SPECIAL EDITION - SEPTEMBER 2021

Community BBQ to thank the Wooroloo Volunteer Bushfire Brigade - 1 August 2021

Community Champs Take The Lead

A swag of great ideas have been put forward by community members, with some projects underway, thanks to the passion and vision of local champions. It's not too late to jump on board, there's always room for another pair of hands - email Karen (see right) if you'd like to be included.

- **Community Led Art Project "CLAP"** - following a recent community chat the many, varied and wonderfully creative suggestions are being captured in a flexible plan to assist with identifying the resources needed. It's looking like the project will have many aspects to it, so definitely something for everyone to get involved in.
- **Wooroloo Hall Memorial** - collaborations are afoot and the community will be kept in the loop, and invited to assist with a busy bee to spruce up this special historical area.
- **Community Garden** - a number of residents have suggested different ways that the Halls' garden might be made more attractive and user friendly, including a nature play area, shared fruit 'n' veg patch and a firewise garden bed example. These are being looked into for practicality so that funding can be applied for.
- **HALL-oween Trivia Afternoon** (31 October) - following the success of "Quiz-mas in July" we're running a family friendly, fancy-dress encouraged event! There's a few tasks that will need doing and any assistance is welcomed.
- **Melbourne Cup Lunch** (2 November) - a 'pot luck' style event where everyone will bring along a plate to share.
