQUIREMENT**

Simple Majority

| COUNCIL DECISION RECOMMENDATION |          |             | C7.08.23    |  |
|---------------------------------|----------|-------------|-------------|--|
| Moved by                        | Cr Hurst | Seconded by | Cr Cicchini |  |

### That Council:

- 1. Adopts the three actions detailed within the Economic Development and Tourism Strategy 2023 2028 (Strategy) for implementation with the existing budget for 2023/24 of \$40,000 which were recommended by the Strategy Reference Group, as follows:
  - a. Recommendation 3.4 (Rest stop facility)
  - b. Recommendation 2.8 (Creation and promotion of a Market-town concept)
  - c. Recommendation 1.2 (Group training/facilitation home-based eco-tourism businesses)
- 2. Notes the adoption of the Economic Development and Tourism Strategy 2023 2028 and a prioritised action list for 2023/24 finalises the role of the Strategy Reference Group, and the effort and valued input to preparation of the Strategy by members of that Group will be formally acknowledged with a letter of appreciation.

## **Foreword**

Shire of Mundaring is situated within close reach of metropolitan Perth and is fortunate to have many points of difference with its local beauty and splendour and sites of historical and cultural significance. The overarching vision for the Shire is to be; 'The place for sustainable living'.

Truly sustainable development integrates social, economic and environmental outcomes to meet the needs of the community without compromising existing natural systems to ensure that the needs of future generations are able to be fulfilled. With the above in mind, I am pleased to present the Shire of Mundaring Economic Development and Tourism Strategy 2023 - 2028.

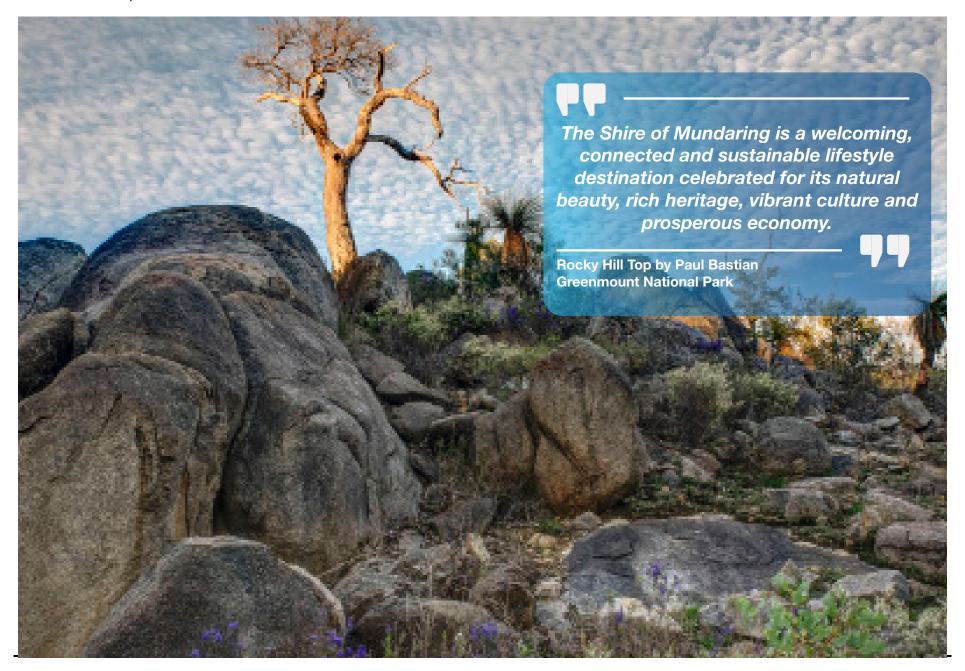

To assist the Shire in preparation for this important Strategy, the Shire engaged closely with local business, tourism and enterprise including the Mundaring and Swan Chambers of Commerce. In late 2021, a Strategy Reference Group (SRG) was established which was comprised of local businesses, enterprise and tourism representatives. Thank you to the SRG who have provided their feedback throughout the process which has been highly valued and incorporated into this Strategy.

This Strategy will guide the Shire over the next five years towards sustainable population and business growth; enhancement of infrastructure; grow a vibrant and sustainable visitor economy; and grow employment opportunities in a sustainable manner.

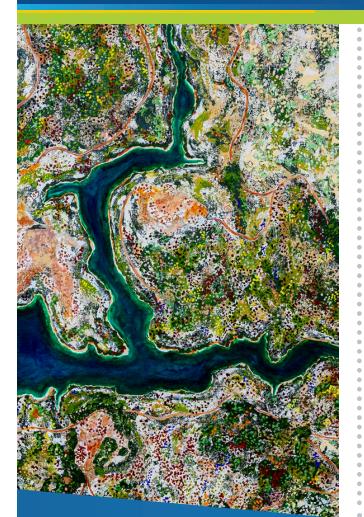

Cr James Martin Shire President

## **Executive Summary**

This Shire of Mundaring Economic Development and Tourism Strategy 2023-2028 is a blueprint to support the vibrancy, diversity and sustainability of the communities of the Shire of Mundaring. Defined by a well-considered plan of action, the strategy guides Shire of Mundaring in its capacity as a supporter of economic development and tourism, to encourage economic activity that capitalises on the special character and attractions of the shire, including its distinctive arts, food, culture and natural environment.

Strategy themes and actions are designed to fulfill the vision for the Shire of Mundaring as a **welcoming, connected and sustainable lifestyle destination celebrated for its natural beauty, rich heritage, vibrant culture and prosperous economy.** Consistent with the aspirations and priorities of the community, the strategy guides the Shire towards achieving the vision through the realisation of five key strategy outcomes. These desired outcomes align with the Shire of Mundaring's Strategic Community Plan 2020-2030 and reflect the findings of the research, consultation and analysis undertaken to inform this strategy. They are:

- Sustainable population growth which aligns with the community's aspirations for the shire as the place for sustainable living;
- The delivery and / or enhancement of **enabling infrastructure** and services to facilitate economic activity;
- Visitor attraction to grow a vibrant and sustainable visitor economy;
- Sustainable business growth and development in a diversity of industries including the professional services, the arts and creative industries and businesses operating in the visitor economy; and
- **Employment opportunities** for the Shire of Mundaring's resident workforce.

These strategy outcomes will be delivered through the prioritisation and implementation of a series of actions presented across three key areas, focussed on **Our Businesses; Our Communities;** and **Our Visitors**. Some of the recommended actions seek to build on or continue initiatives already in place, some are already resourced, while others require additional resourcing.

Prepared in the context of the Shire's Corporate Business Plan and its broader program of work and strategic objectives, as well as key local and regional strategies, the Shire of Mundaring Economic Development and Tourism Strategy 2023-2028 will be implemented in line with determined priorities as well as the availability of resources and the capacity of Shire of Mundaring to progress the initiatives identified. Importantly, it will be used by Shire of Mundaring to assess and prioritise funding needs and to inform key advocacy and partnership initiatives to secure funding support for key initiatives from the other levels of government.

Strategy implementation progress will be monitored and evaluated using a combination of output measures related directly to the recommended actions and their implementation as well as some broader outcome targets (metrics). The Shire of Mundaring Economic Development and Tourism Strategy 2023-2028 will be reviewed annually with an update anticipated in five years.

## 1. Our Vision and Values

## **Strategy, Purpose and Context**

Shire of Mundaring is committed to coordinating a business-led and Council-supported approach to deliver a vibrant, diverse and sustainable economy in line with the community's aspirations for the Shire as the place for sustainable living.

Located on the eastern edge of metropolitan Perth, the Shire of Mundaring, with a population of 39,166 and comprising 22 unique village-based localities with Mundaring at its core, is characterised by a blend of rural, bush and more urbanised environments. The name 'Mundaring' derives from an Aboriginal word meaning "a high place on a high place" or "the place of the grass tree leaves".

Covering some 644 square kilometres, nearly half of which is National Park, State Forest or water catchments, the Shire of Mundaring's unique natural setting dictates an integrated and balanced consideration of social, environmental, economic and governance issues to deliver improved outcomes for the Shire's businesses and the community, now and into the future.

With a gross regional product (GRP) of \$1.85 billion, the Shire of Mundaring is home to 2,860 businesses and around 8,825 jobs. The Shire's economy is underpinned by employment in the services sector, including education (schools), health care (medical services, residential care and social assistance), retail, hospitality, construction, exploration and mining support services, and public administration.

The Shire's unique setting and the value the community places on its natural environment and village character precludes large-scale urban and industrial development, meaning a tailored approach to growing the local economy is required.

The Shire of Mundaring is an attractive location for the professional services, while tourism, which cuts across the retail, accommodation and food services, food and beverage production, arts and recreational service industries, is a growing sector with potential to mature in a manner that leverages the Shire's assets while ensuring the natural environment is protected and enhanced for future generations.

Informed by research, consultation and analysis, this strategy guides
Shire of Mundaring in its capacity as a supporter of economic
development and tourism, to encourage economic activity that
capitalises on the special character and attractions of the Shire, including
its distinctive arts, food and wine, culture and natural environment.

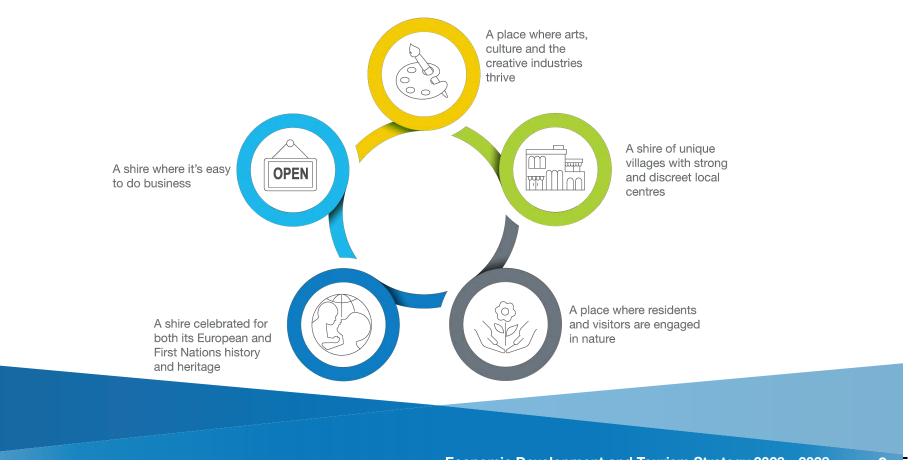

The strategy themes and actions are framed to help fulfill the vision for the Shire of Mundaring as a welcoming, connected and sustainable lifestyle destination celebrated for its natural beauty, rich heritage, vibrant culture and prosperous economy.

## **Our Vision**

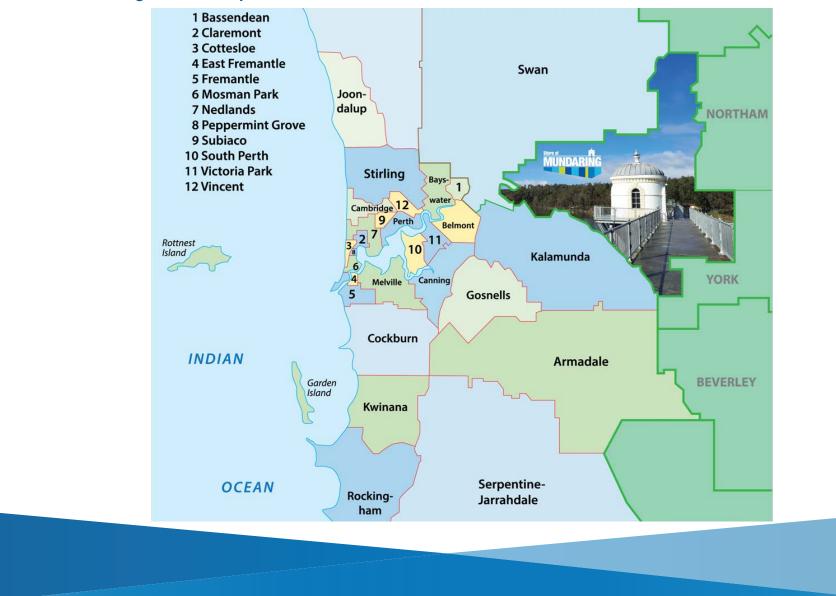

The Shire of Mundaring is a welcoming, connected and sustainable lifestyle destination celebrated for its natural beauty, rich heritage, vibrant culture and prosperous economy.

## **Our Values**

The vision informs Shire of Mundaring's approach to economic development and tourism as one which encourages a sustainable level of investment, income and employment generation that is underpinned by a healthy natural environment, strong cultural expression and a unique and valued sense of place. This approach is informed by the following values, that guide how the vision will be pursued through the actions presented in this strategy.

## **Shire of Mundaring Context Map**

## **Shire of Mundaring's Towns and Villages Context Map**

The Shire of Mundaring, covering 644 square kilometres, nearly half of which is National Park, State Forest or water catchments, comprises 22 distinct villages or town sites across rural, bush and more urbanised environments, each with their own unique charm.

They are Bailup, Beechina, Bellevue, Boya, Chidlow, Darlington, Glen Forrest, Gorrie, Greenmount, Helena Valley, Hovea, Mahogany Creek, Malmalling, Midvale, Mount Helena, Mundaring, Parkerville, Sawyers Valley, Stoneville, Swan View, The Lakes and Wooroloo.

## 2. Strategy Outcomes

## **Desired Economic Development and Tourism Strategy Outcomes**

Consistent with the aspirations and priorities of the community, the Shire of Mundaring Economic Development and Tourism Strategy 2023-2028 guides Shire of Mundaring towards achieving the vision through the realisation of five key strategy outcomes.

These desired outcomes align with the Shire of Mundaring Strategic Community Plan 2020-2030 and reflect the findings of the research, consultation and analysis undertaken to inform this strategy. They are:

- Sustainable population growth, that is, growth in population and housing of a suitable scale and in appropriate town and village locations to meet the community's aspirations for the Shire as the place for sustainable living, where social, economic and environmental needs are met without compromising the ability of the Shire's future generations to meet their needs;
- The delivery and / or enhancement of **enabling infrastructure** and services to facilitate economic activity of an appropriate scale and nature;
- Visitor attraction to grow a **vibrant and sustainable visitor economy** that capitalises on and enhances the Shire's natural assets without compromising its highly-valued and unique natural environment;

Sustainable business growth and development in a diversity of industries including the professional services, personal and community services including health care and education and businesses operating in the visitor economy, including those in accommodation, food services, arts and culture, recreational services and retail trade; and

**Employment opportunities** for the Shire of Mundaring's resident workforce.

These desired outcomes will be met through the implementation of initiatives presented under the three Strategy Action Areas.

Strategic Infrastructure to Enable Economic Development

Local Employment Opportunities for Resident Workers

A Vibrant and Sustainable Visitor Economy

Local Business Growth and Development

Sustainable Population Growth

## 3. We listened

## **A Consultative and Informed Approach**

In 2022 Shire of Mundaring undertook a formal consultation process with the community and businesses to ascertain the needs, goals, opportunities, `and aspirations relating to the growth and sustainability of our local economy.

The consultation findings provide critical input to the strategy findings and recommendations, ensuring its underlying themes and directions reflect stakeholder views regarding the Shire of Mundaring's issues, challenges and opportunities for economic development and tourism.

Throughout the course of the strategy development process, considered input was provided by the Economic Development and Tourism Strategy Reference Group.

This group has representation from Shire of Mundaring at both the operational and political levels as well as a mix of local business and community representation, including people with small business, residents with a lifetime of local knowledge and industry leaders with global experience.

The consultation process also included direct engagement with a diversity of key stakeholders including Mundaring Chamber of Commerce; Swan Chamber of Commerce; Eastern Metropolitan Regional Council; WA Parks and Wildlife Services; WA Department of Primary Industries and Regional Development; Regional Development Australia (RDA) Perth; Shire of Mundaring Cultural Advisory Group; Mundaring & Hills Historical Society; Mundaring Arts Centre; Perth Hills Tourism Alliance; Perth Hills Events; and Perth Hills Future. Broader business and community consultation input was received via an online survey. The survey received strong interest with a total of 121 completed responses from business-owners and residents of the towns and villages throughout the Shire of Mundaring.

It was clear from the consultations that location, lifestyle and liveability, the natural environment, history and heritage, arts and culture are key drivers in attracting people to live work and play in the Shire of Mundaring.

## Attachment 1 to Report 10.3

The key challenges identified through the consultation process included a need to better articulate and support the Shire's tourism offer; road transport and communications infrastructure constraints; housing availability and affordability; sustainable population growth; and the availability of local jobs.

Identified opportunities included further investment in town/village infrastructure and amenity; support for festivals and events; small business support; leveraging the Shire's location and natural assets to boost visitation; and targeted promotion tailored to the local tourism offer.

## **The Strategy Consultation Process**

## 4. Our Economy

## **Economic Snapshot**

Value-Added by Industry, Shire of Mundaring - 2021

## **Economic Snapshot**

## Visitor Profile and Trend, Shire of Mundaring 2014 - 2021

## 5. Our Competitiveness Profile

## **People and Place**

## **Strengths and Attributes**

- Strong sense of community and sense of place defined by the Shire's well-connected villages, each with their own identity, and with Mundaring at its core.
- Strong environmental focus of the community.
- Natural environment the Shire of Mundaring is in a global biodiversity hotspot.
- Natural features/the hills landscape and unique flora (wildflowers) and fauna.
- Access to world-class environmental recreational assets (John Forrest National Park, Mundaring Weir, the Bibbulmun Track, the Golden Pipeline Heritage Trail and the Munda Biddi (offroad cycle trail).
- A skilled and capable local workforce.
- Strong arts and culture profile (including renowned artists).
- Strong European and First Nations history and heritage.

## **Challenges and Constraints**

- A relatively older population with a median age of 44 compared to 37 for Greater Perth and 38 for Western Australia.
- Limited opportunities for employment locally (requiring many working residents to commute to Perth).

- Population and land development pressures (threat of inappropriate development) that is in conflict with community aspirations for sustainable living.
- Shortage of a diversity of quality, affordable housing to cater to different demographics (including ageing in place).
- High bushfire risk and impacts of climate change.
- Urban amenity including potential for improved Mundaring town centre functioning and appearance (Great Eastern Highway cuts through the middle of town/heavy traffic).
- Living costs, including food, fuel, power and water.
- Mining encroaching into surrounding forests.

## **Enabling Infrastructure and Services**

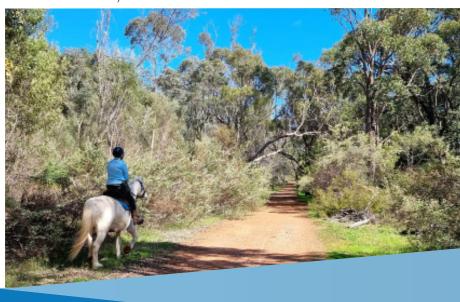

## **Strengths and Attributes**

- Proximity to the Perth CBD by road.
- Location on the Great Eastern Highway as a conduit for promotion of local business and tourism with direct access to Australia's national highway system.
- Proximity to Perth Airport (just 25 minutes' drive).
- Network of recreational and interpretive trails for walking, cycling and horse riding.
- Recreational assets including Lake Leschenaultia, the Mundaring Arena, various sporting facilities, aquatic centres, parks and gardens and Mundaring Weir.
- Quality health care services.
- Quality pre-schools, primary and secondary schools.
- Provision for low-impact industry in commercial nodes in Midvale.

## **Challenges and Constraints**

- Telecommunications (mobile phone and Internet) and power infrastructure/services disruptions and shortfalls.
- Public transport service limitations.

- Access to Mundaring Weir is limited due to government restrictions on recreational use of water catchments.
- Surrounding groundwater protection area limits recreational land use and access.
- Fire mitigation constraints on land with development potential.
- Sewerage/wastewater infrastructure capacity constraints, especially within Mundaring Town Centre.
- Tourism infrastructure shortfalls (visitor accommodation including hotels, signage, rest stop facilities, EV charging stations) and some customer service shortfalls.
- Small business infrastructure support services are limited (e.g. business hub/s).

