

## All-Terrain Wheelchair Conditions of Use - User Agreement

To maximise the safety of patrons using the all-terrain wheelchair, Shire of Mundaring places conditions on its use at Lake Leschenaultia. Acknowledgement of, and agreement to these conditions is required prior to using the all-terrain wheelchair.

The all-terrain wheelchair must:

- Not be used by a person over 120kg;
- Not be used on the beach sand unless the person in the wheelchair weighs less than 50kg;
- Not be taken into the water; and
- Be treated with care and consideration.

I, the hirer, agree to do the following:

*Please note, failure to do any either of the above could result in damage to the wheels and/or brake pins.*
