## Introduction

The Delegations of Authority contained in this manual are made to the Chief Executive Officer pursuant to section 5.42 of the *Local Government Act 1995* (the Act) and to Committees pursuant to section 5.16. Where listed some of these functions are delegated by the Chief Executive Officer to Shire of Mundaring employees pursuant to section 5.44 of the Act. All delegations made by Council must be by **absolute majority** decision.

The Act provides that the following are decisions that cannot be delegated to the Chief Executive Officer (s. 5.43):

- Any power or duty that requires a decision of an absolute majority or 75% majority of the local government.
- Accepting a tender which exceeds an amount determined by the local government.
- Appointing an auditor.
- Acquiring or disposing of any property valued at an amount exceeding the amount determined by the local government.
- Any of the local government's powers under sections 5.98, 5.98A, 5.99, 5.99A and 5.100 of the Act.
- Borrowing money on behalf of the local government.
- Hearing or determining an objection of a kind referred to in section 9.5.
- The power under section 9.49A(4) to authorise a person to sign documents on behalf of the local government.
- Any power or duty that requires the approval of the Minister or the Governor.
- Such other duties or powers as may be prescribed.

Furthermore the following regulations prescribe powers and duties which cannot be delegated to a CEO:

- Regulation 18G of the *Local Government (Administration) Regulations 1996* prohibits the delegation to a CEO of the powers and duties under:
  - (i) Sections 7.12A(2), 7.12A(3)(a) and 7.12A(4) of the *Local Government Act 1995* (relating to meetings with auditors); and
  - (ii) Regulations 18C and 18D (relating to the selection and appointment of CEOs and reviews of their performance).
- Regulation 6 of the *Local Government (Financial Management) Regulations 1996* prohibits the delegation of the duty to conduct an internal audit to an employee (including a CEO) who has been delegated the duty of maintaining the local government's day to day accounts or financial management operations.

The Act allows for the Chief Executive Officer to delegate any of their powers to another employee, this must be done in writing. These powers cannot, however, be further sub-delegated (s. 5.44). The Act also allows the delegator to place conditions on any delegations if required.

A register of delegations, being this manual, is to be kept and reviewed at least once every financial year.

If a person is exercising a power or duty that they have been delegated, the Act requires them to keep records relating to the exercise of the power or discharge of the duty. The written record is to contain:

- How and when the person exercised the power or discharged the duty; and
- The persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.

Each instrument of delegation in this register describes the function being delegated and the relevant statutory reference which is the source of power for the exercise of the function. Also included is a reference to related documents such as policies of Council, which may provide guidance in the exercise of the delegation.

- b) where the land is subject to the declaration of a planning control area under Section 112 of the *Planning and Development Act 2005*; or
- c) where that land is partly within the development control area described in section 10 of the *Swan and Canning Rivers Management Act 2006* or is outside the development control area but abuts waters within the development control area; or

The following applications for development on land that abuts or is fully or partly reserved as regional road reservation (classified as Category 1, 2 and 3) shall be referred to Main Roads WA (MRWA) or the Department of Planning (DoP) as applicable, for transport planning related comments and recommendations before being determined by the local government subject to the process explained in clause 4, Section B.

<b>Type of regional road reservation in the MRS</b>	<b>Classification on plans SP 693 (PRR) and SP 694 (ORR)</b>	<b>Referral Agency</b>
Primary Regional Road (PRR)	Category 1, 2 and 3	Main Roads WA
Other Regional Road (ORR)	Category 1, 2 and 3	Department of Planning

The regional road network (PRR and ORR) changes periodically with amendments to the MRS. This clause relates to all regional road reservations in the MRS as amended from time to time. Regional roads subject to this notice and the relevant agency that is responsible for their planning are shown on accompanying editions of plans SP 693 (PRR, MRWA) and SP 694 (ORR, WAPC).

The road categories shown on plans SP 693 (PRR) and SP 694 (ORR) classify the regional roads based on –

- a) the permissible vehicular access arrangements to the subject land via the regional road frontage

- **Category 1 road** means that frontage access is not allowed (control of access);
  - **Category 2 road** means that frontage access may be allowed subject to approval; and
- b) the legibility and statutory powers of current road land requirements defined for the purpose of regional road reservation in the MRS
- **Category 3 road** means that the subject regional road reservation is not accurately defined or is subject to a review by the agency that is responsible for planning of the regional road.

**“Category 1 road”** applies where regional roads –

- a) are constructed or planned to a fully controlled and grade separated freeway standard; or
- b) are constructed or planned to an access controlled arterial standard, i.e. functioning as Primary Distributor or Integrator Arterial (District Distributor) road with widely spaced signalised intersections or roundabouts, and a few, if any, direct access points to individual sites or local streets.

**“Category 2 road”** applies where regional roads –

- a) are constructed or planned to a partially access controlled arterial standard, (i.e., a primary or district distributor road with direct connections to local streets and driveways to larger sites, but with some restriction of direct frontage access to individual properties); or
- b) have direct frontage access to abutting properties due to historic development of the road and properties.

**“Category 3 road”** applies where regional road reservation is not accurately defined or is under review.

For enquiries and assistance regarding –

- a) PRR Category 1, 2 and 3 – call Main Roads WA on 138 138.
- b) ORR Category 1, 2 and 3 – call Department of Planning on (08) 6551 9000.

Tables 1, 2 and 3 below outline the category of the regional road reservation and the criteria for referring development applications to agencies in accordance with this instrument of delegation.

## Interpretation

In this Instrument of Delegation, unless the context otherwise requires –

- A reference to a ‘position’ or ‘classification’ contemplates and includes a reference to its successor in title.
- “access” means both entry and exit from either a road or abutting development by a vehicle.
- “Commission” or “WAPC” means the “Western Australian Planning Commission”.
- “development” has the same meaning given to it in and for the purposes of the *Planning and Development Act 2005* or “development means the development or use of any land including –
  - a. any demolition, erection, construction, alteration of or addition to any building or structure on the land;
  - b. the carrying out on the land of any excavation or other works;
  - c. in the case of a place to which a Conservation Order made under section 59 of the *Heritage of Western Australia Act 1990* applies, any act or thing that –
    - i. is likely to change the character of that place or the external appearance of any building; or
    - ii. would constitute an irreversible alteration of the fabric of any building”.
- “DoT” means the Department of Transport.
- “local road” means a public road other than a private road or a road subject of reservation under Part II of the MRS.
- “not acceptable” means that the local government wishes to determine the application, as a delegate of the WAPC, in a manner that is inconsistent with the recommendation received from the public agency to which the local government was required to consult under this Notice of Delegation.
- Main Roads WA means Main Roads Western Australia.
- “regional road” means any road under the region Scheme as follows –
  - land coloured red in the Scheme Map – Primary Regional Roads; and
  - land coloured dark blue in the Scheme Map – Other Regional Roads.
- “reserved land” means land reserved under Part II of the MRS.
- “road reservation” means land reserved for the purposes of a regional road in the MRS.
- “significant increase in traffic” means generating more than 100 vehicle trips in the peak hour and would therefore require a transport assessment to accompany the development application. Refer to the Commission’s *Transport Impact Assessment Guidelines*.