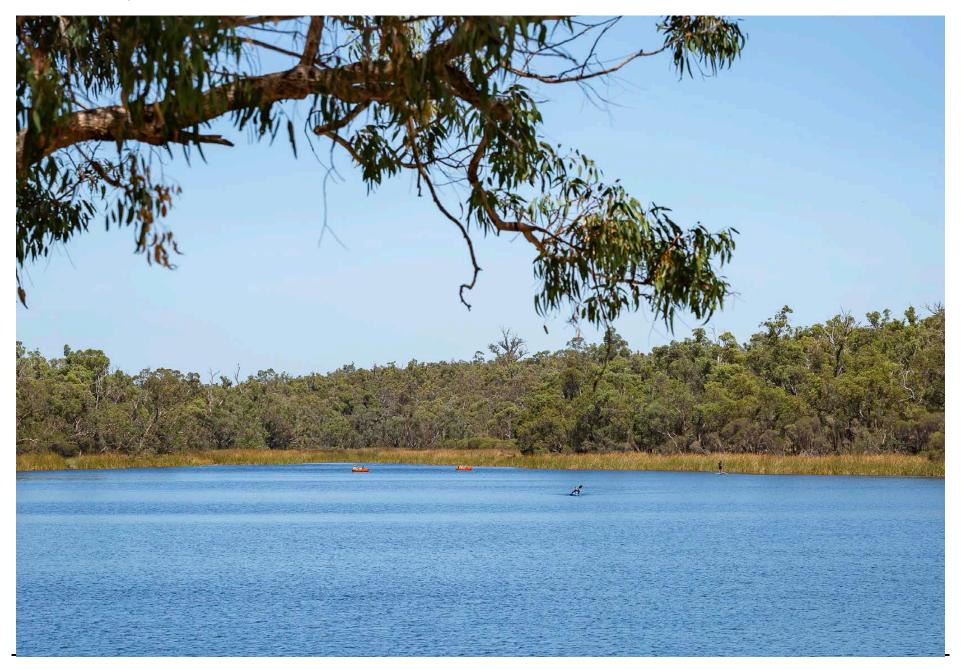

## **Business and Industry**

### **Strengths and Attributes**

- A services-driven 'lifestyle economy' including health and wellness, trade services, food and hospitality, hobby farming and the arts.
- Innovative and capable small businesses.
- A strong hospitality scene with heritage-listed hotels and quality cafes.
- A small number of high-quality visitor accommodation providers.
- An emerging visitor economy with growing visitor numbers focussed on arts and culture, history and heritage and nature-based activities.
- An export-oriented food and beverages sector including artisan food production and processing as well as viticulture/wineries.
- A diversity of arts-based attractions and events (e.g. Mundaring Arts Centre, Sculpture Park, Mundaring Open Studios, home galleries, Darlington Arts Festival, Hills Billy Cart Festival).
- Growing market scene (including Perth Hills Artisan Markets, Rotary Sunday Markets, Mundaring Garden and Farmers Market and others).
- A strong mix of natural and built tourism attractions (John Forrest National Park, Lake Leschenaultia, Mundaring Weir (and the National Trust-listed No. 1 Pump Station), the Bibbulmun Track (walking track), Golden Pipeline Heritage Trail (drive trail) and Munda Biddi Trail (offroad cycle trail).
- A strong and supportive Mundaring Chamber of Commerce.

## **Challenges and Constraints**

- No Shire of Mundaring position dedicated to business engagement.
- Many micro and small businesses have limited capacity to invest in marketing and business development in order to grow.
- Limited access to natural assets for business and tourism activity.
- Balancing environmental values with economic opportunity.
- Limited retail offer and trading hours/night-time economy.
- Lack of entry statement and directional signage for visitors.
- Scope to improve visitor information dissemination.
- Lack of community understanding of the benefits of tourism.
- Limited tourism product and length of stay.
- Scope to attract more interstate and international visitors.
- Limited resources for tourism marketing and promotion.

8.08.2023 COUNCIL MEETING CONFIRMED MINUTES

## 6. Our Opportunities

## **Creating Vibrant Places**

The town of Mundaring and the Shire's unique village communities all have a strong sense of individual identity coupled with a collective vision for sustainable living. This network of vibrant village communities offers a variety of shopping, art, culture, food, recreation, leisure and entertainment.

To realise its vision for a thriving village lifestyle, Shire of Mundaring is investing in the revitalisation of the Mundaring Town Centre through the creation of a new 'civic and cultural heart'.

This urban renewal investment will serve to position the appeal as a location of choice for businesses and for residents who value the area's relaxed hills lifestyle in a beautiful natural setting underpinned by a vibrant retail sector, arts and culture, sport and recreation, health care and education and access to jobs and a diversity of housing.

The catalyst for Mundaring's revitalisation is the proposed Multi-purpose Community Facility with a new library, cultural and art spaces and multi-function spaces, as well as further improvements to the Mundaring Town Centre to ensure that it is an enviable place to recreate, reside and visit.

Investment in the Mundaring Town Centre presents a longer-term opportunity to plan for and invest in the shire's network of villages to secure and enhance their roles as important business, employment and lifestyle hubs while protecting and enhancing the natural environment within which they are set.

## **Sustainable Living through Housing Diversity**

As the Shire of Mundaring's population changes, so too does its need for a diversity of housing in appropriate locations. While peri-urban living on large blocks is a feature which defines the lifestyle appeal of the communities of the shire, there is a need to consider how the emerging needs of a changing (and older) demographic can best be accommodated to allow people to age in place.

As population growth pressures across the wider Perth metropolitan area mount and the region's population continues to evolve, there will be a growing demand for high-end housing to attract professionals, business-people and other higher income earners; mid-range housing to attract those who are starting out; and housing for lower income households. Accommodating these diverse household types will require an assortment of housing densities.

While proposals to address housing needs and opportunities in the Shire of Mundaring have been put forward, it is considered that any 'standard' and arguably 'monocultural' urban residential developments do not fit with the character and environmental values of the shire, associated challenges of bushfire threat and climate change, the community's principles for sustainable living and the vision that the Shire of Mundaring be defined by its thriving village lifestyle with a strong town centre.

This provides an opportunity to explore alternative solutions to the shire's housing needs, to deliver sustainable living which respects and enhances the shire's natural environment through greater housing diversity.

# **Investing in Infrastructure to Enable Growth**

Housing delivery needs to be supported by appropriate infrastructure and service provision. The consultations undertaken to inform this strategy identified a number of critical infrastructure shortfalls throughout the communities of the shire. This includes a lack of transport options beyond the private motor vehicle as well as power and digital connectivity shortfalls (mobile phone and Internet connections).

Ensuring Shire of Mundaring residents and businesses are connected with quality communications infrastructure will build the shire's capacity to house more 'knowledge workers' including creative service providers and other professionals, including those who work in 'green industries' that produce goods or services that contribute directly to preserving and enhancing the quality of the natural environment (e.g. renewable energy, energy-efficient materials design and manufacture; waste management).

Together with quality physical infrastructure, community infrastructure, including the Shire of Mundaring's cultural, recreational, leisure and entertainment facilities and services is a vital enabler of economic development for the role it plays in enhancing the shire's lifestyle and liveability appeal.

The area's area's natural attributes and prominent features such as John Forrest National Park, Lake Leschenaultia and Mundaring Weir, as well as the shire's network of trails - the Railway Reserves Heritage Trail, the Bilgoman Well Heritage Trail, Lake Leschenaultia Trails and heritage walk series - together contribute to the shire's unique lifestyle and liveability advantage.

Continued strategic investment in these assets will ensure that a more diverse and higher quality recreational experience is provided for the benefit of residents as well as protecting the environment and enhancing the appeal of the shire as a destination for day trippers and overnight stays.

# **Unlocking our Recreational Assets**

The natural environment is one of the Shire of Mundaring's greatest economic assets. Approximately half of the shire's land area comprises National Park, State Forest, Regional Parks and other reserves.

The area's prominent features such as John Forrest National Park, Lake Leschenaultia, Mundaring Weir, the Railway Reserves Heritage Trail and network of other local and regional trails, the shire's strong arts and creative industries profile, as well as its European history and First Nations cultural heritage collectively play a key role in defining the Shire of Mundaring's point of difference as a place to live, to work and invest and to visit.

Some of the area's natural assets, such as Mundaring Weir and large parcels of land, are limited in their capacity to accommodate recreational activities for locals and visitors due to State Government water catchment policies.

There is potential to open up the Weir and surrounding land for recreational use and for tourism including non-fuel related water activities such as kayaking and paddleboarding as well as hiking. This requires engagement with Water Corporation WA to support visitation to Mundaring Weir.

There is an opportunity to capitalise on the shire's comparative advantages including its neighbouring location to the head of the Bibbulmun Track (from Kalamunda to Albany), the Golden Pipeline Heritage Trail to Kalgoorlie and the Munda Biddi Trail (which extends from Mundaring to

Albany) by articulating, in marketing and branding, these attributes as part of a wider regional tourism offer with a reach that could extend into interstate and international markets.

The area's natural assets and built infrastructure also presents an opportunity to establish the Shire of Mundaring as an accredited WA Trail Town through focussed improvements to the destination across a range of parameters including level of community engagement, strategic governance, trail management processes, availability of attractions and accommodation.

This would allow the Shire of Mundaring, in partnership with others, to develop a comprehensive destination-development guide targeting both existing and potential trail users from throughout Australia and overseas, including the growing hiking market.

Supporting more people to work from home (and in dedicated commercial precincts) will drive new opportunities and demand for services throughout the shire, helping to increase local spend with flow-on benefits for all sectors of the local economy.

The shire's lifestyle attributes can also be leveraged to promote new business investment through a strategic and coordinated approach to business support and investment attraction, beginning with those sectors which have a strong profile such as health and wellbeing, professional and trade services, food and beverage production and retailing.

# **Building our Lifestyle Economy**

One of the most significant workforce trends in recent years has been the pace with which businesses and workers have transitioned to more flexible work-life arrangements. Working from home has become more common, especially for professionals working in knowledge-intensive sectors such as the creative industries. According to the latest ABS Census, the most prominent occupational categories of working residents in the Shire of Mundaring are professionals, technicians and trade workers and community and personal service workers. A large number of these workers commute to Perth every day.

The Shire of Mundaring's appeal as a location for professionals to live, work and play presents an opportunity to support this demographic with appropriately located shared / co-work space which would help improve the balance between those who leave the shire every day to work elsewhere and those who stay in the shire to develop their business and engage with local supply chains.

Supporting more people to work from home (and in dedicated commercial precincts) will drive new opportunities and demand for services throughout the Shire, helping to increase local spend with flow-on benefits for all sectors of the local economy. The Shire's lifestyle attributes can also be leveraged to promote new business investment through a strategic and coordinated approach to business support and investment attraction, beginning with those sectors which have a strong profile such as health and wellbeing, professional and trade services, food and beverage production and retailing.

# **Embracing the Circular Economy**

The communities of the Shire of Mundaring are environmentally conscious, presenting an opportunity to explore new 'green' industries like renewable energy, energy-efficient materials design and production and resource recovery, consistent with the principles of a circular economy.

A circular economy reduces material use, redesigns products and services to be less resource intensive, and re-captures 'waste' as a valuable resource to manufacture new materials and products. Moving towards a more circular economy would deliver benefits to the Shire of Mundaring, including reducing pressure on the highly-valued natural environment, stimulating innovation, boosting economic activity and creating local jobs.

At the grass roots level, the Shire can take a lead, working in collaboration with Eastern Metropolitan Regional Council, businesses and others to promote a formalised approach to 'plastic-free' commerce through initiatives such as the Plastic Free Places Program, which is in operation in other areas throughout Australia.

As well as delivering direct environmental benefits, such a program can serve to grow visitation sustainably by attracting the conscious traveller who places a premium on destinations with strong environmental credentials. Formalising the Shire's eco-credentials through appropriate accreditation will also help to grow the local visitor economy.

# **Tourism Product Development**

The Shire of Mundaring's tourism sector is an emerging area of economic activity with the potential to diversify and grow the local economy. According to Tourism Research Australia, visitation to the Shire of Mundaring grew from 350,732 in 2014 to 457,065 in 2019, a healthy average annual rate of growth of 5.4%. During the same period, visitation to the Perth Hills increased by 5.3% per annum and the Destination Perth region, 4.6%.

Tourism Research Australia data reveals that domestic day trippers overwhelmingly account for the largest share of visitors to the Shire of Mundaring (90% of the total). Domestic overnight visitors account for 9% of all visitors while 1% of visitors come from overseas. Visitor accommodation options, while of a high quality, are limited in breadth and depth, presenting an opportunity to encourage a greater diversity of accommodation to help grow the overnight visitor market.

Of the main activities that domestic day trip visitors to the Shire of Mundaring participate in, 85% engaged in social activities; 42% in outdoor/nature activities, and 17% in active outdoor activities. Only 8% of domestic day trippers visited local attractions / tourist activities. In comparison, 15% of visitors to the surrounding Perth Hills region engaged in visiting local attractions / tourist activities.

This suggests there is scope to build the profile of the shire's naturebased attractions through strategic product development and marketing (including to high-value eco-tourists) and through the design, promotion and delivery of a coordinated calendar of events.

The Shire of Mundaring is home to a number of events built on the area's strong arts and cultural profile, including the Mundaring Hills Open Studios and Darlington Arts Festival. There are various markets including the Mundaring Garden and Farmers Market, Perth Hills Artisan Markets and others.

The Shire could combine the strength of its profile and assets to enhance its tourism offer. For example, while some interpretive signage and sculptures are already in place, visitors' experiences using the Railway Reserves Heritage Trail could be further enhanced by utilising new technologies and drawing on local creative expertise to elevate the trail's status as a heritage-listed 'nature trail'.

The shire's First Nations culture and heritage could also be illuminated as an integral component of the local tourism offer, and Aboriginal and Torres Strait Islander cultural tourism experiences could be explored in consultation with Traditional Owners (e.g. camping with custodians, bush tucker tours and First Nations art).

# **Investing in the Enablers of a Vibrant Visitor Economy**

Developing the Shire of Mundaring's tourism offer requires a continual focus on the 'enablers of a vibrant visitor economy', which includes a conducive natural, built and social/cultural environment; quality infrastructure; effective, coordinated marketing and information management; and purposeful and collaborative governance.

Some infrastructure shortfalls have been identified as being critical to the Shire's capacity to attract and retain visitors (and visitor spend). For example, there are no rest stop facilities (including dump points for RVs) in the Shire. This means drive tourists travelling to Perth and beyond from the eastern states, who might otherwise stop and stay a while in the Shire, are a missed opportunity. Investment in new technologies, such as electric vehicle charging stations, would also serve to encourage more visitors to stop and stay in the Shire of Mundaring.

The Visitor Information Centre in Mundaring Town Centre, while visible from the highway, is not well-located in terms of accessibility and the building is small. Some stakeholders believe the traditional VIC model is preferred (though an alternative location may be warranted) while others support a more decentralised 'hubs' model including the use of digital information kiosks. Further research is warranted, including into visitors' information needs / preferred methods of sourcing information, to determine which information delivery model will work best moving forward. A modern approach to visitor information delivery which responds to user preferences should be pursued.

# Promoting the Shire of Mundaring's 'Personality Brand'

The development of a strong and sustainable visitor economy requires Shire of Mundaring to continue to embrace its connections with the wider Peth Hills region while ensuring the 'Shire of Mundaring brand' is not lost. This means leveraging the marketing and promotional power of the Shire's location within the Perth Hills, its proximity to key visitor markets and its relationship with its neighbours including the Toodyay and Northam Shires through the Perth Hills Tourism Alliance. If opportunities for tourism product development, destination management, promotion and resourcing are addressed, the Shire of Mundaring's visitor economy is poised to further develop its profile and enhance its contribution to local economic activity and employment.

8.08.2023 COUNCIL MEETING CONFIRMED MINUTES

# 7. Shire of Mundaring's Role in Economic Development and Tourism

## Shire of Mundaring's Economic Development and Tourism Support Activities

Shire of Mundaring is committed to providing the foundations for sustainable economic development and tourism by working within its remit as a local government authority to strike a balance between lifestyle, natural environmental sustainability and economic opportunity for the shire's almost 40,000 residents. The Council (Council Members) is responsible for strategy and policy. The Administration (CEO and employees) is responsible for advice, implementation and operations.

# 8. Strategy Themes

# **Strategy Action Areas**

Our community's aspirations, the vision and values and the Shire of Mundaring's attributes, challenges and opportunities for economic development and tourism, inform a strategic approach to implementing initiatives to support a prosperous economy. This strategy contains 37 individual actions across three Strategy Action Areas that are designed to deliver prosperity for **Our Businesses; Our Communities;** and **Our Visitors**. These strategic themes and the actions that sit under them, are presented in detail in Section 9.

# **Strategic Alignment**

Shire of Mundaring's commitment to supporting economic development and tourism does not occur in isolation, and key to the growth of the local economy is the development of connections across departments within the organisation and partnerships with the other tiers of government, non-government and industry stakeholders and the community to help realise the vision for a prosperous economy and a sustainable future.

Prepared in the context of the Shire of Mundaring's Strategic Community Plan 2020-2030 and aligned with key planning, advocacy and informing documents including the Eastern Metropolitan Regional Economic Development Strategy, the Perth Hills Tourism Alliance Marketing Plan, the Perth Hills Strategic Visioning document, the Shire of Mundaring Local Biodiversity Strategy and the Shire of Mundaring Reconciliation Action Plan, Shire of Mundaring encourages a partnership approach to addressing the shire's economic development and tourism priorities.

# 9. Action Plan

# **Strategy Delivery Framework**

Our community's aspirations, the vision and values and the Shire of The Shire of Mundaring Economic Development and Tourism Strategy 2023-2028 contains 36 individual actions across three themed Action Areas. Informed by the vision and values, the initiatives are designed to deliver prosperity for Our Businesses; Our Communities; and Our Visitors.

Each action is categorised according to whether it is focussed on:

- **Planning** a course of initiatives to realise desired outcomes.
- **Enabling** economic activity through infrastructure and service

Vision

- provision, either directly or through engagement with kev infrastructure and service providers.
- **Supporting** economic development through engagement with local business and industry and other key agents of change including government agencies, tourism bodies and economic development organisations.

A welcoming, connected and sustainable lifestyle destination celebrated for its natural beauty, rich heritage, vibrant culture and thriving and economy.

A Place Where Residents and Visitors are Engaged in Nature

A Place Where Arts, Culture and the Creative Industries Thrive

A Shire of Unique Villages with Strong and Discreet Local Centres

A Shire Where it is Easy to Do Businesses

A Shire Celebrated for Both its **European and First Nations** History and Heritage

**Promoting and Advocating** prosperity through investment attraction, promotion and advocacy.

For each action, implementation partners are identified and desired outcomes are highlighted. Each action is also assigned a level of priority according to whether it is considered to be a high, medium or low priority.

Economic Development and Tourism Strategy 2023 - 2028

8.08.2023 COUNCIL MEETING CONFIRMED MINUTES

# 10. Strategy Implementation and Resourcing

# A practical and achievable plan of action

The Shire of Mundaring Economic Development and Tourism Strategy 2023-2028 has been prepared in the context of the role of economic development and tourism promotion and facilitation in Shire of Mundaring's broader program of work and strategic objectives. The strategy will be implemented in line with determined priorities as well as the availability of resources and the capacity of Shire of Mundaring, in partnership with others, to progress the initiatives identified.

The initiatives presented in this document represent a prioritised plan of action to help support the development of a diverse, resilient, sustainable and prosperous economy. It contains a combination of:

- Catalyst project planning and development initiatives which require action combined with a well-planned course of project implementation for the desired outcomes to be realised over time; and
- Initiatives focussed on strategic program implementation that can be addressed as part of Shire of Mundaring's day-to-day tourism promotion, business support and advocacy functions in a strategic and targeted manner.

Some of the recommended actions seek to build on or continue initiatives already in place. Some are already resourced while others require additional resourcing (depending on implementation priorities).

The majority of actions will be 'Shire of Mundaring-led' in that they involve specific tasks and an allocation of human, physical and financial resources. Other initiatives refer to 'Shire of Mundaring-supported' activities and these are advocacy or support initiatives where implementation relies a partnership approach.

The contents of this strategy will be used to assess and prioritise funding needs and to inform key advocacy and partnership initiatives to secure funding support from all levels of government.

# 11. Strategy Targets, Monitoring and Evaluation

# Measuring and monitoring strategy outcomes

This strategy contains a range of initiatives, which are designed to support economic development and tourism in the Shire of Mundaring through:

- Sustainable population growth;
- Strategic infrastructure to enable economic development;
- A vibrant and sustainable visitor economy;
- · Local business growth and development; and
- Employment opportunities for the Shire's resident workers.

Shire of Mundaring will monitor the strategy's implementation progress with a view to realising these desired outcomes in line with the vision for the Shire of Mundaring as a welcoming, connected and sustainable lifestyle destination celebrated for its natural beauty, rich heritage, vibrant culture and prosperous economy.

Means of monitoring and evaluating implementation progress will include the use of both 'output' measures related directly to the recommended actions and their implementation as well as some broader 'outcome' targets (metrics).

The Shire of Mundaring Economic Development and Tourism Strategy 2023-2028 will be reported on annually with a review anticipated in five years.

# **Key performance measures**

Strategic planning outcome targets include the following:

- A sustainable population (as measured by population and housing growth rates).
- Employment creation (an increase in local jobs).
- An increase in employment self-sufficiency (a balanced ratio of local jobs to (for) resident workers).
- New businesses (as measured by net change in local business registrations).
- Construction activity (as measured by building approvals data).
- Greater economic diversity (as measured by industry diversity indices).
- Economic activity and growth (as measured by GRP value).
- Increased tourism activity (and value) (as measured by visitor numbers, expenditure and yield/value).

These desired outcomes will be monitored and measured using data sourced from the Australian Bureau of Statistics and Tourism Research Australia.

