EDITION 3 - 27 MAY 2021

## New look for recovery updates

To streamline the delivery of recovery updates we have prepared this new-look newsletter, combining 'What's On' (activities) with upcoming opportunities (assistance, feedback, advice etc).

We initially plan to continue with fortnightly updates, released to coincide with the Thursday afternoon Wooroloo Connect sessions (details below) but, as always, we will be guided by the needs of the community.

### See you at Wooroloo Hall

The kettle's on, pop in! Catch up with neighbours, access information from Shire of Mundaring and other service providers. Kids can investigate the games box or find a quiet corner for homework.

Fortnightly on Thursdays, 3pm to 5pm  
10 and 24 June, 8 and 22 July, 5 and 19 August

Weekly on Tuesdays, 8.30am to 4.30pm  
From 1 June until further notice
