EDITION 7 - 22 JULY 2021

Hall Happenings!

The Wooroloo Hall has been a hub for fun 'n' food over the past couple of weeks. It's been wonderful to hear laughter and conversation, see smiling faces along with the smells of yummy locally sourced meals.

This Thursday we're enjoying soup from **Cafe Mojo**. You are encouraged to pop in, fill a bowl and stay awhile (noting that **Wooroolooper Eats** will continue for those residents who are unable to make it to the Hall). Looking forward to dining with you!

Wooroloo Brook Update: The Department of Planning, Lands and Heritage have re-mapped the Wooroloo Brook Aboriginal Heritage Site to remove the 30m buffer from each side of the banks. The updated boundary can be seen on their [Aboriginal Heritage Inquiry System](#).