Economic Development and Tourism Strategy **output measures** that will be used to monitor progress on set tasks include:

- Tracking progress of prioritised actions implementation rates (ongoing).
- Local business and investor feedback captured through targeted engagement and discussion (ongoing).
- Success in retaining and assisting local businesses (including homebased businesses) as well as supporting business start-ups, captured through targeted business and industry engagement (ongoing).
- Regular business confidence and community satisfaction surveys on Shire of Mundaring's approach to promoting and supporting economic development and tourism in line with this strategy and identified priorities.

| Attachments                   | <ol> <li>Draft Recommended Priorities for Lobbying and Advocacy<br/>2023 - 2025 </li> </ol> |  |  |
|                               | 2. Lobbying and Advocacy Strategy 2018/19 J   |  |  |

#### SUMMARY

In accordance with Council's current Lobbying and Advocacy Strategy (November 2018), Council is requested to adopt a list of lobbying priorities for the coming year. This is normally completed on an annual basis; however, consistent with the presentation to Council Members at the 27 June 2023 Council Forum, it is now recommended to adopt priorities for lobbying and advocacy for a two-year period. The intent of this approach is to provide a higher level of continuity for large projects being planned and considered by Council and takes into account the state and federal elections to be held in 2025.

The draft recommended priorities for Lobbying and Advocacy 2023 – 2025 are detailed within **Attachment 1.** The purpose of identifying these are to raise the profile of the adopted priorities in order to obtain external support, including financial support at the appropriate time.

It is important to note that the tiered ranking system within **Attachment 1** has been modified to a two-tiered approach. Accordingly, the Revitalisation of Mundaring Town Centre and proposed construction of the Multi-purpose Community Facility are the only recommended Tier 1 projects and would be the primary focus of the Shire's lobbying and advocacy effort from 2023 – 2025.

#### **BACKGROUND**

Council adopted the Lobbying and Advocacy Strategy 2018/19 (Strategy) (**Attachment 2**) in November 2018 (C8.11.18). This Strategy was adopted to enable a more effective, consistent and targeted delivery of the Shire's key messages to attempt to influence decision-makers to meet the needs and expectations of the local community.

The Strategy defines a process in which measures worthy of lobbying and advocacy are identified and presented to Council through Council Forum for discussion and feedback. Once this has occurred, a prioritised list for the upcoming 12 months is then presented to Council for adoption.

Following on from Council's adoption of the prioritised list, Shire staff finalise a summary document, primarily for external use and communication of the final lobbying and advocacy priorities in order to be able to use these materials to seek funding for the priorities listed.

#### STATUTORY / LEGAL IMPLICATIONS

Nil

# **POLICY IMPLICATIONS**

Some recommended actions within the Strategy will need to comply with relevant policies, including but not limited to:

- Community Engagement Policy (CD-04)
- Purchasing Policy (AS-04)

#### FINANCIAL IMPLICATIONS

There is \$20,000 per annum listed in the Long Term Financial Plan for lobbying and advocacy. It is likely that a proportion of these funds would be utilised to engage the professional services of a Government Relations Advisor to assist in preparation and delivery of a targeted Lobbying and Advocacy Strategy for the Tier 1 projects.

# STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.2 – The Shire advocates on behalf of its community

Strategy 4.2.1 – The Shire develops partnerships with government and non-government organisations to achieve positive outcomes for the community and wider region

## SUSTAINABILITY IMPLICATIONS

Nil

### **RISK IMPLICATIONS**

**Risk**: Council does not adopt the Lobbying and Advocacy Priorities detailed within **Attachment 1.** 

| Likelihood | Consequence | Rating |
|------------|-------------|--------|
| Possible   | Minor       | Low    |

# Action / Strategy

Feedback was sought from Council Members on the proposed Lobbying and Advocacy Priorities prior to coming to Ordinary Council Meeting for adoption and this has been incorporated into the recommended priorities.

# **EXTERNAL CONSULTATION**

Nil

#### COMMENT

Rationale for Town Centre Revitalisation and MPCF as the focus for adoption as Tier 1 priorities. Tier 1 priorities are for transformational projects of district/regional significance.

Council's articulated and long-held vision for the key projects of Revitalisation of the Mundaring Town Centre and creation of a "Civic and cultural heart" through construction of a Multi-purpose Community Facility, are currently reaching significant project milestones. Importantly, both of these projects are likely to require significant external funding in addition to the Shire's existing planned budget.

In order to maintain progress towards implementation of these transformational projects, it is critical to ensure that they become the primary focus of council members and Shire staff for ongoing targeted lobbying and advocacy activities. As detailed within **Attachment 1**,

both of these projects are recommended to be classified as Tier 1 projects, which would result in the following supporting activities being undertaken as a minimum:

- Preparation and delivery of a targeted lobbying and advocacy strategy and supporting engagement plan;
- Targeted regular meetings with State and Federal stakeholders including Local and Federal members, including relevant Ministers and key government departments;
   and
- Ongoing active monitoring for promotion and securing funding required.

What happens with other priorities already identified by Council?

The majority of the existing priorities that have been previously identified by Council remain on the recommended list as detailed within **Attachment 1**. These have been assigned a Tier 2 ranking and as such, have a lower level of supporting information. Tier 2 priorities are for projects of local significance

Council Members and Shire staff would still lobby and advocate for these projects as required with the proposed activity to support these measures including:

- Correspondence to lobby and advocate for the identified measure; and
- Opportunistic response to promotion and funding opportunities.

# Emerging other priorities

In accordance with Council's current Lobbying and Advocacy Strategy (November 2018), "Council may also add to, or otherwise amend the list of priority items at any time".

There are three recent examples of these emerging priorities detailed within **Attachment 1** and these are:

- 1. Volunteer Bushfire Brigade Capital Works Requirements; and
- 2. Strategies that have been recently adopted by Council, which have components within them that are considered likely to require lobbying and advocacy support to implement effectively.

Rationale for Council adopting priorities for two years

It is a recommended that Council adopts the priorities detailed within **Attachment 1** for a designated two-year period (2023 – 2025). This will provide a higher level of continuity to both Council Members and Shire staff in pursuit of favourable outcomes for the projects listed as priorities. Further, this approach takes into account the upcoming state and federal elections scheduled for 2025.

#### **VOTING REQUIREMENT**

Simple Majority

# MOTION RECOMMENDATION

Moved by Cr Zlatnik Seconded by Cr Jeans

#### That Council:

- 1. Adopts the Recommended Priorities for Lobbying and Advocacy 2023 2025 as detailed within **Attachment 1**.
- 2. Notes, although the recommended focus for lobbying and advocacy effort is targeted at the Mundaring Town Revitalisation and construction of a Multi-purpose Community Facility, other priorities are listed and council members and Shire staff will still actively pursue favourable outcomes for these over the next two-year period.
- 3. Notes new and/or additional priorities for lobbying and advocacy can be added to the adopted list as council sees fit.

#### AMENDMENT MOTION

Moved by Cr Ellery Seconded by Cr Cook

#### That:

1. point 1 of the recommendation be amended as follows:

Adopts the Recommended Priorities for Lobbying and Advocacy 2023 – 2025 as detailed within Attachment 1 with the following amendment: That the Helena River Parkland be moved to Tier 1; and

2. point 2 of the recommendation be amended as follows:

Notes, although the recommended focus for lobbying and advocacy effort is targeted at the Mundaring Town Revitalisation and construction of a Multi-purpose Community Facility, **and Helena River Parkland**, other priorities are listed and council members and Shire staff will still actively pursue favourable outcomes for these over the next two-year period.

Attachment 1 – (Draft) Lobbying and Advocacy Priorities 2023 – 2025

#### Tier 1 - Transformational projects of district/regional significance

It is likely that these projects will have a beneficial impact across the Shire and the broader region. They would be closely associated with job creation, investment, transport, connectivity, sustainability and health.

Proposed activity to support these measures would include:

- Preparation of a targeted lobbying and advocacy strategy and supporting engagement plan;
- Targeted regular meetings with Local and Federal members; and
- Ongoing active monitoring for promotion and securing funding required.

| Identified Measure   | Strategic Policy Context  | Target Audience   | Outcome Sought   |
|--|---|---|--|
| Mundaring Town Centre Revitalisation      Council vision for the Mundaring Town Centre     Upgrade of Mundaring Town Centre sewerage capability  | Lobbying and Advocacy<br>Strategy 2018/19     Long Term Financial Plan<br>2021/22 - 2030/31     Corporate Business Plan<br>2021/22 - 2024/25     Shire of Mundaring June<br>2021 Prospectus,<br>Sustainable Growth<br>Through Investment     Mundaring Town Initiative<br>Masterplan March 2017     Mundaring Activity Centre<br>Plan October 2018  | Elected Members — Local, State and Federal     State Government Agencies including, but not restricted to:     Department of Premier and Cabinet     Department of Planning Lands and Heritage & WAPC     Water Corporation     Lotterywest | Funding to enable project to continue to next stage (in parallel with the MPCF) as detailed within the respective planning instruments:     Mundaring Town Initiative Masterplan March 2017     Mundaring Activity Centre Plan October 2018     Working towards attainment of the vision to establish a "Thriving village lifestyle with a strong town centre"     "New civic and cultural heart" (MPCF)     Investment ready to enable suitable mixed housing development (multi-storey, ageing in place, retail on ground floor etc.)     Overcome servicing and access issues     Commitment from Water Corporation to upgrade existing wastewater and effluent disposal system to enable further residential development beyond that of proposed MPCF  |
| 2. Mundaring Multi-purpose Community Facility  • Construction of the Mundaring Multi-Purpose Community Facility (MPCF) (including land assembly and facility rationalisation/ repurposing/redevelopment and public realm enhancements) | Lobbying and Advocacy Strategy 2018/19     Long Term Financial Plan 2021/22 - 2030/31     Corporate Business Plan 2021/22 - 2024/25     Shire of Mundaring June 2021 Prospectus, Sustainable Growth Through Investment     Mundaring Town Initiative Masterplan March 2017     Mundaring Activity Centre Plan October 2018     Mundaring Multipurpose Community Facility, Needs Analysis and Land Assembly Options and Constraints October 2022     Mundaring Multi-purpose Community Facility - Property Strategy and Land Assembly Plan July 2021 | Elected Members – Local, State and Federal     State Government Agencies including, but not restricted to:     Department of Premier and Cabinet     Department of Planning Lands and Heritage & WAPC     Water Corporation     Lotterywest | Funding is sought to augment existing Shire capital planned for this new facility to enable construction of new facility that effectively becomes the new "Civic and Cultural heart of Mundaring Town Centre"  It is important to realise that the required funding for the MPCF is not just about construction of a single building on the chosen site, rather it incorporates the following as an example of the scope of the wider project:  Extensive stakeholder and community consultation Planning, design and construction of the MPCF Hub Public realm enhancements such as:  Increased and modified parking  Street and landscaping  Lighting  Additional seating  Public art  Market square, etc.  Land assembly and existing facility rationalisation including:  Relocated and enhanced war memorial  Historical precinct created with a new museum  Further development and linkages of new and existin facilities, in accordance with the 'Hub-plus' conceptual design layout  Consolidation, sale, development and/or disposal of lots within the Town Centre  The MPCF Hub building itself is likely to contain the following:  Library  Function Hall/Performance & Exhibition Space  Hub of the Hills Community Centre  Waternal/Child Community Health  Foyer/Coffee Lounge  Mixed use Office/Space for Not for Profit  Art Callery/Workshop Museum  Youth Space |

#### Tier 2 - Projects of local significance

Projects of local significance which would enhance the everyday lives of residents. They would bring social, health and wellbeing benefits and improve local community connections.

Proposed activity to support these measures would include:

- Correspondence to lobby and advocate for the identified measure; and
   Opportunistic response to promotion and funding opportunities.

#### Attachment 2

#### Shire of Mundaring - Lobbying and Advocacy Strategy 2018/19

#### Introduction

This strategy creates a framework and process for lobbying and advocacy activities, supporting the Shire's Strategic Community Plan.

It is designed to facilitate effective, consistent, targeted delivery of the Shire's messages, with specific plans developed to address predetermined key priority issues.

#### Definition

Advocacy can be defined as pleading for, supporting, or recommending. It is an active process in support of a specific outcome - influence. The sole purpose of advocacy is to seek to influence policy-making, investment or service provision.

This definition raises three key questions, the answers to which collectively provide the policy framework for the Lobbying and Advocacy Strategy and its' implementation:

- · What influence are we trying to achieve?
- · Who are we trying to influence?
- · How are we trying to influence them?

In other words, effective advocacy needs to:

- · Clearly identify the key issues and desired outcomes
- · Have clearly articulated unambiguous messages
- · Target the appropriate influencers or decision-makers
- Use appropriate and effective methods to deliver the message

#### **Policy Framework**

The key priorities and aspirations of the community are expressed through the Strategic Community Plan.

In the context of the Strategic Community Plan, it is important to recognise that the Shire will not be able to achieve the aspirations articulated by the community alone and that it will require collaboration by all levels of government, as well as the community, to achieve the shared vision.

The Shire's role, which is limited, includes:

- · Delivery of facilities and infrastructure
- Regulation
- Enabling and facilitation
- Education
- Civic leadership and advocacy

Shire of Mundaring - Lobbying and Advocacy Strategy 2018/19

Page | 1

#### Aim

The aim of the Lobbying and Advocacy Strategy is to provide the information and tools to facilitate elected representatives and senior staff in exercising influence over policy, service provision, investment, and infrastructure decisions taken by other parties. Sustained engagement in well-designed advocacy program can also assist in building a network of influential contacts that can facilitate easier access to decision makers and influencers. A concerted effort at advocacy can make the process easier.

#### Process

Each year the Executive Leadership Team will identify and prioritise high-level issues that are considered to be of sufficient import to warrant a formal plan of advocacy to be developed. The Executive Leadership Team will also identify small teams to develop and implement an Advocacy Implementation Plan for each issue.

The list of issues will be discussed at Council Forum. Council will formally adopt a list of priority issues each year. Council may also add to or otherwise amend the list of priority items at any time.

#### Advocacy Implementation Plans

Each identified issue will have a small team allocated to develop and implement an "Advocacy Implementation Plan." The plan will:

- · Summarise the issue for which an Advocacy Implementation Plan is required
- · Identify key outcomes required to be achieved for the Mundaring community
- · Identify key decision-makers and influencers to be approached
- · Identify benefits or reasons supporting the importance of the issue
- · Identify supporting partners and stakeholders
- Outline the actions required to be taken to implement the Plan
- Identify requisite resources to effectively implement the Plan, and where those resources are coming from
- · Identify background information and supporting resources

#### Fact Sheets

Where appropriate, Fact Sheets will be produced and updated for use in lobbying and advocacy activities. In general, Fact Sheets will take a form consistent with the attached example and include:

- Project Summary
- Situational analysis
- · Risks of delay
- Outcomes
- · How you can help us

#### 10.5 Food Organics and Garden Organics (FOGO) Third Kerbside Bin

File Code WM.SER 02.1

Shane Purdy, Director Infrastructure Services Author Shane Purdy, Director Infrastructure Services Senior Employee

**Disclosure of Any** 

Interest

Nil

Attachments 1. Interim FOGO Supply Agreement (confidential)

#### **SUMMARY**

Reducing landfilled food and garden organics is a major waste minimisation priority for national and state governments. In response, many local governments nationwide are introducing kerbside food organic and garden organic (FOGO) waste collection, for subsequent processing in a FOGO specific facility. A FOGO service will involve a community wide behavioural change program that will deliver environmental benefits.

In considering the current information on the introduction of a third bin FOGO service, it is recommended that Council approves this new service to be introduced from 1 July 2024 and authorises the Chief Executive Officer to finalise minor changes to the Participant Agreement and associated documents with Eastern Metropolitan Regional Council (EMRC) for an Interim FOGO supply arrangement.

#### **BACKGROUND**

Food and garden organics are a key target for increased resource recovery. Organics represent the single largest fraction in a household garbage bin and downstream produce detrimental environmental impacts within the landfill environment. A 2019 audit of EMRC member councils' residual waste stream found organics amounted to 55.1% of total bin weights.

The Western Australian Government, in its Waste Avoidance and Resource Recovery Strategy 2030, has set a target that by 2030 only 15% of waste within the Perth and Peel regions will be landfilled. Achieving the 2030 target is largely premised on metropolitan and Peel region local governments having in place a FOGO system.

EMRC, in response to the challenge of this target, adopted a FOGO Waste Strategy at its 19 September 2019 meeting where it was resolved as follows:

"That Council endorses the draft Food Organics and Garden Organics (FOGO) recovery strategy subject to the last dot point under 'principles' on page 9 being amended to state "the funding of bins, caddies and initial education / product marketing for member councils will be funded through the secondary waste reserve."

This EMRC FOGO Strategy has resulted in the following actions:

- A costing model for a three bin collection system being prepared for each member Local Government.
- Payment of funds from the EMRC Secondary Waste Reserve to member Local Governments to assist pay for additional bins and setup costs for a three bin system.
- The commencement of an interim FOGO facility service at Redhill for the Town of Bassendean and City of Bayswater.

- Engaged additional education staff for the important change management program.
- Preparation of a feasibility study for a permanent FOGO facility.
- A tender process to deliver a permanent FOGO facility from a shortlisting of proponents via expressions of interest process.

At the 13 October 2020 Council meeting, when Council considered the introduction of FOGO, Council resolved **(C14.10.20)**:

"That Council approves, in principle, the introduction of a third bin FOGO system consistent with the State's and EMRC's FOGO strategies and best practice guidelines, with final confirmation to be considered following the EMRC tender process for a permanent FOGO facility and receipt of a draft participants' agreement."

EMRC tender for the design and construction of a permanent facility closed in July 2021. In December 2022, EMRC resolved to halt the tender assessment following advice of the withdrawal of City of Kalamunda as a member of EMRC. The reasons for the lengthy assessment were primarily due to the significant cost of construction and sizing of facility, given the initial withdrawal of City of Belmont. However, the subsequent withdrawal advice by City of Kalamunda made the tender proposal unviable to continue in its original scope.

A permanent FOGO facility is currently under review, with a smaller scale project being considered. The timeline for the permanent facility to be retendered, built and commissioned is unknown.

As an interim arrangement, EMRC have developed a supply arrangement with an external contractor via the EMRC Hazelmere site for this contractor to sort (i.e. to remove contaminants) then take the residual organic waste for processing.

At the 13 June 2023 Council meeting, it was resolved (C1.06.23);

"That Council:

- authorises the Chief Executive Officer to negotiate a Participants Agreement and supporting documentation for the introduction of FOGO via an interim FOGO supply arrangement with EMRC, to commence 1 July 2024 with collection of bins to be undertaken by EMRC as part of the regional waste collection service arrangement; and
- 2. notes the final draft Interim FOGO Supply Agreement document will be presented to a future Council meeting for endorsement."

EMRC has been working with member Council staff for over a year to finalise an Interim FOGO Supply Agreement. The Agreement has been reviewed and worked on by member Council staff and solicitors for EMRC and member Councils. A final draft is presented as **Confidential Attachment 1**.

#### STATUTORY / LEGAL IMPLICATIONS

Shire of Mundaring, as a member Local Government of the EMRC, may participate in activities of the EMRC as set out within the EMRC establishment agreement.

#### **POLICY IMPLICATIONS**

Council adopted in March 2021 (**C2.03.21**) a *Shire of Mundaring Waste Plan*, required under Section 40(4) of the Waste Avoidance and Resource Recovery Act 2007 (WARR Act), which includes the introduction of FOGO to meet the State and Shire's waste objectives.

# FINANCIAL IMPLICATIONS

Cost modelling done in October 2020 regarding the introduction of a third bin FOGO system was based on an estimated gate fee price of \$135 per tonne, and resulted in an anticipated additional \$15 cost increase to the household waste charge.

The proposed gate fee price is based on the draft participant's agreement for an Interim FOGO Supply Agreement, and is the gate rate for fees and charges set by the EMRC in its annual fees and charges pursuant to the *Local Government (Financial Management)*Regulations 1996 which states that a Participant must pay per tonne of FOGO Waste delivered to a specified Waste Management Facility.

This rate will be the same for each member Council and will be determined based on recovery of costs from both the interim FOGO facility at Redhill (currently used by City of Bayswater and Town of Bassendean) and the waste transfer station at Hazelmere.

The current gate fee charge for the Redhill facility is \$104.27 per tonne. The costs at the Hazelmere site could be as high as \$135 per tonne. Once these costs are combined the gate fee is expected to be less than \$135 per tonne at July 2024 for all member Councils.

Should FOGO not be introduced in July 2024, it is noted the landfill waste levy will increase by \$15 per tonne, which would result in a gate fee increase for landfill of over \$210 per tonne from that date, noting it is currently \$198.82 (for 2023/24) per tonne. Should FOGO be introduced in July 2024, the cost difference to the standard waste charge is now likely to be negligible given the likely increase in landfill levy.

EMRC paid Shire of Mundaring \$1,455,200 during 2020/21 to assist with the capital costs and introduction costs involved in purchasing third bin, delivering out a third bin, changeover of bin lids for the residual waste bin to a red coloured lid, provision of bin caddies/compostable bin liners and educational promotion. EMRC also provided an additional funding distribution of \$473,761 during 2021/22 which was placed into a Waste Reserve.

The Shire signed a Better Bins Plus grant in November 2021 to receive \$310,800 in funding to help offset the cost of new bin adjustments and acquisition together with delivery to properties. A 50% upfront part payment of \$155,400 has been received. This grant was provided based on commencing in July 2023. Due to the issues with the permanent facility tender and the delay in finalising another option, the Shire has approval to commence in July 2024, without impacting the grant amount.

