

Be a GREAT Sort by placing items inside the correct bin.

Not sure what bin to use, check using Recycle Right Materials A-Z guide. Scan QR or visit recycleright.wa.gov.au/find-my-nearest/

Recycling is easy!

Just these 5 things:

- ✓ Paper
- ✓ Cardboard (flattened)
- ✓ Cans
- ✓ Plastic bottles and containers
- ✓ Glass bottles and jars

Small plastic drink lids cannot be recycled in the recycling bin, so take them to a special collection point or put them in your general waste bin.

Please flatten large cardboard boxes before placing them in the recycling bin.

Take to a drop-off

Household Hazardous Waste (HHW), batteries, paints, chemicals and e-waste cannot go in any bin. Take them to a specialist drop-off point.

Find your nearest drop-off at recycleright.wa.gov.au/find-my-nearest/

Kitchen caddy instructions

Use your kitchen caddy to collect food scraps before taking them to the FOGO bin. Empty and remove all food packaging.

1. Caddy

Line your caddy with a certified compostable liner.

2. Food scraps

Put in food scraps including fruit and vegetable scraps, meat, dairy, bread, coffee grounds, eggshells and out-of-date food.

3. FOGO Bin

After 2-3 days, or when your liner is full, put it in your lime-green lidded FOGO bin.
