This policy aims to reduce the risk of harm and child sexual abuse in our communities by encouraging child safe environments to be created and maintained. The Shire is committed to encouraging local organisations to be child safe and ensure children are safe and empowered.

Consistent with the [National Principles for Child Safe Organisations](#) and [Commonwealth Child Safe Framework](#), this policy provides a framework that outlines the role of the Shire in supporting local organisations to be child safe through access to resources, awareness raising and sharing relevant information.