These funds have been placed into the Waste Reserve, which now totals \$2.1M. There is a further \$155,400 yet to be paid as part of the Better Bins Plus grant.

The expected rollout of FOGO with bins consistent with Better Bins guidelines is estimated to cost between \$1.5M and \$1.8M. The balance or part thereof of the grant can be used to smooth out any cost increases to the standard household waste charge.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 2 - Natural Environment

Objective 2.3 – Waste management that is efficient and sustainable

Strategy 2.3.2 – Increase recycling rates and diversion from landfill

# SUSTAINABILITY IMPLICATIONS

The introduction of a third bin FOGO service will have broad environmental benefits by contributing to a 'circular economy' in the form of converting organic waste into compost. This action strongly aligns with the Strategic Community Plan and community vision for Shire of Mundaring to be "*The Place for Sustainable Living*."

# **RISK IMPLICATIONS**

**Risk**: Financial impact – final costs may vary from the modelled costs to operate a third bin FOGO service

| Likelihood | Consequence | Rating   |
|------------|-------------|----------|
| Possible   | Moderate    | Moderate |
|            |             |          |

# Action / Strategy

Assuming a gate fee of \$135 per tonne for FOGO is at a realistic and high end of a potential range of costs that can be expected. It is, however, likely that a cheaper initial gate fee rate than originally modelled will occur, lessening the cost increase of the service.

# **EXTERNAL CONSULTATION**

Nil

#### COMMENT

Environmental benefits and meeting the State landfill waste reduction target will be achieved by undertaking a third bin FOGO service.

The capital costs and introduction costs will be covered from the monies received from EMRC and the State Government's Better Bins Plus grant. Education and promotion will be aided significantly by EMRC waste education officers.

Given the interim FOGO gate fee rate provides a benchmark rate, it can reasonably be assumed the permanent facility costings, once known, would be similar or less than this interim supply gate fee for the permanent facility project to proceed with support of member Councils.

Waste operating costs are recovered via the annual waste charges. Upon the introduction of FOGO, any remaining balances of the Waste Reserve could be used to smooth out or reduce subsequent waste charges.

To progress the large amount of work necessary to introduce FOGO, it is recommended that Council endorses the Interim FOGO Participants Agreement to enable commencement of FOGO from 1 July 2024.

This final draft is also being adopted by the EMRC and various member Councils, which could result in minor changes being proposed. It is therefore recommended that Council authorises the Chief Executive Officer to finalise any minor amendments to enable signing of the Agreement. Any notable departure to the intent expressed in the draft Agreement will be re-presented to Council in the unlikely event that this occurs.

# 10.6 Food Organics and Garden Organics (FOGO) Third Kerbside Bin Collection Service

| File Code                     | WM.SER 02.1  |  |
|-------------------------------|--|--|
| Author                        | Shane Purdy, Director Infrastructure Services  |  |
| Senior Employee               | Shane Purdy, Director Infrastructure Services  |  |
| Disclosure of Any<br>Interest | Nil  |  |
| Attachments                   | <ol> <li>Participants Agreement Regional Collection Services (confidential)</li> </ol> |  |

#### **SUMMARY**

A key component, apart from a location to take kerbside Food Organic and Garden Organic (FOGO) waste, is the collection of a third bin.

In considering the current information on the introduction of a third bin FOGO service, it is recommended that, if introduced, Council endorses this new service to be undertaken by Eastern Metropolitan Regional Council (EMRC), as part of the Regional Waste Collection Service Agreement, from 1 July 2024.

### **BACKGROUND**

At the 13 October 2020 Council meeting it was resolved (C14.10.20):

"That Council approves, in principle, the introduction of a third bin FOGO system consistent with the State's and EMRC's FOGO strategies and best practice guidelines, with final confirmation to be considered following the EMRC tender process for a permanent FOGO facility and receipt of a draft participants' agreement."

The participation in FOGO is to be confirmed in an earlier report in the August 2023 Council meeting agenda.

In considering a proposal for a regional waste collection service by EMRC, at the 14 February 2023 Council meeting it was resolved **(C1.02.23)**;

"That Council authorises the Chief Executive Officer to finalise a Participant Agreement to enable EMRC to provide waste collection services to Shire of Mundaring from 1 July 2023 to 30 June 2033 (**Confidential Attachment 2**)".

The Participants Agreement was subsequently finalised (Attachment 1) and the commencement of general waste bin collections commenced by EMRC in July 2023.

#### STATUTORY / LEGAL IMPLICATIONS

Shire of Mundaring, as a member Local Government of the EMRC, may participate in activities of the EMRC as set out within the EMRC establishment agreement.

# **POLICY IMPLICATIONS**

Nil.

# **FINANCIAL IMPLICATIONS**

Eastern Metropolitan Regional Council (EMRC) previously prepared costings that would result from providing services aligned with specifications developed with member Council

staffing representatives. These costings aligned well with rates of the previous general waste bin collection contractor and will become cheaper when City of Bayswater and Town of Bassendean join in the collection service.

The lift rates will be the same as those for the general waste bin and when combined will assist in reducing fixed costs to drive the overall lift rate down.

# STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 2 - Natural Environment

Objective 2.3 – Waste management that is efficient and sustainable

Strategy 2.3.2 – Increase recycling rates and diversion from landfill

# SUSTAINABILITY IMPLICATIONS

The collection of a third bin FOGO service will continue to offer cost and environmental benefits through the synergies of all the waste collection and disposal methods used by EMRC within the context of a 'circular waste economy' mindset. These actions strongly align with the Strategic Community Plan and community vision for Shire of Mundaring to be "The Place for Sustainable Living."

# **RISK IMPLICATIONS**

**Risk**: Financial impact – utilising alternative contractors to EMRC could dilute the economies of scale of work resulting in a narrowing of fixed cost allocations and greater lift rate costs.

| Likelihood        | Consequence | Rating   |
|-------------------|-------------|----------|
| Likely            | Moderate    | Moderate |
| Action / Strategy |             |          |

Utilising EMRC for the new FOGO waste bin collection service assists reduce the cost of this and the general waste bin collection service.

#### **EXTERNAL CONSULTATION**

Nil

#### COMMENT

EMRC is undertaking regional waste bin collection services for member Councils. City of Bayswater, Town of Bassendean and Shire of Mundaring are already utilising these services in part and over coming years it is likely all general waste bins, FOGO bins and bulk verge collection services will be undertaken by the EMRC.

The operations are based out of Hazelmere where the waste transfer station for the general waste and interim FOGO will be received once the waste energy contract starts during 2024. It is also the location of a waste sorting shed for bulk verge collections.

Given the disposal points are where the trucks will be housed significantly reduces travel time and costs making the operations cost effective against private competitors.

EMRC also runs the Shire's two waste recycling centres, City of Bayswater's waste recycling centre, container deposit scheme operations and the Redhill landfill facility. All these operations enable synergies of staff and plant movement, which provide efficiencies.

As a member of the EMRC, both staff and the two appointed Shire council members work with the EMRC to ensure waste minimisation and effective and efficient services are provided to all member Councils.

To test the market through a tender process will be a time consuming exercise for both staff and contractors, given the complexities of the contract documentation to be prepared for this new service. The costings previously provided show costs similar to the previous general waste collection contractor who delivered that contract by winning those contracts by a comfortable cost margin. Achieving better rates through a tender process is therefore considered highly unlikely.

As a member of EMRC, it is recommended to utilise the synergies and combined knowledge of the member Councils and EMRC to ensure benefits and cost efficiencies are gained by utilising the EMRC for FOGO collection services.

In consideration of all of the above comments, it is it is recommended that should Council approve the introduction of FOGO, the FOGO collection services be undertaken by EMRC.

#### **VOTING REQUIREMENT**

Simple Majority

| COUNCIL DECISION RECOMMENDATION |            | C13.08.23   |          |  |
|---------------------------------|------------|-------------|----------|--|

# 10.7 Lease of Chidlow Professional Rooms - Lot 266 Northcote Street, Chidlow

File Code CP.LEA 52

Author Dee Roberts, Property Management Officer
Senior Employee Shane Purdy, Director Infrastructure Services

**Disclosure of Any** 

Interest

Attachments 1. Chidlow Professional Rooms - Lease J

Nil

### SUMMARY

Following a previous approval to lease the Chidlow Professional Rooms at Lot 266 Northcote Street, Chidlow to Mundaring GP Pty Ltd, the interested party ultimately decided not to proceed.

Another medical group, Spectrum Health Pty Ltd, has since expressed interest in leasing the Chidlow Professional Rooms.

Council is requested to approve entering into a lease with Spectrum Health Pty Ltd (Spectrum Health) and to authorise the CEO to negotiate and execute a lease with Spectrum Health Pty Ltd for the Chidlow Professional Rooms.

# **BACKGROUND**

With the closure of the hospital at the Wooroloo Prison to the general community during 2003, the State Government provided a grant of \$200,000 to the Shire to construct a GP Clinic in Chidlow. An architecturally designed GP clinic was subsequently constructed as an extension to the Chidlow Playgroup and Child Health Centre located at lot 266 Northcote Street Chidlow.

The building comprises of the Playgroup area and Child Health Clinic constructed in 1989 and the GP Clinic, comprising of consulting rooms, a waiting /reception area and staff amenities, which was constructed in 2002.

Since the construction of the GP Clinic, several attempts have been made to attract a GP Service to the premises without success. Although it has been occupied by several casual hirers over the years there has been no long term lease of the GP Clinic. The Child Health Clinic area was occupied by the Child and Adolescent Health Service for a number of years until 2020 when the service was removed from Chidlow. The GP Clinic and the Child Health Clinic combined are now known as the Childlow Professional Rooms.

The Chidlow Playgroup has a current lease of the playgroup area, with a lease end date of 31 October 2028 and option to renew for a further 10-year term.

A previous submission from Mundaring GP Pty Ltd, which was approved by Council in August 2022 (C11.08.22) did not proceed. The lease was negotiated and made available to Mundaring GP Pty Ltd for signing in December 2022. In May 2023, they advised that they no longer wished to proceed with the lease.

In June 2023, the Shire was contacted by Spectrum Health, expressing interest in establishing a medical centre in Chidlow. Spectrum engaged Phillip Coelho from Medibizz Pty Ltd to liaise with the Shire in regards to the prospective lease agreement. Medibizz is a management company, specialising in managing medical centres. Following an inspection of the premises, Spectrum advised they wished to proceed and submitted an application.

# STATUTORY / LEGAL IMPLICATIONS

Section 3.58 of the *Local Government Act 1995* includes provisions for the disposal of property and exemptions.

- (1) In this section
  - **dispose** includes to sell, lease, or otherwise dispose of, whether absolutely or not; **property** includes the whole or any part of the interest of a local government in property, but does not include money.
- (5) This section does not apply to
  - (d) any other disposition that is excluded by regulations from the application of this section.

Regulation 30 of the *Local Government (Functions and General) Regulations 1996* provides for dispositions of property excluded from section 3.58 of the Act:

- (1) A disposition that is described in this regulation as an exempt disposition is excluded from the application of section 3.58 of the Act.
- (2) A disposition of land is an exempt disposition if
  - (f) it is the leasing of land to a person registered under the Health Practitioner Regulation National Law (Western Australia) in the medical profession to be used for carrying on his or her medical practice.

The requirement for advertising, inviting submissions and a market valuation in accordance with section 3.58 of the *Local Government Act 1995* does not apply in this instance due to the exemption as the Director of Spectrum Health, Dr Vishnu Gopalan being a person registered under the *Health Practitioner Regulation National Law (Western Australia)*.

This exemption did not apply to the previous applicant Mundaring GP Pty Ltd as the Director was registered in Queensland.

## **POLICY IMPLICATIONS**

Nil

# FINANCIAL IMPLICATIONS

Additional financial income of \$10,000 per annum to the Shire would result, together with general maintenance costs for the consulting rooms component being undertaken by the lessee instead of the Shire.

### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 3 - Built environment

Objective 3.1 – Shire assets and facilities that support services and meet community need

Strategy 3.1.4 – Buildings and facilities are appropriately managed according to their need and use

### SUSTAINABILITY IMPLICATIONS

The proposal will provide additional health related services to residents of the Shire of Mundaring, in particular to Chidlow and surrounding areas.

# **RISK IMPLICATIONS**

**Risk**: Financial – by not finalising a lease in a timely manner may result in loss of interest or other sites being pursued by the current interested party.

| Likelihood        | Consequence | Rating |
|-------------------|-------------|--------|
| Possible          | Minor       | Low    |
| Action / Strategy |             |        |

Pursue a lease agreement in a timely yet thorough manner. Provide delegation to the CEO to approve minor variations only to complete a lease.

### **EXTERNAL CONSULTATION**

Rental advice was obtained in October 2021 from Certified Practising Valuers, MMJ Real Estate, providing a rental amount of \$10,000 per annum plus GST and outgoings. Subsequent advice from the valuer obtained in August 2022, showed the value had not changed as market demand to lease the premises would be low given the lack of density in Chidlow, the shared nature of the property and the limited surrounding health related premises.

### COMMENT

Spectrum Health were referred to the Shire by Mundaring GP, as Spectrum Health were interested in taking on some of the business interests that Mundaring GP could no longer commit to.

Spectrum Health employ nearly 250 general practitioners and 80 nurses. They currently have 44 medical centres from Dawesville in the south, Yanchep in the north and Swan View to the east.

The medical centre to be known as "Chidlow Family Doctor" would operate Monday to Friday, 8am to 5pm, offering medical services including minor procedures. Initial staffing will be one doctor, a full-time registered nurse and a receptionist with plans to open 1 September 2023. There are plans to employ additional staff as needed. Spectrum has a response team able to cover staff during times of annual or sick leave.

The purpose built rooms do not require a fit out. However, Spectrum Health will undertake painting and cabling (communications) prior to opening. It has been agreed Spectrum may undertake these works at the cost of Spectrum Health once Council has agreed to enter the lease and require approval from the Shire before proceeding.

The initial term of the lease will be two years with two options for further terms of four years. The rental amount will be \$10,000 per annum plus GST and outgoings. The standard Shire commercial lease template has been be used with changes made to reflect the specific nature of the tenancy. It is proposed that the CEO be authorised to negotiate on behalf of the Shire any minor amendments required to the draft lease document (Attachment 1).

# **Details**

# **Parties**

# **Shire of Mundaring**

of 7000 Great Eastern Highway, Mundaring WA 6073 (Lessor)

# Spectrum Health Pty Ltd trading as Chidlow Family Doctor

of Level 8, 251 Adelaide Terrace, Perth WA 6000 (Lessee)

# Background

- A The Lessor is the management body of the land described in **Item 2** of the Schedule (**Land**) under the Management Order.
- B Under the Management Order the Lessor has the power to lease the Land for any term not exceeding 21 years, subject to the approval of the Minister for Lands first being obtained.
- C The Lessee has requested that the Lessor grant it a lease of that portion of the Land described in **Item 2** of the Schedule (**Premises**), and the Lessor has agreed subject to the Parties entering into this agreement.

# Agreed terms

# Defined terms and interpretation

### 1.1 Defined terms

In this Lease, unless otherwise required by the context or subject matter -

Amounts Payable means the Rent and any other money payable by the Lessee under this Lease;

#### Authorised Person means -

- (a) an agent, employee, licensee or invitee of the Lessor; and
- (b) any person visiting the Premises with the consent or implied consent of any person mentioned in paragraph (a);

**Basic Consideration** means all consideration (whether in money or otherwise) to be paid or provided by the Lessee for any supply or use of the Premises and any goods, services or other things provided by the Lessor under this Lease (other than tax payable pursuant to this clause);

**CEO** means the Chief Executive Officer for the time being of the Lessor or any person appointed by the Chief Executive Officer to perform any of her or his functions under this Lease;

**CPI** means the Consumer Price Index (All Groups) Perth number published from time to time by the Australian Bureau of Statistics or its equivalent determined in accordance with **clause 4**;

Commencement Date means the date of commencement of the Term specified in Item 5 of the Schedule;

Contaminated Sites Act means the Contaminated Sites Act 2003 (WA).

Further Term means each further term specified in Item 4 of the Schedule;

Good Repair means good and substantial tenantable repair and in clean, good working order and condition:

**GST** has the meaning that it bears in the GST Act;

**GST Act** means A New Tax System (Goods and Services Tax) Act 1999 (Cth) and any legislation substituted for, replacing or amending that Act;

**GST Adjustment Rate** means the amount of any increase in the rate of tax imposed by the GST Law;

GST Law has the meaning that it bears in section 195-1 of the GST Act;

GST Rate means 10%, or such other figure equal to the rate of tax imposed by the GST Law;

**Interest Rate** means the rate at the time the payment falls due being 2% greater than the Lessor's general overdraft rate on borrowings from its bankers on amounts not exceeding \$100,000, which rate cannot exceed the rate prescribed by, and imposed in accordance with, section 6.13 of the *Local Government Act 1995*;

Land means the land described at Item 12 of the Schedule;

Lease means this deed as supplemented, amended or varied from time to time;

### Lessee's Agents includes:

- (a) the sublessees, employees, agents, contractors, invitees and licensees of the Lessee; and
- (b) any person on the Leased Premises by the authority of a person specified in paragraph (a).

**Lessee's Obligations** means the agreements and obligations set out or implied in this Lease or imposed by law to be performed by any person other than the Lessor;

**Lessor's Obligations** means the agreements and obligations set out or implied in this Lease, or imposed by law to be performed by the Lessor;

**Management Order** means the Management Order made under section 46 of the *Land Administration Act 1997*, under which the Land was vested in the Lessor to be held for the purpose specified in **Item 12** of the Schedule.

**Notice** means each notice, demand, consent or authority given or made to any person under this Lease;

Party means the Lessor or the Lessee according to the context;

**Premises** means the premises described at **Item 2** of the Schedule;

**Rent** means the rent specified in **Item 6** of the Schedule;

Rent Review Date means a date identified in Item 9 of the Schedule;

Schedule means the Schedule to this Lease;

Tax Invoice has the meaning which it bears in section 195-1 of the GST Act;

**Taxable Supply** has the meaning which it bears in section 195-1 of the GST Act.

Term means the term of years specified in Item 3 of the Schedule and any Further Term; and

**Termination** means expiry by lapse of time or sooner determination of the Term or any period of holding over.

## 1.2 Interpretation

In this Lease, unless expressed to the contrary -

- (a) words using -
  - (i) the singular include the plural;
  - (ii) the plural include the singular; and
  - (iii) any gender includes each gender;
- (b) a reference to -
  - (i) a natural person includes a body corporate or local government; and
  - (ii) a body corporate or local government includes a natural person;

- (c) a reference to a professional body includes a successor to or substitute for that body;
- (d) a reference to a Party includes its legal personal representatives, successors and assigns and if a Party comprises two or more persons, the legal personal representatives, successors and assigns of each of those persons;
- (e) a reference to a statute, ordinance, code, regulation, award, town planning scheme or other law includes a regulation, local law, by-law, requisition, order or other statutory instruments under it and any amendments to re-enactments of or replacements of any of them from time to time in force;
- (f) a reference to a right includes a benefit, remedy, discretion, authority or power;
- (g) a reference to an obligation includes a warranty or representation and a reference to a failure to observe or perform an obligation includes a breach of warranty or representation;
- (h) a reference to this Lease or provisions or terms of this Lease or any other deed, agreement, instrument or contract include a reference to -
  - (i) both express and implied provisions and terms; and
  - that other deed, agreement, instrument or contract as varied, supplemented, replaced or amended:
- a reference to writing includes any mode of representing or reproducing words in tangible and permanently visible form and includes facsimile transmissions;
- (j) any thing (including, without limitation, any amount) is a reference to the whole or any part of it and a reference to a group of things or persons is a reference to any one or more of them;
- (k) if a Party comprises two or more persons the obligations and agreements on their part bind and must be observed and performed by them jointly and each of them severally and may be enforced against any one or more of them;
- (l) the agreements and obligations on the part of the Lessee not to do or omit to do any act or thing include -
  - an agreement not to permit that act or thing to be done or omitted to be done by an Authorised Person; and
  - (ii) an agreement to do everything necessary to ensure that that act or thing is not done or omitted to be done;

### 1.3 Headings

Headings do not affect the interpretation of this Agreement.

#### 1.4 Schedules etc

Each Schedule (and an Annexure or document incorporated by reference, if any) forms part of this Agreement. In the event of any conflict or inconsistency between any part of -

- (a) the terms and conditions contained in the clauses of this Agreement;
- (b) a Schedule;

| (c) | an Annexure, if any; and  |
|-----|---|
| (d) | a document incorporated by reference, if any,   |
|     | terial mentioned in any one of paragraph (a)-(d) of this <b>clause 1.4</b> has precedence over all mentioned in a subsequent paragraph, to the extent of any conflict or inconsistency. |
|     |   |

# Lessee's rights and obligations

# 2. Quiet enjoyment

Except as provided in the Lease, subject to the performance of the Lessee's Obligations the Lessee may quietly hold and enjoy the Premises during the Term without any interruption or disturbance from the Lessor or persons lawfully claiming through or under the Lessor.

# 3. Rent and other payments

The Lessee AGREES with the Lessor -

### 3.1 Rent

To pay to the Lessor the Rent in the amount and manner set out at **Item 6** of the Schedule from the Commencement Date clear of any deductions whatsoever.

