#### PURPOSE

To outline the financial support provided to eligible local not-for-profit community groups through the Community Funding Program.

#### BACKGROUND

Council receives a range of requests for funding from local groups for a variety of sports, arts, recreation, environmental and community projects each year.

Council seeks to support groups to undertake these projects and in doing so, acknowledges the vast contribution made by local volunteers and not for profit groups to the social, cultural and economic fabric of our community.

This policy ensures that Shire funding resources are allocated in a way that is transparent, legal and equitable and that funded projects further the strategic aims and objectives of the Shire and represent responsible use of public monies.

#### POLICY

1. The aims of the Shire's Community Funding program are:
  - To encourage the development of services, facilities and events that meet identified community needs.
  - To promote active participation of local residents in community initiatives and the development of skills, knowledge and opportunities.
  - Encourage community connection, foster health and wellbeing and enhance community spirit.

- To provide assistance to the community to develop and deliver initiatives and services that support the Shire's Strategic Community Plan.
- To provide a level of funding that takes into account the budgetary constraints of the Shire.
- To enable community organisations to attract other funding and in-kind support.
- To acknowledge community organisations and volunteers for the positive contribution they make to the local community and Council's vision for the future.
- To ensure Shire funds are distributed in an equitable and transparent manner that ensures good governance.

## **MULTI-YEAR FUNDING AGREEMENTS**

For community groups in receipt of multi-year funding from the Shire, support will be delivered in the following ways:

### ***Four Year Service Agreements:***

Service Agreements may be offered to groups who provide an ongoing service to the community and maintain a continual community presence. These Agreements will support groups in their operations and staffing levels with the services they provide closely aligned to the Shire's strategic goals. These groups are required to report six monthly against key performance indicators as agreed with the Shire. Four year Service Agreements will be reserved for groups who bring a high level return on investment. It is generally expected that these Service Agreements will be offered recurrently, provided all conditions of funding are met.

Groups seeking a Service Agreement are able to do so via submitting a detailed business case to Council for assessment and consideration through its annual Corporate Business Planning processes.

### ***Event Grant Agreements:***

Multi-year Event Grant Agreements may be offered to groups who have a proven track record in the delivery of their community based event. The initiatives funded at this level will be closely aligned to the Shire's strategic goals and have the ability to attract significant external funding. These groups are required to report annually against key performance indicators as agreed with the Shire. Clear administration processes must be in place, with robust business planning demonstrated. It is generally expected that Multi-Year Event Grant Agreements will be offered recurrently, provided all conditions of funding are met.

There are three tiers of Event Grant Agreements –

- One off Annual Community Events Grants – these grants are offered through the annual open, competitive, Community Grants Program (refer under Community Grants section). Event funding at this level is generally for those events that are local in nature and reinforce community connectedness and pride.

- Two year agreements – offered to those groups who have a history of consistently and successfully delivering the event to be funded on five or more occasions. An evaluation of the events must have been undertaken with evidence of achieving the events intended outcomes provided. Funding at this level is developmental in nature with the intent of supporting groups to become further established and broaden their reach whilst providing security of longer term funding. Groups will be considered for this level of funding following submission of a detailed business case that has been considered by Council through its annual Corporate Business Planning processes.
- Three year agreements – provided to those groups who are delivering events that are regional in nature, are unique in their offering and have capacity to attract external visitors. Groups will be considered for this level of funding following submission of a detailed business case that has been considered by Council through its annual Corporate Business Planning processes.
