FROM THE SHIRE PRESIDENT

It has been just over two weeks since I was elected Shire President and I couldn't be more honoured or excited to lead a council that will work tirelessly for the betterment of our amazing community.

Over the past month our community undertook an election process. Tuesday 19 October saw the conclusion of that process with the swearing in of six new Councillors.

I want to thank our community for electing six outstanding, community driven and passionate Councillors to join the existing team, including our new Deputy President Paige McNeil.

Excitingly, we have an equal gendered Council for the first time in a decade.

Whilst we welcome new Councillors, we must also farewell six Councillors who have served our community. Thank you Toni Burbidge, Kate Driver, David Lavell, Darrell Jones, Jason

Russell and Ian Green.

A special mention to Cr John Daw, whom for four years led Council as Shire President through the Coronavirus pandemic and the Wooroloo bushfire crisis. I hope that I am able to continue building upon the achievements of the last Council and thank Cr Daw for his contribution as President.

In the lead up to International Volunteer Day next month, I wish to acknowledge the remarkable contributions volunteers make to our community. From the mums and dads who help with weekend sports to market organisers and our volunteer bushfire fighters – thank you!

I am truly excited to have been elected Shire President and I very much look forward to meeting and working with you over the next two years.

Shire President**