#### 3.2 Outgoings

- (a) To pay to the Lessor or to such person as the Lessor may from time to time direct punctually all the following outgoings or charges (if applicable), assessed or incurred in respect of the Premises -
  - local government services and other charges, including but not limited to rubbish collection charges;
  - (ii) water, drainage and sewerage rates, charges for disposal of stormwater, meter rent and excess water charges;
  - (iii) all costs and charges associated with connection of water and/or power;
  - (iv) telephone, electricity, gas and other power and light charges including but not limited to meter rents and the cost of installation of any meter, wiring, internet connections or telephone connection;
  - (v) gardening and reticulation costs;
  - (vi) any other consumption charge or cost, statutory impost or other obligation incurred or payable by reason of the Lessee's use and occupation of the Premises.
- (b) If the Premises are not separately charged or assessed the Lessee will pay to the Lessor a proportionate part of any charges or assessments referred to in clause 3.2(a) being the proportion that the Premises bears to the total area of the land or premises included in the charge or assessment.

#### 3.3 Interest

Without affecting the rights, power and remedies of the Lessor under this Lease, to pay to the Lessor interest on demand on any Amounts Payable which are unpaid for 35 days computed from the due date for payment until payment is made and any interest payable under this paragraph will be charged at the Interest Rate.

#### 3.4 Costs

(a) To pay to the Lessor on demand -

- (i) all duty, fines and penalties payable under the *Duties Act 2008* and other statutory duties or taxes payable on or in connection with this Lease;
- (ii) half of all registration fees in connection with this Lease; and
- (iii) half of all legal costs of and incidental to the instructions for the preparation, execution and stamping of this Lease and all copies.
- (b) To pay to the Lessor all costs, legal fees, disbursements and payments incurred by or for which the Lessor is liable in connection with or incidental to -
  - the Amounts Payable or obtaining or attempting to obtain payment of the Amounts Payable under this Lease;
  - (ii) any breach of an obligation or agreement by the Lessee or an Authorised Person;
  - (iii) the preparation and service of a notice under Section 81 of the *Property Law Act* 1969 requiring the Lessee to remedy a breach even though forfeiture for the breach may be avoided in a manner other than by relief granted by a Court;
  - (iv) any work done at the Lessee's request; and
  - (v) any action or proceedings arising out of or incidental to any matters referred to in this clause 3.4 or any matter arising out of this Lease.

### Rent review

- (1) The Rent will be reviewed on and from each Rent Review Date to determine the Rent to be paid by the Lessee until the next Rent Review Date.
- (2) The review will be based on CPI on the dates specified in **Item 9** of the Schedule.
- (3) The CPI rent review will increase the amount of Rent payable during the immediately preceding period by the percentage of any increase in CPI having regard to the quarterly CPI published immediately prior to the later of the Commencement Date or the last Rent Review Date as the case may be and the quarterly CPI published immediately prior to the relevant Rent Review Date. If there is a decrease in CPI having regard to the relevant CPI publications the Rent payable from the relevant Rent Review Date will be the same as the Rent payable during the immediately preceding period. Should the CPI be discontinued or suspended at any time or its method of computation substantially altered, the parties shall endeavour to agree upon the substitution of the CPI with an equivalent index.
- (4) Notwithstanding the provisions of this clause, the Rent payable from any Rent Review Date will not be less than the Rent payable in the period immediately preceding such Rent Review Date.
- (5) The Lessor may institute a rent review notwithstanding the Rent Review Date has passed and the Lessor did not institute a rent review on or prior to that Rent Review Date, and in which case the Rent agreed or determined shall date back to and be payable from the Rent Review Date for which such review is made.

# Accrual of amounts payable

Amounts Payable accrue on a daily basis.

# 6. Payment of money

Any Amounts Payable to the Lessor under this Lease must be paid to the Lessor at the address of the Lessor referred to in the Lease or as otherwise directed by the Lessor by Notice from time to time.

### 7. Insurance

### 7.1 Insurance required

The Lessee must effect and maintain with insurers (noting the Lessor's and the Lessee's respective rights and interest in the Premises) for the time being -

- (a) adequate public liability insurance for a sum not less than the sum set out at **Item 8** of the Schedule in respect of any one claim or such greater amount as the Lessor may from time to time reasonably require;
- (b) where the Lessor so requires, insurance to cover the Lessee's fixtures, fittings, equipment and stock against loss or damage by fire, fusion, smoke, lightning, flood, storm, tempest, earthquake, sprinkler leakage, water damage and other usual risks against which a lessee can and does ordinarily insure in their full replacement value, and loss from theft or burglary.

#### 7.2 Details and Receipts

In respect of the insurances required by clause 7.1 the Lessee must -

- (a) on demand supply to the Lessor details of the insurances and give to the Lessor copies of the certificates of currency in relation to those insurances;
- (b) promptly pay all premiums and produce to the Lessor each policy or certificate of currency and each receipt for premiums or certificate of currency issued by the insurers; and
- (c) notify the Lessor immediately -
  - (i) when an event occurs which gives rise or might give rise to a claim under or which could prejudice a policy of insurance; or
  - (ii) when a policy of insurance is cancelled.

### 7.3 Not to invalidate

The Lessee must not do or omit to do any act or thing or bring or keep anything on the Premises which might;

- (a) render any insurance effected under clause 7.1 and clause 23 on the Premises, or any adjoining premises, void or voidable;
- (b) cause the rate of a premium to be increased for the Premises or any adjoining premises (except insofar as an approved development may lead to an increased premium).

### 7.4 Reports

Each party must report to the other promptly in writing and in an emergency verbally -

(a) any damage to the Premises of which they are or might be aware; and

(b) any circumstances of which they are aware and which are likely to be a danger or cause any damage or danger to the Premises or to any person who is lawfully using or may lawfully use the Premises.

### 7.5 Settlement of claim

The Lessor may, but the Lessee may not without prior written consent of the Lessor, settle or compromise any claims under any insurance required by **clause 7.1.** 

#### 7.6 Lessor as attorney

The Lessee appoints the Lessor as the Lessee's attorney during the Term -

- (a) in respect to all matters and questions which may arise in relation to any insurances required by **clause 7.1**;
- (b) with full power to demand, sue for and recover and receive from any insurance company or society or person liable to pay the insurance money as are payable for the risks covered by the insurances required by **clause 7.1**;
- (c) to give good and effectual receipts and discharges for the insurance; and
- (d) to settle, adjust, arbitrate and compromise all claims and demands and generally to exercise all powers of absolute owner.

### 7.7 Lessee may be required to pay excess on insurances

The Lessee AGREES with the Lessor that it shall be responsible to pay any excess payable in connection with the insurances referred to in clause 7.1 and clause 24

### 7.8 Lessee's equipment and possessions

The Lessee ACKNOWLEDGES it is responsible to obtain all relevant insurances to cover any damage and/or theft to its property. The Lessor does not take any responsibility for the loss or damage of the Lessee's property.

# 8. Indemnity

#### 8.1 Lessee responsibilities

- (1) The Lessee is subject to the same responsibilities relating to persons and property to which the Lessee would be subject if during the Term the Lessee were the owner and occupier of the freehold of the Premises.
- (2) The Lessee is responsible and liable for all acts or omissions of the Lessee's Agents on the Premises and for any breach by them of any covenants or terms in this Lease required to be performed or complied with by the Lessee.

### 8.2 Indemnity

- (1) The Lessee indemnifies, and shall keep indemnified, the Lessor and the Minister for Lands against any cost, expense, loss or other liability resulting from:
  - (a) Any damage to the Premises or other property; or
  - (b) the death or illness of, or injury to, any person,

caused or contributed to by:

- (c) any breach of the Lessee;
- (d) the use or occupation of the Premises by the Lessee or the Lessee's Visitors; or
- (e) any work carried out by or on behalf of the Lessee under this Lease; or
- (f) the Lessee's activities, operations, business or other use of any kind under the Lease; or
- (g) the presence of Contamination, Pollution or Environmental Harm in on or under the relevant Land caused or contributed to by the act, neglect or omission of the Lessee or the Lessee's Visitors; or
- (h) any negligent or other unlawful act, or default of the Lessee or the Lessee's Visitors; or
- (i) any danger created by the Lessee or the Lessee's Visitors.

### 8.3 Obligations Continuing

The obligations of the Lessee under this clause:

- (a) are unaffected by the obligation of the Lessee to take out insurance, and the obligations of the Lessee to indemnify are paramount, however if insurance money is received by the Lessor for any of the obligations set out in this clause then the Lessee's obligations under clause 8.2 will be reduced by the extent of such payment.
- (b) continue after the expiration or earlier determination of this Lease in respect of any act, deed, matter or thing occurring or arising as a result of an event which occurs before the expiration or earlier determination of this Lease.

### 8.4 No indemnity for Lessor's negligence

The parties agree that nothing in this clause shall require the Lessee to indemnify the Lessor, its officers, servants, or agents against any loss, damage, expense, action or claim arising out of a negligent or wrongful act or omission of the Lessor, or its servants, agents, contractors or invitees.

### 8.5 Release

- (1) The Lessee:
  - (a) agrees to occupy and use the Premises at the risk of the Lessee; and
  - (b) releases to the full extent permitted by law, the Lessor from:
    - (i) any liability which may arise in respect of any accident or damage to property, the death of any person, injury to any person, or illness suffered by any person, occurring on the Premises or arising from the Lessee's use or occupation of the Premises by;
    - (ii) loss of or damage to the Premises or personal property of the Lessee; and
    - (iii) all claims, actions, loss, damage, liability, costs and expenses arising from or connected with (directly or indirectly) the presence of any Contamination, Pollution or Environmental Harm in, on or under the Premises or surrounding area

except to the extent that such loss or damage arises out of a negligent or wrongful act or omission of the Lessor, or its servants, agents, contractors or invitees.

(2) The release by the Lessee continues after the expiration or earlier determination of this Lease in respect of any act, deed, matter or thing occurring or arising as a result of an event which occurs before the expiration or earlier determination of this Lease.

# 9. Limit of Lessor's liability

## 9.1 No liability for loss on Premises

The Lessor will not be liable for loss, damage or injury to any person or property in or about the Premises however occurring.

### 9.2 Limit on liability for breach of Lessor's covenants

- (1) The Lessor is only liable for breaches of the Lessor's Covenants set out in this Lease which occur while the Lessor is registered as the proprietor in fee simple in the Premises.
- (2) The Lessor will not be liable for any failure to perform and observe any of the Lessor's Covenants due to any cause beyond the Lessor's control.

### 10. Use

#### 10.1 Restrictions on use

#### (1) Generally

The Lessee must not and must not suffer or permit a person to -

- (a) use the Premises or any part of it for any purpose other than for the purposes for which the Premises are held by the Lessee, as set out at **Item 67** of the Schedule; or
- (b) use the Premises for any purpose which is not permitted under any local or town planning scheme, local laws, acts, statutes or any law relating to health.

#### (2) No offensive or illegal acts

The Lessee must not and must not suffer or permit a person to do or carry out on the Premises any harmful, offensive or illegal act, matter or thing.

### (3) No nuisance

The Lessee must not and must not suffer or permit a person to do or carry out on the Premises any thing which causes a nuisance, damage or disturbance to the Lessor or to owners or occupiers of adjoining properties.

### (4) No dangerous substances

The Lessee must not and must not suffer or permit a person to store any dangerous compound or substance on or in the Premises, otherwise than in accordance with the following provisions -

- (a) any such storage must comply with all relevant statutory provisions;
- (b) all applications for the approval or renewal of any licence necessary for such storage must be first referred to the Lessor:
- (c) the Lessor may within its absolute discretion refuse to allow the storage of any particular dangerous compound or substance on the Premises; and

(d) upon the request of the Lessor, the Lessee will provide a list of all dangerous compounds or substances stored on the Premises.

#### (5) No harm or stress

The Lessee must not and must not suffer or permit a person to do any act or thing which might result in excessive stress or harm to any part of the Premises.

#### (6) No signs

The Lessee must not and must not suffer or permit a person to display from or affix any signs, notices or advertisements outside the Premises without the prior written consent of the Lessor.

#### (7) No smoking

The Lessee must not suffer or permit a person to smoke inside any building or other enclosed area on the Premises.

### (8) Consumption of alcohol

The Lessee must not suffer or permit a person to use or allow the Premises to be used for the consumption of alcohol without first obtaining the written consent of the Lessor.

#### (9) Sale of Alcohol

The Lessee will not sell or supply liquor from the Premises or allow liquor to be sold or supplied from the Premises without the prior written consent of the Lessor and then only in accordance with the provisions of the *Liquor Control Act 1988*, *Food Act 2008*, *Food Regulations 2009* and *Liquor Control Regulations 1989* and any other relevant written laws that may be in force from time to time.

### (10) Removal of rubbish

The Lessee must keep the Premises free from dirt and rubbish and to store and keep all trade waste and garbage in proper receptacles.

### (11) No pollution

The Lessee must do all things necessary to prevent pollution or contamination of the Premises by garbage, refuse, waste matter, oil and other pollutants.

#### 10.2 No warranty

The Lessor gives no warranty -

- (a) as to the use to which the Premises may be put; or
- (b) that the Lessor will issue any consents, approvals, authorities, permits or licences required by the Lessee under any statute for its use of the Premises.

#### 10.3 Premises subject to restriction

The Lessee accepts the Premises for the Term subject to any existing prohibition or restriction on the use of the Premises.

### 10.4 Indemnity for costs

The Lessee indemnifies the Lessor against any claims or demands for all costs, on a solicitor client basis, incurred by the Lessor by reason of any claim in relation to any matters set out in this clause.

# 11. Casual hire of Premises

### 11.1 Casual hire

- (1) The Lessee may hire out the Premises or any part thereof on a casual basis only PROVIDED -
  - (a) such use is consistent at all times with the Permitted Use at **Item 7** of the Schedule;
  - (b) the Lessee ensures any hirer complies strictly with the relevant terms of this Lease; and
  - (c) the hirer is a registered allied health professionals only.
- (2) For the purposes of this Lease, "casual hire" means any hire of the Premises by the Lessee to a third party for a period of not more than 48 hours in any calendar month and does not include any formal transfer, assignment or sublease of the Premises.

### 11.2 Lessee remains responsible for Premises at all times

The Lessee ACKNOWLEDGES that at all times, including when the Premises are hired to a third party, it remains responsible for the Premises, including without limitation any damage that may be caused or occurs during any hire period.

# Keys and access

#### 12.1 No additional copies without approval

Unless otherwise approved by the Lessor in writing, the Lessee must not have additional sets of keys copied or cut.

### 12.2 Notify the Lessor of lost keys

- (1) The Lessee must notify the Lessor of any loss of keys immediately; and
- (2) To ensure all keys conform with the Lessor's master keys, the Lessor will arrange for replacement keys to be issued to the Lessee at the Lessee's cost.

## 12.3 No change of locks without approval

- (1) The Lessee must not change any of the Premises' locks, without the prior approval of the Lessor.
- (2) If the locks are changed the Lessee must provide the Lessor with keys to access all areas of the Premises.
- (3) Lessee permitted to change locks in case of an emergency where to Lessor cannot be contacted and the building needs to be secured.

### 12.4 Cost of re-entry

If the Lessor requires access to the Premises pursuant to its powers under this Lease, and is unable to access the Premises due to an unauthorised change in locks, the Lessor may take all such

measures to enter the Premises and to re-secure the Premises, and the Lessee will bear all costs associated with such measures.

# Maintenance, repair and cleaning

### 13.1 Generally

- (1) The Lessee AGREES during the Term and for so long as the Lessee remains in possession or occupation of the Premises to maintain, replace, repair, clean and keep the Premises (which for the avoidance of doubt includes the Lessor's fixtures and fittings) clean and in Good Repair having regard to the age of the Premises at the Commencement Date PROVIDED THAT this subclause shall not impose on the Lessee any obligation -
  - (a) to carry out repairs or replacement that are necessary as a result of fair and reasonable wear and tear, EXCEPT when such repair or replacement is necessary because of any action or omission of or on the part of the Lessee (or its servants, agents, contractors or invitees), or the Lessor's insurances are invalidated by any act, neglect or default by the Lessee (or its servants, agents, contractors or invitees); and
  - (b) in respect of any structural maintenance, replacement or repair EXCEPT when such maintenance, repair or replacement is necessary because of any action or omission of or on the part of the Lessee (or its servants, agents, contractors or invitees), or by the Lessee's particular use or occupancy of the Premises.
- (2) In discharging the obligations imposed on the Lessee under this subclause, the Lessee shall where maintaining, replacing or repairing in or on the Premises -
  - (a) any electrical fittings and fixtures;
  - (b) any plumbing, including pumping out and cleaning septic tanks and leach drain;
  - (c) any air-conditioning fittings and fixtures; and
  - (d) any gas fittings and fixtures,

use only licensed trades persons, or such trades persons as may be approved by the Lessor and notified to the Lessee, which approval shall not be unreasonably withheld.

### 13.2 Painting

Once during the last or second last month of the second option period ending August 2029 to apply in a proper and tradesperson like manner as approved by the Lessor to all internal parts of the Property;

- (a) at least two coats of good quality paint to those parts of the Property which are now or usually painted, in colours approved by the Lessor;
- (b) varnish or other treatment to those parts of the property which are now or usually varnished or treated.

### 13.3 Maintain surroundings

- (1) The parties agree that the Lessor will carry out works at the Lessee's expense to maintain the surroundings including;
  - (a) general pruning and weeding of garden;
  - (b) repair, maintenance and replacement of the reticulation;

(2) The Lessee may not remove any trees, shrubs or hedges without first consulting with and obtaining the approval of the Lessor, except where necessary for urgent safety reasons.

### 13.4 Pest control

The Lessee must keep the Premises free of any vermin or any other recognised pests and the cost of extermination will be borne by the Lessee.

### 13.5 Responsibility for securing the Premises

(1) Securing Premises

The Lessee must ensure the Premises, including Lessor's and Lessee's fixtures and fittings, are appropriately secured at all times.

(2) Installation of Security Systems

Subject to prior written approval from the Lessor, the Lessee may install a security system to the Premises, PROVIDED the Lessee -

- pays for all costs associated with the installation and ongoing monitoring of the security system; and
- (b) provides the Lessor with access keys or alarm codes.

### 13.6 Comply with all reasonable conditions

The Lessee must comply with all reasonable conditions that may be imposed by the Lessor from time to time in relation to the Lessee's maintenance of the Premises, including the obligations specified in **Annexure 2**.

### 13.7 Acknowledgement of state of repair of Premises

The Lessee acknowledges that it has inspected the structure of the Premises internally and externally prior to the execution of this Lease and enters into the Lease with full knowledge of the structural state and state of repair of the Premises.

# 14. Alterations

#### 14.1 Restriction

The Lessee must not without prior written consent from the Lessor or any other person from whom consent is required under this Lease or required under statute in force from time to time, including but not limited to the planning approval of the Lessor under a local or town planning scheme of the Lessor -

- (a) make or allow to be made any alteration, addition or improvements to or demolish any part of the Premises; or
- (b) subject to the performance of the Lessee's obligations in **clause 13**, remove any flora or fauna, alter or cut down any flora, or sell, remove or otherwise dispose of any flora, sand, gravel, timber or other materials from the Premises.

### 14.2 Consent

(1) If the Lessor and any other person whose consent is required under this Lease or at law consents to any matter referred to in **clause 14.1** the Lessor may -

- (a) give such consent subject to conditions; and
- (b) require that the works be carried out in accordance with plans and specifications approved by the Lessor or any other person giving consent; and
- (c) require that any works be carried out to the satisfaction of the Lessor under the supervision of an engineer or other consultant.
- (2) If the Lessor consents to any matter referred to in clause 14.1 -
  - (a) the Lessor gives no warranty that the Lessor will issue any consents, approvals, authorities, permits or policies under any statute for such matters; and
  - (b) the Lessee must apply for and obtain all such consent approvals, authorities, permits or policies as are required at law before undertaking any alterations, additions, improvements or demolitions.

#### 14.3 Cost of Works

All works undertaken under this clause 14 will be carried out at the Lessee's expense.

#### 14.4 Conditions

If any of the consents given by the Lessor or other persons whose consent is required under this Lease or at law require other works to be done by the Lessee as a condition of giving consent, then the Lessee must at the option of the Lessor either -

- (a) carry out those other works at the Lessee's expense; or
- (b) permit the Lessor to carry out those other works at the Lessee's expense, in accordance with the Lessor's requirements.

# 15. Report to Lessor

The Lessee must immediately report to the Lessor -

(1) Vandalism

Any act of vandalism or any incident which occurs on or near the Premises which involves or is likely to involve a breach of the peace or become the subject of a report or complaint to the police and of which the Lessee is aware or should be aware.

(2) Pollution

Any occurrence or circumstances in or near the Premises of which it becomes aware, which might reasonably be expected to cause, in or on the Premises, pollution of the environment.

(3) Notices, etc

All notices, orders and summonses received by the Lessee and which affect the Premises and immediately deliver them to the Lessor.

(4) Defects

Any accident to or defect or want of repair in any services or fixtures, fittings, plant or equipment in the Premises and of any circumstances known to the Lessee that may be or may cause a risk or hazard to the Premises or to any person on the Premises.

