Linen, kitchenware, cleaning items...

A number of organisations were instrumental in requesting and coordinating donations of essentials for packs to give to people moving into the Minderoo PODs. Whether you're moving in, or returning to your home, we hope that you have everything you need. If you're short anything please do let us know so we can put you in touch with someone who can assist with filling the gaps.

Weed Control

The Shire are currently investigating suitable options for assisting residents with weed control on their properties. If something is working well for you please feel free to share the information with us, and again, if you're in need of assistance please let us know so we can hopefully put you in touch with someone who can help.

Fencing

A number of organisations have donated fencing materials, including Rotary and Vinnies, to assist residents in both the Shire of Mundaring and City of Swan with the reinstatement of their fencing. Donated loan tools are available both in Wooroloo and Gidgegannup, plus BlazeAid volunteers have been providing manpower.

If you are in need of assistance please let me know by reply so we can put you in touch with the volunteers who are coordinating the efforts. Please note that there is a focus on perimeter fencing in the first instance.