# No assignment, subletting and charging

### 16.1 No assignment or subletting

The rights in this Lease are personal to the Lessee, and the Lessee may not transfer, sublet, assign or otherwise part with possession or any way dispose of any of its rights or obligations under this Lease without the written consent of the Lessor and the Minister for Lands, which consent may be withheld for any reason whatsoever in the Lessor's or Minister for Land's absolute discretion.

### 16.2 Property Law Act 1969

Sections 80 and 82 of the Property Law Act 1969 are excluded.

### 16.3 No mortgage or charge

The Lessee must not mortgage nor charge the leasehold interest in the Premises.

### No caveat or other interest

#### 17.1 No caveat or other interest

The Lessee nor any person on behalf of the Lessee must not lodge any absolute caveat, subject to claim or any other interest including any lease, sublease, mortgage, charge over the Land or Premises or part thereof, without the prior written consent of the Lessor and the Minister for Lands.

#### 17.2 Removal of interest

If any caveat or other interest is lodged without the consent of the Lessor, the Lessee irrevocably appoints the Lessor (or any person authorised by the Lessor for that purpose) jointly and severally -

- (a) for the Term;
- (b) for any holding over under this Lease; and
- (c) for a period of six (6) months after Termination of this Lease,

to be the agent and attorney of the Lessee in its name and on its behalf to sign and lodge at Landgate -

- (d) a withdrawal of any absolute caveat lodged by or behalf of the Lessee;
- (e) a withdrawal of any caveat lodged by on or behalf of the Lessee and not withdrawn on Termination; and
- (f) a surrender of the estate granted by this Lease.

### 17.3 Costs of removal, Indemnity and Ratification

- (1) The Lessee undertakes to ratify all the acts performed by or caused to be performed by the Lessor, its agent or attorney under this clause.
- (2) The Lessee indemnifies the Lessor against any loss arising from any act done under clause 17.

# Statutory obligations and notices

### 18.1 Comply with Statutes

The Lessee must -

- (a) comply promptly with all statutes and local laws from time to time in force relating to the Premises;
- (b) apply for, obtain and maintain in force all consents, approvals, authorities, licences and permits required under any statute for the use of the Premises specified at **clause 10**;
- (c) ensure that all obligations in regard to payment for copyright or licensing fees are paid to the appropriate person for all performances, exhibitions or displays held on the Premises; and
- (d) comply promptly with all orders, notices, requisitions or directions of any competent authority relating to the Premises or to the business the Lessee carries on at the Premises.

### 18.2 Indemnity if fails to comply

The Lessee indemnifies the Lessor against -

- (a) failing to perform, discharge or execute any of the items referred to in clause 18.1; and
- (b) any claims, demands, costs or other payments of or incidental to any of the items referred to in clause 18.1.

# 19. Obligations on expiry or termination of lease

### 19.1 Restore Premises

Prior to Termination, the Lessee at the Lessee's expense must restore the Premises to a condition consistent with the performance by the Lessee of the Lessee's Obligations under this Lease fair wear and tear excepted.

### 19.2 Remove Lessee's property prior to termination

Prior to Termination, the Lessee must remove from the Premises all property of the Lessee including the Lessee's signs, fixtures, fittings, plant, equipment and other articles upon the Premises in the nature of trade or tenant's fixtures brought upon the Premises by the Lessee (other than air-conditioning plant and fire equipment, security alarms and security systems and other fixtures and fittings which in the opinion of the Lessor form an integral part of the Premises) and promptly make good, to the satisfaction of the Lessor, any damage caused by the removal.

### 19.3 Lessor can remove Lessee's property on re-entry

On re-entry the Lessor will have the right to remove from the Premises any property of the Lessee and the Lessee indemnifies the Lessor against all damage caused by the removal of and the cost of storing such property.

### 19.4 Peacefully Surrender

On Termination the Lessee must -

 (a) peacefully surrender and return to the Lessor the Premises in a condition consistent with the performance of the Lessee's Obligations under this Lease;

(b) surrender to the Lessor all keys and security access devices and combination for locks providing an access to or within the Premises held by the Lessee whether or not provided by the Lessor;

# 19.5 Obligations to continue

The Lessee's obligations under this clause will continue, notwithstanding the end or Termination of this Lease.

# Lessor's rights and obligations

# 20. Provide keys

The Lessor will provide the Lessee with at least one (1) set of keys for access to the Premises and all rooms therein upon the signing of the Lease. Additional keys available on request. Lessee responsible for replacement cost of lost or damaged keys.

# 21. Lessor's right of entry

### 21.1 Entry on reasonable notice

The Lessee must permit entry by the Lessor or any Authorised Person onto the Premises without notice in the case of an emergency, and otherwise upon reasonable notice -

- (a) (i) at all reasonable times;
  - (ii) with or without workmen and others; and
  - (iii) with or without plant, equipment, machinery and materials;
- (b) for each of the following purposes -
  - to undertake property inspections to inspect the state of repair of the Premises and to ensure compliance with the terms of this Lease;
  - (ii) to carry out any survey or works which the Lessor considers necessary, however the Lessor will not be liable to the Lessee for any compensation for such survey or works provided they are carried out in a manner which causes as little inconvenience as is reasonably possible to the Lessee;
  - (iii) to comply with the Lessor's Obligations or to comply with any notice or order of any authority in respect of the Premises for which the Lessor is liable; and
  - (iv) to do all matters or things to rectify any breach by the Lessee of any term of this Lease but the Lessor is under no obligation to rectify any breach and any rectification under this clause is without prejudice to the Lessor's other rights, remedies or powers under this Lease.

### 21.2 Costs of Rectifying Breach

All costs and expenses incurred by the Lessor as a result of any breach referred to at clause 21.1(b)(iv) together with any interest payable on such sums will be a debt due to the Lessor and payable to the Lessor by the Lessee on demand.

# 22. Limit of Lessor's liability

### 22.1 No liability for loss on Premises

The Lessor will not be liable for loss, damage or injury to any person or property in or about the Premises however occurring.

### 22.2 Limit on Liability for Breach of Lessor's obligations

- (1) The Lessor is only liable for breaches of the Lessor's Obligations set out in this Lease which occur while the Lessor is registered as the management body for the Land.
- (2) the Lessor will not be liable for any failure to perform and observe any of the Lessor's Obligations due to any cause beyond the Lessor's control.

# 23. Building insurance

The Lessor shall effect and keep effected policies of insurance in relation to any risk relating to the Lessor's ownership or interest in the Land and the Premises including, without limitation, insurance for fire, Lessor's fixtures and fittings, and the Lessee will reimburse the Lessor any premiums or other costs arising therefrom.

# Mutual agreements

# 24. Damage or destruction of Premises

If the Premises or any part of the Premises are totally or partially destroyed so as to require major rebuilding either party may within 2 months of the destruction or the damage terminate the Term with immediate effect by giving Notice to the other party.

# 25. Option to renew

# 25.1 Exercise of option

If the Lessee at least one month, but not earlier than 6 months, prior to the date for commencement of the Further Term gives the Lessor a Notice to grant the Further Term as specified in **Item 34** of the Schedule and -

- (a) all consents and approvals required by the terms of this Lease or at law have been obtained; and
- (b) there is no subsisting default by the Lessee at the date of service of the Notice in -
  - (i) the payment of Amounts Payable; or
  - (ii) the performance or observance of the Lessee's Obligations,

the Lessor shall grant to the Lessee a lease for the Further Term as specified in **Item 34** of the Schedule at the Rent and on terms and conditions similar to this Lease other than this **clause 25** in respect of any Further Term previously taken or the subject of the present exercise and on such other terms and conditions as the Lessor may consider appropriate.

# 26. Holding over

If the Lessee remains in possession of the Premises after the expiry of the Term with the consent of the Lessor, the Lessee will be a monthly tenant of the Lessor at a rent equivalent to one twelfth of the Rent for the period immediately preceding expiry of the Term and otherwise on the same terms and conditions of this Lease provided that all consents required under this Lease or at law have been obtained to the Lessee being in possession of the Premises as a monthly tenant.

### 27. Default

### 27.1 Events of Default

A default occurs if -

- (a) the Lessee is in breach of any of the Lessee's Obligations for 28 days after a Notice has been given to the Lessee to rectify the breach or to pay compensation in money;
- (b) where the Lessee is an association which is incorporated under the *Associations Incorporation Act 2015*, the association is wound up whether voluntarily or otherwise;
- (c) where the Lessee is an association which is incorporated under the Associations Incorporations Act 2015, the Lessee passes a special resolution under the Associations Incorporation Act 2015 altering its rules of association in a way that makes its objects or purposes inconsistent with the use permitted by this Lease;

- (d) a mortgagee takes possession of the property of the Lessee under this Lease;
- (e) any execution or similar process is made against the Premises on the Lessee's property;
- (f) the Premises are vacated; or
- (g) a person other than the Lessee or a permitted sublessee or assignee is in occupation or possession of the Premises or in receipt of a rent and profits.

### 27.2 Forfeiture

On the occurrence of any of the events of default specified in clause 27.1 the Lessor may -

- (a) without notice or demand at any time enter the Premises and on re-entry the Term will immediately determine;
- (b) by notice to the Lessee determine this Lease and from the date of giving such notice this Lease will be absolutely determined; and
- (c) by notice to the Lessee elect to convert the unexpired portion of the Term into a tenancy from month to month when this Lease will be determined as from the giving of the notice and until the tenancy is determined the Lessee will hold the Premises from the Lessor as a tenant from month to month under clause 26,

but without affecting the right of action or other remedy which the Lessor has in respect of any other breach by the Lessee of the Lessee's Obligations or releasing the Lessee from liability in respect of the Lessee's Obligations.

#### 27.3 Lessor may remedy Lessee's default

If the Lessee -

- (a) fails or neglects to pay the Amounts Payable by the Lessee under this Lease; or
- (b) does or fails to do anything which constitutes a breach of the Lessee's Obligations,

then, after the Lessor has given to the Lessee notice of the breach and the Lessee has failed to rectify the breach within a reasonable time, the Lessor may without affecting any right, remedy or power arising from that default pay the money due or do or cease the doing of the breach as if it were the Lessee and the Lessee must pay to the Lessor on demand the Lessor's cost and expenses of remedying each breach or default.

#### 27.4 Acceptance of Amount Payable By Lessor

Demand for or acceptance of the Amounts Payable by the Lessor after an event of default has occurred will not affect the exercise by the Lessor of the rights and powers of the Lessor by the terms of the Lease or at law and will not operate as an election by the Lessor to exercise or not to exercise any right or power.

### 27.5 Essential Terms

Each of the Lessee's Obligations in clauses 3 (Rent and Other Payments), 7 and 23 (Insurance), 8 (Indemnity), 10 (Use), 13 (Maintenance, Repair and Cleaning), 16 (No Assignment, Subletting and Charging) and 31 (Goods and Services Tax) is an essential term of this Lease but this clause 27 does not mean or imply that there are no other essential terms in this Lease.

#### 27.6 Breach of Essential Terms

If the Lessee breaches an essential term of this Lease then, in addition to any other remedy or entitlement of the Lessor -

- the Lessee must compensate the Lessor for the loss or damage suffered by reason of the breach of that essential term;
- (b) the Lessor will be entitled to recover damages against the Lessee in respect of the breach of an essential term; and
- (c) the Lessee AGREES with the Lessor that if the Term is determined -
  - for breach of an essential term or the acceptance by the Lessor of a repudiation of this Lease by the Lessee; or
  - (ii) following the failure by the Lessee to comply with any notice given to the Lessee to remedy any default,

the Lessee must pay to the Lessor on demand the total of the Amounts Payable under this Lease which would have been payable by the Lessee for the unexpired balance of the Term as if the Term had expired by lapse of time together with the losses incurred or reasonably expected to be incurred by the Lessor as a result of the early determination including but not limited to the costs of re-letting or attempting to re-let the Premises;

- (d) the Lessee agrees that the obligation set out in this **clause 27.6(c)** will survive termination or any deemed surrender at law of the estate granted by this Lease;
- (e) the Lessee may deduct from the amounts referred to at clause 27.6(c) the Rent and other money which the Lessor reasonably expects to obtain by re-letting the Premises between the date of Termination and the date on which the Term would have expired by lapse of time; and
- (f) the Lessor must take reasonable steps to mitigate its losses and endeavour to re-let the Premises at a reasonable rent and on reasonable terms but the Lessor is not required to offer or accept rent or terms which are the same or similar to the rent or terms contained or implied in this Lease.

# 28. Damage or destruction

If the Premises or any part of the Premises are totally or partially destroyed so as to require major rebuilding the Lessee -

- (a) may within two (2) months of the destruction or the damage terminate the Term with immediate effect by giving Notice to the Lessor; and
- (b) must pay the insurance excess as specified in **Item 10(4)** of the Schedule upon demand by the Lessor.

# 29. Disputes

### 29.1 Appointment of arbitrator

Except as otherwise provided any dispute arising out of this Lease is to be determined by a single arbitrator under the provisions of the *Commercial Arbitration Act 2012* and the Lessor and the Lessee may each be represented by a legal practitioner.

### 29.2 Payment of amounts payable to date of award

The Lessee must pay the Amounts Payable without deduction to the date of the award of the Arbitrator or the date of an agreement between the Parties whichever event is the earlier, and if any money paid by the Lessee is not required to be paid within the terms of the award of the Arbitrator or by agreement between the Lessor and the Lessee then the Lessor will refund to the Lessee the monies paid.

### 30. Consents

### 30.1 Western Australian Planning Commission's consent

If for any reason whatsoever this Lease requires the consent of the Western Australian Planning Commission or other consent under the *Planning and Development Act* 2005, then this Lease is made expressly subject to and conditional on the granting of that consent in accordance with the provisions of the *Planning and Development Act* 2005.

### 30.2 Minister for Land's Consent

In the event that the Land is subject to the provisions of the *Land Administration Act 1997* the grant of this Lease is made expressly subject to and is conditional on the consent of the Minister for Lands to this Lease.

# 31. Goods and services tax

### (1) Lessee must Pay

If GST is payable on the Basic Consideration or any part thereof or if the Lessor is liable to pay GST in connection with the lease of the Premises or any goods, services or other Taxable Supply supplied under this Lease then, unless the Lessor is liable for the payment of a given Taxable Supply, as from the date of any such introduction or application -

- (a) the Lessor may increase the Basic Consideration or the relevant part thereof by an amount which is equal to the GST Rate; and
- (b) the Lessee shall pay the increased Basic Consideration on the due date for payment by the Lessee of the Basic Consideration.

#### (2) Increase in GST

If, at any time, the GST Rate is increased, the Lessor may, in addition to the GST Rate, increase the Basic Consideration by the GST Adjustment Rate and such amount shall be payable in accordance with clause 31(1)(a).

### (3) GST invoice

Where the Basic Consideration is to be increased to account for GST pursuant to **clause 31(2)**, the Lessor shall in the month in which the Basic Consideration is to be paid, issue a Tax Invoice which enables the Lessee to submit a claim for a credit or refund of GST.

### Additional terms and conditions

Each of the terms and conditions (if any) specified in **Item 10** of the Schedule are part of this Lease and are binding on the Lessor and the Lessee as if incorporated into the body of this Lease.

# General provisions

### 33. Notice

## 33.1 Form of delivery

A Notice to a person must be in writing and may be given or made -

- (a) by a delivery to the person personally; or
- (b) by addressing it to the person and leaving it at or posting it by registered post to the address of the Party appearing in this Lease or any other address nominated by a Party by notice to the other.

#### 33.2 Service of Notice

A Notice to a person is deemed to be given or made -

- (a) if by personal delivery, when delivered;
- (b) if by leaving the Notice at an address specified in **clause 33.1**, at the time of leaving the Notice provided the Notice is left during normal business hours; and
- (c) if by post to an address specified in clause 33.1, on the second business day following the date of posting of the Notice.

### 33.3 Signing of Notice

A Notice to a person may be signed -

- (a) if given by an individual by the person giving the Notice -
- (b) if given by a corporation by a director, secretary or manager of that corporation; or
- (c) if given by a local government, by the CEO or a person authorised to sign on behalf of the local government; or
- (d) by a solicitor or other agent of the person, corporation or local government giving the Notice.

# 34. Amendments to lease

Subject to such consents as are required by this Lease or at law, this Lease may be varied by the agreement of the parties in writing.

# 35. Waiver

### 35.1 No general waiver

Failure to exercise or delay in exercising any right, power or privilege in this Lease by a Party does not operate as a waiver of that right, power or privilege.

### 35.2 Partial exercise of right power or privilege

A single or partial exercise of any right, power or privilege does not preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

# 36. Acts by agents

All acts and things which the Lessor is required to do under this Lease may be done by the Lessor, the CEO, an officer or the agent, solicitor, contractor or employee of the Lessor.

# 37. Statutory powers

The powers conferred on the Lessor by or under any statutes for the time being in force are, except to the extent that they are inconsistent with the terms and provisions expressed in this Lease, in addition to the powers conferred on the Lessor in this Lease.

### 38. Further assurance

The Parties must execute and do all acts and things necessary or desirable to implement and give full effect to the terms of this Lease.

### 39. Severance

If any part of this Lease is or becomes void or unenforceable, that part is or will be severed from this Lease to the intent that all parts that are not or do not become void or unenforceable remain in full force and effect and are unaffected by that severance.

## 40. Moratorium

The provisions of a statute which would but for this clause extend or postpone the date of payment of money, reduce the rate of interest or abrogate, nullify, postpone or otherwise affect the terms of this Lease do not, to the fullest extent permitted by law, apply to limit the terms of this Lease.

# 41. Governing law

This Lease is governed by and is to be interpreted in accordance with the laws of Western Australia and, where applicable, the laws of the Commonwealth of Australia.

# Schedule

# Item 1 Purpose of management order

Child Care and Health Care Centre

# Item 2 Land and Premises

#### Land

Reserve 40820 and being Lot 266 on Deposited Plan 222250 and being the whole of land in Certificate of Crown Land Title Volume LR3030 Folio 180

#### **Premises**

That part of the land together with all building, structures, alterations, additions and improvements on the Land or erected on the Land during the term is indicated and annexed hereto as **Annexure 1**.

It is agreed between the parties that the carpark does not form part of this lease as indicated and annexed hereto as **Annexure 1**.

# Item 3 Term

Two (2) years

# Item 4 Further terms

### **First Option Period:**

Four (4) years

### **Second Option Period:**

Four (4) years

# Item 5 Commencement date

21 August 2023

# Item 6 Rent

\$10,000 (excluding GST) per year, payable monthly in advance.

# Item 7 Use

Medical Centre

# Item 8 Public liability insurance

\$20,000,000 (Twenty Million Dollars)

#### Item 9 Rent review dates

Annually, on the anniversary of the Commencement Date.

#### Item 10 Additional terms and conditions

#### 1. Excess on Building Insurance

The insurance excess on building insurance payable by the Lessee (clause 24)

#### 2. Apportioned Charges

Outgoings (clause 3.2) Maintain surroundings (clause 14.3) and building insurance (clause 24) costs are apportioned to the leased area of the building and will be invoiced as follows:

- a) Emergency Services Levy 50%
- b) Building insurance 50%
- c) Front garden maintenance (inc reticulation) 50%
- d) Works required to maintain surroundings within the leased area (excluding front garden) – 100%
- e) Water usage 80% (not based on leased area but agreed by both parties)

#### 4. Car Parking

- a) The Lessor grants to the Lessee, during the Term of this Lease and any renewed or extended term, a licence to:
- b) use (on a non-exclusive basis) any vacant car parking bay on the Land; and
- in common with all other persons having the same right, use the driveways, entrances and exits necessary for access to and from the car parking bays.
- d) No licence fee is payable by the Lessee for the rights granted by the Lessor under this clause.
- e) The Lessee must comply with any reasonable rules made by the Lessor relating to the reasonable use, safety, care and cleanliness of the car parking bays.

#### INTERNAL

The interior of the building is to be maintained in a clean and tidy condition at all times and within the terms of the Lease, is to be kept free of dirty marks, cobwebs and vermin.

| Internal                             | Lessee Responsibilities   |  |
|--------------------------------------|---|--|
| Windows                              | To be kept clean, free from any marks and cobwebs. To be lockable and operable.   |  |
| Doors                                | To be kept clean, free from any marks, damage and cobwebs. To be lockable and operable. Any door closers or other devices fitted should be maintained in good working order.  |  |
|                                      | NOTE: Locks are not to be changed without the prior approval of the Lessor. Locks must be keyed to Lessor's Key System.   |  |
| Walls                                | To be kept clean, free from any marks, damage and cobwebs.  |  |
| Ceiling                              | To be kept clean, free of cobwebs and cleaned of any temporary decoration.  |  |
|                                      | Penetrations for appliances such as air conditioning vents shall be kept clean and in good working order.   |  |
|                                      | NOTE: Any water damage or sagging to be reported to the Lessor.   |  |
| Floors                               | To be kept clean and regularly maintained in accordance with the requirements of the type of surface, i.e. Carpets to be vacuumed and steam cleaned annually, hard floors to be swept and mopped. These need to be replaced by Lessee due to abuse or damage. |  |
|                                      | In kitchen areas, relevant Health requirements should be strictly complied with.  |  |
| Cupboards                            | To be regularly cleaned with all doors, latches, drawers and shelves being in good working order. To be free from any marks or food residue.  |  |
| Built in joinery (benches, cabinets) | To be regularly cleaned and free of debris.   |  |
| Sinks, Basins, Pedestal              | To be maintained in a clean and operable condition.   |  |
| Pans and Cisterns                    | Clearing of all blockages and repairs to fittings are the Lessee's responsibility.  |  |
| Pest Control                         | Keep demised premises free of pest with the exemption of white ant treatment.   |  |

| Painting                               | Patch painting required for repair purposes.  Internal painting of premises   |  |
|--|---|--|
| Toilets                                | To be kept in a clean and operable condition at all times.  To clear all blockages.   |  |
|  | All consumables, ie. Toilet paper, paper towels, are to be supplied by the Lessee.  |  |
|  | Replacement and repair of fittings such as taps, roll dispensers and coat hangers rest with the Lessee.   |  |
|  | All walls and floor surfaces to be kept cleaned and undamaged.  |  |
| Electrical Fittings                    | All electrical fittings such as power points, light switches and light fittings to be kept clean and in good working order.   |  |
|  | Replace light globes and fluorescent light tubes which may fail.  |  |
| Security Systems                       | The Lessee to pay all costs associated with the installation and ongoing monitoring of a security system.   |  |
|  | To be maintained in accordance with the supplier's instructions.  |  |
|  | All Telecommunications and other fees to be met by the Lessee.  |  |
|  | Lessee to provide Access Keys and alarm codes to the Lessor.  |  |
| Fire Fighting Equipment and Exit Signs | To ensure Fire Fighting Equipment is not tampered with or removed from designated area. Lessee is responsible for costs incurred for servicing, replacement, misuse, tampered or lost Fire Fighting Equipment.  The Lessee is responsible for notifying the Lessor if the Fire Evacuation Exit Signs are not in good working order. |  |
| Rubbish Bins                           | All rubbish is to be placed in the outside Rubbish Bins in the designated bin areas/enclosures.   |  |

| APPLIANCES:   |   |
|---|---|
| Air Conditioning  | The Lessee to operate and clean in accordance with the manufacture's standards.                                 |
| Gas Appliances  | To operate and be regularly cleaned in good working order with all Alinta Gas requirements being complied with. |
| Stove, Fans, Refrigerators,<br>Heaters & Other White<br>Goods | All to be kept clean and operated in accordance with the manufacture's requirements.                            |

# **EXTERNAL**

The whole of the exterior of the building is to be kept in a clean and tidy condition free from cobwebs and debris/litter.

In particular, the following items must be given attention:

| External                                 | Lessee Responsibilities  |  |
|--|--|--|
| Windows                                  | To be kept clean, operable and lockable at all times.  |  |
| Doors                                    | To be kept clean, free from any marks, damage and cobwebs. To be lockable and operable. Any door closers or other devices fitted should be maintained in good working order.           |  |
|  | NOTE: Locks are not to be changed without the prior approval of the Lessor. Locks must be keyed to Lessor's Key System.  |  |
| Security Screens                         | To be kept clean and firmly fixed. Any cobwebs to be regularly removed.  |  |
| Walls                                    | To be kept clean, free from any marks, damage and cobwebs.   |  |
| Verandah                                 | To be kept clean and free from cobwebs.  |  |
| Eaves                                    | To be kept clean and free from cobwebs.  |  |
| Pathways                                 | To be kept clear of rubbish and to be swept regularly. Vegetation surrounding the building not to be damaged.  |  |
| Light Fittings                           | To be kept clean and free from cobwebs. Replace all light globes which may fail.   |  |
| Signs                                    | Any signs installed by the Lessee, located on the building, are to be regularly maintained and kept in a safe condition. Signs that may become damaged are to be replaced immediately. |  |
|  | Any approvals or licences for signs are to be kept current.  |  |
| Outdoor Sponsorship<br>Signs             | To be maintained to not less than the standard outlined above.  Sponsorship Signs require approval of the Lessor before being erected.   |  |
| Surrounds                                | To be kept clean, tidy and free from litter and rubbish.   |  |
| Rubbish Bins                             | Rubbish bins are to be kept neat and clean. To be placed in the designated areas.  |  |
|  | Bin enclosures to be kept clear of all rubbish.  |  |
| Gutters & Downpipes                      | To be regularly cleaned and kept clear of leaves and other material.   |  |
| Grounds – Grassed Areas<br>& Landscaping | To be kept in a presentable condition.   |  |

| Fencing         | To be kept clean and free of any marks/graffiti, and any damage repaired.  |
|-----------------|--|
| Fire Prevention | Maintain fire prevention requirements as per the Shire of Mundaring Firebreak Notice and conduct any other fire management matters as instructed by the Shire of Mundaring Chief Fire Control Officer. |

#### SUMMARY

The Community Sport and Recreation Facilities Fund (CSRFF), managed by the Department of Local Government, Sport and Cultural Industries (DLGSCI), will offer up to \$20 million in the upcoming funding round to community groups and local governments to develop basic infrastructure for sport and recreation.

Local governments are required to rank CSRFF applications in their area. The Shire has one CSRFF application for this small grant round, from the Mundaring Sports Club, who wish to replace a bowling green surface.

It is recommended to give the Mundaring Sports Club bowling green surface replacement project a priority ranking of 1 and rate it as "A - Well planned and needed by municipality" and submit this application to the DLGSCI for consideration in the CSRFF 2023/24 small grants round.

#### **BACKGROUND**

The CSRFF's purpose is to provide Western Australian Government financial assistance to community groups and local government authorities to develop basic infrastructure for sport and recreation.

The program aims to increase participation in sport and recreation, with an emphasis on physical activity, through rational development of sustainable, good quality, well-designed and well-utilised facilities.

CSRFF can fund new or upgraded facilities, which will maintain or increase physical activity or result in a more rational use of facilities. Priority will be given to projects that lead to facility sharing and rationalisation. Multi-purpose facilities reduce infrastructure required to meet similar needs and increase sustainability. The program is not designed to provide facilities to meet a club's ambitions to compete in a higher grade.

There is \$20 million available for allocation in the upcoming funding round.

There are two small grant rounds annually (February and July) for projects with a project cost up to \$500,000. The small grants program targets projects involving a basic level of planning. The maximum grant offered for small grant applications is 50% of the project cost, capped at \$200,000.

There is no guarantee applicants will receive the full amount of the grant requested or the maximum level of funding. The level of financial assistance offered will be based on the overall significance of the proposed project, including the benefits provided to the

community. Receiving financial assistance under this program does not guarantee future stages of a project will be funded.

There is no obligation local government to make a contribution to a community group project, however a contribution from all stakeholders in a project that meets local needs will be viewed more favourably.

All CSRFF small grant applications need to be lodged with the DLGSCI by the last working day in August 2023. Applications go through an assessment process with recommendations provided to the Minister responsible for Sport and Recreation who announces successful applications in late 2023.

The CSRFF application process tasks the local government authority with ranking all project and rating projects using the following structure:

| А | Well planned and needed by municipality        |
|---|--|
| В | Well planned and needed by applicant           |
| С | Needed by municipality, more planning required |
| D | Needed by applicant, more planning required    |
| E | Idea has merit, more planning work needed      |
| F | Not recommended                                |

#### STATUTORY / LEGAL IMPLICATIONS

Nil

# **POLICY IMPLICATIONS**

Nil

#### **FINANCIAL IMPLICATIONS**

There is no funding requested from the Shire of Mundaring.

The cost of the project is \$145,451 (ex GST) with \$96,968 contributed by the Mundaring Sports Club from their current sinking fund and \$48,484 requested from CSRFF.

## STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 1 - Community

Objective 1.1 – Healthy, safe, sustainable and resilient community

Strategy 1.1.1 – Provision of sport, recreation and community facilities

#### SUSTAINABILITY IMPLICATIONS

Social

The loss of a bowling green will impact the ability of the Mundaring Sports Club to accommodate the current number of players and limit any future growth of the bowls section. This would in turn have a significant negative effect on the Sports Club ability to maintain membership levels and reduce the financial viability and sustainability of the club.

#### **RISK IMPLICATIONS**

Risk: Financial – Funding Strategy

Should the CSRFF application not be successful it may have a detrimental effect on the Mundaring Sports Club's ability to fund this project.

| Likelihood | Consequence | Rating   |
|------------|-------------|----------|
| Likely     | Minor       | Moderate |
|            |             |          |

## **Action / Strategy**

The mitigation strategies include deferring the project until successful with a CSRFF grant and raising additional funds to be able to complete the project without CSRFF support.

#### **EXTERNAL CONSULTATION**

Consultants from DLGSCI have been consulted as required by the application process.

#### COMMENT

The Mundaring Sports Club has two artificial turf bowling greens. A review of both greens was undertaken and found that "A" green surface of woven carpet that is more than 10 years old has lost its elasticity, is worn and there is no way to extend the life of the surface to enable it to continue to be used beyond the next pennant season.

There are over 80 pennant players registered with the club and around 120 community members of various ages and genders play community bowls each and they take part in the game. Local schools also send students to the club for coaching as part of their sports programs.

The loss of the "A" green would greatly limit the club's ability to accommodate the above players and restrict any future growth of the club.

It is recommended to give the bowling green surface replacement project a priority ranking of 1 and rate it as "A - Well planned and needed by municipality" and submit this application to the Department of Local Government, Sport and Cultural Industries for consideration in the CSRFF Small Grant Program in the current funding round.

#### **VOTING REQUIREMENT**

|                               | 2. Location Plan of Great Southern Highway Road Reserve Closure J |  |  |

#### **SUMMARY**

Main Roads WA has sought Council's approval for the closure of an unconstructed portion of Great Southern Highway, The Lakes.

To facilitate this, in accordance with the requirements of the *Land Administration Act 1997*, advertising has been undertaken and no objections were received.

Council is now requested to approve the permanent closure of a portion of road reserve being an unconstructed area of Great Southern Highway, The Lakes to complete the required action to enable this portion of road reserve to be amalgamated with the adjoining Reserve.

#### **BACKGROUND**

Main Roads WA contacted the Shire in September 2022, requesting support for a request to the Department of Planning, Lands and Heritage (DPLH) to implement tenure changes under the *Land Administration Act 1997* for a portion of Great Southern Highway.

#### STATUTORY / LEGAL IMPLICATIONS

Section 58 of the *Land Administration Act 1997* and regulation 9 of *Land Administration Regulations 1998* provide the enabling legislation to close public roads. Local government is the enabling body under these provisions.

#### **POLICY IMPLICATIONS**

Nil

#### FINANCIAL IMPLICATIONS

Nil. Main Roads WA will pay all costs associated with the tenure amendments, including indemnity to the State, survey and registration costs.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Built environment

Objective 4.1 – A place that is connected, safe and easy to move around

Strategy 4.1.1 – Improve safety on road, cycle and footpath networks

#### SUSTAINABILITY IMPLICATIONS

Nil

#### **RISK IMPLICATIONS**

**Risk**: Reputational – Not assisting Main Roads WA facilitate this action could lead to a deterioration in a currently good working relationship.

| Likelihood | Consequence | Rating |
|------------|-------------|--------|
| Unlikely   | Minor       | Low    |
|            |             |        |

#### Action / Strategy

By formalising a resolution as required under the Land Administration Act will facilitate this land rationalisation being co-ordinated by Main Roads WA and maintain good inter government relationships.

#### **EXTERNAL CONSULTATION**

Main Roads WA has sought comment from both the Department of Biodiversity, Conservation and Attractions (responsible for State Forest 7) and the Water Corporation (management body for Reserve 6203).

#### COMMENT

Main Roads WA has reviewed the existing, constructed position of Great Southern Highway in The Lakes, with regards to the existing dedicated road casement and has identified that the constructed position deviates from the dedicated road casement in part.

With the view to rationalising land tenure, as per the attached, (refer **Attachment 1**), Land Dealings Plan 2260-033, it is proposed to excise the land shaded grey from State Forest 7 and unmanaged Reserve 25033 and close the dedicated road casement, shown hachured. It is further proposed, to include that closed road into adjoining Reserve 6203 and State Forest 7.

To locate the proposed land tenure in question refer to the location plan (Attachment 2)

#### **VOTING REQUIREMENT**

Simple Majority

|          | COUNCIL DECISION RECOMMENDATION |             | C17.08.23  |  |

**Attachments** 

Nil

#### SUMMARY

Where a review has been undertaken in relation to the predominant use of rateable land in the district Council must seek Ministerial approval prior to changing the basis of rating for a property from Unimproved Values (UV) to Gross Rental Value (GRV) (or from GRV to UV).

At the owners' request a review of the predominant land use has been undertaken for one rateable property on Horton Road at The Lakes. The property in question is currently rated as a UV property, however the review concluded that the property should be rated as a GRV property. Whilst the property is zoned General Agriculture under the Shire's Local Planning Scheme, it is apparent that the predominant land use for this property is residential (as opposed to rural i.e. farming and agriculture).

It is recommended that Council resolves to request the Minister for Local Government approve the change to the method of valuation of the land identified in this report; from UV to GRV, in accordance with section 6.28 of the *Local Government Act 1995*. The land that has been reviewed is as follows:

Lot 4 on Plan 71505. Lot 4 Horton Road THE LAKES WA 6556

#### **BACKGROUND**

Under section 6.28 of the *Local Government Act 1995* (the Act) the Minister for Local Government (the Minister) is responsible for determining the method of valuation of land to be used by a Local Government as the basis for a rate and publish a notice of the determination in the Government Gazette.

In determining the method of valuation to be used by a local government, the Minister is to have regard to the general principle that the basis for a rate on any land is to be:

- (a) Where the land is used predominantly for rural purposes, the unimproved value of the land; and
- (b) Where the land is used predominantly for non-rural purposes, the gross rental value of the land.

This authority has been delegated by the Minister to an officer of the Department of Local Government, Sport and Cultural Industries.

Each Local Government has a role in ensuring that the rating principles of the Act are correctly applied to rateable land within their districts.

#### STATUTORY / LEGAL IMPLICATIONS

Section 6.28 of the Local Government Act 1995

#### **POLICY IMPLICATIONS**

Nil

#### FINANCIAL IMPLICATIONS

A change in the method of valuation from UV to GRV will impact the Shire's rate revenue, the extent of which is dependent upon the valuation provided by Landgate.

Based on surrounding property values and rates paid (five properties in The Lakes are rated GRV), it is likely that the rates payable for the property will be reduced.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.4 – High standard of governance and accountability

Strategy 4.4.8 – Compliance with the Local Government Act 1995 and all relevant legislation and regulations

# SUSTAINABILITY IMPLICATIONS

Nil

#### **RISK IMPLICATIONS**

**Risk**: Compliance and Reputational. The basis of valuation for rating purposes does not align with the predominant land use.

| Likelihood        | Consequence | Rating   |
|-------------------|-------------|----------|
| Possible          | Moderate    | Moderate |
| Action / Strategy |             | •        |

#### Action / Strategy

Council seeks Ministerial approval to change the valuation basis for the property subject to the predominant land use review.

#### **EXTERNAL CONSULTATION**

The landowner of the property subject to the review requested the review and has been advised in writing that the review is in progress.

#### COMMENT

Pursuant to section 6.28 of the Act the property listed below, which is currently valued on unimproved value, should be valued on gross rental value based on the internal investigation undertaken by staff.

| ID | Lot   | Plan       | Address                                 |
|----|-------|------------|---|
| А  | Lot 4 | Plan 71505 | Lot 4 Horton Road,<br>The Lakes WA 6556 |

The investigations undertaken by staff identified the following:

1. The property subject to the review is zoned as General Agriculture under the Shire's Local Planning Scheme; and

2. A review of aerial photos of the property indicates that the land is not being used for farming or agricultural purposes;

The property owner, subsequent to them making their request for the review, has also completed a land use declaration form stating that the property is not used for rural purposes. Based on the above information the predominant land use of the property is considered to be "non-rural", therefore in order to maintain an equitable rates base and in accordance with section 6.28 of the Act, it is recommended that the method of valuing the property for rating purposes be changed from unimproved value to gross rental value.

#### **SUMMARY**

Each financial year Council is required to set a value for reporting material variances.

The purpose of this report is to adopt the percentage or value to be used in the reporting of material variances of the adopted budget. It is proposed that the values for 2023/24 are:

- Revenue material variances will be identified, where actual varies to budget by an amount of (+) or (-) \$50,000 or 10%, whichever is the greater; and
- Expenses material variances will be identified, where the actual varies to budget by an amount of (+) or (-) \$100,000 or 10% whichever is the greater.

#### **BACKGROUND**

Council is required by the *Local Government (Financial Management) Regulations 1996* to adopt a percentage or value for the purposes of reporting the Shire's material variances in the monthly Financial Activity Statement.

This value or percentage is then used throughout the financial year to identify potential areas in the Shire's actual revenues and expenditures that may not be in keeping with Shire's adopted budget. The early identification of these potential issues can assist in better utilisation and allocation of the Shire's funds and resources.

The Shire adopted the following variance thresholds for the 2022/23 financial year:

- Revenue material variances will be identified, where actual varies to budget by an amount of (+) or (-) \$50,000 or 10%, whichever is the greater; and
- Expenses material variances will be identified, where the actual varies to budget by an amount of (+) or (-) \$100,000 or 10% whichever is the greater.

## STATUTORY / LEGAL IMPLICATIONS

The Local Government (Financial Management) Regulations 1996 – Regulation 34 Clause 5 – states:

"Each financial year, a local government is to adopt a percentage or value, calculated in accordance with AAS, to be used in statements of financial activity for reporting material variances".

AASB 101, Presentation of Financial Statements, defines "material" as:

"Material: Information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity. Materiality depends on the nature or magnitude of information, or both. An entity assesses whether information, either individually or in combination with other information, is material in the context of its financial statements taken as a whole."

#### **POLICY IMPLICATIONS**

Nil

#### FINANCIAL IMPLICATIONS

The adoption of the material variances percentage or value is designed to report on areas within the Shire's budget against actual revenues and expenditures and identify where potential financial issues may be occurring.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

# COMMENT

It is recommended that Council adopts the same variance thresholds for the 2023/24 financial year that were used for 2022/23 financial year.

These values have proven to be an appropriate indicator of variances that should be identified and assessed to identify if any potential issues exist in terms of budgeted revenue and expenditure and actual revenue and expenditure. A lower variance threshold would result in insignificant variances being reported to Council, whilst a higher variance threshold would result in variances that could be considered as significant not being reported to Council.

#### **VOTING REQUIREMENT**

Simple Majority

#### SUMMARY

The monthly Statement of Financial Activity discloses the Shire's financial activities for the period ending 30 June 2023.

The actual closing budget position as at 30 June 2023 was a surplus of \$9,647,040 compared to the budgeted year end surplus of \$716,003, as per the original budget adopted by Council (SC6.07.22). The mid-year budget review updated the forecast closing year end budget surplus to \$3,887,230 (C12.03.23). Council should note that the year-end figures in this report are still subject to further year-end adjustments (some of which will be material) and have not been audited.

#### **BACKGROUND**

The monthly financial report is presented in accordance with the Local Government Act 1995 and the Local Government (Financial Management) Regulations 1996.

A statement of financial activity and any accompanying documents are to be presented to the Council at an ordinary meeting of the Council within two months after the end of the month to which the statement relates. The Statement of Financial Activity Report summarises the Shire's financial activities.

#### STATUTORY / LEGAL IMPLICATIONS

Regulation 34(1) of the *Local Government (Financial Management) Regulations 1996* requires a local government to prepare each month a statement of financial activity.

Regulation 34(2) requires the statement of financial activity to report on the sources and applications of funds, as set out in the annual budget.

#### **POLICY IMPLICATIONS**

Nil

#### FINANCIAL IMPLICATIONS

Financial implications are in accordance with the approved reporting material variances (C18.08.22) of:

- (+) or (-) \$50,000 or 10%, whichever is the greater for Revenue
- (+) or (-) \$100,000 or 10%, whichever is the greater for Expenses

within the monthly Statement of Financial Activity during the 2022/23 financial year.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.4 – High standard of governance and accountability

Strategy 4.4.6 – Sound financial and asset management

#### COMMENT

The reports that accompany this item are as follows:

- A graphical representation of the year to date comparison to budget for operating revenue, operating expenses and capital expenses.
- Statement of Financial Activity (based on the Rate Setting Statement adopted in the annual budget) for the period ending 30 June 2023.
- An explanation of the material variances in the Statement of Financial Activity.
- The closing budget position for the period ending 30 June 2023 and comparison to the year to date budget and same period last year.
- An explanation of the key terms and definitions used in the Statement of Financial Activity.
- The closing budget position for the period ending 30 June 2023 and comparison to the year to date budget and same period last year.
- A statement of year to date operating expenses by each area of budget responsibility and a graphical comparison of year to date operating expense to the year to date budget.
- Summary of Cash Investments with financial institutions as at 30 June 2023.

In relation to the material variances, "timing" differences are due to the monthly spread of the budget not matching the actual spread of revenue or expenditure. Timing differences will not result in a forecast adjustment. Where the material variance is flagged as "permanent" this indicates that a forecast adjustment to the annual budget is required or has been made.

The Shire's closing surplus as at 30 June 2023 was \$9,647,040 compared to the budgeted year end surplus is \$716,003 as per the original budget adopted by Council (SC6.07.22). The mid-year budget review subsequently updated the forecast closing year end budget surplus to \$3,887,230 (C12.03.23). This variation is primarily due to:

- 1. The Shire's forecast opening budget surplus in the adopted budget was \$4,024,176 compared to an actual opening surplus position of \$7,692,098. This is primarily due to the net capital expenditure amount forecast for 2021/22 in the 2022/23 budget being \$3.6 million less than the actual result for 2021/22. This relates to incomplete capital works/purchases for 2021/22 that have now been carried forward to 2022/23. As these items had not been included in the 2022/23 budget they were subject to a forecast adjustment in the mid-year budget review.
- 2. The Shire's year to date actual operating expenses being \$2,054,921 less than the year to date budget (see explanation of variances).
- 3. The Shire's year to date actual operating revenue being \$3,672,191 greater than the year to date budget (see explanation of variances).
- 4. The Shire's net expenditure on investing activities (Capital works and funding of) being \$338,332 less than the year to date budget (see explanation of variances).
- 5. The Shire's net expenditure on financing activities (Transfers to/from reserves and repayment of loans) being \$1,390,406 greater than the year to date budget (see explanation of variances).

The significant factors contributing to the closing surplus figure of \$9,647,040 are:

- The Shire's full allocation of the General Purpose Grant and Local Roads Grant for 2023/24 was paid in advance at the end of June 2023. Therefore the \$3,102,087 received is required to be recognised as revenue in 2022/23 and no budget provision will be made for these grants in 2023/24; and
- \$2.2 million in capital works and capital acquisitions were incomplete as at 30 June 2023, these works and acquisitions will be carried over to the budget for 2023/24.

Council should note that the year-end figures in this report are still subject to further year-end adjustments, such as year-end accruals of expenses (some of which will be material) and have not been audited.

The Shire's total municipal cash (cash available for operations) as at 30 June 2023 was \$13,288,428 in municipal funds compared \$10,767,209 at the same time last year.

Outstanding rates and waste charges as at 30 June 2023 was \$4,710,100 (11.1% of collectable rates and charges) compared to a figure of \$3,093,635 (7.6%) at the same time last year.

| Transfers from cash backed reserves               | (2,078,399) | -38% | Timing    | \$1.8 million from Civic Facilities Reserve not required for upgrade to LED street lighting upgrade.  |

#### **KEY TERMS AND DEFINITIONS - NATURE OR TYPE**

#### REVENUES

#### RATES

All rates levied under the Local Government Act 1995. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts and concessions offered. Exclude administration fees, interest on installments, interest on arrears, service charges and severage rates.

#### SERVICE CHARGES

Service charges imposed under Division 6 of Part 6 of the Local Government Act 1995. Regulation 54 of the Local Government (Financial Management) Regulations 1996 identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services.

Excludes rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### PROFIT ON ASSET DISPOSAL

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

#### OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

#### NON-OPERATING GRANTS. SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

#### FEES AND CHARGES

Revenue (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

#### INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, and rebates. Reimbursements and recoveries should be separated by note to ensure the correct calculation of ratios.

#### **EXPENSES**

#### **EMPLOYEE COSTS**

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences safety expenses, medical examinations, fringe benefit tax, etc.

#### MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

#### UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

#### INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

#### LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets includes loss on disposal of long term investments

#### **DEPRECIATION ON NON-CURRENT ASSETS**

Depreciation and amortisation expense raised on all classes of assets.

#### INTEREST EXPENSES

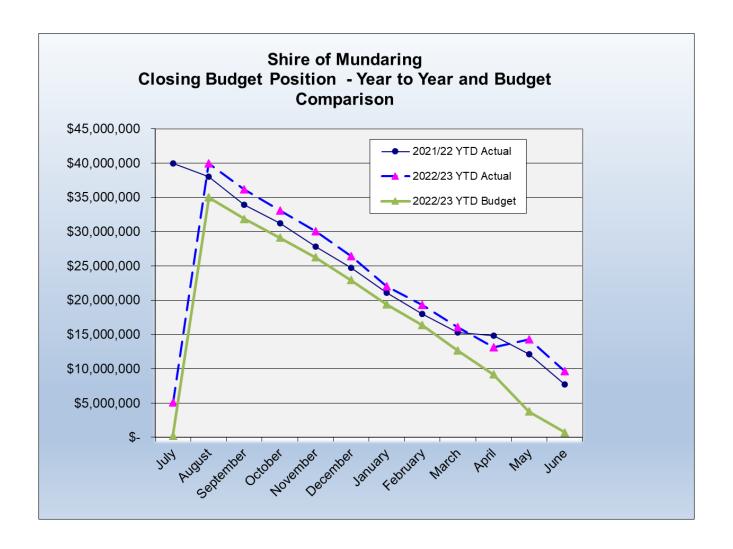

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

#### OTHER EXPENDITURE

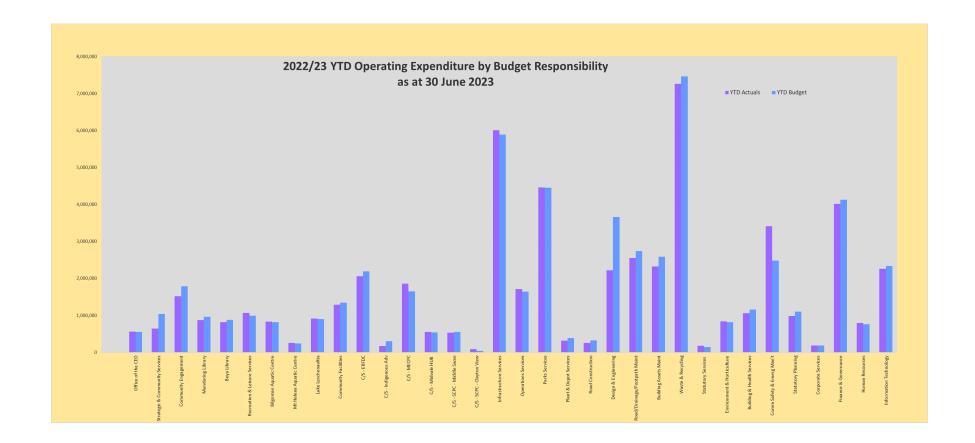

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

1. Payments Between Meetings June 2023 J

#### **SUMMARY**

A list of accounts paid from the Municipal Fund and Trust Fund under the Chief Executive Officer's delegated authority for the month of June 2023 is presented to Council for noting.

#### **BACKGROUND**

Council has delegated to the Chief Executive Officer the exercise of its power to make payments from the Shire's Municipal and Trust Funds. In accordance with Regulation 13 of the *Local Government (Financial Management) Regulations 1996*, a list of accounts paid is to be presented to Council and be recorded in the minutes of the meeting at which the list was presented.

#### STATUTORY / LEGAL IMPLICATIONS

Regulation 13 of the Local Government (Financial Management) Regulations 1996 states:

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared –
  - (a) the payee's name;
  - (b) the amount of the payment;
  - (c) the date of the payment; and
  - (d) sufficient information to identify the transaction
- (2) A list prepared under sub regulation (1) or (2) is to be
  - (a) presented to council at the next ordinary meeting of the council after the list is prepared: and
  - (b) recorded in the minutes of that meeting

#### **POLICY IMPLICATIONS**

**AS-04 Purchasing Policy** 

#### FINANCIAL IMPLICATIONS

All payments have been made in accordance with the approved budget and reflects the effective and timely payment of the Shire's contractors and other creditors.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.4 – High standard of governance and accountability

Strategy 4.4.8 – Compliance with the Local Government Act 1995 and all relevant legislation and regulations

#### SUSTAINABILITY IMPLICATIONS

Expenditure has been incurred in accordance with budget parameters, which have been structured on financial viability and sustainability principles.

#### **RISK IMPLICATIONS**

| Risk: Payments are not monitored against approved budget and delegation.   |             |        |  |  |  |  |
|--|-------------|--------|--|--|--|--|
| Likelihood   | Consequence | Rating |  |  |  |  |
| Possible Minor Moderate  |             |        |  |  |  |  |
| Action / Strategy  |             |        |  |  |  |  |
| The monthly list of payments provides an open and transparent record of payments made under the CEO's approved delegation. |             |        |  |  |  |  |

#### **EXTERNAL CONSULTATION**

Nil

#### COMMENT

Payments for the supply of goods and services utilised by the Shire's Family and Children Services programs are fully funded by government grants/subsidies and user fees.

#### **VOTING REQUIREMENT**

Simple Majority

| COUNCIL DECISION RECOMMENDATION |            |             | C21.08.23  |  |
|---------------------------------|------------|-------------|------------|--|
| Moved by                        | Cr Zlatnik | Seconded by | Cr Collins |  |

That Council notes the list of payments made during June 2023 (Attachment 1).

#### **CARRIED 8/0**

For: Cr Ellery, Cr McNeil, Cr Collins, Cr Jeans, Cr Daw, Cr Hurst, Cr Zlatnik and Cr

Cicchini

Against: Nil

#### **PAYMENTS BETWEEN MEETINGS**

The schedule of accounts paid for the month of June 2023 totals \$ 5,888,185.49

#### and includes:

- Municipal Cheques 200607 200612 and
- Electronic Funds Transfers.

# 10.14 Appointment of Acting Chief Executive Officer

File Code HR.EMP 01

**Author** Elizabeth Nicholls, Governance Co-ordinator **Senior Employee** Jonathan Throssell, Chief Executive Officer

**Disclosure of Any** 

Interest

Nil

Attachments Nil

#### SUMMARY

Council is requested to approve the appointment of an Acting Chief Executive Officer (CEO) for the period following the current CEO, Mr Jonathan Throssell, finishing his employment and Mr Jason Whiteaker commencing his employment with the Shire as CEO.

#### **BACKGROUND**

Mr Throssell finishes his employment with the Shire on 15 September 2023. Mr Whiteaker commences employment on Monday 2 October 2023.

#### STATUTORY / LEGAL IMPLICATIONS

The Local Government Act 1995 provides the below in regards to contracts for the CEO:

# 5.39. Contracts for CEO and senior employees

- (1) Subject to subsection (1a), the employment of a person who is a CEO or a senior employee is to be governed by a written contract in accordance with this section.
- (1a) Despite subsection (1)
  - (a) an employee may act in the position of a CEO or a senior employee for a term not exceeding one year without a written contract for the position in which he or she is acting; and
  - (b) a person may be employed by a local government as a senior employee for a term not exceeding 3 months, during any 2 year period, without a written contract.
- (2) A contract under this section
  - (a) in the case of an acting or temporary position, cannot be for a term exceeding one year;
  - (b) in every other case, cannot be for a term exceeding 5 years.

As the appointment of the Acting CEO is for a period of two weeks, a written contract is not required.

#### **POLICY IMPLICATIONS**

The stated purpose of Council policy AS-03 "Acting Chief Executive Officer" is 'to allow the proper appointment of an Acting CEO in the absence of the CEO during leave absences'.

Relevantly, the policy statement:

 Identifies those persons appointed as the permanent incumbent to the position of Director as being suitably qualified to perform the role of Acting CEO; and  provides for the CEO to appoint a Director as Acting CEO at their discretion for a period not exceeding three months.

Despite it not being detailed in the policy statement itself, as the stated purpose of the policy is for it to guide the appointment of an Acting CEO when the CEO is on leave, it is considered appropriate that Council appoints an Acting CEO in circumstances where the need for an Acting CEO is for reasons other than the absence of the CEO on periods of leave.

#### FINANCIAL IMPLICATIONS

The Acting CEO is paid at the equivalent rate of pay as the current CEO for the period they are appointed.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.4 – High standard of governance and accountability

Strategy 4.4.8 – Compliance with the Local Government Act 1995 and all relevant legislation and regulations

#### SUSTAINABILITY IMPLICATIONS

Nil

#### **RISK IMPLICATIONS**

| Risk: The appointment of an acting CEO is not made in accordance with the Act.        |          |     |  |  |
|---|----------|-----|--|--|
| Likelihood Consequence Rating   |          |     |  |  |
| Unlikely  | Moderate | Low |  |  |
| Action / Strategy   |          |     |  |  |
| Council appoints an Acting CEO for the period from 16 September until 1 October 2023. |          |     |  |  |

#### **EXTERNAL CONSULTATION**

Nil

#### COMMENT

Due to Mr Throssell ceasing his employment as CEO on 15 September 2023 there is a need to appoint an Acting CEO from this time until the commencement of Mr Whiteaker on 2 October 2023.

As Council has already determined in policy AS-03 that those persons appointed as the permanent incumbent to the position of Director are suitably qualified to perform the role of Acting CEO, it is recommended that a Director be appointed as Acting CEO until the commencement of Mr Whiteaker's employment.

Nil

#### SUMMARY

Cr Cook has advised her intention to move the following notice of motion:

#### **MOTION**

#### That:

- Council refers the item to the Governance Committee to develop a Disaster Relief Donations Policy, to be scheduled in the Governance Committee Work Plan during the 2023/24 financial year.
- 2. The purpose and scope of the proposed Disaster Relief Donations Policy includes, but is not limited to, as follows:

#### Purpose:

- a. To provide criteria for the equitable assessment for donations,
- b. Incorporates options and flexibility in the amount to be donated, based on the circumstances of the event conditions and processes,
- c. To ensure accountability for the funds expended.

#### Scope:

- a. The policy applies to all Council donations for disaster relief in respect of disasters affecting countries, regions or community groups, and excludes events covered by the Shire's Emergency Management Plan.
- b. Provides options for CEO delegation on behalf of Council.

Cr Cook has provided the information below in support of her motion:

"A policy is beneficial to provide guidance to Councillors regarding future donations to support Disaster Relief.

SOM have supported previous allocations of money, most recently to

Cyclone Seroja \$5,000

Kimberley Floods \$10,000

A policy may include:

- Definition of Disaster
- Recommended amounts of money, or donations of other kinds eg office secondment.
- Recommended streams of donations eg Lord Mayor Disaster Relief Program
- Recommended supporting or not particular locations of disaster: Local, State, Federal, International. (Clear direction)
- Recommend an ongoing annual budgetary allowance
- Recommend CEO or Council authorisation requirements.

The policy should have a degree of flexibility to allow the Council of the day to adapt for individual circumstances."

#### **BACKGROUND**

Council has previously resolved to provide donations:

- Notice of Motion Kimberley Floods Donation to Lord Mayors Distress Relief Fund -Cr Trish Cook (C12.01.23)
  - That Council, by absolute majority, approves a budget amendment of \$10,000 to the donations expenditure account in order to fund a donation to the City of Perth Lord Mayors Distress Relief Fund to assist individuals with recovery from the impacts of the recent Kimberley Flood.
- Cyclone Seroja Donation to Lord Mayors Distress Relief Fund (C19.05.21)
  - That Council, by absolute majority, approves a budget amendment of \$5000 increase to the donations expenditure account in order to fund a donation to the Lord Mayor's Distress Relief Fund to assist with recovery from the impacts of Cyclone Seroja.

# STATUTORY / LEGAL IMPLICATIONS

Section 2.7 of the *Local Government Act 1995* provides the role of council in relation to the determination of policies:

- (1) The council
  - (a) governs the local government's affairs; and
  - (b) is responsible for the performance of the local government's functions.
- (2) Without limiting subsection (1), the council is to
  - (a) oversee the allocation of the local government's finances and resources; and
  - (b) determine the local government's policies.

Section 6.8 of the *Local Government Act 1995* details how to incur expenditure from the municipal fund when not included in an annual budget, as follows:

- (1) "A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure
  - (a) is incurred in a financial year before the adoption of the annual budget by the local government; or

- (b) is authorised in advance by resolution\*; or
- (c) is authorised in advance by the mayor or president in an emergency.

Where a donation has not been included in an annual budget, pursuant to section 6.8 (1)(b) a Council decision is required to authorise the donation by absolute majority.

#### **POLICY IMPLICATIONS**

The "Policy Development and Review Policy" provides guiding principles as follows:

Each policy developed or reviewed is to be assessed against the below guiding principles.

A policy may be developed where there is either complexity or lack of clarity in one or a combination of the following circumstances:

- a. legislative requirement
- b. new or changing industry and organisational standards
- c. to meet the Shire's strategic objectives
- d. community need or expectation
- e. advocacy on issues that Council considers to be significant
- f. as a result of a Council resolution.

# Policies should result in:

- clarity and consistency in decision making
- improved efficiency and effectiveness
- improved customer and community outcomes.

A policy is not to be initiated if it does not address the listed circumstances or will not achieve the listed results. Alternative document formats may be considered.

It is likely that the policy as proposed by the Notice of Motion would result in clarity and consistency in decision making. Additionally, a policy with provisions for how donations will be given may reduce the number of items to be presented to Council and would ensure that a donation is able to be made in a short period of time to maximise its effectiveness in an emergency recovery situation.

The "Policy Development and Review Policy" also provides the process for the development of a new policy:

The development of a new policy may be initiated where due consideration has been given to item 3.1 Guiding Principles:

- by Council resolution (including the draft purpose and scope)
- if recommended by the Governance Committee and resolved by Council (including the draft purpose and scope)

Where it is resolved to develop a new policy or review an existing policy not included in the adopted Policy Workplan, a report will be presented to the Governance Committee including details of items which may need to be postponed and resourcing implications to schedule the policy in the Policy Workplan.

# FINANCIAL IMPLICATIONS

As noted under 'Statutory / Legal Implications', section 6.8 (1)(b) provides that where expenditure has not been included in an annual budget, an absolute majority is required.

The financial implications will be further considered in the development of the policy.

<sup>\*</sup> Absolute majority required."

Should the proposed policy be adopted, a budget allocation would be required to be included in the annual budget.

#### STRATEGIC IMPLICATIONS

Mundaring Strategic Community Plan 2020 - 2030

Priority 4 - Governance

Objective 4.4 – High standard of governance and accountability

Strategy 4.4.8 – Compliance with the Local Government Act 1995 and all relevant legislation and regulations

#### SUSTAINABILITY IMPLICATIONS

Nil

#### **RISK IMPLICATIONS**

**Risk**: Compliance: That expenditure is provided in accordance with the *Local Government Act 1995*.

| Likelihood        | Consequence | Rating   |
|-------------------|-------------|----------|
| Possible          | Moderate    | Moderate |
| Action / Otrotomy |             |          |

# **Action / Strategy**

An allocation would be included in the annual budget so an item is not required to be presented to Council to endorse the expenditure (donation) by absolute majority with expenditure in accordance with the proposed Disaster Relief Donations Policy.

**Risk**: Reputational: The Shire has been the recipient of donations for disaster relief and not making a donation to assist in similar circumstances may reflect negatively on the Shire or alternatively may be the subject of criticism from ratepayers as an inappropriate use of ratepayer funds.

| Likelihood        | Consequence | Rating   |
|-------------------|-------------|----------|
| Possible          | Moderate    | Moderate |
| Action / Stratogy |             |          |

#### Action / Strategy

That the proposed Disaster Relief Donations Policy be scheduled for development and these issues be addressed or mitigated where possible.

# **EXTERNAL CONSULTATION**

Nil

# **COMMENT**

It is common for local governments to make donations to assist communities recover from emergencies and/or disaster events. The Shire has been the recipient of donations for disaster relief following the Wooroloo Bushfire in 2021 and Parkerville Stoneville Mt Helena bushfire in 2014.

Cr Cook's Notice of Motion provides for the creation of a policy or guidelines. If it was determined that Council wanted a document that would provide relevant definitions, criteria and approved donation recipients, it is suggested that a formal position be established in a policy.

The "Policy Development and Review Policy" provides the process for initiation the development of a new policy. The proposed Disaster Relief Donations Policy meets the guiding principles.

# 13.0 CONFIDENTIAL ITEMS

# Meeting Closed to Public at 10.20pm

The Local Government Act 1995, Part 5, Section 5.23 states in part:

- (2) If a meeting is being held by a council or by a committee referred to in subsection (1)(b), the council or committee may close to members of the public the meeting, or part of the meeting, if the meeting or the part of the meeting deals with any of the following —
  - (a) a matter affecting an employee or employees; and
  - (b) the personal affairs of any person; and
  - (c) a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting; and
  - (d) legal advice obtained, or which may be obtained, by the local government and which relates to a matter to be discussed at the meeting; and
  - (e) a matter that if disclosed, would reveal
    - (i) a trade secret; or
    - (ii) information that has a commercial value to a person; or
    - (iii) information about the business, professional, commercial or financial affairs of a person, where the trade secret or information is held by, or is about, a person other than the local government; and
  - (f) a matter that if disclosed, could be reasonably expected to
    - (i) impair the effectiveness of any lawful method or procedure for preventing, detecting, investigating or dealing with any contravention or possible contravention of the law; or
    - (ii) endanger the security of the local government's property; or
    - (iii) prejudice the maintenance or enforcement of a lawful measure for protecting public safety; and
  - (g) information which is the subject of a direction given under section 23(1a) of the Parliamentary Commissioner Act 1971; and
  - (h) such other matters as may be prescribed.
